Hi Kathy,

I've been out of work for five weeks and just now read this email. I figured this was information you should have.

Monica -

I will be unable to attend today's public hearing & will be resigning as city commissioner of the neighborhood improvement commission at the end of Dec. however would like to remain on the board of appeals.

It has been a pleasure doing my civic duty serving the city of garden grove. I appreciate the opportunity to have been of service.

Thank you...
