To: Matthew J. Fertal
From: William E. Murray
Dept: City Manager
Dept: Public Works
Subject: PUBLIC HEARINGS FOR ANNUAL LEVY OF ASSESSMENTS FOR GARDEN GROVE STREET LIGHTING DISTRICT NO. 99-1, GARDEN GROVE PARK MAINTENANCE DISTRICT AND GARDEN GROVE STREET LIGHTING DISTRICT, (FY 2012-13)
Date: July 10, 2012

OBJECTIVE

To hold Public Hearings prior to adoption of the FY 2012-13 assessments under the Landscape and Lighting Act of 1972 and determine whether to levy assessments for 1) the Garden Grove Street Lighting District No. 99-1, 2) the Garden Grove Park Maintenance District, and 3) the Garden Grove Street Lighting District. A separate Public Hearing will be held for each District.

BACKGROUND/DISCUSSION

On May 22, 2012, the City Council adopted Resolution Nos. 9117-12, 9118-12, 9119-12, declaring its intention to levy and collect annual assessments for the 2012-13 fiscal year to pay for the street lighting and park maintenance. The City Engineer, as required by state law, has prepared and filed a report for each district. The purpose of the Public Hearings are to hear testimony on the question of the annual assessments for parcels located within the Street Lighting District, Street Lighting District No. 99-1, and Park Maintenance District.

Properties throughout the City of Garden Grove have been paying assessments to fund street lighting and community park maintenance. The proposed assessments are based on rates and methodology as previously adopted in FY 1997-98 by the City Council for the Garden Grove Street Lighting District and the Garden Grove Park Maintenance District. The Engineer's Reports, detailing property owner's annual assessments are available in the City Clerk's Office.

The boundaries of the Garden Grove Street Lighting District No. 99-1 include two zones, the first involving an area easterly of Dale Street between Lampson Avenue and Chapman Avenue, including an area west of Fairview Street approximately 900 feet south of Trask Avenue, and the second involving an area on Gail Lane, north of Chapman Avenue. Property owners approved this district on June 22, 1999 through a special ballot proceeding.

FINANCIAL IMPACT

The adoption of street lighting and park maintenance assessments will raise approximately \$1,300,000 in street lighting revenue and \$700,000 in park maintenance revenue. The assessments will be collected by placement on the tax rolls.
