Fiesta Educativa, Inc. is a non profit organization 501 (C)(3) that was formed in 1978 by Spanish speaking families and professionals who recognized the importance of empowering caregivers so that low income families can gain access to services and advocacy in efforts that their disabled family member can be fully integrated into the community.

For over twenty year's Fiesta Educativa, Inc has consistently been in the fore front addressing the educational, training, and advocacy needs of Latino Families with disabilities. Through our range of educational and support services, Fiesta Educativa, Inc supports nearly 1,000 families each year.

Our programs are effective as Fiesta Educativa effectively embraces the philosophy "For Parents by Parents" as they best understand their needs. In addition, Fiestas Educativa's programs give parents the opportunity to come together to share and find new, innovative, and culturally appropriate caregiver strategies. This impressive record has placed Fiesta Educativa among the leading disability advocacy organization in the United States working on behalf of the Latinos. This nationally recognized organization

"Fiesta Educativa Inc." has chapters in Sacramento: Orange County ,San Jose, San Diego County, Riverside, San Bernardino, and Los Angeles County.

Fiesta Educativa, Inc cordially invites you to sponsor facilities for our two annually events :
"The Annual Fiesta Educativa Conference "on October 19,2012 and "Christmas Event "on December 8,2012 at Garden Grove Community Center.

The purpose of the conference is to empower low-income families in helping their loved ones with special needs maintain their independence.

This event will be for Spanish Speaking parents of individuals with disabilities, consumers, and professionals who work with them. Your sponsorship will help us achieve our goals

The Christmas event will be free and will be to provide a special day for families of children with disabilities

Your support will help ensure low-income families with their greatest needs, to attend the conference as it will raise the level of community awareness regarding the unique needs of the Latino population with respect to the issue of disability. Your support will also ensure the continued success of this very important event that reaches a critically underserved population.
