Dear Assemblymember Wood:

On behalf of the City of Garden Grove, I would like to convey our support of Assembly Bill 1779 for improving the quality of our state's drug and alcohol free residences and providing communities better access to resolving disputes with sober living programs in their neighborhoods. Local municipalities must have resolution to the growing concerns caused by fraudulent "sober living" entities that harm their own residents and neighborhoods.

The City of Garden Grove supports legitimate recovery residences. They respect communities, provide safe places for people in early recovery to live and help combat homelessness. What must be addressed, however, is the inability to rid our communities of entities that house large numbers of tenants who are NOT sober in neighborhoods where a boarding house license or other conditional use permit would be required.

AB 1779 is a straightforward bill that asks that state and local funding be conditioned upon meeting national best practices, which several counties are already requiring. AB 1779 also requires that when making referrals from licensed entities or courts, a recovery residence using best practices be chosen first. This preference will help root out irresponsible sober homes that depend on referrals to stay in operation. Finally, if it is documented that resident or community safety is being impacted by a bad home, AB 1779 allows a city to require that home to become certified as a means to demonstrate that conditions are safe and the entity is actually functioning as a communal living space for people in recovery.

A person pretending to be blind or otherwise physically or mentally disabled would not be protected by the ADA. Neither should homes that masquerade as recovery residences while ruining residents' opportunities to recover from addiction. Trapping people in horrid environments that ruin neighborhoods does nothing to promote community support for treatment and recovery.

The Legislature has an opportunity with AB 1779 to create recovery friendly communities by supporting responsible sober homes.

AB 1779 (Daly) Recovery Residences – Notice of SUPPORT
April 22, 2019
Page 2

Regulation of recovery residences in other states has withstood federal scrutiny. California must give local government a way to properly permit entities that are not actual recovery residences. In the absence of a “test” to identify imposters, local governments will continue to create ordinances imposing requirements on ALL recovery residences in a jurisdiction. Propping up an unjust, protective system for dangerous and ruinous homes is bad policy that can be corrected by passing AB 1779.

The City of Garden Grove encourages your support for this important bill.

Sincerely,

A handwritten signature in black ink that reads "Steven R. Jones". The signature is written in a cursive, flowing style.

**Re: SB 5 (Beall/McGuire) Local-State Sustainable Investment Incentive Program –
Notice of SUPPORT (As Introduced 12/03/2018)**

Dear Senator Beall and Senator McGuire:

The City of Garden Grove supports your SB 5 (Beall/McGuire), the Local-State Sustainable Investment Incentive Program.

The elimination of redevelopment in 2011 created a huge deficit in community revitalization resources throughout California, including an annual loss of \$1 billion in funding for low- and moderate-income housing.

SB 5 provides the opportunities for communities to access additional tax increment revenues to fund affordable housing, infrastructure, and economic development projects that advance state and local priorities, including reducing greenhouse gas emissions, expanding transit oriented development (TOD), addressing poverty, and revitalizing neighborhoods.

The City of Garden Grove commends you for recognizing the diversity of California cities and acknowledging the need for flexible funding to spur housing construction and revitalize communities.

The time is right for the state to fill the void left by the elimination of redevelopment and provide more tools to support local efforts to build more affordable housing, provide essential infrastructure, and create opportunities in underserved communities. The City of Garden Grove applauds your leadership in this effort to give cities the tools they need to improve their communities.

For these reasons, the City of Garden Grove supports SB 5 (Beall/McGuire).

Sincerely,

A handwritten signature in black ink that reads 'Steven R. Jones'.

METHODOLOGY

The U.S. Department of Housing and Urban Development (HUD) requires that all Continuum of Care jurisdictions across the nation complete a biennial unsheltered count and an annual sheltered count of all individuals experiencing homelessness in the community on a single point in time during the last ten days of January.

Orange County's 2019 Sheltered Point In Time Count took place the night of Tuesday, January 22, 2019. Emergency Shelters and Transitional Housing Programs collected client-level demographic information from individuals and families staying the night in each program. The 2019 Unsheltered Count process took place over two days, Wednesday, January 23 and Thursday, January 24, to ensure the 800 square mile County jurisdiction was canvassed effectively. The change in methodology allowed the count teams to collect unique ID data points that were used to deduplicate records for the two day street count process. The survey data was collected with ArcGIS Survey 123, a phone application that captures GIS locations and provides vital information that guides the way the County responds to homelessness in Orange County. The results for the 2019 Everyone Counts process provide the most accurate data on the scope of homelessness in the County. Because of this improved process, methodology and data quality from the use of GIS technology, Orange County's 2019 Point In Time Count results ensure that Everyone Counts.

HOW ORANGE COUNTY IS ADDRESSING HOMELESSNESS

COUNTY OF ORANGE: SYSTEM OF CARE

What is the "System of Care" and why does it matter in addressing homelessness?

