Envision Willowick!

Visioning is a process where a community imagines and identifies the future that it wants.

About the Vision Plan

The Cities of Garden Grove and Santa Ana invite you to help develop a Vision Plan for the redevelopment of the Willowick Golf Course site. This process will explore conceptual land use options that are formed by community and stakeholder collaboration and input. The Vision Plan will be used to guide the solicitation of development plans for Willowick.

This visioning process will explore how Willowick can best serve and enrich the community. The Vision Plan will be a compilation of community-driven needs, goals, ideas, and feedback. The more perspectives shared - the better! Working together with the community is important to us in answering key questions such as:

- *What activities and programs are needed?*
- *How can it celebrate Santa Ana and Garden Grove's rich heritage and environment while keeping pace with changing conditions and trends?*

Help **envision** the future of the Willowick Golf Course site!

The Willowick Golf Course site, located in the City of Santa Ana, is situated on 5th Street, adjacent to the Santa Ana River, at 3017 W 5th Street. Owned by the City of Garden Grove, the property is currently an 18-hole golf course. The site is adjacent to the Santa Ana River on the east, the Pacific Electric (PE) Right-of-Way on the north, and abuts Garden Grove's Buena Clinton neighborhood. To the east across the Santa Ana River, is Spurgeon Intermediate School and Spurgeon Park. To the west of the site is the Santa Anita neighborhood of Santa Ana. Directly to the south, is Cesar Chavez Campesino Park.

Get Involved!

Your involvement and input builds the foundation of the Vision Plan!

You can help us by sharing ideas and providing feedback that will shape design concepts and alternatives. Join us in creating the vision by participating in any or all of the workshops.

월로윅의 미래를 그리다!

주민이 원하는 미래를 상상하고 확인함으로써 비전을 수립합니다.

비전 플랜 소개

가든그로브와 샌타애나 시는 월로윅 골프장 재개발을 위한 비전 계획 구상에 도움을 얻고자 여러분을 초대합니다. 주민과 이해관계자의 협업과 의견으로 도출된 개념적 토지 사용 옵션을 검토할 예정입니다. 비전 플랜은 월로윅에 대한 개발 계획의 입찰공고에 사용될 것입니다.

비전 수립 과정에서는 월로윅이 주민에게 최선의 봉사과 풍요를 제공할 수 있는 방법에 대해 검토합니다. 비전 플랜은 주민이 주도하는 요구, 목표, 아이디어 및 피드백을 취합하여 구상됩니다. 더 많은 의견이 공유될수록 결과는 더 좋아집니다! 주민과의 협동은 다음과 같은 핵심 질문에 대한 해답을 구하는 데 있어서 중요한 역할을 합니다.

- 어떤 활동과 프로그램이 필요한가?
- 변화하는 상황과 추세에 보조를 맞추면서도 샌타애나와 가든그로브의 풍부한 유산과 환경을 기념할 수 있을 것인가?

¡Una Visión Para Willowick!

Creando una visión es un proceso donde una comunidad imagina e identifica un futuro deseado.

Sobre el Plan De Visión

Las Ciudades de Garden Grove y Santa Ana buscan su ayuda para desarrollar un Plan de Visión para el re-desarrollo del sitio del campo de golf Willowick. Este proceso explorara opciones conceptuales para el uso del sitio formados por la comunidad y la colaboración de otros interesados. El Plan de Visión se usara para guiar la solicitud del plan de desarrollo para Willowick.

El proceso de visión explorara como Willowick puede mejor servir y enriquecer la comunidad. El plan será una compilación de las necesidades, objetivos, ideas, y opiniones dirigidos por la comunidad. ¡Entre más perspectivas compartidas—mejor será! Trabajando junto con la comunidad es importante para nosotros para responder a preguntas claves como:

- *¿Que actividades y programas son necesarios?*
- *¿Como celebran el rico patrimonio y el ambiente de Santa Ana y Garden Grove mientras estando al par con cambios y las tendencias del último momento?*

¡Ayúdenos formar una **vision** para el futuro del sitio Willowick!

Opiniones sobre conceptos alternativos desarrollados por ideas de talleres anteriores.

El sitio de campo de golf Willowick está ubicado en la ciudad de Santa Ana, en la 5a Calle, adyacente al río Santa Ana, en 3017 W 5th Street. Perteneciendo a la Ciudad de Garden Grove, la propiedad es actualmente un campo de golf de 18 hoyos. El sitio está junto al río Santa Ana en el este, el paso del Pacific Electric (PE) en el norte, y colinda con el vecindario Buena Clinton en Garden Grove. Hacia el este a través del río de Santa Ana, está la escuela intermedia Spurgeon y el parque Spurgeon. Al oeste del sitio está el vecindario Santa Anita en Santa Ana. Directamente al sur está el parque Campesino Cesar Chávez.

¡Participa!

Su participación e ideas construyen la base del plan de visión.

Ayúdenos compartiendo sus ideas y opiniones que darán forma a conceptos de diseño y alternativas. Acompáñenos en creando la visión participando en todos o cualquier de los talleres.

Hình Dung Willowick!

Tầm nhìn là quá trình mà cộng đồng tưởng tượng và xác định tương lai muốn có.

Giới thiệu về Kế Hoạch Tầm Nhìn

Thành Phố Garden Grove và Santa Ana cùng mời cộng đồng tham gia giúp phát triển một Kế Hoạch (Vision Plan) để tái phát triển khu vực sân golf Willowick. Quá trình bao gồm việc tham khảo các lựa chọn cách sử dụng khu đất được hình thành bởi cộng đồng và các bên liên quan. Kế hoạch sẽ được sử dụng để hướng dẫn việc phát triển cho khu Willowick.

Quá trình quan sát này sẽ khám phá cách Willowick có thể phục vụ và làm phong phú cho cộng đồng tốt nhất. Kế Hoạch Tầm Nhìn (Vision Plan) sẽ là một kế hoạch của cộng đồng- nhằm thúc đẩy nhu cầu, mục tiêu, ý tưởng và ý kiến phản hồi. Càng có nhiều quan điểm được chia sẻ thì càng tốt! Làm việc cùng cộng đồng là điều quan trọng đối với chúng tôi khi trả lời các câu hỏi chính như:

- Những hoạt động và chương trình nào là cần thiết?
- Làm thế nào để có thể tôn vinh di sản và môi trường giàu có của Thành phố Santa Ana và Garden Grove trong khi vẫn theo kịp với những thay đổi về điều kiện và xu hướng?

