INTER-DEPARTMENT MEMORANDUM

To:	Scott C. Stiles	From:	William E. Murray
Dept:	City Manager	Dept:	Public Works
Subject:	SIX-MONTH ANIMAL CARE SERVICES UPDATE	Date:	July 27, 2017

OBJECTIVE

To provide the City Council with an update regarding animal care services since the City took over this responsibility on January 1, 2017.

BACKGROUND

On January 1, 2017, the City's new Animal Care Services (ACS) program assumed animal care and control operations from Orange County Animal Care (OCAC). The purpose of the transition was to better manage escalating costs while also providing more responsive services to the community. The new model called for ACS to provide field services in Garden Grove and for shelter services to be provided by the Orange County Humane Society (OCHS). The OCHS also provides similar services to the City of Costa Mesa. In preparation for the transfer of duties, OCAC transferred all of the animal licensing records to the City's pet licensing contractor, and provided copies of relevant files for potentially dangerous and vicious dogs to City staff. On December 31, 2016, 10 dogs, 3 rabbits and 2 cats were transferred from OCAC to the OCHS.

DISCUSSION

Field Services

Field Operations for the ACS program was established as an operation of the Public Works Department. The program is overseen by Mark Ladney, a Public Works Supervisor who has worked for the City for 15 years. He is supported by Alfred Aguirre and Gabriela Contreras who have over 23 years of combined field experience working in animal control and handling animals. Additionally Julie Cotton, a 10 year City employee assists with office administration (Attachment A, photo of ACS staff at Open Streets 2017).

ACS is also supported by the Police Department dispatchers and patrol officers. Officers help respond to animal emergencies such as injured animals or victims of dog bites when ACS staff are busy responding to other animal related calls. After hours emergency calls are routed to the Police Department dispatchers, who are then able to advise ACS of the situation, and call in ACS staff as needed.

During the month of January and part of February, while still establishing protocols, becoming familiar with the program, and receiving City-specific training, ACS operated

five days during the week with limited weekend services. As of February 19, an ACS staff member has been on duty in the city seven days a week. Currently, ACS operates from 7:00 am to 5:30 pm, Sunday through Tuesday, 7:00 am to 7:00 pm, Wednesday, and 8:30 am to 7:00 pm, Thursday through Saturday. Operational hours are constantly being evaluated to ensure the service best meets the needs of the City.

ACS has received approximately 1,605 field service calls since January 1. A summary is attached for your review (Attachment B). Although not reflected in the field service calls, ACS has also responded to calls for assistance from the California Highway Patrol and the Garden Grove Police and Fire Departments. ACS has also handled several calls involving loose or injured animals on the 22 Freeway.

Animal Care Services Webpage

As part of the program creation, in December 2016, the Animal Care Services webpage was added to the City website under the Public Works Department. The webpage provides comprehensive information about the City's ACS program. Specific information is provided on pet licensing and registration and lost and found animals, including links to relevant contractors' pages. Additionally, there is information on the number of animals that can be kept, how to file a barking dog complaint, and a section on how ACS handles wildlife and free roaming cats. The address, phone number, and working hours for OCHS are also listed on the webpage, along with a direct link to their website (Attachment C, Animal Care Services homepage and related information).

To assist the public in locating lost animals, the City's Information Technology Department recently implemented a "Found Animals" list on the Lost and Found Animal page on the Animal Care website. The list shows animals that have been picked up by ACS staff, or that have been dropped off at the shelter by Good Samaritans during the last seven days. Additional enhancements continue to be implemented on an ongoing basis, such as a new "Reunited with Owner" feature, and an upcoming "Adopted Animals" section.

Shelter Operations

As mentioned above, shelter operations have been contracted with the OCHS. As of June 30, 2017, there have been 299 dogs, 293 cats, and 14 various other animals (roosters, snakes, rabbits, iguanas, etc.) brought in by ACS staff, Good Samaritans, and/or owner surrenders from Garden Grove. A summary of statistics for the Humane Society is attached for your review (Attachment D). ACS estimates that this calendar year, we will have taken 650 dogs and 550 cats to the shelter. This is a substantial reduction in the number of animals that were reported by OCAC at their shelter (2016 OCAC Shelter Statics Attachment E). It is important to note that the City's ACS program is also projecting a significant reduction in total euthanasia for 2017 as compared to 2016.

