

City of Garden Grove**INTER-DEPARTMENT MEMORANDUM**

To: Matthew J. Fertal From: Susan Emery
 Dept: City Manager Dept: Community Development
 Subject: RECEIVE AND FILE THE 2013 Date: March 25, 2014
 ANNUAL REPORT ON THE STATUS OF
 THE GENERAL PLAN

OBJECTIVE

The purpose of this report is to request that the City Council receive and file the 2013 Annual Report on the Status of the General Plan.

BACKGROUND/DISCUSSION

The City is required by the State to submit an annual report on the status of the General Plan and progress in its implementation to their legislative bodies, the Governor's Office of Planning and Research (OPR), and the Housing and Community Development (HCD).

The report focuses on the calendar year of 2013. Projects approved, ordinances adopted, and programs implemented during this time are included within the report. Additionally, the City reviews the previous year's residential development activity and programs that work toward providing housing throughout the City. The City prepares this report as a review of the activities undertaken to implement the General Plan.

The report also covers the Regional Housing Need Allocation (RHNA) for the 2008-2014 planning period. California General Plan law requires each city and county to accommodate its fair share of the regional housing needs. The RHNA is divided into four categories: very low, low, moderate, and above moderate income. As determined by the Southern California Association of Governments (SCAG), Garden Grove's fair share allocation is 560 new housing units during this planning cycle. The report shows the City's progress in meeting its RHNA.

RECOMMENDATION

It is recommended that the City Council:

- Receive and file the 2013 Annual Report on the Status of the General Plan for 2013.

Karl Hild for SE.

Prepared by the Garden Grove Community Development Department
February 2014

2013 GARDEN GROVE ANNUAL REPORT
ON THE STATUS OF THE GENERAL PLAN

2013 Garden Grove Annual Report on the Status of the General Plan

Introduction

Every year, the City of Garden Grove reviews the previous year's residential development activity and programs that work toward providing housing throughout the city. The City prepares this report as a review of the activities undertaken to implement the General Plan. The report focuses on the calendar year of 2013. Projects approved, ordinances adopted, and programs implemented during this time are included within the report.

The City continues its process of updating its General Plan, which was last updated in 1995. The Administrative Draft of the General Plan was approved for public review in 2008. More information about the General Plan Update is available at <http://www.gardengrovefuture.info> or contact Erin Webb, General Plan Project Manager at 714-741-5312.

The City is required by the State to prepare an Annual Progress Report on the status of the Housing Element of its General Plan and indicate the progress in the implementation and status of its programs and objectives.

The Annual Element Progress Report includes; an Annual Building Activity Report Summary; Rehabilitation, Preservation and Acquisition Activity; Regional Housing Needs Allocation Progress; and Housing Element Program Implementation Status updates. Using the Neighborhood Improvement and Conservation Commission as an avenue, the City must provide opportunities for public discussion and input on housing issues and housing element implementation.

The programs and objectives in the 2008-2014 Housing Element Plan aim to make adequate provision for the housing needs of all economic segments of the community. The programs outlined in the plan have been implemented in an effort to conserve and improve the conditions of the existing affordable housing stock, assist in the development of housing for low- and moderate-income households, identify adequate sites to encourage the development of a variety of types of housing for all income levels, address and, where appropriate and legally possible, remove government constraints to the maintenance, improvement, and development of housing, and promote equal opportunities for all persons.

In addition, the City has prepared a Development Project Update List, which is available on the Planning Division's webpage at <http://www.ci.garden-grove.ca.us>. The report will be updated every quarter and includes all residential, commercial, and industrial projects that move through the Community Development Department.

2013 GARDEN GROVE ANNUAL REPORT
ON THE STATUS OF THE GENERAL PLAN

Measures Associated with the Implementation of the General Plan

CIRCULATION ELEMENT

The Circulation Element represents the City's overall transportation plan. The transportation plan consists not only of the physical transportation system itself, such as streets, highways, bicycle routes and sidewalks, but also to the various modes of transportation, such as cars, buses, trucks, rail, bicycles, ridesharing and walking.

Land Use and circulation must be closely tied to ensure that citizens are able to move in and around the City to locations where they live, work, shop, and spend leisure hours.

Goal CIR-4: A reduction in vehicle miles traveled in order to create a more efficient urban form.

Policy CIR-4.1: Strive to achieve a balance of land uses whereby residential, commercial, and public land uses are proportionally balanced.

