**INTER-DEPARTMENT MEMORANDUM**

To:	Matthew J. Fertal	From:	Keith G. Jones
Dept:	City Manager	Dept:	Public Works
Subject:	COST SHARING AGREEMENT WITH MUNICIPAL WATER DISTRICT OF ORANGE COUNTY FOR 2010 URBAN WATER MANAGEMENT PLAN	Date:	August 10, 2010

OBJECTIVE

To request that the City Council approve a Cost Sharing Agreement with the Municipal Water District of Orange County (MWDOC) for the preparation of the City's 2010 Urban Water Management Plan.

BACKGROUND

The State Department of Water Resources requires that every urban water supplier providing water for more than 3,000 customers, or supplying more than 3,000 acre-feet of water annually, prepare and adopt an Urban Water Management Plan (Plan) that requires an update every five years. The purpose of the Plan is to achieve the efficient use of urban water supplies to protect the ratepayers of Garden Grove and their water resources. The Plan also helps ensure that sufficient water supplies will be available for future beneficial use.

MWDOC was requested to facilitate this joint effort to retain one consulting firm to prepare Plans and to potentially save time and costs through economies of scale. In March 2010, MWDOC solicited Request for Proposals to prepare the Plan on behalf of MWDOC member agencies, of which Garden Grove is a member. A selection committee evaluated the proposals and recommended Malcolm Pirnie based on their proposal being geared towards efficiency and partnership with MWDOC on obtaining key information such as data collection and reliability analyses.

DISCUSSION

In accordance with the Urban Water Management Planning Act of 1983, the Plan update requires preparation, adoption, and submittal to the State Department of Water Resources by July 1, 2011. Staff has limited resources and an aggressive schedule in which to complete the Plan by the required due date. Therefore, staff is seeking to enter into a cost sharing agreement, in the amount of \$29,222, with MWDOC to have Malcolm Pirnie prepare the City's Plan.

OF ORANGE COUNTY FOR 2010 URBAN WATER MANAGEMENT PLAN

FINANCIAL IMPACT

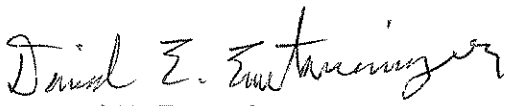

Funding for this cost sharing agreement in the amount of \$29,222 is available within the Water Services Budget. There is no impact to the General Fund.

RECOMMENDATION

It is recommended that the City Council:

- Approve the Agreement for sharing consultant costs for 2010 Urban Water Management Plan.
- Authorize the Mayor to execute the Cost Sharing Agreement between the City and Municipal Water District of Orange County for the preparation of the 2010 Urban Water Management Plan in the amount not to exceed \$29,222.

WHEREAS, the Participating Agencies and MWDOC desire to cooperate with each other to obtain economies of scale and thereby reduce preparation costs for each of the Participating Agencies; and

WHEREAS, MWDOC and the Participating Agencies have jointly prepared and agreed to a Scope of Work that was incorporated into a Request for Proposals that was sent to a number of competent Consulting Firms, two of which submitted proposals which were reviewed by a working group of the Participating Agencies who recommended selection of Malcolm Pirnie as the successful consultant to prepare Urban Water Management Plans for the Participating Agencies, and

WHEREAS, MWDOC and its staff are willing to coordinate this process, including the issuance of a Request for Proposal as described above, the review of proposals received, the selection of a consultant, the preparation and administration of a professional services agreement with the selected consultant; and the administration of the cost sharing provisions of this Agreement;

NOW, THEREFORE, in consideration of the payment of money as set forth below and the mutual promises of the Parties hereto, it is agreed:

1. Engagement of Consultant and Administration of Consultant Agreement

MWDOC shall award a professional services agreement for the work identified in the Request for Proposals to Malcolm Pirnie ("Consultant Agreement"). MWDOC shall use its standard professional services agreement form for the Consultant Agreement and require appropriate types and limits of insurance coverage. Each CGL policy shall identify MWDOC, the Participating Agencies, and their directors, officers, agents, employees, attorneys, consultants and volunteers as additional insureds, or be endorsed to identify these parties as additional insureds using a form acceptable to MWDOC. Coverage for additional insureds shall not be limited to vicarious liability. The Consultant Agreement will require the consultant's insurer(s) to waive all rights of subrogation against MWDOC, the Participating Agencies, and their directors, officers, agents, employees, attorneys, consultants and volunteers. The Consultant Agreement will require consultant to ensure that its subconsultants, if any, provide similar insurance coverage.

