RE: Atlantis Park Fees Waived

Dear Counsel Members

October is Disability Awareness Month. In celebration of Disability Awareness Month and Halloween, CA would like to host an event for children with disabilities and their family members at the Garden Grove Atlantis Park on October 20<sup>th</sup>, 2012. The hours that we request to have the park reserved for the event would be from 9:30am to 2:30pm. We ask for your generous support, by waiving the park fees and be listed as a sponsor for our community event.

In efforts to raise awareness on disability in our community, this event would allow families a great opportunity for socialization and gain information on other community resources. We would invite a number of other organizations throughout Southern California that serve persons with disabilities and their families, to participate in our resource fair section. This will be a great opportunity to get to know new community services, further raise the awareness and to educate/guide the community to a better understanding of different disability services.

We look forward to hearing from the Garden Grove Council Members with regards to the fees waived and help become a sponsor to our event.

Disability Awareness Month and Halloween Trick-O-Treat event is host by Children's Advocacy. We appreciate your support and collaboration, by your participation. Thank you in advance for your time and support. Your participation will help break barriers in the area of disability issues in the community. Please feel free to contact Sharon Nguyen my email 4disabilityadvocacy@gmail.com.

Sincerely,