Policy CIR-4.2: Strive to reduce the number of miles traveled by residents to their places of employment.

Policy CIR-4.3: Ensure the reduction in vehicle miles traveled through the approval of mixed-use development proposals.

CIR-IMP-4A: Encourage the development of mixed-use projects as a means of reducing peak commute period traffic.

Goal CIR-5: Increased awareness and use of alternative forms of transportation generated in, and traveling through, the City.

Policy CIR-5.3: Provide appropriate bicycle access throughout the City.

Policy CIR-5.4: Provide appropriate pedestrian access throughout the City.

CIR-IMP-5C: Encourage incentives for the creation and use of car or vanpools for City Employees.

Goal CIR-6: A safe, appealing, and comprehensive bicycle network provides additional recreational opportunities for Garden Grove residents and employees.

Policy CIR-6.4: Continue to pursue and monitor funding sources for bikeway facilities.

Policy CIR-6.5: Sponsor bicycle safety and education programs.

2013 GARDEN GROVE ANNUAL REPORT
ON THE STATUS OF THE GENERAL PLAN

Mind Mixer Community Online forum/Re: Imagine downtown

- The Planning Division continues its efforts to bring together the community and identifying a sense of place and ownership and improving Garden Grove's Downtown by creating a Vision/Master Plan for the future.
- Key components to a Downtown would be a Transit Station, Parking Garages, Commercial/ Residential, Bike Paths, and a more walkable Public Space for the community.
- In December 2012 an EDIC Charrette took place, where members of the City came together to gather ideas about: Land Use, Design, Transportation, and Branding for the Vision Master Plan.
- In April 2013 the Charrette ideas were presented to City Council. The City hired consultants to help create an online forum and the City launched a Community Online Forum where visitors can share their ideas about what they think could enliven a downtown and help create a unique identity/character for the City of Garden Grove.

Downtown Design Team Adding Community Outreach To Master Plan

- Since August 2013, the public has been submitting ideas and images for the Re:Imagine Downtown campaign, the City of Garden Grove's 20-year visioning for the civic center area, through an online forum called Mindmixer.
- In December 2013, a four person team of Landscape Architecture Masters students contracted with the City's Community Development Department to create the Mobility Plan and Civic Center District Design which is intended to create a connected community with enhanced mobility access that links local neighborhoods to the Downtown.
- This project will connect residential communities, public park areas, schools, historical district, and major destinations to the Downtown to support pedestrians, bicycling, and other forms of non-motorized transportation. These mobility connections are necessary to create a sustainable downtown area attractive to local people, business owners, and visitors.
- The students also interviewed small groups of stakeholders to garner input on topics such as favorite places to go, preferred means of travel, and the importance of open spaces.
- Garden Grove residents, business owners, and civic leaders of all ages, faiths, and cultures were invited by students to participate in the discussions, being held throughout the community. The results were

2013 GARDEN GROVE ANNUAL REPORT
ON THE STATUS OF THE GENERAL PLAN

analyzed and serve as the basis for new questions being posted on the online forum and will also be incorporated into the Mobility Plan.

- Community outreach by the students will largely be 'participatory urban assessments' involving public displays of large, mounted maps, with questionnaires seeking public feedback. There will also be some small focus groups and surveys.
- All research conducted will ultimately form a design plan for the civic center district, incorporating sustainability, open space planning, and urban revitalization, while balancing the needs of residents, visitors, and business development.
- The public has been encouraged to continue sharing thoughts and visuals at www.reimaginedowntowngg.com. To date, the website has received 31,866 page views and 3,488 visitors.
- Although this Implementation Program and goal for the City's future downtown may take 20+ years to be fully established and completed, these developments together will generate more new jobs and annual tax revenue for the City and encourage visitors from outside the City to visit and buy in Garden Grove

REGIONAL HOUSING NEEDS

State law requires that the annual report provide a status of the City's progress in meeting its share of regional housing needs.

Senate Bill 12 authorized the Southern California Association of Governments (SCAG) to develop the Regional Housing Needs Assessment (RHNA) for the six-county SCAG region, which includes the City of Garden Grove. In July 2007, SCAG Regional Council adopted the RHNA for the region. The Final RHNA Allocation Plan was transmitted to the State Department of Housing and Community Development (HCD) by SCAG.

