PUBLIC HEARING - APPEAL OF PLANNING COMMISSION'S APPROVAL OF CONDITIONAL USE PERMIT NO. CUP-257-09 AND VARIANCE NO. V-181-09 REGARDING THE OPERATION OF A COSMETOLOGY SCHOOL AT 9240 GARDEN GROVE BOULEVARD, SUITE 10 (F: 51.CUP-257-09) (XR: 80.1)

Staff report dated April 28, 2009, was introduced and reviewed by staff.

At the January 22, 2009, Zoning Administrator Public Hearing, Mr. Edward M. Chavez of the Chavez Law Firm, representing Jenny Sim Beauty Salon and Avanti Skin Care, expressed concerns about the proposed operation of a cosmetology school in the same center. The Zoning Administrator considered continuing the Public Hearing to allow Mr. Chavez and his clients the opportunity to study and evaluate the parking analysis, and to have both parties meet to have an opportunity to reach a compromise. The Applicant requested the item be continued to the Planning Commission in order to avoid further delay to the project should the Zoning Administrator's decision be subsequently appealed to the Planning Commission. The Zoning Administrator closed the Public Hearing and moved that the item be considered by the Planning Commission with staff's recommendation in place.

On February 4, 2009, the Applicant held a meeting at the site to give the neighboring business owners an opportunity to hear details about, and to raise concerns regarding the proposed cosmetology school. Those present included the Applicant, four business shop owners from the center, the property owner, and City Planning staff. Neither Mr. Chavez nor his clients attended the meeting. The business owners expressed support of the proposed school.

On February 19, 2009, a Planning Commission Public Hearing was held to review the Applicant's request to operate a cosmetology school at 9240 Garden Grove Boulevard, Suite 10. Mr. Chavez, representing the Appellants, again raised concerns about the traffic study, the health and safety of children crossing the parking lot, and the cosmetology

school generating additional traffic. A letter dated February 18, 2009, submitted by Mr. Chavez, described concerns similar to those stated in the January 21, 2009, letter. After considering all public testimony, the Planning Commission adopted Resolution No. 5672 approving Conditional Use Permit No. CUP-257-09 and Variance No. V-181-09 allowing the Applicant, Hye Vin Lee, to operate a 3,944 square foot cosmetology school, Asel Beauty College, within an existing multi-tenant shopping center, located at 9240 Garden Grove Boulevard, Suite 10, on the south side of Garden Grove Boulevard, between Cannery Street and Casa Linda Lane.

On March 12, 2009, Mr. Chavez, on behalf of Jenny Sim Beauty Salon and Avanti Skin Care, filed an appeal of the Planning Commission's decision and requested the City Council deny or modify the project. In the appeal, Mr. Chavez stated the Planning Commission and Zoning Administrator ignored his clients' concerns justifying a denial or modification to the conditions of approval.

All the standard conditions of approval for a cosmetology school have been included in the conditions of approval. To help alleviate parking congestion, the hours of operation are Monday through Friday from 9:00 a.m. to 5:00 p.m. In addition, the number of students on the premises at any one time is limited to 25 students, with the number of employees limited to three.

Council Member Broadwater referenced a brief written by the attorney for the Appellant, citing the third sentence in the second paragraph, regarding findings under the variance for parking. He asked the City Attorney if this would be a problem.

The City Attorney stated if after the Public Hearing the City Council is inclined to uphold the Planning Commission's decision, the City Council could direct staff to prepare and bring back findings to the next City Council meeting for approval.

In response to Council Member Nguyen's inquiry, the City Attorney confirmed that it is within the Zoning Administrator's discretion that projects with controversial aspects have a full Planning Commission hearing.

Mayor Dalton declared the Public Hearing opened and asked if anyone wished to address the City Council on this matter.

Michael Kim, representing the property owner, indicated the property owner is very interested in helping the business owners in the center, and would be removing the medians within the parking lot.

