INTER-DEPARTMENT MEMORANDUM

To:	Matthew Fertal	From:	Kevin Raney
Dept:	City Manager	Dept:	Police
Subject:	LEASE AGREEMENTS WITH ENTERPRISE LEASING FOR FIVE VEHICLES	Date:	January 8, 2013

OBJECTIVE

To seek City Council approval to renew vehicle lease agreements between the City of Garden Grove and Enterprise Leasing, for five undercover vehicles to be used by the Police Department's Career Criminal Apprehension Team (CCAT), the Special Investigations Unit (SIU) and the Gang Services Unit (GSU).

BACKGROUND

In 1996, the Police Department began leasing four vehicles for utilization by undercover investigators assigned to the Special Investigations Unit. Two vehicles were leased from Selman Chevrolet and two vehicles were leased from Honda Motor Company of America. Each of these vehicles was leased for three years, which allowed undercover investigators the ability to change vehicles after three years in order to minimize recognition by criminals that were under investigation. The lease agreements were renewed in 1999 and again in 2002. Also, in 2002, due to the implementation of the Career Criminal Apprehension Team, additional vehicles were leased. Like the Special Investigations Unit, the Career Criminal Apprehension Team is a proactive plain-clothes assignment requiring unmarked vehicles that are not recognizable as police vehicles.

In 2004, due to manpower limitations the Career Criminal Apprehension Team was not staffed and in January 2005, when the vehicle leases expired, they were not renewed. The Career Criminal Apprehension Team was reestablished in January 2007. A Sergeant and four Officers staff the team. Over the years, lease vehicles under this contract have been used by CCAT (3), SIU (1) and GSU (1). Being unable to obtain lease financing from a dealership directly, the City was forced to contract with a third party leasing company in 2007, Silver Oak Leasing. In 2010, due to an inability to otherwise obtain insurance for these vehicles, the Police Department was granted permission to obtain five vehicles from Enterprise Leasing on three-year lease agreements including insurance. The current lease agreements for the five vehicles are expiring, January 2013.

DISCUSSION

The utilization of lease vehicles for a three-year period has been very successful. Investigators are driving reliable vehicles that are selected to blend in with the general public. The vehicles are leased with a 10,000-mile per year (or more) mileage allowance. The dealer completes any mechanical repairs that may arise that are covered under the warranty. The possibility of repeat criminal offenders recognizing and identifying the vehicles driven by the investigators is minimized by having the ability to return the vehicle after the three year lease expires. Police staff has identified five vehicles, which will meet the operational needs of the team. City vehicle maintenance staff has approved the acquisition of the five leased vehicles under the existing agreement used for the current leased vehicles.

FISCAL IMPACT

The monthly lease amounts for the vehicles range from \$426.46 to \$675.71 per month (see Attachment 1). The five vehicles will cost \$2,650.08 per month plus a one-time registration fee of \$2,211.99. For the remainder of the current fiscal year, the costs will amount to \$18,323.13. Costs after this fiscal year will be \$32,222.28 plus registration per year thereafter. This cost is still below the 2007 yearly pre-approved budget amount of \$36,000.00 included in Fund 111. No additional general fund money will be required.

RECOMMENDATION

It is recommended the City Council approve the renewal of the three-year vehicle leasing contracts to Enterprise Leasing and authorize the Chief of Police or his designee to execute the agreements.

Chief of Police