The RHNA numbers adopted for Garden Grove are presented in the Tables attached for the Annual Element Progress Report for 2013.

Table C

Program Implementation Status

Housing Programs Progress Report - Government Code Section 65583.			
Describe progress of all programs including local efforts to remove governmental constraints to the maintenance, improvement, and development of housing as identified in the housing element.			
Name of Program	Objective	Timeline in H.E.	Status of Program Implementation
Housing Rehabilitation Grant Program	Provide 30 Senior Home Improvement Grants annually. Provide 10 Mobile Home Improvement Grants annually.	2008-2014	Provided 5 Senior Home Improvement Grants in 2013. Due to the loss of Redevelopment and Set-Aside funding no Mobile Home Improvement Grants were awarded since 2011. Five (5) year goal previously met.
Code Enforcement	Enforce established standards of home maintenance practices through continued application of the Property Maintenance Ordinance. Preserve the quality of housing in the City's target areas. Use the Land Use Code enforcement activities to reduce zoning violations. Prevent violations through education and outreach of home improvement assistance.	2008-2014	A total of 3,202 cases were completed in 2013. All new construction and remodeled units were inspected. Press releases were sent out several times throughout the year about the availability of Home Improvement Grants and Loans.
Multi-Family Acquisition and Rehabilitation	Increase the affordable housing stock through acquisition and rehabilitation of 40 aging and/or deteriorating residential units annually; identify potential acquisition and rehabilitation units for interested non-profit housing organizations.	2008-2014	The City completed the rehabilitation of 103 units in the Grove Park Project in 2012.
Affordable Housing Construction	Provide technical and financial assistance for the construction of 15 affordable units annually. Provide technical and financial assistance for the development of one senior apartment development. Establish marketing materials to inform non-profit and for-profit developers of assistance available for the construction of affordable housing, including density bonuses. Encourage residential developments that lower housing costs through reduced energy consumption.	Development Assistance- 2008-2014; Marketing Materials: June 2009	No opportunities for new construction occurred in 2013. No opportunities occurred for the development of a senior apartment development in 2013. Non-profit and for-profit Developers are informed about the density bonuses. All developers are required to meet the Building Code requirements for energy consumption.

ANNUAL ELEMENT PROGRESS REPORT
Housing Element Implementation
(CCR Title 25 §6202)

Jurisdiction	City of Garden Grove	Reporting Period	1/1/2013 - 12/31/2013
Rental Assistance	Provide rental assistance to 2,337 very low income persons or households. Pursue additional funding for the Section 8 Program.	2008-2014	Provided rental assistance to 2,337 very low income persons. Pursued additional Section 8 program funding, no funding was available.
Home Ownership Assistance	Provide first time homebuyer assistance to 5 households annually. Continue to market the First Time Homebuyer Assistance Program through telephone hotlines and a program website.	Assistance 2008-2014, Advertising Post on Website, Jan. 2009, Distribute Info: June 2009	Provided first time homebuyers assistance to 2 moderate-income buyers. Marketing for the First Time Homebuyer Assistance Program was not funded this year due to the end of Redevelopment.
Preservation of Affordable Rental Housing	Assist in the preservation of 582 affordable units at risk of converting to market rents by: Annually monitor status of the 110 affordable housing units that are at risk of converting to market rate during 2008-2014 Housing Element; If any property owners indicate plans to convert affordable units to market rate rents, the City will contact qualified entities to explore transfer of ownership options; Make State's list of qualified entities to acquire/manage affordable housing available to interested residents, developers, or owners; Inform residents in units that are converting to market rents of affordable housing programs available in the City, including section 8 and other affordable housing developments.	Begin Monitoring Jan. 2009, Resident & Property Owner Asst.: 2008-2014	In 2010 covenants expired for one rehab project, Arbor Glen. Of the 136 units in the project, 68 were affordable rent units. The property owner did not indicate that the units would be converted to market rate rents; however, the City has secured additional affordable rent units by assisting in the acquisition of two Tamariena Projects (10 units) and the acquisition of Dale Street Apartments (24 units). Additionally, the City assisted in the acquisition 13 buildings, the Grove Park Project in the Buena Clinton Neighborhood creating 103 units with affordable rent covenants. No property owner's have indicated plans to convert affordable housing units to market rate rents. Sites available list is available for any interested parties. Information is provided to residents as is needed.
Sites Inventory	Continue to provide appropriate land use designations and maintain an inventory of suitable sites for residential and mixed-use development. Provide technical assistance and information on available City- and Agency-owned parcels for lower-income housing developments to housing providers. Update the vacant and underutilized residential sites inventory every two years. Address sewer infrastructure constraints by completing sewer upgrades to the sewer capacity deficiency zone in which Vacant Residential Site #2 is located and reimbursing developers for sewer upgrades that are consistent with the Sewer Capital Improvement Plan.	2008-2014, Release Inventory Info: Jan. 2009, Begin Inventory Update 2010	Chapter 4 of the Housing Element provides the most updated inventory of suitable sites for residential and mixed-use development. The adoption of the Mixed-Use Zoning Code has made available 64 mixed-use sites. Planning staff continuously meet with developers to discuss housing opportunities and provide technical assistance. The development of Vacant Residential Site #2 did not bring forward any deficiencies. Instead, only minor updates were required of the developer to connect the project to the City Sewer line.

