Briefings: Three briefings were conducted this month, and 23 vouchers were issued.

Re-certifications: Staff conducted 212 re-examination interviews with participants to determine continued eligibility. Seventy-nine were interviewed who had interim changes in income, which necessitated an adjustment in their portion of the rent.

Moves: Staff met with 13 tenants currently on the program that were moving and were briefed on move procedures.

Terminations: There were 9 families who terminated from the program during the month.

2. Family Self-Sufficiency Program (FSS): Assists families to become employed and no longer dependent on public assistance. The Family Self-Sufficiency Program enters into contracts with Voucher participants to provide support services such as education, training, and career development.

Status of FSS participants this month: There were no prospective FSS participants interviewed for the month of July. There were no new contracts signed and 1 contract was terminated. There are a total of 349 families who have signed contracts for the FSS program. Thirty-eight contracts are active. Three update meetings were held with FSS participants. One hundred and twenty-two families have completed their FSS goals and 53 of these are self-sufficient and no longer need housing assistance. Eight families have purchased houses. There are 25 escrow accounts. Eighteen escrow accounts are active with monthly deposits. The Authority has paid out a total of \$1,005,755 in escrow funds to tenants who have completed their contract obligations.

Each graduate that successfully completes his or her family obligations on the contract after October 21, 1998, reduces the minimum program size. The original program size of 140 is now reduced to 23.

Unit Inspections

All units that are leased under the Housing Choice Voucher program must pass an initial Housing Quality Standards (HQS) inspection before the Housing Assistance Payments contract is signed, and must pass a biennial HQS inspection to continue to receive rental assistance payments. HQS inspections determine that the unit is decent, safe and sanitary, and has passed City building codes.

1. New Leases: There were 34 requests for new lease approvals with 17 units passing and 17 units failing.

Annuals: There were 147 annual inspections conducted this month. Fifty-eight passed and 89 units failed to meet Housing Quality Standards (HQS) and code requirements. The owners were requested to make the necessary repairs.

Re-inspections: There were 93 re-inspections conducted on units that failed their first inspection.

Move-out: There were no move-out inspections conducted.

Specials: There were no special inspections conducted.

Quality Control: There were no quality control inspections conducted this month. These inspections are required by HUD to ensure that field staff is in compliance with inspection requirements and are conducted by supervisory staff.

FINANCIAL IMPACT

None.