The System of Care is a collaboration of multiple County and local government entities who bring all their resources together to provide customized care to the individual. It is about care of the individual, not just achieving program benchmarks.

The County of Orange has five components to its System of Care with programs that can be customized to fit the needs of the individual and help prevent them from becoming homeless or help them find a home.

BEHAVIORAL HEALTH

- Outreach and Engagement Teams
- Mental Health and Substance Use Services
- Housing Navigation
- Development of The Wellness Campus on Anita Drive

HEALTHCARE

- Whole Person Care
- Recuperative Care
- Comprehensive Health Assessment Teams – Homeless (CHAT-H)

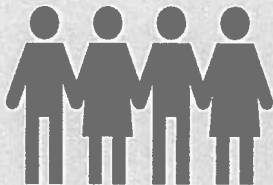

HOUSING

- Emergency Housing - 701 Year-Round, emergency shelter beds
- Expansion of Housing Assistance Programs
- Housing Funding Strategy
- Housing Finance Trust Fund
- Landlord Incentive Program

COMMUNITY CORRECTIONS

- Proposition 47 Re-Entry Center Program
- Stepping Up Initiative
- Collaborative Courts

PUBLIC SOCIAL SERVICES

- Enhanced Outreach for hard-to-reach populations
- Access to Public Benefits
- Countywide expansion - Restaurant Meals Program
- Chrysalis Employment Program

Memorandum

DATE: April 24, 2019
TO: Member Agencies – MWDOC Divisions Two & Three
FROM: Larry Dick, Director – Division Two
SUBJECT: Monthly Water Usage Data, Tier 2 Projection & Water Supply Information

The attached figures show the recent trend of water consumption in Orange County (OC), an estimate of Imported Water Sales for MWDOC, and selected water supply information.

- OC Water Usage, Monthly by Supply **OCWD Groundwater was the main supply in February.**
- OC Water Usage, Monthly, Comparison to Previous Years Water usage in **January 2019 was below average compared to the last 5 years.** We are continuing to see slight decreases in overall water usage compared to FY 2017-18. It has been 24 months since all mandatory water restrictions were lifted by the California State Water Resources Control Board.
- Historical OC Water Consumption Orange County M & I water consumption is projected to be **540,000 AF in FY 2018-19** (this includes ~15 TAF of agricultural usage and non-retail water agency usage). This is about **1,000 AF less than FY 2017-18** and is about **22,000 AF more than FY 2016-17**. Water usage per person is projected to be slightly higher in **FY 2018-19 for Orange County at 149 gallons per day** (This includes recycled water). Although OC population has increased 20% over the past two decades, water usage has not increased, on average. A long-term decrease in per-capita water usage is attributed mostly to Water Use Efficiency (water conservation) efforts. **O.C. Water Usage for the last three Fiscal Years is the lowest since the 1982-83 Fiscal Year** (FY 1982-83 was the third wettest year on record).