SIX-MONTH ANIMAL CARE SERVICES UPDATE

July 27, 2017

Page 3

As part of the ACS program, if staff can identify who owns a lost animal through use of a pet license or microchip, that animal is returned to their owner in the field. Not only does this reduce the number of animals taken to the shelter, but it also saves Garden Grove residents time and money as they do not have to pay shelter impound fees. Approximately 12 dogs have been reunited with their owners through this feature.

When an animal is taken to the shelter, the impound fees are much lower than OCAC. The Humane Society charges \$40 for the initial impound, plus \$10/day for care. Fees at OCAC start at \$108 for the initial impound, with \$35/day for care. Owners of unaltered animals are still required to pay state mandated fees, and license the animal if it is not already licensed.

Stray Cat Return-To-Field Program

To assist in reducing the free roaming/loosely owned cat population and euthanasia at OCHS, ACS has been working closely with Stray Cat Alliance to implement a Return-To-Field (RTF) program. Stray Cat Alliance has been working with Long Beach Animal Care and Control for the past 4 years with outstanding results. The number of cats on the streets has been greatly reduced and there is a large reduction of cats and kittens impounded at the Long Beach Animal Shelter.

Under a RTF program, free roaming/homeless cats are brought into a shelter and instead of the shelter euthanizing them, the cats are sterilized, vaccinated, microchipped and returned to their community. The public is educated on the program and its importance. Returned cats are now sterilized and do not exhibit annoying behaviors like fighting and howling and they do not have kittens. The population at large is stable because these cats do not breed and do not allow for new cats coming into their territory.

Additional Animal Care Initiatives

Staff is continuing to work to improve and enhance the ACS program on an ongoing basis. Some of the additional initiatives currently in progress include:

- Construction of a temporary animal holding facility and dedicated office space at the Municipal Service Center. This facility will be used to hold animals for short periods of time (i.e., a few hours). Animals will routinely be transported to OCHS the same day they are picked up. The facility is expected to be open before the end of the year (Attachment F, Floor Plan).
- Work with OCHS to further develop and implement programs to more effectively work with rescue groups, such as a reduced fee program that would assist with medical and behavior rescues.

Benefit of City Support and Partnerships

Staff has found that there are benefits to integrating the ACS program in with existing City operations. There have been several unexpected field service calls where ACS could

SIX-MONTH ANIMAL CARE SERVICES UPDATE

Page 4

not have completed the call without the assistance and expertise of several members of the Public Works Department, specifically Traffic Signal Maintenance and the Street Trees and Flood Control operations. Their help with aerial lifts and extensive knowledge of the flood control channels and storm drain system has helped save 15 wild animals.

SUMMARY

Since the City took over animal care services in January, staff has been working diligently to establish and refine protocols, become more knowledgeable about the program, implement effective training, and strengthen relationships with contractors. As a result of these efforts the program is continuing to evolve and improve. Many successes are also being achieved, including less animals being sent to the shelter, more animals being returned directly to owners, reduced euthanasia and greater cost management. Staff is committed to providing quality animal care services and will seek to implement ongoing program enhancements. After this update, all further updates will be done on a quarterly basis. The next update on the Animal Care Services program will be provided in October 2017.

All dogs over four months of age, kept in Garden Grove, must be licensed and have a current rabies vaccination. All dogs are required to wear a license tag at all times, attached to a collar or harness. Dog licenses are non-transferable and non-refundable.

Service dogs registered pursuant to [California Food and Agriculture Code Sections 30850-30854](#), as well as retired and active military/police dogs, must conform with local rabies control and licensing laws.

Licenses are issued on an annual basis. It is the responsibility of the dog owner to ensure that rabies vaccines and dog licenses are kept current.

For 2017, the City will honor all animal registration fees paid to OC Animal Care in 2016. The expiration date of the license will not change. A new Garden Grove animal license will be mailed when the animal is registered in Garden Grove.

Pet Licensing Fee Schedule

Found Animals Listing

Animals that have been found by Animal Care can be viewed at the [Found Animals Listing](#).

Lost Animals

Any animal found running at-large in Garden Grove may be picked up by Garden Grove Animal Care Services. Animals picked up as stray are taken to the [Orange County Humane Society](#). If your pet is microchipped, Garden Grove Animal Care Services staff will have scanners to immediately determine a microchip's presence and related information. Please make sure the microchip information on file with the microchip company is accurate and up to date. If you need to verify your animal's microchip or contact the microchip company, please contact your local veterinary office. The veterinarian should be able to provide you with the brand of chip and how to verify contact information.