Hãy Hình Dung Tương Lai Của Sân Golf Willowick!

Thu nhận ý kiến phản hồi về các khái niệm được phát triển dựa trên thông tin từ các buổi hội thảo trước.

Sân Golf Willowick tọa lạc ở Thành phố Santa Ana, nằm trên Đường 5th Street, ngay cạnh Sông Santa Ana, tại địa chỉ 3017 W. 5th Street. Nơi này hiện đang là sân golf 18 lỗ thuộc sở hữu của Thành phố Garden Grove. Khu vực này nằm tiếp giáp với sông Santa Ana ở phía đông, phía bắc là Pacific Electric (PE) Right-of-Way, và ở tiếp giáp trung tâm Buena Clinton của Garden Grove. Về phía đông bên kia sông Santa Ana là trường tiểu học Spurgeon và công viên Spurgeon. Bên phía tây của khu vực là khu phố Santa Anita của Santa Ana. Trực tiếp về phía nam là Công viên Cesar Chavez Campesino.

Cùng Tham Gia!

Memorandum

DATE: September 14, 2018
TO: Member Agencies – MWDOC Divisions Two & Three
FROM: Larry Dick, Director – Division Two
Wayne S. Osborne, Director – Division Three
SUBJECT: Monthly Water Usage Data, Tier 2 Projection & Water Supply Information

The attached figures show the recent trend of water consumption in Orange County (OC), an estimate of Imported Water Sales for MWDOC, and selected water supply information.