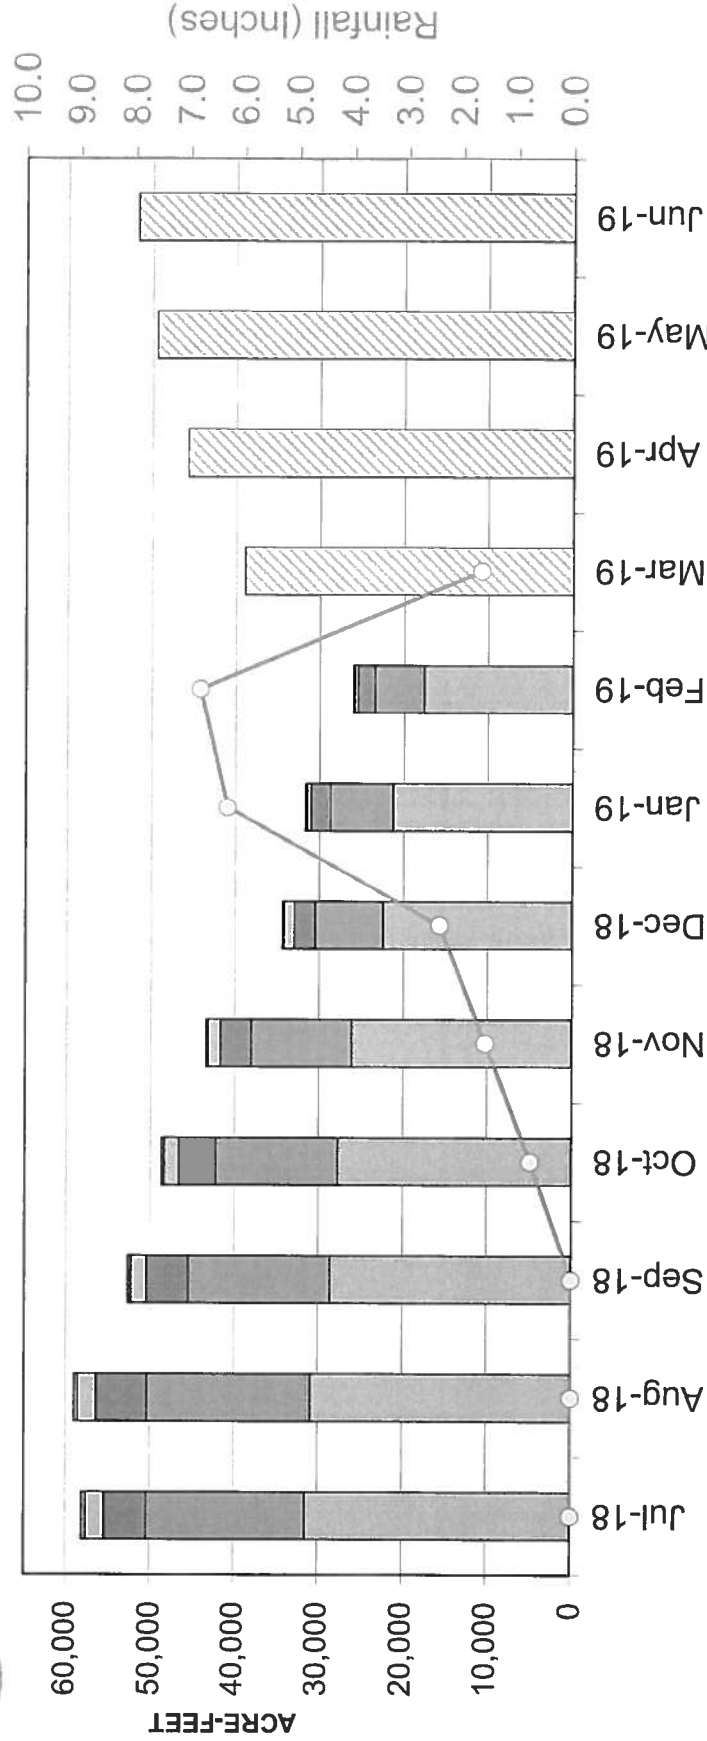

Water Supply Information Includes data on Rainfall in OC; the OCWD Basin overdraft; Northern California and Colorado River Basin hydrologic data; the State Water Project (SWP) Allocation, and regional storage volumes. The data have implications for the magnitude of supplies from the three watersheds that are the principal sources of water for OC. Note that a hydrologic year is Oct. 1st through Sept. 30th.

- Orange County's accumulated rainfall through **late March** was above average for this period. Water year to date rainfall in Orange County is **19.60 inches**, which is **170% of normal**.

- Northern California accumulated precipitation through **late March** was **137% of normal for this period**. Water Year 2018 was 82% of normal while water year 2017 was 187% of normal. The **Northern California snowpack** was **162% of normal** as of March 28th. **As of late March, 0.00%** of California is experiencing **moderate drought conditions** while 6.58% of the state is experiencing abnormally dry conditions. The State Water Project Contractors Table A Allocation was increased to 70% in March 2019.
- Colorado River Basin accumulated precipitation through **early March** was **127% of normal** for this period. The **Upper Colorado Basin snowpack** was **130% of normal** as of March 31st. **Lake Mead and Lake Powell** combined have about **58% of their average storage volume** for this time of year and are at **39.7% of their total capacity**. If Lake Mead's **level falls below a "trigger" limit 1,075 ft. at the end of a calendar year**, then a shortage will be declared by the US Bureau of Reclamation (USBR), impacting Colorado River water deliveries to the Lower Basin states. As of late March, Lake Mead levels were **15.24' above the "trigger" limit**. The USBR predicts that the start of 2019 will not hit the "trigger" level but there is **a 69% chance that the trigger level will be hit in 2020 and a 82% chance in 2021 (As of April 1st 2019)**.