Found Animals

If you have found an animal, you should notify Garden Grove Animal Care Services for pick up, or take it to the [Orange County Humane Society](#) immediately in order to reduce the delay in reuniting pets with their rightful owners. If you are interested in keeping an animal you have found, ask the shelter about a hold tag. If the owner is not located, you can apply to adopt it. The Orange County Humane Society has many wonderful animals that need loving homes.

Deceased Animals

If you're concerned about a lost pet, that does not have a tag or microchip, and think it may have been found deceased, please contact our office at (714) 741-5565 or email us at animalcare@garden-grove.org to inquire. Please provide a description of the animal (species, breed, color, etc) and your address.

If the animal has a license tag or a microchip, we will contact the owner using the information on the tag or the chip.

GGMC 6.04.060: Limitations:

A. A maximum of four of the following or four of any combination of the following shall be permitted:

1. A maximum of four dogs, four months of age or older, shall be permitted on any premises within the corporate city limits;
2. A maximum of four roaming cats, four months of age or older, shall be permitted on any premises within the corporate city limits;
3. A maximum of four fowl, rabbits, birds, or household pets, or any combination thereof shall be permitted on any premises within the corporate city limits subject to the following condition: Fowl, rabbits, birds, or household pets (excluding dogs and cats) shall be kept at all times in a fully enclosed pen, coop, cage, or similar appropriate enclosure and shall maintain a minimum setback of 25 feet from

all adjacent dwelling units and all property lines.

B. Five or more cats, kept at all times in enclosed catteries, shall be permitted on any premises within the corporate City limits and shall comply with all regulations adopted by the City Council.

C. A maximum of 10 parakeets shall be permitted on any premises within the corporate City limits subject to the following condition:
Parakeets shall be kept at all times in a fully enclosed pen, coop, cage, or similar appropriate enclosure and shall maintain a minimum setback of 25 feet from all adjacent dwelling units and property lines.

D. A maximum of 10 racing pigeons shall be permitted on any premises within the corporate City limits subject to the following condition:
Racing pigeons shall be kept at all times in a fully enclosed pen, coop, cage, or similar appropriate enclosure and shall maintain a minimum setback of 25 feet from all adjacent dwelling units and all property lines.

E. A maximum of 100 pigeons, kept at all times in a fully enclosed pen, coop, cage, or similar appropriate enclosure that maintains a minimum setback of 25 feet from all adjacent dwelling units and all property lines, may be permitted on any premises within the corporate City limits subject to a conditional use permit, as set forth in Title 9 of the Garden Grove Municipal Code.

This information is intended to clearly explain both the role of Garden Grove Animal Care Services and your role as the complainant in the resolution of the problem.

1. Garden Grove Animal Care Services recommends that neighbors attempt to resolve the problem with the nuisance animal owner or other responsible person prior to filing a formal complaint. Sometimes the responsible person is unaware of the noise and grateful for the opportunity to address the issue.

2. If a formal complaint is submitted, Garden Grove Animal Care Services will attempt contact with the responsible person in an effort to help in the resolution of the reported problem. We cannot help resolve this matter however, without assistance.

Per Garden Grove Municipal Code section 6.05.020, the definition of a barking dog is one that barks incessantly for 30 minutes or more in any 24-hour period, or intermittent barking for 60 minutes or more during any 24-hour period. A dog shall not be deemed in violation if a dog is barking at a person that is trespassing or threatening to trespass upon private property in or upon which the dog is situated, or when the dog is being teased or provoked.

Civil Citation Process

- A complaint must be received in writing to Garden Grove Animal Care Services. Once the complaint has been processed, an Animal Control Officer shall attempt to contact the responsible person to explain the civil citation procedure and try to help resolve the situation.
 - To initiate a complaint, please mail or hand deliver the written complaint and/or download, complete, and print out our ["Barking Dog Complaint Form \(Fillable PDF\)"](#) to:

Garden Grove Animal Care Services
13802 Newhope Street
Garden Grove, CA 92840
- The responsible person is given ten (10) days to resolve the situation.
- If the situation still exists after ten (10) days, you may file a second complaint with Garden Grove Animal Care Services.
- If Garden Grove Animal Care Services is not contacted within a reasonable time of the initial contact of the responsible person, the complaint will expire.
- Once the complainant requests further action on a second complaint, the Animal Control Officer shall initiate the issuance of a civil citation.
 - The purpose of issuing a civil citation is to encourage voluntary and complete compliance with the City code to eliminate barking dog nuisances for the protection and benefit of the community. The issuance of a civil citation is solely at the City's discretion and is one option the City has to address barking dog violations.
 - If a request is made to have a civil citation issued, an Animal Control Officer shall respond to the complainant's residence.
 - Before a citation will be issued, the complaining party is required to sign an affidavit under penalty of perjury that the barking dog has disturbed him/her, and the dog is a nuisance as defined by the legal definition of a barking dog.
 - The requestor shall be advised of the necessity of attending the administrative hearing if the responsible person contests the citation. If the requestor does not attend the hearing, the citation may be dismissed in favor of the responsible person.
 - The Animal Control Officer shall then attempt to contact the responsible person. The responsible person shall be advised of the second complaint and the request for a civil citation. The Animal Control Officer shall advise the responsible person of the option of paying the fine and abating the nuisance or contesting the citation at the administrative hearing. The responsible person may opt to pay the fine immediately to the Animal Control Officer on scene.
- If there has been no contact made with the responsible person, the Animal Control Officer may post the citation in a conspicuous place on the responsible person's property where the barking dog violation occurred if the property owner and/or occupier's name is unknown. An Animal Control Officer may mail the civil citation by certified mail, return receipt requested if the property owner and/or occupier's name is known but the violator is not present when personal service is attempted.
- The responsible person must pay the fine within 15 days and contest the citation at the administrative hearing. If the responsible person does not appear at the administrative hearing, the fine will become due and payable. Payment of the fine shall not excuse the violator from correcting the barking dog violation.
- It is the responsibility of both parties to bring a copy of all evidence presented to the hearing officer at the administrative hearing. If any electronic media is brought to the hearing, a copy must be presented in a manner that is compatible with City equipment. If the electronic media can be played on a standard CD or DVD player, it will most likely work on City equipment.

Garden Grove Animal Care Services has implemented a city-wide wild animal policy. The City will not respond to remove trapped wildlife. The trapping and relocation of wildlife without a permit, issued by the California Department of Fish and Game, could be considered a violation of law. In addition, trapped wildlife unnecessarily exposes everyone to potential disease and injuries from bites and scratches.

The City of Garden Grove recommends that residents take the following steps to discourage unwanted cats and wildlife on their property:

- Keep trash cans covered at all times
- Remove fallen fruit from trees on the property
- Remove pet food dishes after feeding
- Keep yards free from excessive brush and overgrown vegetation
- Don't attract wildlife or cats by feeding them
- Make changes to fencing to keep wildlife out
- Consider animal repellent products

Effective immediately, if you have trapped a wild animal, you may release it or contact a state-licensed trapping or pest control service for assistance.

Garden Grove Animal Care Services will attempt to capture wild animals that are injured or pose a direct threat to public health and safety.

The City of Garden Grove has established a hotline number to report coyote sightings: (714) 741-5286.

Callers should include date, time, and location of sightings.

Recent coyote sightings in Garden Grove have prompted the City to make local residents aware of coyotes in the area, urging them to take needed precautions to protect themselves, their pets, and their property against these wild animals.

The community is encouraged to report coyote sightings by calling the **City's coyote hotline number at (714) 741-5286**. Callers should include date, time, and location of sightings. If the coyote is acting *aggressively*, call **Garden Grove Animal Care Services at (714) 741-5565**, or the Garden Grove Police Department at (714) 741-5704.

According to the California Department of Fish and Wildlife (CDFW), during the warm summer months, particularly from March through August, coyotes are very active. They are raising their young and searching for food. The CDFW indicates that coyotes are highly adaptable and often live in close proximity to

populated areas where food and water sources are abundant. They usually fear humans and avoid interactions, however, if they associate humans with food, they lose their natural fear and can become bold.

