

**City of Garden Grove**

**INTER-DEPARTMENT MEMORANDUM**

To: Matthew J. Fertal

From: Keith G. Jones

Dept: City Manager

Dept: Public Works

Subject: PROCLAMATION -  
NATIONAL ENGINEERS WEEK 2009

Date: February 10, 2009

OBJECTIVE

For the City Council to proclaim the Week of February 15-21, 2009, as National Engineers Week in the City of Garden Grove.

DISCUSSION

"Engineers Make It Work" is this year's motto for National Engineers Week. Whether it's a traffic signal, a street, a storm drain, or development review; projects provided by the Engineering Division in City of Garden Grove are an integral part of our citizens' everyday lives.

The Engineering Division manages a \$37 million dollar, five-year Capital Improvement Plan, which consists of projects addressing safety, congestion, drainage and street infrastructure throughout the City. Engineering also provides infrastructure to support economic development projects, such as sewer improvements for the Brookhurst Triangle and widening Trask Avenue for the Auto Mall. Additionally, our Engineers manage the construction of new community service projects such as the Shelly/Kensington Playground, the Garden Grove Park Gymnasium, and the Buena Clinton Family Center.

Matthew Fertal  
City Manager

NATIONAL ENGINEERS WEEK

WHEREAS, Engineering services provided in our community are an integral and essential part of our citizens' everyday lives; and,

WHEREAS, the support of an understanding and informed citizenry is vital to the efficient operation of Engineering systems and programs such as streets, traffic, flood control, land development, capital improvement; and,

WHEREAS, the safety and comfort of this community greatly depend on these services; and,

WHEREAS, the quality and effectiveness of these services, as well as their planning, design, and construction are vitally dependent upon the efforts and skill of Engineering officials; and,

WHEREAS, the ability of Engineering officials to effectively provide needed facilities and services is materially influenced by public awareness and understanding of the need for these services, and the role of Engineering officials in providing them.

NOW THEREFORE, the City Council of the City of Garden Grove does hereby proclaim, February 15 – February 21, 2009, as National Engineers Week in the City of Garden Grove.