ANNUAL ELEMENT PROGRESS REPORT
Housing Element Implementation
(CCR Title 25 §6202)

Jurisdiction	Reporting Period	City of Garden Grove	
Mixed-Use Development	1/1/2013 - 12/31/2013	<p>Amend Land Use Code to establish mixed use development zone and development standards to implement the General Plan mixed use designations. Establish developments standards that facilitate high density mixed use developments. Facilitate the development of residential units in mixed use areas. Take proactive role by pursuing partnerships with developers, lenders and property owners to. Annually monitor development interest. Report on mixed use residential development progress. Allow input from development community during drafting and adoption of mixed use standards in the Land Use Code.</p> <p>Mixed Use Zoning Code was approved by the City Council in March 2012, and it went into effect on April 28, 2012. Mixed use zones vary in use and density. The standards allow for more flexibility with the intent of making mixed use development more feasible and facilitate and encourage such type of development. Input was obtained through stakeholder meetings with developers, business owners, and residents. Four (4) new mixed use zones were created. They are as follows: Garden Grove Mixed Use, which has three (3) subdistricts that have differing residential intensities; Civic Center Mixed Use, which as four (4) subdistricts; Adaptive Reuse; and Neighborhood Mixed Use. The City has also approved entitlements for the Brookhurst Triangle (Site #1) for up to 700 units with a mix of retail as of 2011. The City is actively marketing the project to various developers.</p>	<p>Begin Monitoring 2009 Code Amendments 2010 Mixed-use incentives 2012</p>
Extremely Low Income Housing		<p>Amend the Land Use Code to provide for emergency homeless shelters as a permitted use in at least one zone (i.e. M-1 or M-P zone), and develop objective standards to regulate emergency shelters without discretionary review as required by SB 2. In addition the Land Use Code will apply the same development and management standards that apply to other uses within the identified zone. Develop additional written, objective standards for emergency shelters to regulate the following, as permitted in SB 2: The maximum number of beds/persons permitted to be served nightly; Off-street parking based on demonstrated need, but not to exceed parking requirements for other residential or commercial uses in the same zone; The size/location of exterior and interior onsite waiting and client intake areas; The provision of onsite management.</p>	<p>SB2 Amendment The City's Municipal Code has been amended to provide for emergency homeless shelters as a permitted use in the M-1 zone as required by Senate Bill 2 (SB 2). The amendment has established development standards for Emergency Shelters, Transitional Housing, and Supportive Housing.</p>

ANNUAL ELEMENT PROGRESS REPORT
Housing Element Implementation
(CCR Title 25 §6202)