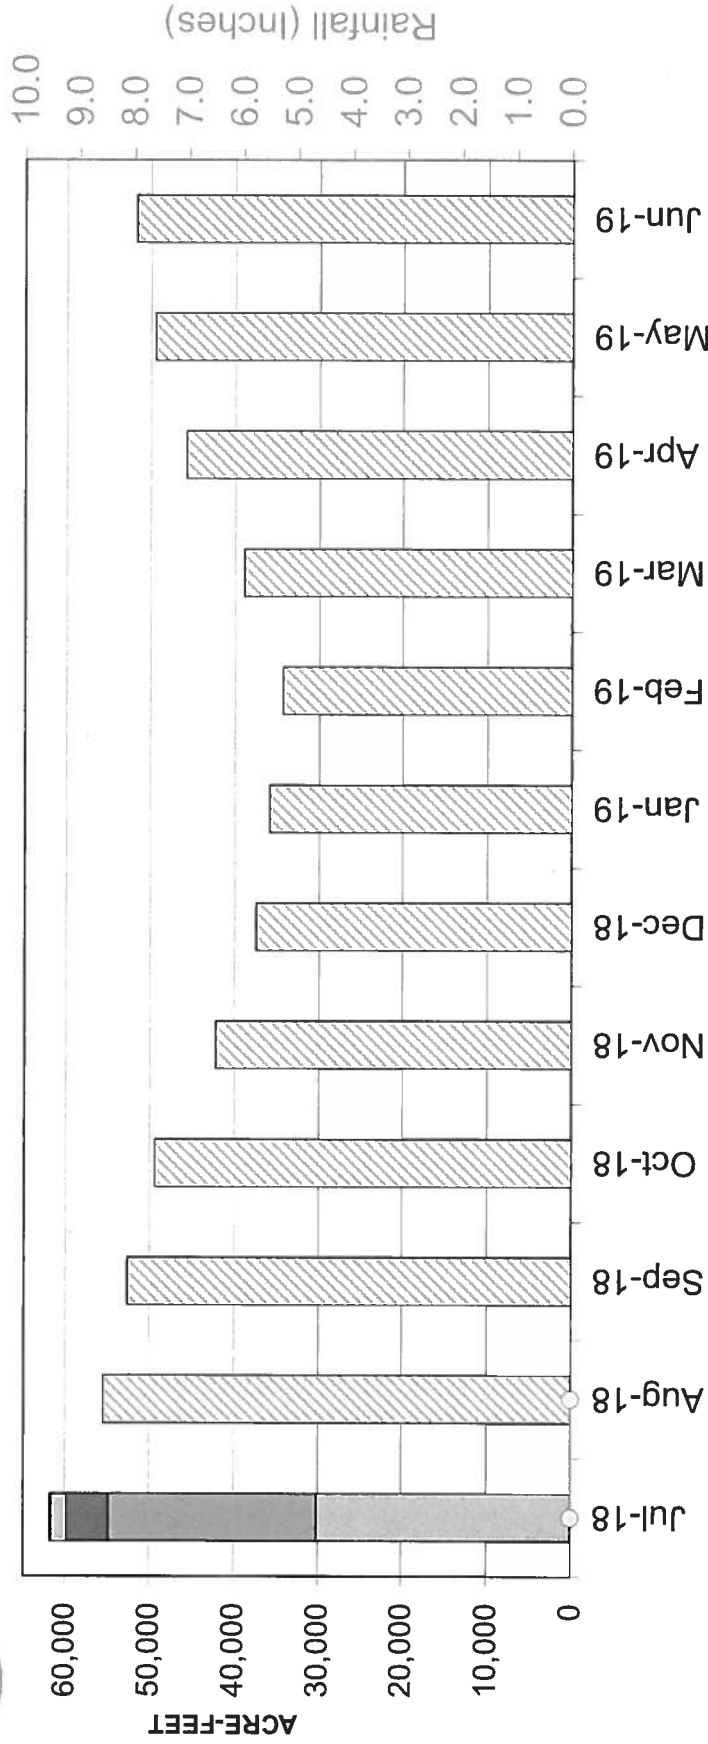

- OC Water Usage, Monthly by Supply OCWD Groundwater was the main supply in July.
- OC Water Usage, Monthly, Comparison to Previous Years Water usage in July 2018 was above average compared to the last 5 years. We are continuing to see slight increases in overall water usage compared to the previous two Fiscal Years. In June 2016, all water conservation became voluntary for MWDOC agencies and the Great California Drought was declared over by the Governor in April 2017.
- Historical OC Water Consumption Orange County M & I water consumption is estimated to be 540,000 AF in FY 2018-19 (*this includes ~15 TAF of agricultural usage and non-retail water agency usage*). This is about 15,000 AF more than FY 2017-18 and is about 36,000 AF more than FY 2016-17. Water usage per person is projected to be slightly higher in FY 2018-19 for Orange County at 155 gallons per day (This includes recycled water). Although OC population has increased 20% over the past two decades, water usage has not increased, on average. A long-term decrease in per-capita water usage is attributed mostly to Water Use Efficiency (water conservation) efforts. O.C. Water Usage for the last three Fiscal Years is the lowest since the 1982-83 Fiscal Year (FY1982-83 was the third wettest year on record).

Water Supply Information Includes data on Rainfall in OC; the OCWD Basin overdraft; Northern California and Colorado River Basin hydrologic data; the State Water Project (SWP) Allocation, and regional storage volumes. The data have implications for the magnitude of supplies from the three watersheds that are the principal sources of water for OC. Note that a hydrologic year is Oct. 1st through Sept. 30th.

- Orange County's accumulated rainfall through August was well below average for this period. Water year to date rainfall in Orange County is 3.66 inches which is 29% of normal.
- Northern California accumulated precipitation through August was around 84% of normal for this period. Water Year 2017 was the wettest water year on record. The Northern California snowpack was 43% of normal as of April 1st. The State of California was in a declared Drought Emergency that started January 2014 and ended in April of 2017. As of late August, 47.58% of California is experiencing moderate to extreme drought conditions while 86.22% of the state is experiencing abnormally dry conditions. The State Water Project Contractors Table A Allocation has increased to 35% as of late May.
- Colorado River Basin accumulated precipitation through late August was 69% average for this period. The Upper Colorado Basin snowpack was 71% of normal as of April 3. Lake Mead and Lake Powell combined have about 58% of their average storage volume for this time of year and are at 42.6% of their total capacity. If Lake Mead's level falls below a "trigger" limit 1,075 ft. at the end of a calendar year, then a shortage will be declared by the US Bureau of Reclamation (USBR), impacting Colorado River water deliveries to the Lower Basin states. As of late August, Lake Mead levels were 3.5' above the "trigger" limit. The USBR predicts that the start of 2019 will not hit the "trigger" level but there is a 52% chance that the trigger level will be hit in 2020 and a 64% chance in 2021.

