INTER-DEPARTMENT MEMORANDUM

To: Matthew J. Fertal
Dept.: General Manager
Subject: RECOMMENDATION TO AWARD
CONTRACT FOR HARBOR
BOULEVARD/BUARO STREET SEWER
IMPROVEMENTS PROJECT #7812

From: Keith G. Jones
Dept.: Public Works
Date: April 28, 2009

OBJECTIVE

To recommend that the Garden Grove Sanitary District (GGSD) Board award a contract for the construction of Harbor Boulevard/Buaro Street Sewer Improvements Project.

BACKGROUND

The Harbor Boulevard/Buaro Street Sewer Improvements Project is one of many projects designed to minimize sewer capacity issues throughout the City. The improvements also comply with the Regional Water Quality Control Board's Waste Discharge Requirements. The GGSD System Evaluation and Capacity Assurance Plan of July 27, 2005 (updated April 2009), identified the Harbor Boulevard/Buaro Street Sewer Improvements project as one of the high priority projects. A location map is attached identifying this project.

This project will relieve capacity deficiencies in the existing Lampson Avenue Sewer from Buaro Street to West Street and West Street Sewer from Lampson Avenue to Stanford Avenue. This will allow the development of the area (known as the hub) bounded by Lampson Avenue, Buaro Street and Harbor Boulevard with a high-intensity use. The sewer improvements consist of approximately 2,620 linear feet of 15-inch extra strength Vitrified Clay Pipe (VCP) and 280 linear feet of 12-inch SDR26 PVC Pipe. It also includes the construction of sixteen (16) new manholes and the modification of one (1) existing manhole.

ANALYSIS

Pursuant to Garden Grove Municipal Code Section 2.50.100, seventeen (17) bids were received and opened by the City Clerk's Office on March 17, 2009, at 10:00 a.m. (see Bid Summary Sheet). The apparent low bidder was KZC Construction, Inc., but was determined to be non-responsive due to its failure to attach and sign the acknowledgement of receipt form for Addendum No. 1. The second apparent low bidder, Mike Prlich and Son, Inc., is the lowest responsive bidder with a total bid of \$758,133. This bid is within the current project budget.

<i>Begin Construction</i>	<i>June 15, 2009</i>
<i>Complete Construction</i>	<i>November 1, 2009</i>

FINANCIAL IMPACT

This project will be financed with sewer funds and will have no impact on the General Fund.

COMMUNITY VISION IMPLEMENTATION

This project is consistent with the community vision for maintaining and upgrading the sewer system to ensure maximum protection of public health and the environment.

RECOMMENDATION

It is recommended that the GGSD Board:

- Award contract to Mike Prlich and Son, Inc. for \$758,133.
- Reject all other bids.
- Authorize the General Manager and Secretary to execute the agreement on behalf of the Sanitary District.
