"Service Above Self"

Honorable Bill Dalton
Mayor; City of Garden Grove
11222 Acacia Parkway
Garden Grove, CA 92840

March 1, 2010

Dear ~~Mayor Dalton~~, **BILL**,

My name is Scott Weimer, and I am currently serving as President of the Garden Grove Rotary Club. I would like to take this opportunity to share some information with you regarding a project and overseas trip that our Club will soon be embarking on.

In 1989 the City of Garden Grove established a Sister City relationship with Anyang, Korea with the intent of promoting cultural appreciation, goodwill and understanding between both cities. The Rotary Club of Garden Grove also forged a friendship with the Anyang Rotary Club several years ago which has also proved to be a very positive, constructive and mutually beneficial relationship to both organizations.

On April 2, 2010, Past Rotary President Joseph Pak and myself will be traveling to Anyang, to meet with our Sister City counterparts and to join with them in celebrating the 40th year anniversary of their clubs conception. We will also, in cooperation with the Anyang Rotary Club, be donating to the Korean Parents Society for the Disabled, a new passenger transport van. This vehicle will serve as a celebratory gift from our two clubs and will be furnished and outfitted to provide transportation for the disabled children in Anyang City, Gyeonggi Province, Republic of Korea.

For this commemorative event, please help us recognize the individuals involved for their dedication to community and international service. I would ask that your office consider this project worthy of recognition by resolution, acknowledging the parties responsible for launching and carrying out this international cooperative effort between our two Rotary Clubs. Mr. Pak and I will be departing the U.S., bound for Anyang on March 31st, and could personally transport and deliver these resolutions in person at the celebratory reception. I will provide a list of names to your office upon request.

Thank you for your consideration in this matter.

Respectfully submitted,

Scott Weimer; President,
Garden Grove Rotary Club
12866 Main Street, Suite 100
Garden Grove, CA 92840
