

City of Garden Grove
WEEKLY CITY MANAGER'S MEMO
January 17, 2019

TO: Honorable Mayor and City Council Members FROM: Scott C. Stiles, City Manager

I. DEPARTMENT ITEMS

- A. PERFORMANCE REPORT FY 2017-18**
A copy of the FY 2017-18 Performance Report has been made available for your review in your office. (Additional copies are available in the City Manager's Office and on the City's Website under the City Manager page).
- B. UPDATE ON PARKS, RECREATION AND FACILITIES MASTER PLAN**
The memo provides an update on the community outreach efforts for the Parks, Recreation and Facilities Master Plan.
- C. ADVERTISING PLACEMENT IN THE VIETNAMESE PUBLICATION FOR LUNAR NEW YEAR (TET) 2019**
A summary of Vietnamese advertisements purchased for the Lunar New Year is included for your information.
- D. INVESTMENT REPORT FOR NOVEMBER 2018**
The Investment Report memo outlines the financial institutions, types of investment instruments, monthly transactions, current month interest received, and the par and fair market value of investments held for November 2018.

II. ITEMS FROM OTHER GOVERNMENTAL AGENCIES, OUTSIDE AGENCIES, BUSINESSES AND INDIVIDUALS

- A.** Letter congratulating Mayor Jones on his reelection from the Mayor of Anyang City, Choi Dae-Ho.
- B.** Letter of congratulations to Mayor Jones on his reelection from Treasurer-Tax Collector Shari Freidenrich of the County of Orange, and information on services provided by her office.
- C.** Office of Care Coordination newsletter for January 2019 detailing efforts to prevent and address homelessness.

- D. List of non-profits providing food assistance from Second Harvest Food Bank.
- E. Letter from the County of Orange about its Point in Time Count on January 23 and January 24.
- F. Flyer from the County of Orange regarding its Vendor Information Day and pamphlet on Doing Business with the County of Orange.
- G. Garden Grove Unified School District #GGUSD Pride E-newsletter featuring events and notable accomplishments.

• **OTHER ITEMS**

- SOCIAL MEDIA HIGHLIGHTS AND NEWSPAPER ARTICLES
Copies of the week's social media posts and local newspaper articles are attached for your information.
- MISCELLANEOUS ITEMS
Items of interest are included.

INTER-DEPARTMENT MEMORANDUM

To: Scott C. Stiles
Dept.: City Manager
Subject: UPDATE ON PARKS, RECREATION
AND FACILITIES MASTER PLAN

From: John Montanez
Dept.: Community Services
Date: January 17, 2019

OBJECTIVE

To provide City Council with an update on the community outreach efforts for the Parks, Recreation and Facilities Master Plan.

BACKGROUND/DISCUSSION

The Community Services Department is conducting an online survey for the development of a 15-year Parks, Recreation and Facilities Master Plan that will help guide the City in the planning, maintenance, and development and/or rehabilitation of Garden Grove parks and recreation facilities. The online survey is available in English, Korean, Spanish and Vietnamese. Staff has also made work stations available at City Hall Recreation counter, Garden Grove Sports and Recreation Center, Magnolia Park Family Resource Center, Buena Clinton Youth and Family Center, and Senior Center. Surveys can be completed through Friday, February 8, 2019.

Additionally, there will be two community meetings that will give an opportunity to residents and park users to provide input for the Master Plan. The meetings will be held on Saturday, February 9, 2019 at Bell Intermediate School, located at 12345 Springdale Street, at 11:00 a.m., in the Multipurpose Room; and on Thursday, February 21, 2019 at the Garden Grove Community Meeting Center, located at 11300 Stanford Avenue, at 6:00 p.m., in the B Room. Both meetings will be identical and Korean, Spanish, and Vietnamese translators will be available.

SUMMARY

The Community Services Department is conducting an online survey and community meetings as part of the development of a 15-year Parks, Recreation and Facilities Master Plan.

INTER-DEPARTMENT MEMORANDUM

To: Scott Stiles
Dept.: City Manager
Subject: ADVERTISING PLACEMENT IN THE VIETNAMESE PUBLICATION FOR LUNAR NEW YEAR (TET) 2019

From: Ana Pulido
Dept.: City Manager
Date: January 17, 2019

Furthering the City's goal to enhance ethnic outreach to the Vietnamese community, the City of Garden Grove annually purchases a full-page ad in the Nguoi Viet's Tet issue magazine. This year, 2019, is the Year of the Pig, and New Year's Day falls on February 5.

The ad on page 212 features New Year greetings from the City including a photo of all City Council members. In addition, the magazine features ads from the Garden Grove Police Department on page 219 and the Fire Department on page 213. Each City Council member has received a copy of the magazine.

