Dear Kathy,

How are you doing? Nice to contact you again. Do you still remember me? I am Bin Li, a Falun Gong practitioner who used to speak at your council meeting last year.

Half a year has passed since you passed a resolution declaring the opposition to the persecution of Falun Gong in China. We greatly appreciate your righteous support, which definitely gave us great courage to hope for future.

May 13, the World Falun Dafa Day, is approaching. As a peaceful form of personal belief and practice, Falun Dafa has benefited tens of millions of practitioners in China, the United States and over 80 countries around the world. On May 13 of each year since Year 2000, Falun Dafa practitioners from over 80 countries have celebrated this special day, so have Falun Dafa practitioners in Los Angeles County and Orange County.

We request Garden Grove City council to issue a proclamation celebrating the World Falun Dafa Day. Please find the attached sample proclamation issued by Los Angeles City in 2007.

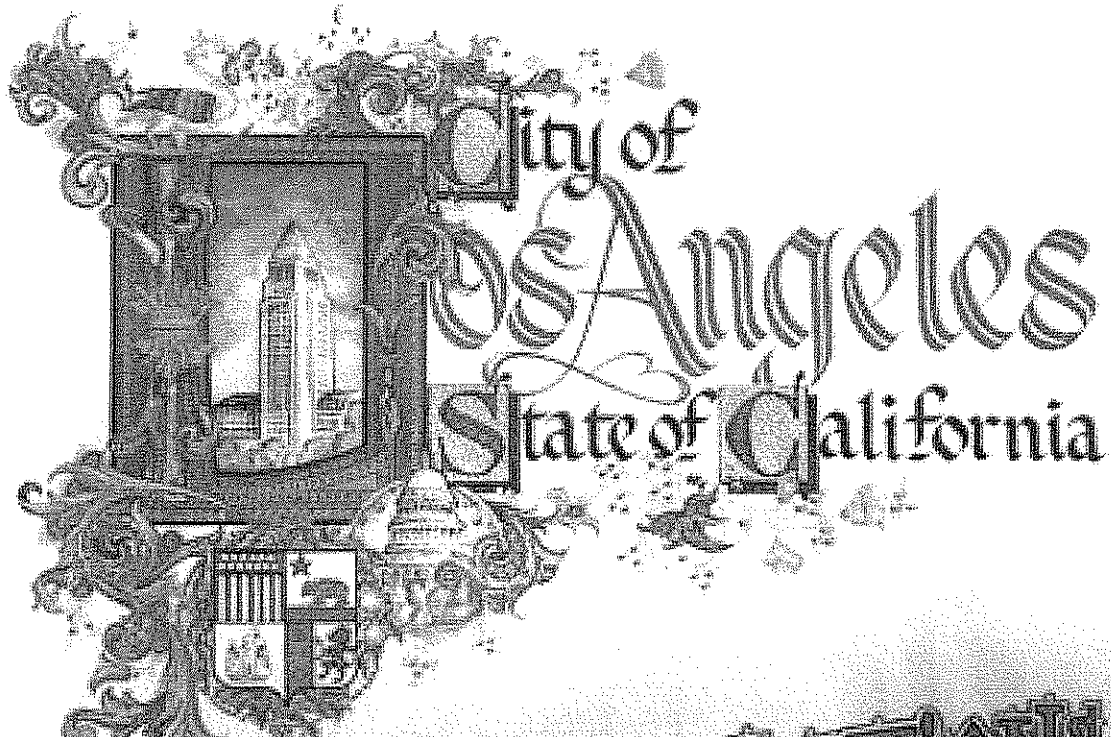

We are looking forward to your early reply.

(Please forward this letter to the Mayor William J. Dalton, Mayor Pro Tem Mark Rosen, Council Member Dina Nguyen, Bruce A. Broadwater and Steven R. Jones and bring our best regards to them. Thank you.)

Sincerely yours,
Bin Li
