INTER-DEPARTMENT MEMORANDUM

To:	Matthew J. Fertal	From:	Susan Emery
Dept:	City Manager	Dept:	Community Development
Subject:	GENERAL PLAN 2030 AND CERTIFICATION OF THE ENVIRONMENTAL IMPACT REPORT	Date:	August 12, 2008

For public agencies that commented on a Draft EIR, CEQA requires that the commenting agencies receive a copy of the response to comments at least 10 days prior to the certification hearing. To provide this required review period, we have postponed the presentation and discussion on the General Plan 2030 and certification of the Environmental Impact Report to the August 26, 2008, City Council meeting. Responses have been prepared and are being mailed to ten commenting agencies. The Final EIR will consist of the Draft EIR, any necessary revisions to the Draft EIR, comments received in the review process, a list of persons commenting, and responses to comments.

The members of the public wishing to address the City Council at the August 12, 2008 Public Hearing, will be given the opportunity to do so.