All the 2019 Tet edition magazines are currently available throughout the Vietnamese community in Orange County and nationwide. It's well-read and kept by Vietnamese readers.

Ana Pulido

Dear Esteemed Mayor of the City of Garden Grove,

Garden Grove City Hall

11222 Acacia Parkway

Garden Grove, CA 92840

Dear Mayor Steve Jones,

Greetings! I am Choi Dae-Ho, the Mayor of Anyang City.

I would like to express my heartfelt congratulations on your successful re-election!

I think it is the result of the citizen's trust in your dedication and commitment to the development of Garden Grove.

Since Garden Grove and Anyang have been a Sister City since June in 1989, we have been playing an exemplary and leading role in the inter-city international exchanges.

Based on our close relationship, the 'Student Exchange Program' between our two city's students, has grown into a proud 53rd program.

Surely, this could have been made possible because of the constant friendship and cooperation between our two cities.

In addition, it would be a great pleasure for us if you are to visit Anyang City in 2019, to commemorate the 30th anniversary of the sisterhood relationship with us.

Last but not least, thank you again for your continuous interest and support in promoting exchanges and friendship. I wish all the best of luck in the beautiful Garden Grove City, and happiness of all Garden Grove citizens.

Sincerely yours.

Mayor of Anyang City, Choi Dae-Ho

Steven Jones, Mayor
City of Garden Grove
11222 Acacia Parkway
Garden Grove, CA 92840

Dear Honorable Jones:

Congratulations on your recent election as Mayor of the City of Garden Grove. I wish you the best of luck in your position as Mayor, and thank you for serving the people of Garden Grove.

As Orange County Treasurer, my office bills and collects all property taxes on behalf of over 200 agencies in Orange County. In addition, my office bills and collects animal licenses for 18 cities and includes various assessments for many cities on the property tax bills. Finally, my office invests pooled funds for the Orange County school districts, community college districts and voluntary pool participants.

We offer a variety of services related to your annual property tax bill. If you own real property, have you checked our online property tax statement page at ocgov.com/octaxbill to see if you owe any delinquent property taxes or if you have a property tax refund due to overpayment? You can view this property and all other properties by going to our online GIS parcel tax map at ocgov.com/octaxmap (open in Chrome or Firefox). In addition, we recently added a search by business name for unsecured property taxes. Just go to ocgov.com/octaxbill and input either your APN, your property address or business name.

Our newest enhancement is that taxpayers can also go to ocgov.com/octaxreminder and sign up to receive a payment reminder by text (in addition to e-mail) approximately 10 days and one day before each installment's last timely payment date. Finally, consider "Going Green" and pay property tax bills online at ocgov.com/octaxbill by eCheck (bank account) at no cost and receive same day credit and a detailed emailed receipt. It is the most cost-effective way for us to process tax payments.

Please contact me with any questions by phone at (714) 834-7625 or by e-mail at Shari.Freidenrich@ttc.ocgov.com. Congratulations again!

Sincerely,

Shari L. Freidenrich, CPA, CCMT, CPFA, ACPFIM
Treasurer-Tax Collector

Volunteers Needed for Orange County's 2019 Point In Time Count

WHY? The U.S. Department of Housing and Urban Development (HUD) requires more than 400 Continuum of Care jurisdictions across the nation to complete a biennial unsheltered count and an annual sheltered count of all individuals experiencing homelessness in the community on a single point in time during the last 10 days of January.

WHEN? The 2019 Sheltered Point In Time count will take place the night of Tuesday, January 22, 2019, with the 2019 Unsheltered Point In Time count taking place over two days, Wednesday, January 23 and Thursday, January 24, 2019.

HOW? Teams comprised of one Team Captain and three to five Surveyors will be deployed into the community to canvas a geographic area of Orange County. As homeless individuals are encountered by the team, the team will administer a survey utilizing Survey 123, a smart phone application, to collect demographics, subpopulation information and answer to local questions.

WHERE? The 2019 Point In Time will be taking place across Orange County on Wednesday, January 23, 2019. Teams will be deployed into each city to canvas the area and survey individuals during their volunteer shifts. Teams will be deploying from the Deployment Centers listed below. Thursday, January 24, 2019, the teams will recanvas areas that may have been missed on Wednesday.