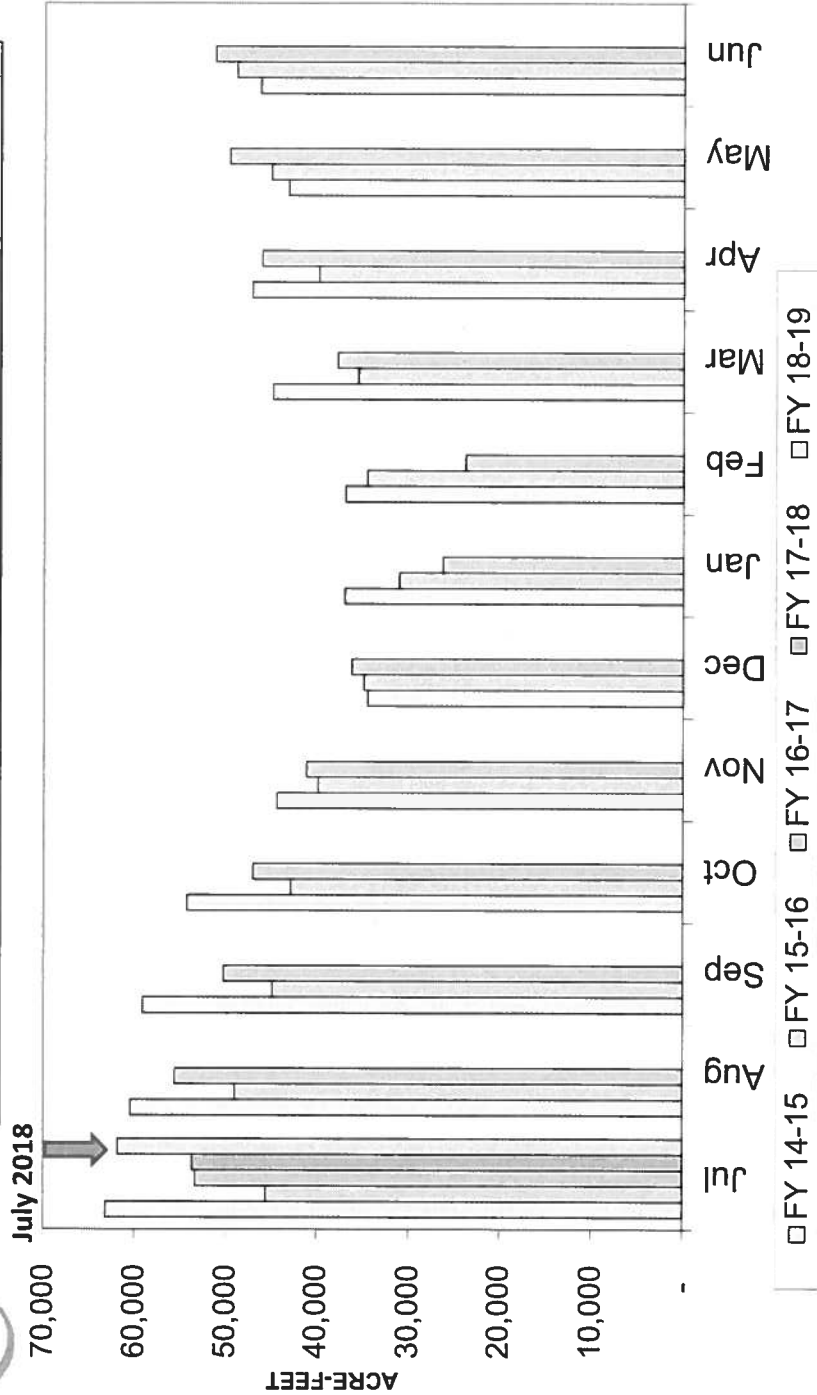

Fig. 1 OC Water Usage, Monthly by Supply
with projection to end of fiscal year

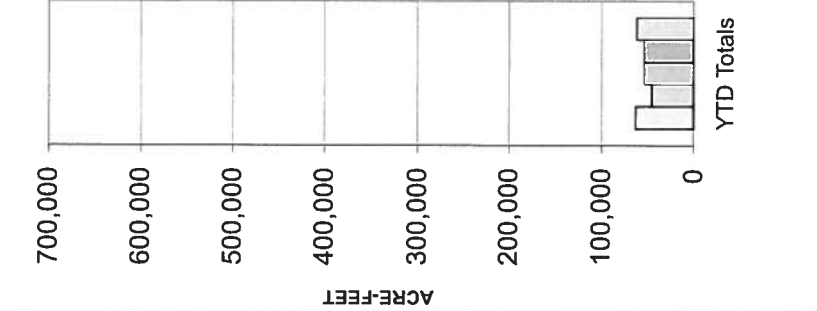

[1] Imported water for consumptive use. Includes "In-Lieu" deliveries and CUP water extraction. Excludes "Direct Replenishment" deliveries of spreading water, "Barrier Replenishment" deliveries, and deliveries into Irvine Lake.
 [2] GW for consumptive use only. Excludes In-Lieu water deliveries and CUP water extraction that are counted with Import. BPP in FY '17-18 is 75%.
 [3] MWDOC's estimate of monthly demand is based on the projected FY 15-16 "Retail" water demand and historical monthly demand patterns.
 [4] Total water usage includes IRWD groundwater agricultural use and usage by non-retail water agencies.

Fig. 2 OC Monthly Water Usage [1]: Comparison to Last 4 Fiscal Years

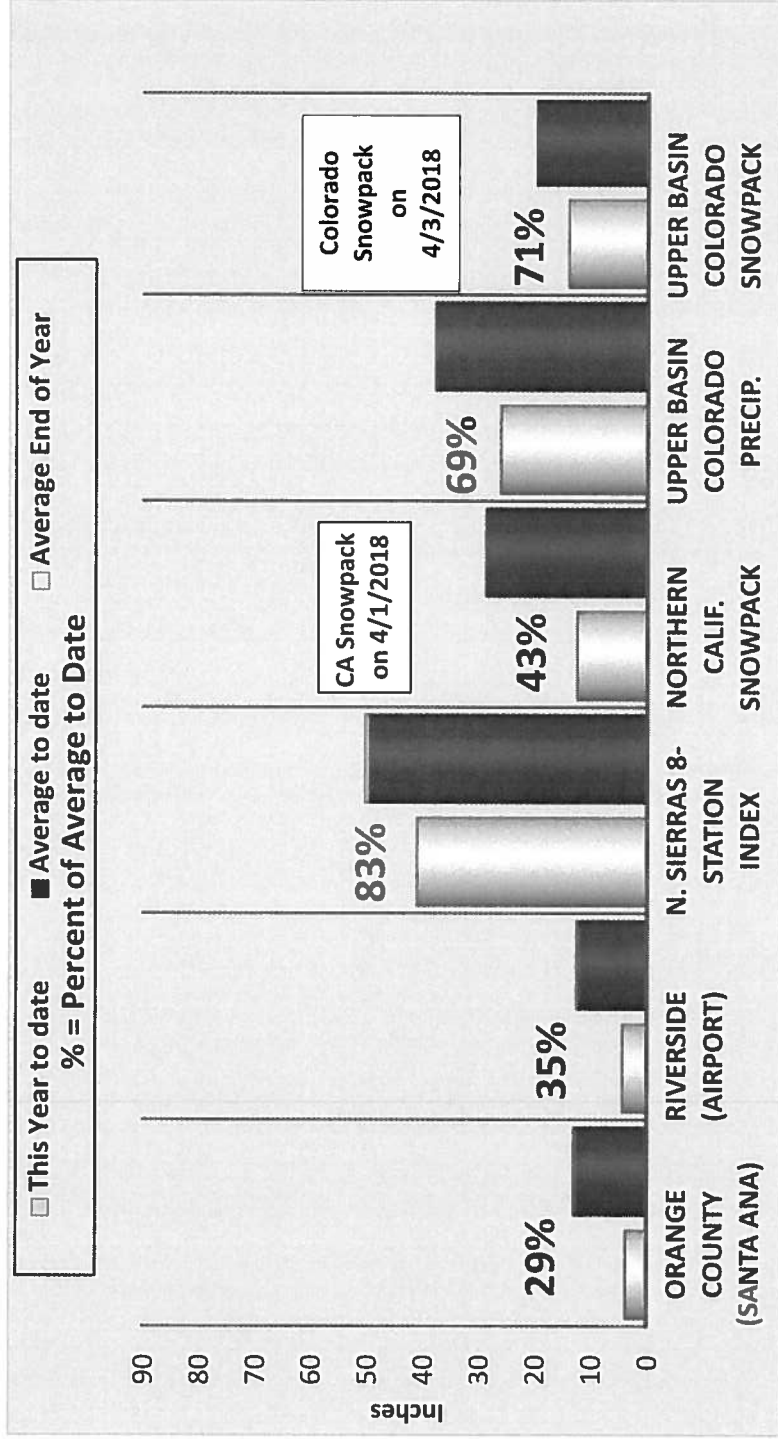

Partial Year Subtotals

[1] Sum of Imported water for consumptive use (includes "In-Lieu" deliveries; excludes "Direct Replenishment" and "Barrier Replenishment") and Local water for consumptive use (includes recycled and non-potable water and excludes GWRS production). Recent months numbers include some estimation.

for the Oct.-Sep. water year, through August 2018

* The date of maximum snowpack accumulation (April 1st in Northern Calif. , April 15th in the Upper Colorado Basin) is used for year to year comparison.

