distributed to non-compliant property owners prior to the April 8, 2014, City Council Meeting, notifying them of the meeting and Public Hearing during which protests, if any, will be heard from subject property owners. Prior to this meeting, the City Council will receive another staff report, including an updated Exhibit A, and further requests for City Council action regarding the Weed Abatement Program.

FINANCIAL IMPACTS

Program costs and administrative costs have been included in the Fire Department's budget for the current fiscal year. It is anticipated that costs will be recaptured through future invoicing of non-compliant property owners, as well as the attachment and subsequent satisfaction of property liens, (in the case of non-payment), as required.

RECOMMENDATION

It is recommended that the City Council:

- Adopt the attached Resolution authorizing the Spring 2014 Weed Abatement Program; and
- Direct staff to proceed with the weed abatement process as required under Government Code Section 39500 et seq, which also requires mailing of written Weed Abatement Notices to property owners, as listed in the last Equalized Assessment Roll and as officially identified in Exhibit A, dated February 25, 2014.
