The record of proceedings on which the City of Garden Grove City Council decision is based is located at the City of Garden Grove, 11222 Acacia Parkway, Garden Grove, California. The custodian of record of proceedings is the Director of Community Development. WHEREAS, pursuant to legal notice, a Public Hearing was held by the City Council on January 26, 2010, and all interested parties were given an opportunity to be heard; and

WHEREAS, the City Council gave due and careful consideration to the matter.

THE CITY COUNCIL OF THE CITY OF GARDEN GROVE DOES ORDAIN AS

Section 1. Amendment No. A-151-09 is hereby adopted pursuant to the facts and reasons stated in Planning Commission Resolution No. 5699, a copy of which is on file in the Office of the City Clerk and incorporated herein by reference with the same force and effect as if set forth in full.

Section 2. Section 9.04.60 (Definitions) is amended to modify the definition of "Boarding/Lodging Facility"; "Congregate Care Facility"; "Convalescent Center"; "Convalescent Home"; and "Foster Home" as follows:

"Boarding/Lodging Facility" means a residence or dwelling in which three or more rooms, with or without individual or group cooking facilities, are rented to individuals under separate rental agreements or leases, either written or oral, whether or not an owner, agent or rental manager is in residence or a residence or a dwelling rented to individuals that does not otherwise constitute a Single Housekeeping Unit. In conjunction with other factors, the presence of multiple locked bedroom doors and/or multiple doors from bedrooms to the exterior of the residence or dwelling may constitute evidence that a residence or a dwelling is a boarding house.

"Congregate Care Facility" see "Residential Care Facility for the Elderly (RCFE)."

"Convalescent Center" see "Skilled Nursing Facility."

"Convalescent Home" see "Skilled Nursing Facility."

"Foster Home" means, consistent with Health & Safety Code § 1502(a)(5), any residential facility providing 24-hour care for six or fewer foster children that is owned, leased, or rented and is the residence of the foster parent or parents, including their family, in whose care the foster children have been placed. The placement may be by a public or private child placement agency or by a court order, or by voluntary placement by a parent, parents, or guardian. It also means, consistent with Health & Safety Code § 1502(a)(5) and §1505.2, a foster family home authorized by a licensing agency to provide 24-hour care for up to eight foster children, for the purpose of placing siblings or half siblings together in foster care or authorized by a licensing agency to provide 24-hour care for more than eight children if the foster family home specializes in the care of sibling groups and that placement is solely for the purpose of placing together one sibling group that exceeds eight children.

Section 3. Section 9.04.60 (Definitions) is amended to include definitions for "Child Day Care Center"; "Family Day Care Home"; "Intermediate Care Facility"; "Half-way House"; "Residential Care Facility for the Elderly (RCFE)"; "Single-Housekeeping Unit"; and "Skilled Nursing Facility", to be placed in alphabetical order, and to read as follows:

"Family Day Care Home" means, consistent with Health & Safety Code § 1596.78(a), a home licensed pursuant to Health & Safety Code § 1596.80 et seq.

that regularly provides care, protection, and supervision for 14 or fewer children, in the provider's own home, for periods of less than 24 hours per day, while the parents or guardians are away, and is either a large family day care home or a small family day care home. "Large family day care home" means, consistent with Health & Safety Code § 1596.78(b), a home that provides family day care for 7 to 14 children, inclusive, including children under the age of 10 years who reside at the home. "Half-way House" means a facility that offers temporary housing to two or more probationers or parolees after their release from an institution, such as a prison, a hospital or a rehabilitation facility, to facilitate reintegration into society, and may provide supportive or monitoring services.

"Residential Care Facility for the Elderly (RCFE)" means, consistent with Health & Safety Code § 1569.2, a housing arrangement chosen voluntarily by persons 60 years of age or over (or persons under 60 years of age with compatible needs as established in Health & Safety Code § 1569.2(k) and § 1562.316), or their authorized representative, where varying levels and intensities of care and supervision, protective supervision, personal care, or health-related services are provided, based upon their varying needs, as determined in order to be admitted and to remain in the facility.

"Single Housekeeping Unit" means the functional equivalent of a traditional family, whose members are an interactive group of persons jointly occupying a single dwelling unit, including the joint use of and responsibility for common areas, and sharing household activities and responsibilities such as meals, chores, household maintenance, and expenses, and where, if the unit is rented, all adult residents have chosen to jointly occupy the entire premises of the dwelling unit, under a single written lease with joint use and responsibility for the premises, and the makeup of the household occupying the unit is determined by the residents of the unit rather than the landlord or property manager.

"Skilled Nursing Facility" means, consistent with Health & Safety Code § 1250(c), a health facility licensed pursuant to Health & Safety Code § 1253 that provides skilled nursing care and supportive care to patients whose primary need is for availability of skilled nursing care on an extended basis.