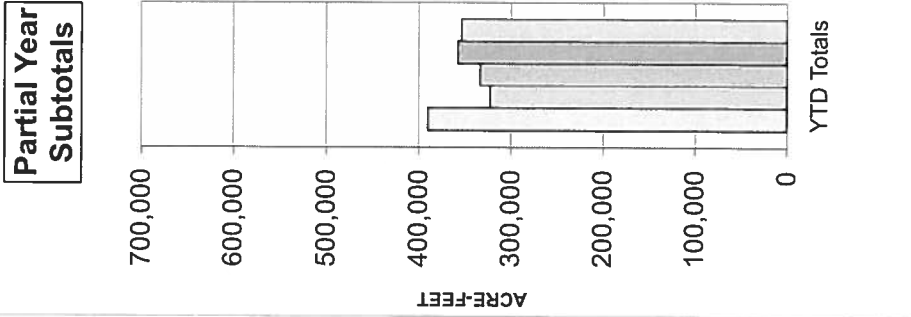

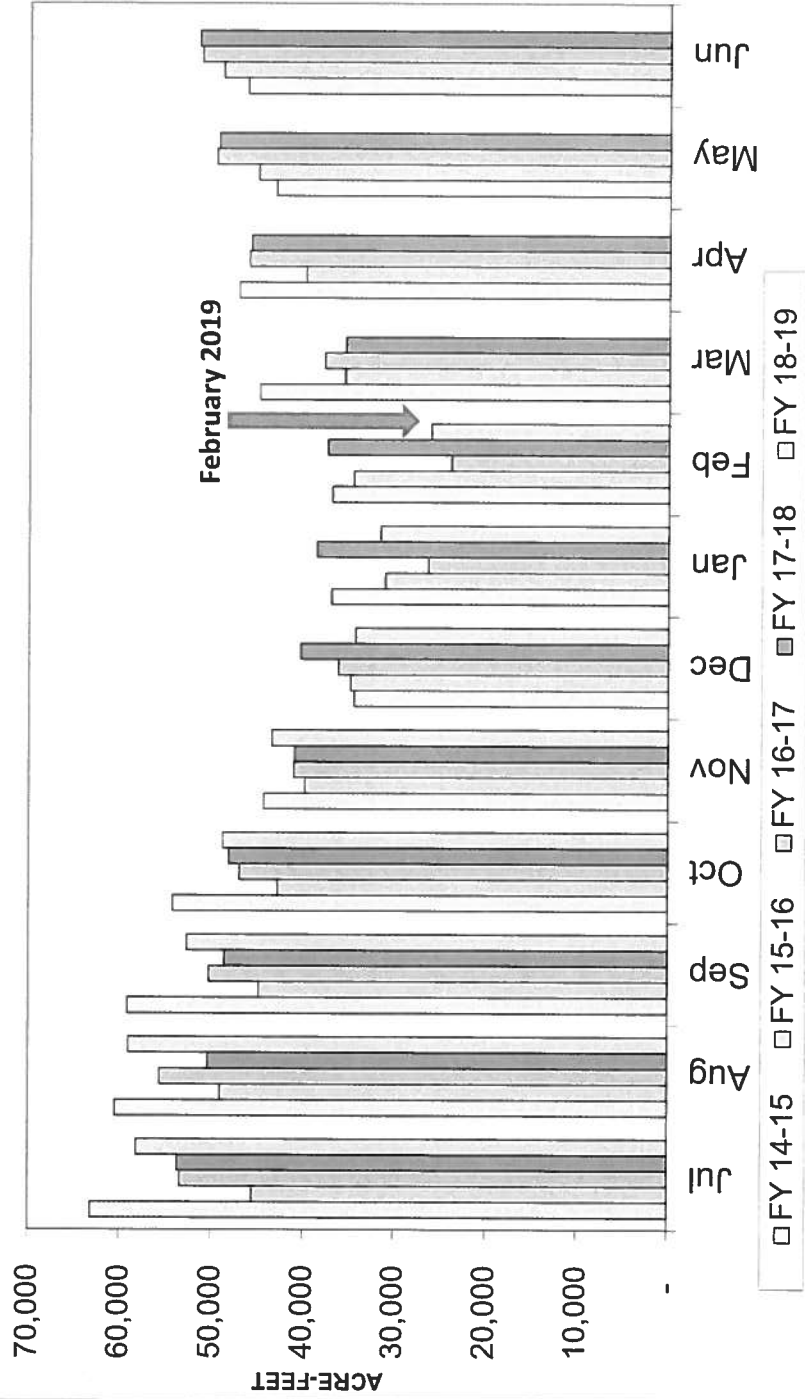

Fig. 1 OC Water Usage, Monthly by Supply with projection to end of fiscal year

[1] Imported water for consumptive use. Includes "In-Lieu" deliveries and CUP water extraction. Excludes "Direct Replenishment" deliveries of spreading water, "Barrier Replenishment" deliveries, and deliveries into Irvine Lake.
 [2] GW for consumptive use only. Excludes In-Lieu water deliveries and CUP water extraction that are counted with Import. BPP in FY '17-18 is 75%.
 [3] MWDOC's estimate of monthly demand is based on the projected FY 15-16 "Retail" water demand and historical monthly demand patterns.
 [4] Total water usage includes IRWD groundwater agricultural use and usage by non-retail water agencies.