...there are approximately 300,000 people in Orange County who are at risk of hunger each month? And, more than 117,000 of those at risk are children.

This month, the City is partnering with Second Harvest Food Bank of Orange County to bring awareness of hunger in OC. Both agencies have hosted free mobile food pantry events in the community, and continue to do so in an effort to stop the hunger.

Police in Garden Grove fatally shot one suspect while responding to a report of a domestic dispute on Tuesday, Sept. 18.

Authorities received reports of a woman screaming, shouting that she could not breathe in the parking lot of the Ralph's store at 12051 Euclid St., near Chapman Avenue, according Lt. Carl Whitney, a spokesman for the Garden Grove Police Department. He said that, there, police found a 46-year-old man attacking a 43-year-old woman inside a silver Hyundai Sonata.

"The guy was strangling his wife and wouldn't stop," witness Nick Zuanich told a videographer near the site of the shooting. "The cops tried to stop him and he wouldn't stop, so they shot him."

Officers shot the man at some point after making contact with him, according to Whitney. He said the suspect was treated at the scene by officers before paramedics transferred him to a local hospital.

There he was pronounced dead at 3:38 p.m., according to a Tuesday night news release by the department. It said the woman he had been attacking was taken to another hospital with minor injuries.

Further details regarding the relationship between the man and woman or additional circumstances of the shooting were not immediately available from authorities.

Some patrons of the Ralphs supermarket had to wait hours before getting back to their cars as detectives searched a portion of the parking lot cordoned off by yellow police tape. Investigators from the Orange County District Attorney's Office and the Garden Grove Police department are looking into the incident.

Cops foil burglary, 2 men nabbed

Resident in home during break-in makes the smart play

ing canine, who sniffed out one of the men hiding behind a bush.

And kudos to the resident who was home when the burglary occurred.

We'll get back to him.

On the afternoon of Sept. 10, police were called to a burglary in progress in the 12600 block of Jetty Street in Garden Grove.

Officers arrived within three minutes, set up a perimeter around the house, and called the Orange County Sheriff's Department for air support and for, of course, Chavo.

One suspect was arrested. The other fled into the neighborhood, but Chavo sniffed him out as he hid behind shrubbery. The man, pants puddling at his ankles, was taken into custody.

Sergio Alexander Donan, 26, of Tustin, and Carlos Lopez-Gamez, 22, of Anaheim were booked at

Orange County Jail for residential burglary. Lopez-Gamez had a warrant for domestic violence.

Back to the 45-year-old homeowner.

There are a lot of tough guys — and gals — who talk about what they'd do to criminals in such a situation. Good for you if you can get it done without getting yourself or any other innocents killed.

But this man did exactly what police have told me to do when I ask about home protection.

If possible, get you and yours the heck out of the house, and call us.

In this case, the burglars broke in via the back of the

house. The homeowner hid at first, then saw his chance, booked it out the front door and called the cops.

They handled the bad guys.

That's what they're paid to do.

That's what they've trained to do.

La Quinta High School administrators and members of the school's counseling team celebrate winning a top award.

Garden Grove Unified School District's La Quinta High School was recognized with a top award for its exemplary work in helping students secure financial aid and achieve their goals of attending college.

La Quinta High, located in Westminster, participated in the 2018 Race to Submit statewide campaign, an initiative of the California Student Aid Commission to increase the number of students who complete the Free

Application for Federal Student Aid and the California Dream Act Application.

La Quinta High School submitted 490 applications for a submission rate of 88.45 percent and a completion rate of 84.48 percent and is ranked among the top 35 California high schools with the highest completion rates.

"This award is a testament to the outstanding counselors and guidance team at La Quinta High School for going above and beyond to provide students with hands-on support in the college application process and to help remove every obstacle to college," said Bob Harden, Board of Education president.

La Quinta High School will be recognized in Sacramento during the Race to Submit Award Ceremony on Oct. 4.

Healthy food free of charge

School district expands program that feeds hungry students

The Garden Grove Unified School District has expanded its Mobile School Food Pantry program, which launched last year at Peters K-3 and Peters 4-6 elementary schools in partnership with the Second Harvest Food Bank of Orange County.

During the 2018-2019 school year, the mobile food pantry program will be offered again at Peters Elementary School, and also at Heritage Elementary Computer Science Immersion Academy and Violette Elementary School.

At the mobile food pantry, area families and community members may select free fruits and vegetables and receive nutritional information about healthy eating. The program aims to fight hunger in the community and is offered at more than 30 schools across Orange County through an application process.

"We are thrilled to see this program grow because we know how important it is to ensure students and their families have access to healthy food," said Teri Rocco, Board of Education trustee. "We encourage the community to take advantage of this free resource."

Second Harvest Food Bank provides training in operation

and food safety protocols at these farmer's market style events. Parent volunteers help run the pantry which is offered once a month at each of the three schools. Attendees must bring their own bags to carry their produce home.

The schedule for the Mobile Food Pantry at Peters Elementary School, located at 13162 Newhope St. in Garden Grove, is Oct. 5 at 1:30

p.m., Nov. 2 at 1:30 p.m., Dec. 7 at noon, Jan. 11 at 1:30 p.m., Feb. 1 at 1:30 p.m., March 1 at 1:30 p.m., April 12 at 1:30 p.m., May 3 at 1:30 p.m., and June 7 at 1:30 p.m.

District expands mental health services at schools

The Garden Grove Unified School District has expanded its mental health resources to provide greater social emotional support for all students.

