Dear Kathy,

I am sorry to have to resign from the Board of Appeals, however in August 2013 I broke 3 bones in my ankle and had to have surgery with rods and screws to put it back together along with not being able to put any weight on that a foot for 3 months.. Due to some complications, I would not be able to attend the upcoming meeting and I do not want to hold up this meeting any longer.

It had been a long time goal of mine to serve on a commission for the city I grew up in and now given the opportunity, I have to resign. If it is appropriate, I would like to apply next year and hopefully serve the city. Please let me know if that is possible.
