Garden Grove City Council
11222 Acacia Parkway
Garden Grove, CA 92840

Dear City Council,

I am writing you to ask for the Public Works fee (approx. \$1200) to be waived for our upcoming Opening Day Parade. I understand our annual parade is scheduled for February 21, 2015 which is concurrent with the Tet Festival and during the Lunar New Year celebrations. Due to increased staffing needs, we will need the assistance of Public Works to help break down the barricades.

As you are aware, our Opening Day Parade has been a part of the West Garden Grove community for almost 60 years. We include the girls' softball league, Pacifica High School boys baseball players, the local fire department, the local Principals, Miss Garden Grove Court and of course, you all have been invited to attend.

I'm sure you are also aware that we are a non-profit organization, run solely by volunteers and we offer baseball to the entire City of Garden Grove.

I'm asking that you please waive the Public Works fee as this cost would cause a burden on our league. The cost of the stage significantly increased this year as did the cost of towing and the permit fees.

We certainly appreciate everything the City has done for WGGYB and looking forward to providing many more years of wonderful parades and baseball to our community.

Thank you

Lara Cassidy
2015 WGGYB President

Approved for Agenda listing

Allan L. Roeder
Interim City Manager