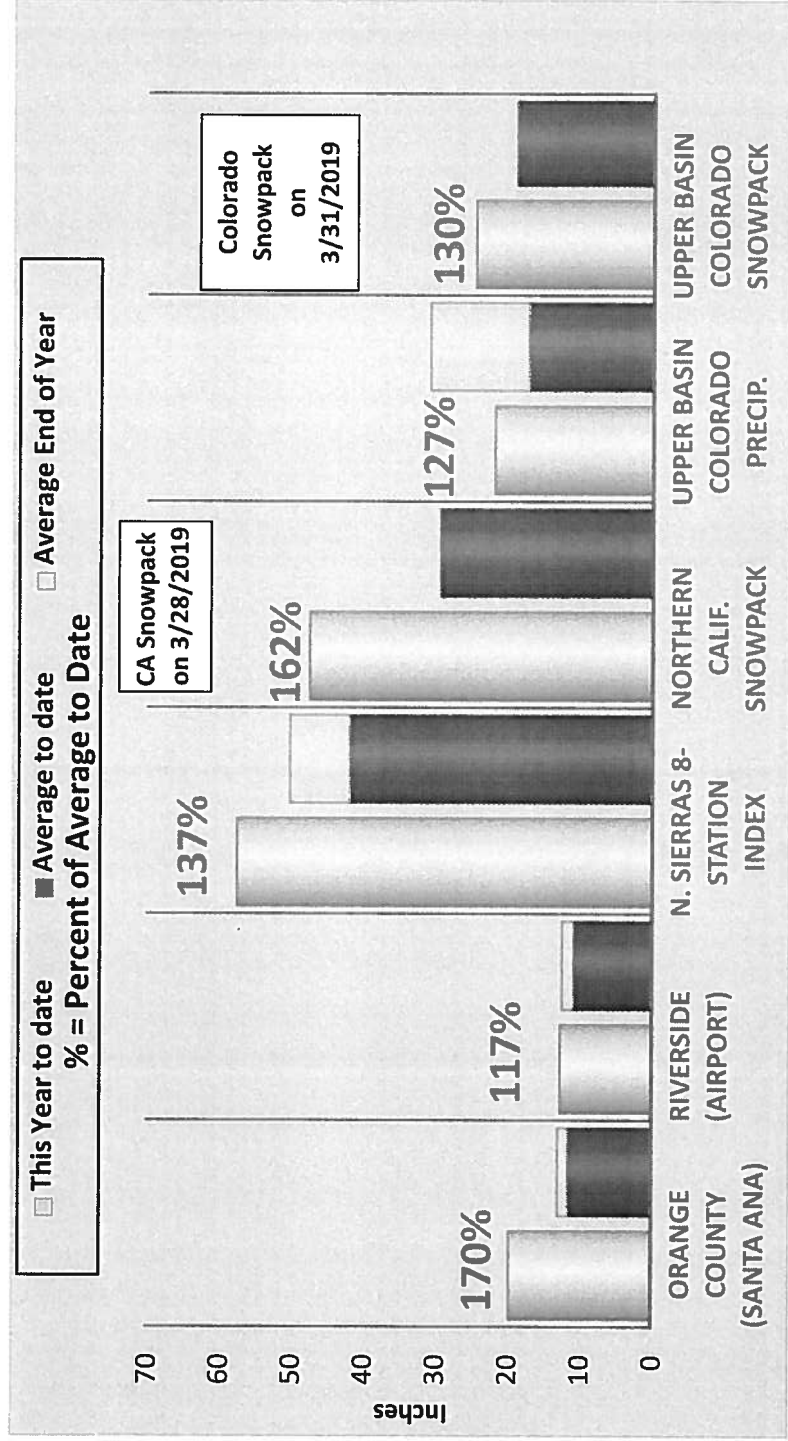

Fig. 2 OC Monthly Water Usage [1]: Comparison to Last 4 Fiscal Years

[1] Sum of Imported water for consumptive use (includes "In-Lieu" deliveries; excludes "Direct Replenishment" and "Barrier Replenishment") and Local water for consumptive use (includes recycled and non-potable water and excludes GWRS production) Recent months numbers include some estimation.

#GGUSDPRIDE E-newsletter

The #GGUSD Pride E-newsletter features many of the great things happening in GGUSD. Send your photos to pio_department@ggusd.us to highlight your school or students in the e-newsletter.

Heritage Students Showcase Next Generation Technology Skills

Students at Heritage Computer Science Academy impressed parents and administrators with their exceptional computer coding skills. The school is experiencing great success in its first year as an elite Code to the Future Computer Science Academy.