- 1.2 MWDOC shall coordinate all aspects of the proposed work with the selected contractor and communicate with each Participating Agency, regularly and upon request of the Participating Agency, regarding the status and substance of its 2010 UWMP;
- 1.3 MWDOC shall make payments to the Consultant for progress payments as work proceeds. MWDOC shall withhold 10% of each progress payment in a retention fund until such time as every Participating Agency has notified MWDOC that it is satisfied with the final UWMP prepared for it by Consultant.
- 1.4 Each Participating Agency shall provide all documents, information and assistance requested by the selected contractor during the performance of the Consultant Agreement.

2. Cost Sharing by Participating Agencies.

2.1 MWDOC shall:

- 2.1.1 Collect from each Participating Agency upon execution of this Agreement the full amount of the portion of the total cost allocated to that Participating Agency in the selected contractor's proposal, as attached in Exhibit A;
- 2.1.2 Inform each Participating Agency of any proposed extra work under the Consultant Agreement that relates to preparation of that Participating Agency's 2010 UWMP and that would result in an increase in that Participating Agency's payment under this Agreement. MWDOC and the affected Participating Agency must both approve such extra work before MWDOC will notify Consultant to proceed on the work.
- 2.1.3 Be responsible for making progress payments directly to consultant from funds paid to MWDOC by Participating Agencies (see section 1.3).
- 2.1.4 Prepare a final accounting and distribute any remaining funds collected from the Participating Agencies back to the Participating Agencies or make a final billing payment to Participating Agencies where there are funds due.

2.2 Each Participating Agency shall:

- 2.2.1 Pay to MWDOC upon execution of this Agreement the full amount of the portion of the total cost allocated to that Participating Agency in the selected contractor's proposal, as attached in Attachment A;

2.2.2 Pay to MWDOC, upon approval of any extra work under the Consultant Agreement that relates to preparation of its 2010 UWMP, the full amount owed for the approved work. Each Participating Agency shall bear all costs associated with extra work it approves.

3. Accounting

Upon request of any Participating Agency, MWDOC will provide copies of the selected consultant's payments requests invoices and MWDOC's payment records.

4. Independent Contractor

Any consultant engaged by MWDOC on behalf of the Participating Agencies as contemplated in this Agreement will not be a party to this Agreement and will not be an employee or agent of MWDOC or any of the Participating Agencies, either as a result of this Agreement or as a result of a professional services agreement between MWDOC and the consultant. Any consultant engaged as contemplated in this Agreement will be an independent contractor to MWDOC.

5. Warranty and Indemnification

MWDOC shall use its best efforts in administering the Consultant Agreement, but makes no representations, guarantees or warranties to the Participating Agencies as to the quality or timeliness of work product provided by the selected contractor pursuant to the Consultant Agreement. The Participating Agencies, and each of them, shall indemnify MWDOC, its directors, officers, employees and agents against, and will hold and save them harmless from, any and all actions, claims, penalties, obligations or liabilities, in law or in equity, of every kind or nature whatsoever, that may be asserted or claimed by any person, firm, entity, corporation, political subdivision or other organization arising out of or in any manner directly or indirectly connected with the 2010 UWMPs prepared pursuant to the Consultant Agreement. As between the Participating Agencies, any costs associated with the indemnity and defense obligations set forth in the previous two sentences shall be the financial responsibility of each Participating Agency based on the same pro rata basis as the allocation of costs set forth in Section 2.1.1 herein and Exhibit A hereto. In the event MWDOC, its directors, officers, employees and agents are made a party to any action or proceeding filed in connection with a challenge to any 2010 UWMP prepared pursuant to the Consultant Agreement, the Participating Agency whose 2010 UWMP is challenged shall provide a complete defense to MWDOC, its directors, officers, employees and agents and shall reimburse MWDOC for all costs and expenses incurred as a result of the action or proceeding, including reasonable attorney's fees.
