		Date:	April 26, 2011

OBJECTIVE

To request Agency approval for the purchase of outdoor fitness equipment from Greenfield Sport Parks, Inc. to be located at Keel Park for families residing in the Buena Clinton Project Area.

BACKGROUND

In 2008 and in 2009, the City received funding from Supervisor Janet Nguyen's office for the purchase of outdoor fitness equipment at both the H. Louis Lake Senior Center and Magnolia Park. The equipment at these two sites has proven to be very popular with the community.

The proposal includes the purchase of ten (10) individual pieces of equipment that will be installed at Keel Park located in the Buena Clinton Project Area. The total cost for this purchase is \$34,000.

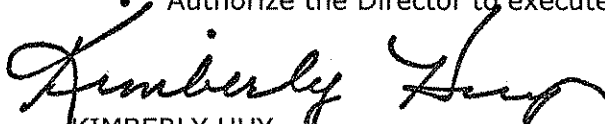

FISCAL IMPACT

There are sufficient funds dedicated for the Buena Clinton Project Area that are available through the Redevelopment Agency to fund the total cost of this project.

RECOMMENDATION

It is recommended that the Agency:

- Approve the purchase of outdoor fitness equipment from Greenfield Sport Parks, Inc. to be located at Keel Park in the Buena Clinton Project Area, and