Speaking in support of the project were Andy Rhee, the general contractor for the cosmetology school; Jenny Jin, a cosmetology teacher; Connie Choi, representing the owner; Hyunsook Lee, Rim Joyce, Choonsil Chu, Kim Nguyen, Pyung Chun Yum, Ike Hong, Chi Lee, and Ali Solomon. Several speakers referenced the settlement agreement authored by Mr. Chavez.

Terrell Proctor, Esq. from Mr. Chavez Office, spoke on behalf of the Appellants, stated comments made this evening that this is an economic issue for his clients are incorrect. He stated his clients have objections that have not been addressed. The first being the health and safety of the community with children using the property and the location of the cosmetology school near schools. The second is the variance. If approved, there would be 22 parking spaces to accommodate 25 students and 3 instructors, and does not include clients or ADA mandated handicapped parking. He asked the City Council consider these issues and uphold the appeal.

Jerry Margolin, representing the cosmetology school, stated for the record that although Mark Rosen has been hired as the school's legal counsel and is a former Council Member, he has not spoken to any Council Member regarding this issue. Mr. Margolin requested some latitude be written into the conditions allowing additional students to be present at the school over the 25 limit currently listed in the conditions to practice.

There being no further response from the audience, the Public Hearing was declared closed.

Council Member Broadwater expressed disagreement with Mr. Terrell's statement that his clients do not view this as an economic issue, referencing the settlement agreement.

It was moved by Council Member Broadwater, seconded by Council Member Do, and carried by unanimous vote that staff be directed to draft a Resolution denying the appeal and approving the project with additional findings consistent with all legal requirements for consideration by the City Council at the next meeting.

ORDINANCE AMENDING ADMINISTRATIVE CITATION PROGRAM (F: 50.2)  
(XR: 80.2) (XR: 82.1)

Staff report dated April 28, 2009, was introduced and reviewed by staff.

After City Council discussion, it was moved by Council Member Do, seconded by Council Member Nguyen, and carried by unanimous vote that this matter be continued to the May 26, 2009, meeting, to allow Council Members to provide additional direction to staff.

It was moved by Council Member Broadwater, seconded by Council Member Do, and carried by unanimous vote that full reading of all Ordinances listed for consideration of adoption be waived.

A-147-09, TO CHANGE THE ZONING DESIGNATION FROM OFFICE PROFESSIONAL (OP) TO R-1-7 (SINGLE-FAMILY RESIDENTIAL)

It was moved by Mayor Dalton, seconded by Council Member Nguyen, and carried by unanimous vote that Ordinance No. 2745 be and hereby is declared adopted.

MATTERS FROM THE MAYOR, CITY COUNCIL MEMBERS, AND CITY MANAGER

Council Member Nguyen commented on two events she attended on Saturday, April 25. The first was an Earth Day festival at Garden Grove Park where the City's Public Works Department had a table regarding hazardous waste. The second event was a commemoration of Black April. The City has been supportive of remembering the events of Black April, especially by passing two resolutions: in 2003, the City Council recognized the yellow flag with three red stripes as the official flag of the Vietnamese American Community; and in 2008, the City Council took a stand against the Vietnamese Community Party Politburo's Executive Order 36. She expressed her support for the Acacia Adult Day Services. She encouraged the public to visit the First Time Homebuyer Program's website: [comehometogardengrove.org](http://comehometogardengrove.org), and to continue to shop in Garden Grove. (F: 53.1)

Council Member Do commented Black April commemorates the heroic efforts made by those who risked their lives to strive for a better life of freedom and democracy for their families. This April marks the 34th anniversary of the fall of Saigon. He commented on missing two City Council meetings due to trips to Washington D.C. and Sacramento; however, in order to meet with our state and federal representatives when they are available, accommodations must be made. These types of meetings provide the City an opportunity to present short- and long-term needs in a proactive manner. (F: 53.1)

Mayor Dalton spoke to the relationship the City has with its state and federal representatives, and the importance of keeping the lines of communication open. He expressed his displeasure with the State once again imposing charges on the cities in order to balance its budget, referencing the parking violation surcharge. (F: 53.1)
