property taxes and shall be subject to the same penalties and to the same procedure for foreclosure and sale as provided for general County taxes.

Prior to the delinquent amount becoming a lien against the property, the individual property owner is notified of the delinquent amount and the date and time of the Public Hearing. To further ensure that all parties are aware of the potential lien, a notice announcing this hearing date is published in a local newspaper. The report of delinquent accounts is on file and available for review in the office of the City Clerk. An updated report will be available at the June 24, 2014, City Council meeting.

In order for the delinquent and unpaid charges to be collected on the tax roll, the Board is required to hold a Public Hearing on whether to approve the report detailing charges proposed to be collected on the tax roll.

FISCAL IMPACT

This action will provide for the collection of delinquent refuse collection and disposal fees.

- Conduct the Public Hearing on the report of the delinquent refuse collection and disposal fees;