Jurisdiction	City of Garden Grove	Reporting Period	1/1/2013 - 12/31/2013
Parking Standards	Assess parking requirements to insure they facilitate the development of mixed-use and multi-family developments. Modify parking regulations or standards as needed. Continuing ministerial procedures for reducing parking based on proximity to transit lines, and projects. Conduct periodic traffic and parking studies. Establish mixed use parking standards.	Annual staff evaluations. Code standards and requirements were assessed within the Mixed Use Zoning Code update that Amendment 2010 was completed in March 2012. Parking study update was conducted for the public parking facilities serving downtown Garden Grove.	Parking requirements were evaluated during the amendment of Title 9 of the Garden Grove Municipal Code to provide emergency homeless shelters per SB 2 requirements. Parking standards and requirements were assessed within the Mixed Use Zoning Code update that Amendment 2010 was completed in March 2012. Parking study update was conducted for the public parking facilities serving downtown Garden Grove.
Water and Sewer Service Providers	Within 30 days of adoption of the Housing Element, deliver the Garden Grove Housing Element to all providers of sewer and water services within the City of Garden Grove.	Within 30 days of Adoption of the Housing Element	The Garden Grove Housing Element was provided to all providers of sewer and water services within the City of Garden Grove.
Fair Housing Services	Consistent with the Consolidated Plan, provide fair housing services to Garden Grove residents, serve 700 persons annually with general housing/fair housing issues. Require all recipients of federal funds that are in any way related to housing, including in the development of housing, placement of clients in housing, or acceptance of Section 8 tenants, to assist in affirmatively furthering fair housing. Advertise the availability of fair housing services though, flyers at public counters, and posting of available fair housing services on the City's website.	Advertising Jan. 2009. Fair Housing Services 2008-2014.	Assisted 29 households with fair housing counseling; assisted 13 households with discrimination cases; and responded to 331 calls addressing other housing needs. All contracts and agreements contain required language, "to assist in affirmatively furthering fair housing". Fair housing services have been advertised at the public counter and on the City's website.
Reasonable Accommodation	Adopt written procedures for making request for reasonable accommodation to land use and zoning decisions and regulating the siting, funding, development and use of housing for people with disabilities. Provide information to residents on reasonable accommodation procedures via public counters and the City website.	Dec. 2010	In October 2012 the City Council adopted a Policy for providing individuals with disabilities reasonable accommodation in application of the City's Land Use and Zoning Regulations and Policies. Requests for reasonable accommodations may be submitted to the Zoning Administrator by disabled person or their representative and are reviewed when the application of a zoning, land use or building regulation, policy or practice acts as a barrier to equal housing opportunities for a disabled individual. Additional information may be requested by the Zoning Administrator to make a determination.

2013 GARDEN GROVE ANNUAL REPORT
ON THE STATUS OF THE GENERAL PLAN

COMMUNITY DEVELOPMENT PERFORMANCE REPORT:

The Community Development Department offers a broad spectrum of services to the community. Community Development also manages, reviews, and approves development plans for all properties located within the city boundaries. There are four divisions in the department: Planning Services Division, Building Services Division, Housing Authority Division, and Neighborhood Improvement/Code Enforcement Services Division.

New Housing Development Projects:

The Planning Division has been processing the entitlements for several new housing development projects in the City. These developments all include site improvements including parking, open space, and new landscaping.

10418 Katella Ave.

- 18-unit small lot single-family residential subdivision on the south side of Katella at the old St. Mark's Lutheran Church. Developer is Brandywine Homes.

10901 Hazard Ave.

- 56-unit small lot single-family residential subdivision at the northwest corner of Hazard and Euclid. Developer is City Ventures. This project is currently under construction.

11631 and 11641 Trask Ave.

- 17-unit small lot single-family residential subdivision on the north side of Trask, east of Newhope. Developer is Olson Company.

12662 Dale St.

- 24-unit apartment complex on the north side Dale, north of Stanford. The developer is Brandywine. The project is under construction.

10222 Westminster Ave.

- 34-unit apartment complex on the west side of Hope south of Westminster. The developer is Brandywine. This project is under construction.
- Working on the tentative Tract map for Brookhurst Triangle and submittal of construction drawings for the first phase of that project consisting of approximately 180 apartment units.

Site Plans, Conditional Use Permits, and Extensions

2013 GARDEN GROVE ANNUAL REPORT
ON THE STATUS OF THE GENERAL PLAN

- Processed Site Plan approval to expand the existing multi-tenant commercial building at the southwest corner of Brookhurst Street and Chapman Avenue to open a 36,918 square foot fitness center (CHUZE Fitness)
- The new fitness center includes a swimming pool, cardio, weight training areas, cinema workout room, tanning rooms, and hydro massage rooms

- Processed another time extension for a land use entitlement: including a three (3) year extension for the expansion of the Embassy Suites Hotel Development. This will include adding a new 17-story tower with 238 rooms added to the existing 374 hotel, and adding a 56,000 square foot new banquet hall. There are also plans to create a resort type hotel design adding a new restaurant, spa, and renovating on-site circulation.

BUILDING PERMITS & INSPECTIONS

- Issued permits with a construction valuation of \$55.6 million (7% increase).
- Responded to 8,647 inspection requests.