Some coyote safety tips from the CDFW are:

- Keep small pets inside particularly at dawn and dusk when coyotes are most active.
- Keep pet food and water dishes inside.
- Secure food and trash at all times and remove all sources of water.
- Pick up fallen fruit and keep compost piles tightly sealed.
- Sweep up fallen birdseed, which can attract mice and rats, a common food source for coyotes.
- Remove brush, wood piles, and debris where coyotes can find cover and where rodents are abundant.
- Install motion-activated lighting or sprinklers.
- If a coyote approaches or acts aggressively, throw rocks, make noise, look big, and pick up small children and pets. Do not turn your back to the animal.

INTER-DEPARTMENT MEMORANDUM

To: Scott Stiles
Dept: City Manager
Subject: QUARTERLY SALES TAX UPDATE

From: Lisa Kim
Dept: Community & Economic Development
Date: July 27, 2017

OBJECTIVE

The purpose of this memorandum is to update the Garden Grove City Council on the City's First Quarter Sales (January - March 2017) as reported by the HdL Companies.

BACKGROUND/DISCUSSION

The City's first quarter (January - March 2017) sales tax report showed an increase in adjusted gross receipts of 2.4% compared to the same period last year. The year over year quarterly results in the major sales tax receipt categories are outlined below.

- Auto and Transportation decreased 4.7%
- Restaurants and Hotels were up 6.2%
- General Consumer Goods were down 2.6%
- Fuel and Service Stations increased 10.1%
- State and County Pools increases 4.6%
- Business and Industry were up 13.0%
- Building and Construction up 2.1%
- Food and Drugs were down 3.0%

SUMMARY

Overall, Garden Grove's adjusted gross receipts were up 2.4%, Orange County was up 2.3%, Southern California region increased 2.0%, and the State was up 2.1%. For additional information, please refer to the Garden Grove Sales Tax Update flier attached to the manager memo.

Garden Grove Sales Tax *Update*

Second Quarter Receipts for First Quarter Sales (January - March 2017)

Garden Grove In Brief

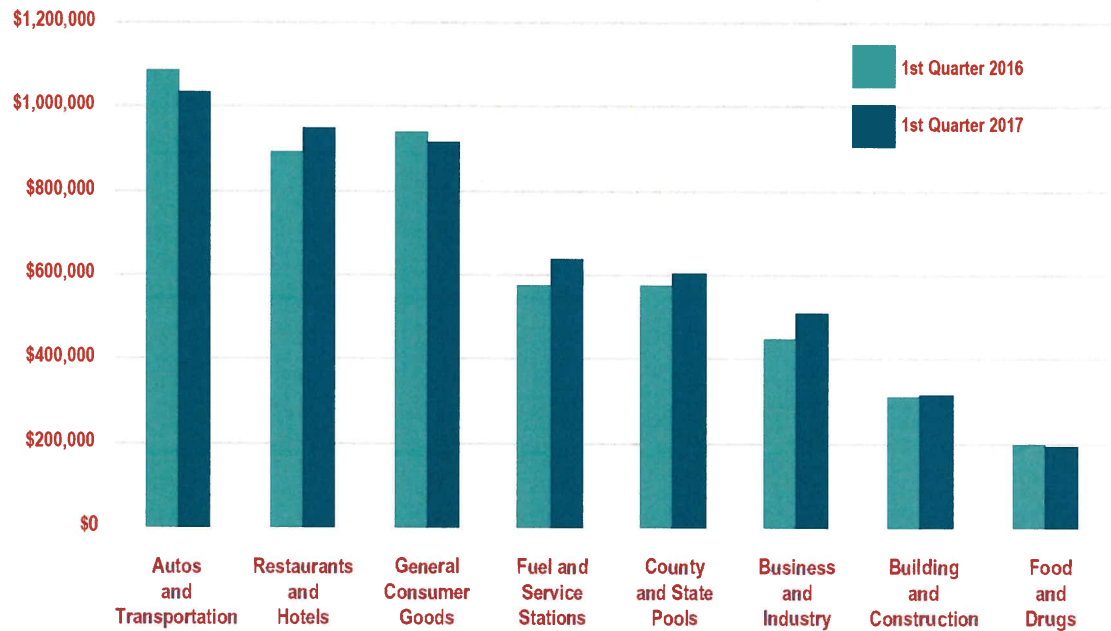

Garden Grove's receipts from January through March sales were 2.4% higher than the same quarter one year earlier.

New outlets helped both quick-service and fast casual eateries and the business and industry group, although business sector gains were inflated by adjustments that affected multiple categories. Postings were up from casual dining and the fuel and service station group. The larger allocation from the county use tax pool was also a factor for the overall increase in gross receipts.