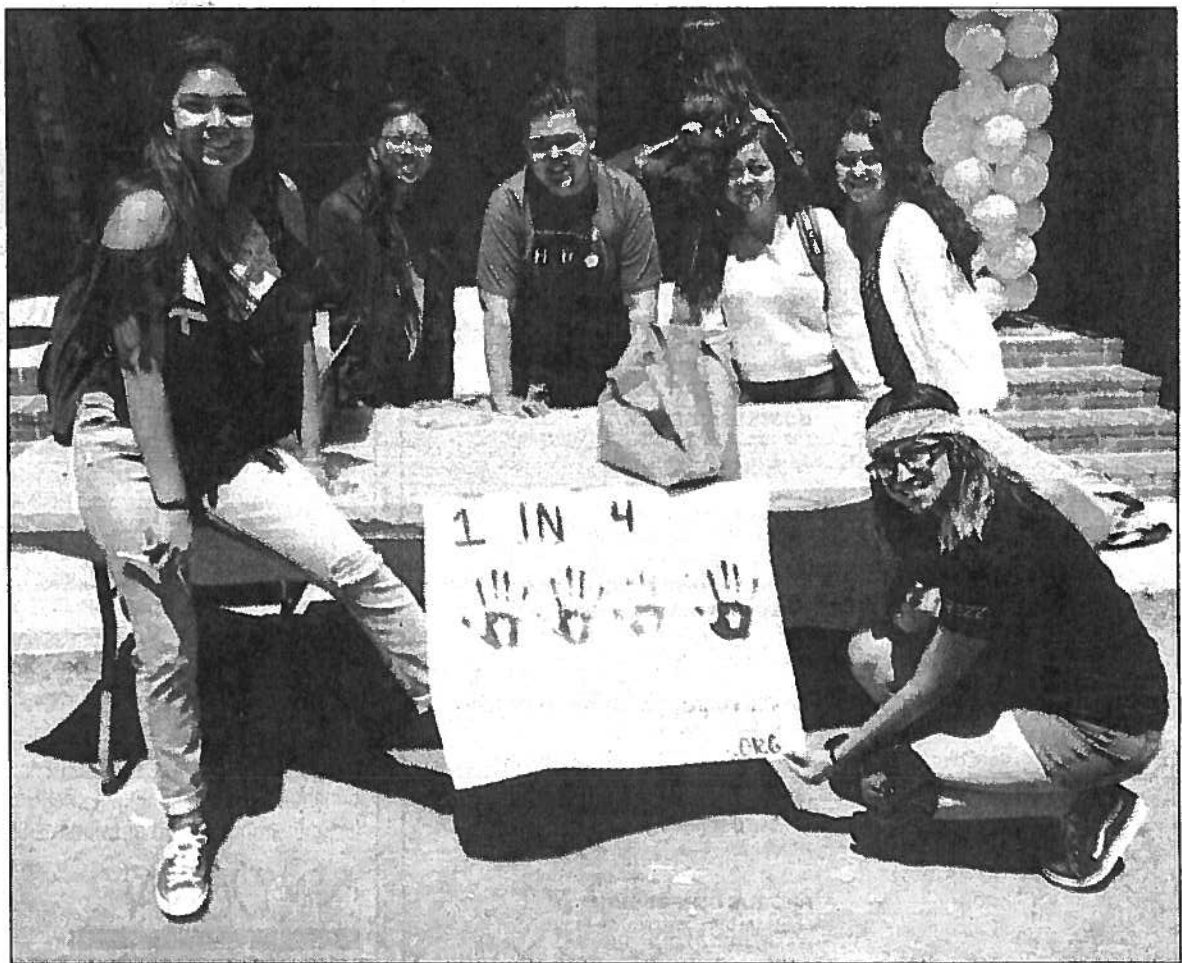

New in the 2018-2019 school year, the district expanded its ASPIRE social work program from five schools to 15 schools. Last year, the district contracted with one social worker and five social work interns to provide site-based mental health services for high need schools.

The program experienced such success that the district increased its number of school social workers to three and the number of interns to 10.

The district ASPIRE team will be supporting students’ well-being by providing prevention, counseling and case management services to 15 schools.

“At GGUSD, we are deeply committed to the whole child and we know that our students come to the classroom with a variety of personal issues which can often make it difficult to learn,” said Board of Education Trustee Walter Muneton. “We want all students to know there is a safe place to turn for help at school.”

Continued from page 1

The social work program is one of many mental health services offered through the district's Department of Special Education and Student Services. All GGUSD schools have access to at least two to three hours of counseling per week by a credentialed GGUSD school psychologist thanks to an increase in the total number of school psychologists from 23 to 39, which provides a stronger network of mental health care for district students.

In addition, each district school has at least 10 hours of direct counseling hours that, district-wide, equate to more than 23,000 hours. These hours are provided through strong partnerships that GGUSD has with four con-

racted community-based organizations.

Over the last several years, the district has placed a targeted focus on creating positive school climates within our schools. While all schools provide a safe and supportive learning environment, 35 schools have implemented Positive Behavioral Interventions and Supports (PBIS). PBIS helps staff and students by using proactive strategies to promote positive school wide behavior.

Additionally, 14 schools implemented programs that directly teach students social-emotional skills. One such program is classroom mindfulness, which teaches students resiliency and self-regulation. Four schools also are using restorative practices through community classroom circles to build positive relationships and increase classroom engagement.

OPINION

Having it your way on the right-of-way

BY OC TRIBUNE STAFF ON SEPTEMBER 19, 2018 • (LEAVE A COMMENT)

BIKE PATHS and walking trails along the old P.E. right-of-way could be taking on a new dimension.

Transportation news in Orange County used to revolve mostly around what kind of car you were going to buy, and what could be done about the nightmare at The Orange Crush (now only slightly less crushy).

In a Facebook post a few days ago, Garden Grove Mayor Steve Jones took the unofficial wraps off an intriguing idea for the long-abandoned Pacific Electric right-of-way, which runs diagonally like a scar through Orange County from Buena Park to Santa Ana.

(<https://orangecountytribune.files.wordpress.com/2018/01/usually-reliable-sources-e1527735160254.jpg>) Responding to a question about more bike paths and parks, he wrote this:

“It’s already in the works ... We are planning to build out the old Pacific Electric right-of-way into a bicycle and pedestrian path with kiosk restaurants and retail along the way. We are also implementing our ‘Pedals and Feet’ master plan to better connect the city with active transportation routes.”

How cool is that? You can burn off the calories from the burger or taco you ate along the way by pedaling home.