BUILDING ABATEMENT

- Opened 316 new cases and closed 284 cases. This is an increase over the previous year.
- Continued to work with the Neighborhood Improvement Committee, which focuses on improving specific neighborhoods on an annual basis.

2013 GARDEN GROVE ANNUAL REPORT
ON THE STATUS OF THE GENERAL PLAN

Garden Grove Galleria Project (10080 & 10082 Garden Grove Blvd.)

- A proposed eight story mixed use building approved in 2005. Construction began April 2007 and due to economic reasons all construction ceased July 2009. Building permit expirations were extended over the next 2-½ years expiring in September 2012.
- Over the last three years the project has been the center of litigation with the developer, the property owner and the bank. Currently the project only consists of a steel framed structure and a concrete parking structure.
- July 2013 the City issued a Notice and Order to demolish and remove the structure within one year. The "Notice" was appealed by Cathay Bank and subsequently upheld by the Board of Appeals.
- October 2013, City Building Inspector accompanied Engineers from Simpson, Gumpertz and Heger to verify the structural integrity of the parking structure.

10332 Stanford Ave (SFR severe substandard conditions)

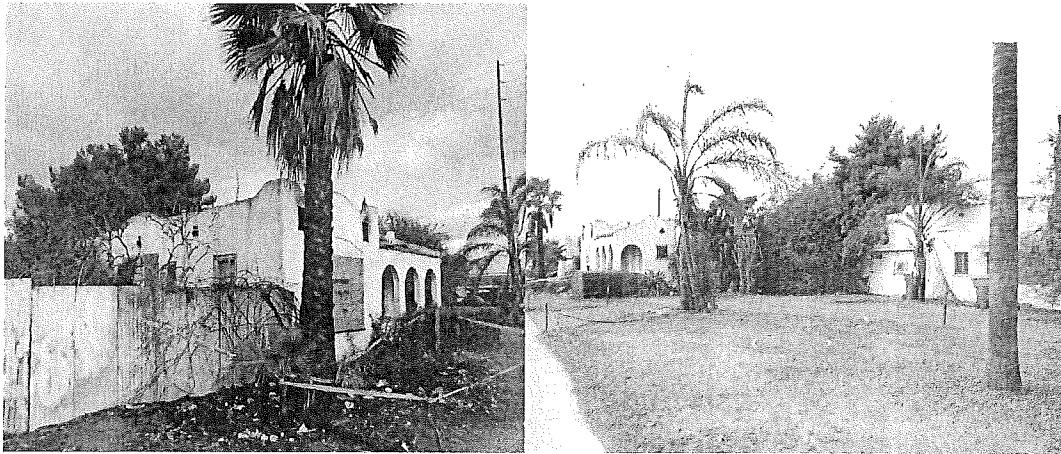

- One-acre site, single-family residence, and various out buildings. Complaint received by the City August 2008 with regard to illegal structures and substandard housing conditions. Last five years, the list of violations and substandard housing conditions has increased. A Notice and Order to abate the violations went unheeded.
- Assistance from the City Attorneys office was requested to assist in gaining compliance. The dwellings were posted "Unsafe to Occupy" and all structures were ordered to vacate.
- This order was ignored and numerous inspections have occurred by Code Enforcement, Building Abatement and Police resulting in arrests, citations and notices of violations being issued. Recently a typhus outbreak developed from the cats and dogs on the property.

2013 GARDEN GROVE ANNUAL REPORT
ON THE STATUS OF THE GENERAL PLAN

- The City Attorney has filed criminal charges against the LLC, in conjunction with civil proceedings to place the property in receivership.

11461 Westminster Ave (Abandoned SFR, destroyed by fire)

- A vacant SFR located on the corner of Westminster and Newhope Street. A complaint was received from Code Enforcement on August 2013 about an abandoned fire damaged house.
- A Notice and Order was issued September 2013 regarding maintenance of abandoned/vacant properties. The dwelling was destroyed by a fire and is not habitable.
- The owner was ordered to submit plans or obtain a demolition permit by October 9, 2013. The Building Official granted an extension to November 11th to locate a contractor. The City Attorneys office is preparing a letter to send to the owner as a demand to abate the violations within the two-months

2013 GARDEN GROVE ANNUAL REPORT
ON THE STATUS OF THE GENERAL PLAN

Section 8 Management Assessment Program (Semap)

- The Housing Authority scored 100 percent and the earned the designation of a "High-Performance Agency" for the fiscal year 2012-2013 from the Department of Housing and Urban Development.