Net of aberrations, proceeds from new car dealers declined 7.3%. Accounting anomalies depressed results from light industrial/printers, auto supply and specialty stores. Business closeouts pared postings from plumbing/electrical supplies and the general consumer goods group.

Adjusted for onetime accounting events, taxable sales for all of Orange County increased 2.3% over the same period; the Southern California region was up 2.0%.

D.A.'s Office investigates possible domestic violence

Police say Los Alamitos captain shot ex-girlfriend, then turned gun on himself

By Chris Haire

SEAL BEACH » A Los Alamitos police captain fatally shot his ex-girlfriend three times with a personal firearm and then killed himself with that weapon, police said July 20.

The Orange County Coroner's Office on Thursday completed autopsies on Capt. Rick Moore, 49, and Westminster City Clerk Amanda Jensen, 37, and preliminary results showed the 17-year Los Alamitos officer used his personal .380 caliber semi-automatic handgun, not a police-issued firearm, said Sgt. Michael Henderson.

Moore and Jensen both died at about 7:20 p.m. July 16. Their bodies were found hours later in Moore's Seal Beach apartment by West Orange County SWAT team — which entered around 2 a.m. the following day after numerous attempts to contact the pair, who police thought may still have been alive.

The investigation is ongoing, Henderson said, and a formal report and toxicology results are

still pending.

On July 19, the Westminster City Council's invocation, opening its meeting, remembered Jensen, with Mayor Tri Ta calling her "an outstanding person."

On July 20, the Orange County District Attorney's Office announced it had looked into two cases of potential domestic violence Moore and Jensen.

Allegations could not be corroborated, said Michelle Van Der Linden,

spokeswoman for the District Attorney's Office, and no charges were filed.

Van Der Linden said the

D.A.'s Office was aware of "several incidents" between the pair in the past.

Police responded to Jensen's Garden Grove house three times from September to June 3.

That June 3 call was investigated by the D.A.'s Office: A neighbor had called police about a "domestic dispute between Moore and Jensen," said Van Der Linden, adding that Jensen was intoxicated when officers arrived and told them Moore "slapped her once in the face."

Moore denied slapping her, and officers found no visible injuries, the spokeswoman said.

Moore said that Jensen was screaming at him and, when he tried to leave,

kicked his car. Moore gave a cellphone recording to police. When police sent the case to the D.A.'s Office, both Moore and Jensen were listed as possible defendants.

About a year earlier, on June 8, 2016, Westminster police received an anonymous letter asking officers to investigate Moore on suspicion of domestic violence, Van Der Linden said. Officials have not released what was in the letter. District Attorney's Office investigators followed up by interviewing Moore and Jensen.

"Jensen stated that Moore never hit her and

that she injured herself during a verbal argument, resulting in self-inflicted bruising and other injuries," Van Der Linden said.

In the interview, Jensen also mentioned a previous instance when "Moore had physically assaulted her, and she provided a photo showing a bruise as supporting evidence."

She later recanted, and Moore denied the allegations.

"We could not file on either case as neither could be proven beyond a reasonable doubt," Van Der Linden said. It is "a heart-breaking tragedy."

HUNDREDS ATTEND FREE SUMMER CONCERT

By Mark Garcia
magarcia@scng.com

Hundreds flooded the grounds of Eastgate Park to listen and dance to U2 tribute band L.A.vation for the second of six free Summer Concert Series shows in Garden Grove on July 13.

Along with the concert, fans also listened to top vocalists from the Garden Grove Unified School District, who competed in The Voice of Garden Grove

2017, a singing competition for local high school students. One lucky student will win a \$500 cash prize, the title, The Voice of Garden Grove 2017, and another \$500 for their high school choir program.

The free event, hosted by the City's Community Services Department, included carnival games, air brush tattoos, bouncers, blow-up obstacle courses, and giveaways. Attendees also got a sneak peek at

some of the recreational classes offered this summer through the Garden Grove Parks and Recreation Guide.

Various vendors also sold food, beverages, and dessert, including OC Burger Monster and 3 In 1, which specialize in popcorn chicken, ice cream, churros, and other delicacy foods.

The next Summer Concert Series show will be tonight when Jeri Curl, an

Heat getting to you?

Soaring temperatures can be especially dangerous to seniors and children, especially if homes have no air conditioning.

