FINANCIAL IMPACT

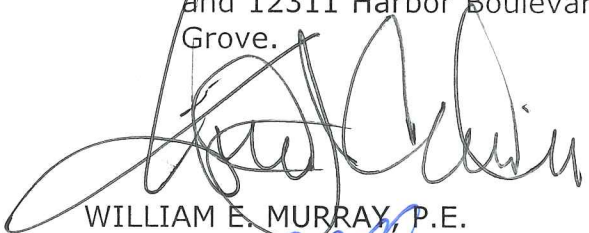

The cost for demolition activities is \$61,574 (see attached invoice). Due to the anticipation that the contract would be paid using Redevelopment Property Tax Trust Fund monies, there was no allocation for demolition activities made in the Economic Development package in the City's Budget for Fiscal Year 2013-2014.

The costs for the demolition contract for the subject properties will be allocated from the Economic Development package within the General Fund.

RECOMMENDATION

Based on the foregoing, staff recommends that the City Council:

- Authorize the Finance Director to allocate sixty-one thousand, five hundred seventy-four dollars (\$61,574.00) from Package 8850 (Economic Development) for Fiscal Year 2013-2014 for demolition activities at 12291 and 12311 Harbor Boulevard, and 12292 and 12312 Thackery Drive, Garden Grove.