The bike and pedestrian paths we've heard about, but the restaurants and retail are new to us. The city has received grants to take the section that runs from the downtown area northwest to Brookhurst Street and turn it into something lovely for cyclists and walkers. That's only a portion of the total route, but if the mayor's concept comes to fruition it would add a lot of parkland to the city and subtract a lot of wasted space.

A new West Side Story?

Folks in the West Grove area (that's West Garden Grove) have been concerned for a while about what they feel is a drain of retail and eating opportunities in their area, which is primarily along Valley View Street.

THE VACANT former Coco's restaurant at Valley View Street and Cerulean Avenue in West Garden Grove (Tribune photo).

approved and on the drawing boards.

“Our” OC Streetcar could be just the start ...

If you're into trying to gaze into a crystal ball to see what the future holds – as we do – one interesting place to gaze is into the Long Range Transportation Plan put forth by the Orange County Transportation Authority.

Even allowing for the reality that a lot of what's suggested is “blue sky” thinking that may never come to pass, it's still thought-provoking to see what might be coming our way.

Some of the notions presented in the executive summary of the report include:

- adding a car pool lane along portions of Pacific Coast Highway.
- adding a regular lane along the Newport (55) Freeway between the Garden Grove (22) Freeway and the Santa Ana (5) Freeway.
- adding “high quality transit” along the Harbor Boulevard Corridor between Cal State Fullerton and downtown Santa Ana.
- adding “high-quality transit” between the Goldenwest Transportation Center (near Golden West College and the Bella Terra shopping center) and UC Irvine.

Orange Co. Tribune
Sept. 19, 2018
2 of 3

There may be some good or at least interesting news coming. The Urban Land Institute held a workshop in July on what they're calling the Valley View Corridor and we are told that the report – with recommendations, we presume – should be out in mid-October.

The Tribune, of course, will be reporting on that, and the full report will be posted online when it becomes available.

An historic note: a similar report on the Harbor Boulevard corridor a decade or more ago helped kick-start the development there which is still ongoing with four more hotels

STREETCARS like this might be in the future for several areas of Orange County (OCTA image).

- adding “high-quality transit” along the Beach Corridor between the downtowns of Fullerton and Huntington Beach.
- adding “high-quality transit” along the “Main Corridor” between the Anaheim ARTIC transportation center and South Coast Plaza.

Now, there are no specifics about what “high-quality transit” would mean, but we doubt it refers to a few more buses. Putting all that together suggests to us that the OCTA might like to consider a county-wide streetcar or similar system if the OC Streetcar project connecting Santa Ana and Garden Grove (almost ready to start construction) is successful.

The summary is available on line at www.octa.net (<http://www.octa.net/>).

Usually Reliable Sources is posted on alternate Wednesdays.

Police fatally shoot man in market lot

BY OC TRIBUNE STAFF ON SEPTEMBER 18, 2018 • (LEAVE A COMMENT)

GARDEN GROVE police shot a man in a supermarket parking lot Tuesday afternoon.

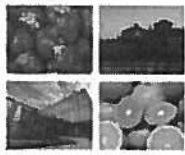

A 46-year-old man is dead after being shot by a Garden Grove police officer Tuesday afternoon in a supermarket parking lot. According to Lt. Carl Whitney of the GGPD, the incident took place around 3 p.m. in the lot of the Ralph's supermarket at Euclid Street and Chapman Avenue.

Police were called in response to witnesses seeing a man attacking a woman inside a silver Hyundai Sonata; the woman begged the man to stop, saying she couldn't breathe.

An officer arrived within minutes of receiving the call and found the Hyundai near the store's east entrance doors. He confronted the man and "an officer involved shooting occurred," said Lt. Whitney.

The suspect was shot and the officer rendered first aid. The suspect – described as a transient – was transported to a local trauma center where he died of his injuries at 3:38 p.m. The woman, 43, a resident of Garden Grove, had minor injuries and was taken to another hospital for treatment. The officer was not injured.

Police believe the man and woman were known to each other. The incident is being investigated by the Orange County District Attorney's office and the GGPD. The identity of the man is being withheld pending a preliminary investigation and notification of the next of kin.

New Taco Bell coming to downtown?

BY OC TRIBUNE STAFF ON SEPTEMBER 14, 2018 • (LEAVE A COMMENT)

A TACO BELL store, not necessarily the design of the one proposed for Garden Grove's downtown (Taco Bell, Inc.)

Another fast food eatery could be coming soon to the downtown area. When the Garden Grove Planning Commission meets on Thursday, Sept. 20, it will consider site plan approval for a Taco Bell restaurant in what is now the parking lot of the Home Depot store.

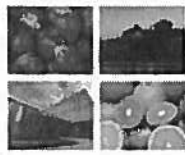

Fountainhead Shrugged LLC is proposing to build a new 2,485-square foot restaurant with a drive-thru lane on the western portion of the lot facing Grove Avenue, north of Garden Grove Boulevard.

The downtown area is already home to a Del Taco, McDonald's and a Starbucks. The SteelCraft development now under construction on Euclid Street two blocks to the west will add 14 new eating and drinking spots to the city's original commercial core.

Also on the agenda is an application for a one-year time extension for the construction of a new service station with a new drive-thru convenience store on a vacant lot at 7051 Garden Grove Blvd., west of Knott Street.

Additionally, the planners will consider a general plan amendment to adopt a bicycle and pedestrian plan and to add the Garden Grove Active Streets Master Plan as an appendix.

The commission meets at 7 p.m. in the council chamber in the Community Meeting Center, 11300 Stanford Ave.

GARDEN GROVE TOURISM GIVES BACK TO THE COMMUNITY THROUGH \$100K SPONSORSHIP

Last Tuesday, September 11, 2018, the City joined the Garden Grove Tourism Promotion Corporation (G.G.T.P.C.) for the Garden Grove Tourism Cares event. The G.G.T.P.C. awarded a total of \$100,000 to four, local, non-profit organizations with \$25,000 sponsorships each. The organizations were: Boys and Girls Clubs of Garden Grove; Garden Grove Community Foundation; Helping Others Prepare for Eternity (H.O.P.E.); and Orange County Food Bank, a division of Community Action Partnership of Orange County.