To offer some relief from the high temperatures, the H. Louis Lake Senior Center will serve as a public cooling center this month, when temperatures are forecasted to reach 95 degrees Fahrenheit and above.

The center is at 11300 Stanford Ave.

During the months of July and August, on forecasted high-heat days, the cooling center will be open from 11 a.m. to 5 p.m., including weekends.

All ages are welcome to enjoy the center's air-conditioned accommodations during extremely hot weather. Food will not be available at the center, but visitors may bring their own meals and dine inside the center.

For more information, call the H. Louis Lake Senior Center at 714-741-5253.

**THREE-MONTH, MULTI-STREET CONSTRUCTION PROJECT
USING RECYCLED ROADWAY NOW UNDERWAY**

Now through October 2017, several streets will undergo a unique, environmentally-friendly and long-term, cost-effective rehabilitation using the full-depth reclamation (FDR) process, which rebuilds worn out streets by recycling the existing roadway.

Streets under construction are: Buaro Street, from Lampson Avenue to Chapman Avenue; Twintree Avenue, from Harbor Boulevard to Buaro Street; Westminster Avenue, from Dawson Street to Euclid Street; and Dorothy Avenue, Coleman Place, and Stanrich Place at Century Boulevard.

Motorists are advised that traffic on Buaro Street and Twintree Avenue will be reduced to one lane to facilitate construction work. Work hours are 7:00 a.m. to 4:30 p.m., Monday through Friday. Access to businesses and residences along the construction area will be maintained at all times.

For the FDR process, the old asphalt and base materials are pulverized, mixed with cement and water, and compacted to produce a stronger, more durable base. FDR prolongs the life of the pavement while reducing maintenance costs in the future.

The work also involves the removal and construction of uplifted median curbs and sidewalk, bus pads, traffic striping, and raised pavement markers.

The project is funded by Measure "M2" Fairshare, Community Development Block Grant (CDBG), and gas tax funds.

NATIONAL NIGHT OUT AT VILLAGE GREEN PARK

The Garden Grove Police Department invites the community to celebrate National Night Out on Tuesday, August 1, 2017 at Village Green Park, 12732 Main Street, from 5:30 p.m. to 8:00 p.m. This event is hosted by the Garden Grove Neighborhood Association and Downtown Business Association.

In an effort to prevent crime and build safer and stronger communities, this night is intended to educate community members about the Neighborhood Watch program. This event encourages and motivates residents to join an established Watch in their area or create a new one if one does not already exist.

Attendees can enjoy free hot dogs, games, prizes, and activities will be provided. The Magnolia Park Family Resource Center, OCHCA Every Woman Counts, Garden Grove Animal Care Services, Boys and Girls Club, Garden Grove Main Library, H.O.P.E., and more will be in attendance.

Participants will get a chance to meet Crime Prevention Officers, Beat Patrol Officers, and other members of the Community Policing staff. This annual event is designed to strengthen our communities by encouraging neighborhoods to engage in stronger relationships with each other and with their local law enforcement partners.

For more information, please contact the Police Department at (714) 741-5760.

THE SUFFRAGETTES PLAY TODAY'S TOP HITS AT THURSDAY'S SUMMER CONCERT

Playing today's top 40's hits at Garden Grove's free Summer Concert Series is an all-female band, The Suffragettes. The band takes the stage at 6:30 p.m. this Thursday, at Eastgate Park, 12001 St. Mark Street.

Opening the event, at 6:00 p.m., are five local high school students competing in The Voice of Garden Grove. The students come from Garden Grove, Pacifica, and Santiago High Schools.

Download the City's free Garden Grove mobile app to receive a unique giveaway during the concert, while supplies last. The free app is available on iOS and Android devices. Look for "Garden Grove" in the phone's app store.

Various vendors will be selling food, beverages, and dessert. Food trucks at this week's concert include Burger Monster and Dogzilla.

For the safety and enjoyment of all, no canopies or golf carts.

The 2017 free Summer Concert Series is sponsored by the Garden Grove Community Foundation, City of Garden Grove, AT&T, GKN Aerospace, and Republic Services.

A complete listing of the 2017 Summer Concert Series follows:

July 27, The Suffragettes (Today's Top 40's Hits)
August 3, The Kellye Huff Band (Modern Country)
August 10, The Answer (Classic Rock)

For more information about the free Summer Concert Series, visit
