## **VENDOR OPPORTUNITIES AVAILABLE FOR 2011 SUMMER CONCERT SERIES**

The Garden Grove Community Foundation (GGCF) is anticipating another year of record crowds coming out to enjoy free Thursday night concerts in the park. The 2011 Summer Concert series runs for eight Thursdays, July 14 through September 1, from 6:30 to 8:30 p.m., at both Eastgate and Village Green parks. In preparation, the GGCF will begin accepting applications for vendor booth space, starting Tuesday, March 1, 2011. The last day to submit applications is Thursday, March 31, 2011.

Both new and returning non-profit and for-profit concert vendors may submit an application to be included in a competitive bidding process to purchase booth space at the concerts. Booth space is available in eight-concert (all concerts) or four-concert packages only. The price for eight concerts is \$800; the four-concert option is \$400. Priority will be given to vendors purchasing all eight concerts.

Booths may be used for the sale of food or goods, or for informational purposes only. Business vendors must provide proof of a Garden Grove business license. Food vendors must also comply with all Orange County Health Care Agency requirements. All vendors must adhere to all applicable City, County, State and Federal regulations.
