**INTER-DEPARTMENT MEMORANDUM**

To:	Matthew J. Fertal	From:	William E. Murray
Dept:	City Manager	Dept:	Public Works
Subject:	ADOPTION OF RESOLUTION ESTABLISHING AN ANNUAL ASSESSMENT FOR THE MAIN STREET ASSESSMENT DISTRICT NO. 1 (PUBLIC HEARING)	Date:	June 10, 2014

**OBJECTIVE**

Following a Public Hearing, for the City Council to adopt the proposed resolution confirming the proceedings and levying the assessments for the Main Street Assessment District No. 1 (MSAD) for the Fiscal Year (FY) 2014-15.

**BACKGROUND**

In 1977, the City Council formed the MSAD per the Landscape and Lighting Act of 1972 (LLA). The MSAD was established to fund the construction and maintenance of special public improvements, such as planters, sidewalks, and streetlights along Main Street. The MSAD funds the maintenance costs for these improvements with an annual assessment. All properties located along Main Street between Acacia Parkway and Garden Grove Boulevard are in the MSAD (see Attachment 1 for Assessment Diagram).

On March 13, 2014, the Main Street Commission reviewed and recommended approval of the MSAD budget for the FY 2014-15. Assessments will remain unchanged for FY 2014-15 and will total \$26,700. Expenditures are estimated to be \$37,782. There are no major improvements scheduled and all maintenance activities, such as, street cleaning and landscape maintenance remain the same.

On May 27, 2014, the City Council adopted Resolution No. 9221-14 describing the proposed MSAD improvements and directed the City Engineer to prepare and file an Engineer's Report.

On May 27, 2014, City Council adopted Resolution Nos. 9221-14, 9222-14, and 9223-14 that:

- Described the proposed MSAD improvements;
- Directed the City Engineer to prepare and file an Engineer's Report;
- Stated the intention to levy and collect assessments for maintenance of the street improvements for the FY 2014-15.

- Approved the Engineer's Report, which summarized the projected service costs for FY 2014-15; and
- Set the Protest Hearing date of June 10, 2014.

DISCUSSION

These proceedings and the notification regarding the levying of an annual assessment have been followed in accordance to the Landscaping and Lighting Act of 1972. The remaining action for the City Council is to hold the protest hearing and, after conducting the hearing, adopt the proposed resolution (Attachment 2) for the FY 2014-15.

FINANCIAL IMPACT

There is no impact to the City's General Fund. The impact to the MSAD is an assessment of \$26,700 or \$19.92 per linear front foot of the Main Street property owners.

RECOMMENDATION

Staff recommends that the City Council:

- Conduct the Public Hearing for the proposed annual levy of assessments;
- Receive the report of the City Clerk regarding protests received; and
- Assuming that there is no majority protest, adopt the Resolution confirming the proceedings and levying assessments against the individual parcels in Main Street Assessment District No. 1; and ordering the proposed work to be completed in accordance with the Engineer's Report; and