HOUSING AUTHORITY RENTAL VOUCHERS

- Assisted 2,337 low-income households through Section 8.
- Contacted over 200 applicants from the new wait list to schedule initial qualification interviews. Applicants selected were Garden Grove residents with U.S. Veteran status or victims of domestic violence.

HOUSING PORTABILITY PROGRAM

- Administered an additional 300 tenants from Santa Ana through the Portability program.
- By fully administering tenants from Santa Ana, the Housing Authority earns approximately \$17,000 a month in administration fees.

HOUSING QUALITY STANDARDS & BUILDING AND SAFETY CODES COMPLIANCE

- Conducted 304 initial and 4,693 annual and follow-up inspections, and 45 special inspections to ensure that subsidized units meet Housing Quality Standards and Building and Safety Codes.

HOUSING FAMILY SELF-SUFFICIENCY PROGRAM

All of the Family Self-Sufficiency graduates signed a contract and are required to successfully complete classroom training or job training, become independent of welfare cash aide (if applicable) and obtain suitable full-time employment based on their training, skills, and education. Through their training and education they increased their earning capacity, obtained improved employment and became independent of welfare cash aide. As an outcome, the Housing Authority pays fewer subsidies and the client pays more subsidies. In some cases, the clients no longer need housing assistance.

- Three participants of the Family Self-Sufficiency program successfully completed their 5-year contract.

NEIGHBORHOOD IMPROVEMENT PROGRAMS

Neighborhood Improvement oversees the Emergency Solutions Grant (ESG) program, which provides homeless prevention and intervention services, and the Community Development Block Grant (CDBG) program, which offers a variety of tools for public service

2013 GARDEN GROVE ANNUAL REPORT
ON THE STATUS OF THE GENERAL PLAN

grants and community improvement grants and projects. ESG and CDBG programs are funded by the U.S. Department of Housing and Urban Development (HUD).

ESG program funded the following organizations:

- Thomas House (\$60,000) to provide shelter and resources to 141 individuals from formerly homeless families in service-enriched transitional housing apartments.
- Women's Transitional Living Center (WTLC) (\$66,870) for essential services, homeless prevention, shelter, support services, substance abuse treatment and accessibility to other services for 959 survivors of family violence, including men, women, and their children.
- Interval House (\$113,599) to provide support services, homeless prevention and rapid rehousing to 286 victims of domestic violence.

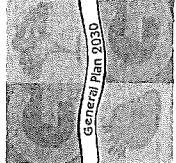

CDBG funded the following organizations:

- Fair Housing Foundation (\$34,923) helped provide fair housing services to 419 individuals.
- Community SeniorServ, Inc (\$21,000) to serve 648 Garden Grove seniors through daily hot lunches at the Senior Center and other congregate dining and delivered breakfast, hot lunch, and dinner every weekday.
- H. Louis Lake Senior Center (\$161,818) assisted the City to enhance services and provide meals to 359 individuals.

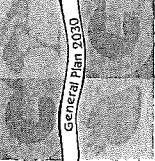

Additional Neighborhood Improvement Achievements:

- Provided 6 home improvement grants throughout the City.
- Provided First Time Homebuyer Loans to 2 families.
- Code Enforcement addressed 1,681 complaints of violations of the Garden Grove Municipal Code

2013 GARDEN GROVE ANNUAL REPORT
ON THE STATUS OF THE GENERAL PLAN

General Plan Amendments

General Plan Amendment No. GPA-1-13(A) Housing Element

Site Location: Citywide

CEQA Determination: Mitigated Negative Declaration

The Housing Element is one of the seven mandatory elements of the General Plan, and as such, specifies ways in which the housing needs of existing and future residents can be met.

The Housing Element was last updated and adopted in October 2009 for the planning period 2008-2014. Government Code section 65588 requires that the City review its Housing Element in accordance with planning review schedules established by regional planning agencies, which in Garden Grove's case, is the Southern California Association of Governments (SCAG).

Housing Goals and Policies

- Conserve and improve the condition of the existing affordable housing stock;
- Assist in the development of housing for low- and moderate-income households;
- Identify adequate sites to encourage the development of a variety of types of housing for all income levels;
- Address and, where appropriate and legally possible, remove governmental constraints to the maintenance, improvement, and development of housing; and
- Promote equal housing opportunities for all persons.