Modeling Success with AVID

Recently Doig Intermediate and Santiago High School, two of our district's three National AVID Demonstration Schools, welcomed more than 50 guests from other districts who were visiting to see AVID in action. Administrators, district leaders, and teachers observed rigorous instruction, a strong college-going culture, and an outstanding school-wide system of support for students. We are proud to share our best practices with other districts! Alamos Intermediate School was also recently named a National AVID Demonstration School! We continue to replicate our success to ensure every student is prepared for college success!

Hands-On Learning at Fitz

Fitz Intermediate students tackled a hands-on lesson about the respiratory system made possible with support from Discovery Cube and OC United Way. We love all of the interactive lessons in STEAM (science, technology, engineering, art, and math) happening in our classrooms.

Disability Awareness at Enders

Bolsa Grande's ASB organized an interactive assembly at Enders Elementary School to teach students about a variety of disabilities. Students completed obstacle courses wearing blindfolds, played basketball on crutches, and buttoned shirts without the full use of their fingers. This interactive assembly (organized with help from our Adapted P.E. Department) helped ignite a deeper understanding and sense of compassion for people with disabilities.

Celebrating Our Bus Drivers

In honor of California's School Bus Drivers' Appreciation Day on April 23, we say thank you to our amazing bus drivers and transportation employees who dedicate each and every day to ensuring our students have a safe ride to and from school!! We have the best bus drivers around who consistently win awards for their safe driving skills.

Pacifica Honors its Future College Athletes

Pacifica High School's Athletic Department held a special celebration for its high school seniors who have committed to play at the next level.

Fun with Physics

McGarvin Intermediate School students participated in Physics Fun Day competitions hosted at Knotts Berry Farm. Students took first and third place in the paper tower building competition and second place in the rubber band car race. We are so proud of McGarvin students for using their knowledge of physics and critical thinking skills to shine!

Morningside Students Welcome Visitor from a Galaxy Far, Far Away

Morningside students are buzzing about a special inter-galactic visitor! Mike Senna, a droid building expert, shared his creative and engineering process, with kindergarten-sixth graders in a special *Star Wars*-themed STEM presentation. Students were introduced to mechanical engineering, electrical wiring, computer coding, and most importantly perseverance! The visit also included a special appearance from a truly famous celebrity to show the students how it all worked out....R2-D2, the best droid in all the galaxy, rolled out from behind the curtain to the sound of cheers probably heard in outer space! Students left the assembly inspired to try their own hand at droid creation.

GGUSD Recognizes its Most Superb Spellers

Jessica from Peters 4-6 won the district's Elementary School Spelling Bee, and was celebrated by the Board of Education at its April 16 meeting!

Brandon from Bell Intermediate received special recognition from his principals for winning the Intermediate School Spelling Bee since he was unavailable to attend the Board of Education meeting.

Pre-Enrollment for Transitional Kindergarten and Full-Day Kindergarten

Pre-enrollment for Fall 2019/20 full-day transitional kindergarten and full-day kindergarten classes in the Garden Grove Unified School District is now open! Parents should pre-enroll online as early as possible at <https://enroll.ggusd.us> and contact their child's home school for further assistance. Please note that all GGUSD elementary school offices will be closed for the summer and will resume enrollment when the offices reopen for the school year.

As you start this next chapter, just remember, you don't have to slow down to speed up anymore; and there's plenty of time for snickety snacks.

Happy Retirement, Chief! Your accomplishments were many, but your legacies are the lives you've touched and the good you've done. Thank you for your love and guidance of our Department.

The **Garden Grove Fire Department** is currently preparing for the transition to the **Orange County Fire Authority** on August 16, 2019. The training of GGFD firefighters is an important component of this preparation to ensure a seamless transition. Each GGFD crew will go through ten, 8-hour days of training. OCFA crews will be covering Garden Grove fire stations while City units are in training. This will ensure uninterrupted fire and paramedic service to our residents and businesses.

If you have any questions, call (714) 741-5600. For more information, visit <https://ggcity.org/city-approves-move-to-ocfa>.

Members chosen for Measure O oversight

BY OC TRIBUNE STAFF ON APRIL 24, 2019 • (LEAVE A COMMENT)

THE MEASURE O OVERSIGHT Committee's membership was chosen on Tuesday by the Garden Grove City Council. Its task will be to make sure that revenue from the 1-cent sales tax increase approved by voters is spent properly (Shutterstock).

The members of the Measure O Citizens' Oversight Committee were chosen at Tuesday night's meeting of the Garden Grove City Council.

(https://orangecountytribune.files.wordpress.com/2016/07/gg-logo_jg.jpg) Chosen to the seven-member panel to oversee the use of the 1-cent sales tax increase approved in November by local voters were:

- Claire Bishoff
- Leslie Malo
- Mark Mackanic
- Sonny Nguyen
- Marisa Salicos

- Robert "Steve" Sanders
- Sandra Thomas.

