Briefings: Three briefings were conducted this month, and 12 vouchers were issued.

Moves: Staff met with 29 tenants currently on the program that were moving and were briefed on move procedures.

Terminations: There were 11 families who terminated from the program during the month.

2. Family Self-Sufficiency Program (FSS): Assists families to become employed and no longer dependent on public assistance. The Family Self-Sufficiency Program enters into contracts with Voucher participants to provide support services such as education, training, and career development.

There are a total of 345 families who have signed contracts for the FSS program. Thirty-seven contracts are active. Five update meetings were held with FSS participants. One hundred and twenty-one families have completed their FSS goals and 53 of these are self-sufficient and no longer need housing assistance. Eight families have purchased houses. The Authority has paid out a total of \$992,876 in escrow funds to tenants who have completed their contract obligations.

#### Unit Inspections

All units that are leased under the Housing Choice Voucher program must pass an initial Housing Quality Standards (HQS) inspection before the Housing Assistance Payments contract is signed, and must pass a biennial HQS inspection to continue to receive rental assistance payments. HQS inspections determine that the unit is decent, safe and sanitary, and has passed City building codes.

1. New Leases: There were 41 requests for new lease approvals with 17 units passing and 24 units failing.

Annuals: There were 148 annual inspections conducted this month. Seventy-nine passed and 69 units failed to meet Housing Quality Standards (HQS) and code requirements. The owners were requested to make the necessary repairs.

Re-inspections: There were 124 re-inspections conducted on units that failed their first inspection.

Move-out: There were no move-out inspections conducted.
