

City of Garden Grove

INTER-DEPARTMENT MEMORANDUM

To: Matthew J. Fertal
Dept: City Manager
Subject: REQUEST TO PURCHASE A
NEW PATIO SHELTER FOR
EASTGATE PARK FROM
HANSON ASSOCIATES

From: William E. Murray
Dept: Public Works
Date: June 12, 2012

OBJECTIVE

To secure City Council authorization to purchase one (1) new pre-fabricated patio shelter for Eastgate Park.

BACKGROUND

Eastgate Park has an existing wooden patio shelter, installed in 1967. The structure is utilized weekly by the Community Services Department as a rental patio. User groups also utilize it frequently during summer concert and pool season activities. The current structure is in need of replacement.

DISCUSSION

The Public Works Department currently uses Hanson Associates to manufacture all new patio structures installed in the City parks. The Facilities Division has standardized the previous installations of patio structures using one pre-fabricated metal structure. Hanson Associates is the exclusive dealer for all Southern California. A quote for the fabrication and production of engineering documents for its installation has been obtained from Hanson Associates. In accordance with Section 2.50.060(4) of the Garden Grove Municipal Code, the Finance Director has determined that the acquisition of the equipment can only be obtained from one vendor.

FINANCIAL IMPACT

The cost of the patio structure is \$66,000. The purchase will be paid from Park Improvement Funds (Fund 081). There is no impact to the General Fund.

REQUEST TO PURCHASE A NEW PATIO SHELTER FOR
EASTGATE PARK FROM HANSON ASSOCIATES

June 12, 2012

Page 2

RECOMMENDATION

It is recommended that the City Council:

- Approve the purchase of one pre-fabricated patio shelter to be installed at Eastgate Park from Hanson Associates; and
- Authorize the Finance Director to issue a purchase order in the amount of \$66,000.

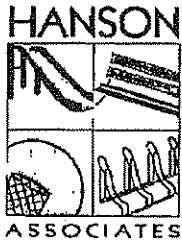

WILLIAM E. MURRAY, P.E.
Public Works Director/City Engineer