At the event, Garden Grove Mayor Steve Jones said, "Garden Grove is known for its community spirit, volunteerism, and compassion for those less fortunate. The organizations being honored tonight are dedicated community partners who commit their time and effort to improving the quality-of-life in Garden Grove."

The presentation was held at the Anaheim Marriott Suites, in the Grove District-Anaheim Resort. In attendance were local and state representatives, board members from each recognized organization, City officials, and G.G.T.P.C. members.

Jim Durslag, G.G.T.P.C. President, said, "As a valued partner to the City, the Garden Grove Tourism Promotion Corporation looks for every opportunity to give back to the community. Through sponsorships to local non-profit organizations, G.G.T.P.C. can effectively make an impact in Garden Grove."

League of California Cities 2018 Annual Conference REPORT
Orange County Division Membership Elects 2019 Board of Directors

The City of Long Beach welcomed more than 1,800 city officials last week for the League of California Cities' Annual Conference & Expo. The Annual Conference featured over 40 educational sessions, 267 exhibitors and three informative general sessions.

Attendees celebrated the League's 120th Anniversary and individual city accomplishments, applauded the installation of the League's 2018-19 officers and board of directors, learned about innovative practices in California cities throughout the state, and adopted policy resolutions.

The opening general session also featured a video highlighting the League's accomplishments spanning its 120 year history and remarks from Long Beach Mayor Robert Garcia who welcomed attendees to the city.

Executive Director Carolyn Coleman delivered her State of the League address during a general session on Thursday, Sept. 13. "From advocacy in the Legislature and at the ballot box and educational programming, the League had a strong year working together with all of you to protect and expand local authority through education and advocacy to enhance the quality of life for all Californians," said Coleman.

The conference keynote speakers included leadership expert Drew Dudley, who challenged city officials with an inspiring message about everyday leadership, and political strategists Paul Mitchell, Gale Kaufman, and John Thomas, who shared their outlook and predictions on the 2018 elections. In her remarks during the closing general session, National League of Cities (NLC) First Vice President Karen Freeman-Wilson, Mayor of Gary, Indiana, underscored the value of the partnership between the League and NLC and provided an update on NLC's *Rebuild with Us* initiative, a call to action for Congress to partner with cities and invest in our vision to rebuild and reimagine America's infrastructure.

2019 League Officers and Board of Directors Elected

At its board meeting on Thursday, Sept. 13, the League board elected Grass Valley Council Member Jan Arbuckle to serve as its president, Murrieta Council Member Randon Lane to serve as first vice

president and Yountville Mayor John Dunbar as second vice president. The board also elected seven new at-large board members, which includes *Aliso Viejo Mayor Pro Tem Ross Chun* and *Tustin Council Member Allan Bernstein*.

2019 Orange County Division Board of Directors Elected

The Orange County Division General Membership voted in its 2019 Division Board of Directors on Thursday, Sept. 13. The Division President is Ed Sachs, Mayor of Mission Viejo; the Division Vice President is Gene Hernandez, Mayor of Yorba Linda; the Division Second Vice President is Stacy Berry, Mayor Pro Tem of Cypress; and the Division Director is Ross Chun, Mayor Pro Tem of Aliso Viejo.

For the full roster of the Orange County Division Board of Directors, please refer to the attached PDF.

Helen Putnam Award for Excellence

Twelve cities received the Helen Putnam Award for Excellence at the conference for their outstanding efforts to deliver services and engage residents. The award was established in 1982 and honors the League's first woman President, a dedicated public servant and Petaluma's mayor. Conference attendees enjoyed a video featuring the winning cities during the opening general session. This year's winners were:

- Enhancing Public Trust, Ethics & Community Involvement: *Garden Grove for its Neighborhood Improvement Committee Community Revitalization Initiative*.
- CCS Partnership Intergovernmental Collaboration Award: Santa Clarita for its Community Court Diversion Program.
- Community Services and Economic Development: Milpitas for its Milpitas Workforce Development Initiative.
- Economic Development through the Arts: Long Beach for its POW!WOW! Long Beach program.
- Health & Wellness Program: Davis for its Pedal for Polar Bears and Rancho Cucamonga for Healthy RC.
- Housing Programs and Innovations: Patterson for HOST House.
- Internal Administration: La Quinta for La Quinta Leadership Development.
- Planning & Environmental Quality: Porterville for its East Porterville Water Supply Project.
- Public Safety: Fontana for its Fontana Leadership Intervention Program.
- Public Works, Infrastructure & Transportation: Truckee for its Mousehole Pedestrian and Bicycle Project.
- Ruth Vreeland Award for Engaging Youth in City Government: Fresno for its Youth Commission.
- League Partners Award for Excellence in City-Business Relations: Santa Clarita for its Santa Clarita Business Incubator and Davis for its Rental Resources Program.

Annual Conference Resolutions

During the General Assembly, voting delegates approved two resolutions. More information on these resolutions is available on the League's website at www.cacities.org/resolutions. The two approved resolutions are the following:

- Calling Upon the League to Respond to the Increasing Vulnerabilities to Local Municipal Authority, Control and Revenue and Explore the Preparation of a Ballot Measure and/or Constitutional Amendment that Would Further Strengthen Local Democracy and Authority; and
- Declaring its Commitment to Support the Repeal of Preemption in California Food and Agriculture Code § 11501.1 that Prevents Local Governments from Regulating Rodenticides.

Institute for Local Government Beacon Award

The Institute for Local Government recognized eight cities with the 2018 Beacon Award. This award honors local governments that lead the way on climate, energy and sustainability through voluntary action. Each winning city is featured in 2018 Beacon Award video. This year's winning cities were:

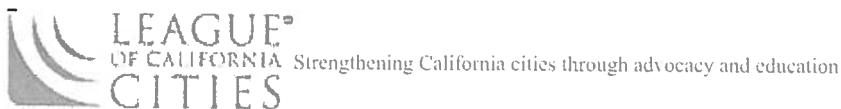

- Redwood City (Gold);
- Santa Cruz (Gold);
- Carson (Silver);
- Long Beach (Silver);
- Mill Valley (Silver); and
- Santa Rosa (Silver).