The City has developed the following 15 programs with the stated objectives:

Program 1: Housing Rehabilitation Grants

Objectives: Provide 10 Senior Home Improvement Grants annually (70 total) to make exterior home improvements, interior repairs to address safety issues, and mobility and accessibility improvements.

Program 2: Code Enforcement

Objectives: Enforce established standards of home maintenance practices through continued application of the Property Maintenance Ordinance.

Program 3: Multi-Family Acquisition and Rehabilitation

Objective: Increase the affordable housing stock through acquisition and rehabilitation of 20 aging and/or deteriorating residential units annually (140 units total). Identify potential acquisition and rehabilitation units for interested non-profit housing organizations.

2013 GARDEN GROVE ANNUAL REPORT
ON THE STATUS OF THE GENERAL PLAN

Program 4: Affordable Housing Construction

Objectives:

Affordable Housing

Provide technical and financial (as available) assistance for the construction of 15 affordable units annually (90 units total) using a combination of US Department of Housing and Urban Development (HUD) and City funds to provide land cost write-downs and other construction assistance. Offer priority processing for projects that include affordable housing units.

Senior Housing

Encourage the new construction of senior housing in areas designated for Community Residential, which allows higher densities and development standards reflective of the senior population.

Program 5: Rental Assistance

Objective: Provide rental assistance to 2,337 very low-income persons or households and pursue additional funding for the Section 8 program.

Program 6: Home Ownership Assistance

Objectives: Provide assistance to potential lower-income homeowners through the First Time Homebuyer Assistance program.

Program 7: Preservation of Affordable Rental Housing

Objectives: Periodically monitor status of the units that are at risk of converting to market rate during the planning period.

Program 8: Sites Inventory

Objectives: Continue to provide appropriate land use designations and maintain an inventory of suitable sites for residential and mixed-use development.

Program 9: Mixed-Use Development

Objectives: Facilitate the development of residential units in mixed-use areas by providing technical support to facilitate lot consolidation, financial assistance, where feasible, and streamlined permit processing. The City will establish specific and objective criteria for mixed-use site plan reviews and will target development densities as estimated in the Housing Element.

Program 10: Special Needs Housing

Objectives: Periodically evaluate emergency shelter development and siting standards and based on existing needs and development interest and as

2013 GARDEN GROVE ANNUAL REPORT
ON THE STATUS OF THE GENERAL PLAN

warranted, re-evaluate and make appropriate changes to facilitate the development of emergency shelters.

Program 11: Parking Standards

Objectives: Periodically review parking regulations or standards, and modify only as needed. Parking standards should facilitate and encourage a variety of housing types including affordable lower income housing and should not constrain development.

Program 12: Water and Sewer Service Providers

Objective: Within 30 days of adoption of the Housing Element, deliver the Garden Grove Housing Element to all providers of sewer and water service within the City of Garden Grove.

Program 13: Fair Housing Services

Objectives: Consistent with the Consolidated Plan, provide fair housing services to Garden Grove residents. Serve 500 persons annually with general housing/fair housing issues (3,500 persons total).

Program 14: Homeless Housing Needs

Objectives: Consistent with the Consolidated Plan, address the needs of at-risk and homeless individuals and families through assistance to non-profits serving the homeless population. Provide emergency/transitional housing or homeless services to 250 extremely low-income or at-risk clients annually (1,750 persons total). As part of the annual General Plan Report, identify any new shelters that have been constructed.

Program 15: Implementation and Community Engagement

Objective: Conduct an annual Housing Element review. Provide opportunities for public engagement and discussion in conjunction with the State requirement for written review of the General Plan by April 1 of each year (per Government Code Section 65400).

Neighborhood Improvement & Conservation Commission: October 18, 2012

Planning Commission Date: April 4, 2013

City Council Date: May 28, 2013

2013 GARDEN GROVE ANNUAL REPORT
ON THE STATUS OF THE GENERAL PLAN

Conclusion

The General Plan continues to direct all land use decisions for the City and is a good guide for direction in our future development. The City continues to follow opportunities that meet the Garden Grove Community vision, which is to be a safe, attractive, and economically vibrant city with an informed and involved public. We are a diverse community that promotes our unique attributes and preserves our residential character.