The committee members were chosen from a list of 26 applicants who had to qualify in one of four categories: an active senior (62 or older), a Garden Grove business member, a finance/accounting background or resident at large.

Also Tuesday night, the council approved a purchase and sale agreement for the former fire station property located at 12111 Chapman Ave.

The next city council meeting is scheduled for Tuesday, May 14.

It's hail to the (new police) chief

BY OC TRIBUNE STAFF ON APRIL 23, 2019 • (1 COMMENT)

THE GARDEN GROVE Chief of Police, Tom DaRé, was sworn in on Tuesday afternoon (The Tribune photos).

By **Jim Tortolano**

Before a room full of admirers, family and colleagues, Tom DaRé was sworn in as the 13th Garden Grove Chief of Police on Tuesday afternoon.

The 29-year veteran of the GGPD, who is a Garden Grove native, took the oath of office from Ric Lerma, a longtime friend and community leader. Looking on in the Community Meeting Center were dozens of law enforcement officers, including many from the GGPD and some from other jurisdictions.

"I am truly humbled to have been chosen to lead the men and women of the Garden Grove police force into the future," said DaRé after being sworn in. "I want you to know I will not let you down, and I accept the torch from the successful leaders who have preceded me."

He added "I was born and raised and educated in this community. I am so honored to be selected as the chief of police. I am humbled to bear the responsibility of keeping this community safe."

He went on to talk about his path from police cadet up through the ranks, and drew a laugh when he talked about his first job as a city employee.

"Prior to that – and a lot of people don't know – my father-in-law hired me in 1989 in public works. I mowed lawns at Hare Park. That's how I started."

Then he spoke of the future.

"I will enhance our community policing effort, customer service and working with our central management to make Garden Grove a better place to live, work and visit," he said.

He closed by thanking his predecessor, Todd Elgin, and his family.

The new chief comes into his post at a time when the passage of Measure O by voters last November is making it possible to hire 16 new personnel for the GGPD, including 10 police officers.

Speakers preceding the installation were City Manager Scott Stiles and Mayor Steve Jones.

ADMINISTERING the oath of office to the new chief was Ric Lerma.

ARTS & LEISURE

A countdown to “Nine” at the Gem

BY OC TRIBUNE STAFF ON APRIL 22, 2019 • (LEAVE A COMMENT)

“NINE “ opens this weekend at the Gem Theater on Main Street in Garden Grove (OMP photo).

By Thom de Martino

Sometimes we become so overcome with the world, we can feel like we are all that exists -- a solitary soul. Loved ones and those around us can become abstracted: becoming shadows and ideas, symbolic... representing something archetypal – both subjective and universal – embedded deeply within our psyche.

For the man contending with the autumn of his life, with more years behind than before him... what lessons can be gleaned from the kaleidoscope of women in his past, present and future – what deeper, sublime meaning?

Arriving Thursday, April 25 at the Gem Theater in Garden Grove is One More Productions' newest offering, "Nine": the tale of a director on the cusp of middle age, his Herculean task of finishing his new film while salvaging his relationship with his wife... all the while contending with the other women who shape his world, in the myriad forms of maiden, mother, mistress, and more...

"'Nine', for me, is one of the most exciting and challenging pieces I've worked on as a director," says One More Productions' co-founder Damien Lorton. "The music is stunning, the orchestra is beautiful ... It's about a man who is lost in his own art, his own passion, his own ego... It's essentially an opera."

It's a lavish, sensual and thought-provoking piece, performed by some of the finest vocalists from an array of previous Gem productions, and backed by a full orchestra – and yet another example of local community theater making bold, innovative choices with their programming.

Adriana Sanchez, Beth Hansen, Nicole Cassesso, Brittany Gerardi and Erika Baldwin star in "Nine", opening April 25 at The Gem Theater, 12852 Main Street, Garden Grove, CA, 92840. Call 714-741-9550 x221 or e-mail boxoffice@onemoreproductions.com for ticketing information.

IT'S OFFICIAL! GARDEN GROVE HAS A NEW POLICE CHIEF

Last night, hundreds filled the Garden Grove Community Meeting Center to see Garden Grove's 13th police chief be sworn in. Police Chief Tom DaRé, a 29-year veteran of the Garden Grove Police Department, born and raised in Garden Grove, took his official oath before the Garden Grove City Council, other elected officials, family, friends, and professional colleagues.

"I'm humbled to bear the responsibility of keeping this community safe, seeing that I have family and lifelong friends that live in our city. This is my home and my entire life has been dedicated to serving the City of Garden Grove," said DaRé.

DaRé was administered the oath by his childhood friend Ric Lerma and his chief badge was pinned by his wife, Jeanine.

City Manager Scott Stiles, who selected DaRé and officiated the program, spoke about the reasons for choosing him.

"In the course of Chief DaRé's interviews, I also had him interview with a large-city police chief whom had never met him. That chief told me that Tom DaRé was ready to lead the police department," said Stiles.

DaRé began his career with the City in 1990 as a police cadet, rising through the ranks to become captain in 2017. A graduate of Garden Grove High School, DaRé has received the Medal of Courage, Medal of Merit, and Class A commendations.

To see photos of Chief DaRé's swearing-in ceremony, visit the City's website at

CITY INVITES WOODBURY PARK USERS TO COMMUNITY MEETINGS TO DISCUSS FUTURE PARK ENHANCEMENTS

The City of Garden Grove invites neighborhood residents of Woodbury Park to attend two upcoming community meetings to discuss future park renovations. The meetings will be held at Woodbury Park, located at 13800 Rosita Place, on Saturday, May 4, at 11:00 a.m., and Wednesday, June 12, at 6:00 p.m.

The planned Woodbury Park renovation is part of the City's grant application for California Proposition 68, the Parks, Environment, and Water Bond approved by state voters in June 2018. Through Proposition 68's Statewide Park Development and Community Revitalization Program (SPP), the City can apply for a minimum of \$200,000 to renovate a local park. Currently, Woodbury Park serves as the best opportunity to apply for the SPP grant due to the park's acreage-per-resident and surrounding median household income.

For more information, contact the Community Services Department at (714) 741-5200 or visit ggcity.org/parksplan.

CẢNH SÁT GARDEN GROVE THU HỒI THUỐC DƯ, HẾT HẠN SỬ DỤNG TRONG NHÀ

Vào Thứ Bảy, 27 tháng Tư, từ 10:00 sáng đến 2:00 trưa, Sở Cảnh sát Garden Grove và Cơ quan bài trừ ma túy (DEA) sẽ có buổi thu nhận lại thuốc dư, quá hạn hay bỏ đi, nhằm ngăn chặn sự lạm dụng thuốc hoặc trộm cắp thuốc hết hạn và thuốc không cần sử dụng nữa. Thuốc có thể được xử lý khi mang đến Sở Cảnh sát Garden Grove, tọa lạc tại 11301 Acacia Parkway. DEA không nhận xử lý chất lỏng hoặc kim chích, vật sắc nhọn, chỉ thuốc hoặc miếng dán. Đây hoàn toàn miễn phí và không tiết lộ danh tánh cũng như hỏi câu hỏi nào khi mang đồ tới vứt bỏ.

Vào mùa thu năm ngoái, người Mỹ đã thu lại được 460 tấn (hơn 900,000 pounds) thuốc theo toa tại gần 5,800 địa điểm do DEA tổ chức và hơn 4,800 đối tác thực thi pháp luật của tiểu bang và địa phương. Nhìn chung, trong 16 sự kiện thu nhận thuốc cũ những năm trước, DEA và các đối tác của mình đã thu được hơn 11 triệu pounds - khoảng 5,500 tấn thuốc không sử dụng.

Sáng kiến này giải quyết những vấn đề liên quan đến an toàn và sức khỏe cộng đồng. Các loại thuốc lâu ngày không xài cất trong tủ nhà rất dễ bị lạm dụng. Tỷ lệ lạm dụng thuốc theo toa ở Hoa Kỳ rất đáng báo động, cũng như vô số vụ ngộ độc và dùng quá liều các loại thuốc này. Nghiên cứu cho thấy phần lớn các loại thuốc theo toa bị lạm dụng được lấy từ gia đình và bạn bè, bao gồm cả từ tủ thuốc gia đình.

Ngoài ra, người Mỹ hiện đang được cảnh báo rằng các phương pháp thông thường của họ trong việc xử lý các loại thuốc không sử dụng, như vứt trong toilet hoặc bỏ trong thùng rác, thường gây nguy hiểm đến an toàn sức khỏe.

Để biết thêm thông tin về việc thu hồi thuốc vào ngày 27 tháng Tư, vui lòng xem tại www.DEATakeBack.com.

Tỷ lệ lạm dụng thuốc theo toa ở Hoa Kỳ rất đáng báo động, cũng như vô số vụ ngộ độc và dùng quá liều các loại thuốc này. Nghiên cứu cho thấy phần lớn các loại thuốc theo toa bị lạm dụng được lấy từ gia đình và bạn bè, bao gồm cả từ tủ thuốc gia đình.

Ngoài ra, người Mỹ hiện đang được cảnh báo rằng các phương pháp thông thường của họ trong việc xử lý các loại thuốc không sử dụng, như vứt trong toilet hoặc bỏ trong thùng rác, thường gây nguy hiểm đến an toàn sức khỏe.

Để biết thêm thông tin về việc thu hồi thuốc vào ngày 27 tháng Tư, vui lòng xem tại www.DEATakeBack.com.