Supervisorial District	Maps Being Deployed from Center
1st District: OC Community Resources 1300 S. Grand Ave., Santa Ana, CA 92705	Garden Grove, Orange, Santa Ana, Tustin, and Villa Park
2nd District: Colette's Children's Home 7372 Prince Dr., Huntington Beach, CA 92647	Costa Mesa, Fountain Valley, Huntington Beach, Newport Beach, Seal Beach, and Westminster
3rd District: South County Outreach 7 Whatney, Suite B, Irvine, CA 92618	Aliso Viejo, Irvine, Laguna Beach, Laguna Hills, Laguna Niguel, Laguna Woods, Lake Forest, Mission Viejo, and Rancho Santa Margarita
4th District: Magnolia Baptist Church 720 S. Magnolia Ave., Anaheim, CA 92804	Anaheim, Brea, Buena Park, Cypress, Fullerton, La Habra, La Palma, Los Alamitos, Placentia, Stanton, and Yorba Linda
5th District: Family Assistance Ministries 1030 Calle Negocio, San Clemente, CA 92673	Dana Point, San Clemente, and San Juan Capistrano

What is the Point In Time?

The Point In Time is a biennial count of people experiencing homelessness on a given point in time during the last 10 days in January. The count provides vital information that helps the County better understand homelessness in the community. Orange County will be conducting the 2019 Point In Time count on:

Main Count Day: Wednesday, January 23, 2019
Secondary Count Day: Thursday, January 24, 2019

Commission to End Homelessness

The Commission to End Homelessness works in collaboration with the County government, 34 city governments, business sector, philanthropic organizations, community organizations, faith-based organizations, health care, public safety and other interested stakeholders to promote an effective response to homelessness within Orange County. The Director of Care Coordination works with the Commission to focus on regional policy and implementation strategies, affordable housing development, data and gaps analysis, best practice research, social policy, and systemic change.

The Commission to End Homelessness had its first meeting on Thursday, November 28, 2018, and approved the meeting calendar for 2019.

The Commission is accepting applications for two at-large seats. For more information email CareCoordination@ocgov.com.

The next meeting is scheduled for 9 am on Thursday, January 16, 2019 at the OC Transportation Authority Headquarters – 550 S. Main St., Orange, CA.

To find out more information about the Commission to End Homelessness visit - <http://www.ocgov.com/gov/ceo/care/commendhom>

Oakcrest Heights Grand Opening

On Wednesday, November 28, 2018, OC Community Resources and OC Health Care Agency attended the grand opening of the Oakcrest Heights, a 54-unit multi-family affordable housing development in Yorba Linda, which includes 14 units specifically dedicated to Mental Health Services Act (MHSA) eligible individuals, prioritizing Transitional Age Youth.

Progress in 2018, Momentum for 2019!

By Susan Price, Director of Care Coordination

In 2018, the State released several funding opportunities to address homelessness. The Homeless Emergency Aid Program (HEAP) provided the funding necessary to expand the emergency shelter system in both Central and North Service Planning Areas, while providing necessary funding for the Laguna Beach Shelter renovations to expand the program's daytime hours. The HEAP funds also created regional street outreach teams for Central and South Service Planning Areas to create the nexus between the streets and shelter system. The Coordinated Entry System continues to evolve, with the Family Solutions Collaborative identifying several regional access points with navigators working closely with unsheltered families to expedite housing placements.

Also in 2018, several data tools have been implemented, with the new Homeless Management Information System software going live in April. In August, the OC Sheriff's Department started using the ArcGIS outreach software to track outreach contacts and make referrals to OC Health Care Agency (HCA) programs. The Whole Person Care Connect software system also went live, tracking emergency room visits for homeless persons at five local area hospitals, linking them directly to community based services via electronic care coordination.

Addressing homelessness requires partnership with every sector — the 34 cities in Orange County, businesses and health care, law enforcement and first responders, nonprofits and faith-based organizations. Regional Service Planning Area meetings have been a useful forum for updates on building out the System of Care, working with cities to implement regionally focused initiatives and gathering feedback from each sector on gaps, needs and priorities. The Commission to End Homelessness, seated in November 2018, represents this cross-sector engagement of countywide leadership, and will ensure that development of the System of Care is strategic and effective in promoting broad community partnership to improve the overall response to homelessness well into the future.

As the System of Care continues its development into 2019, it will include improved regional street outreach, expanded shelter capacity, improved intake linkages from outreach to shelter, and public-private partnerships to create 2,700 permanent supportive housing units under the Housing Finance Trust, a partnership with the Association of California Cities – Orange County, 34 cities, the County and private sector stakeholders. The Coordinated Entry System will ensure that resource investments in cities are targeted to meet local priorities, serving residents who have been homeless the longest in Orange County. Employment programs and a landlord incentive program will reduce barriers to self-sufficiency for those working hard to exit homelessness.

Community engagement has increased noticeably, with contributions coming from every sector of the county with more people supporting action to get involved. The momentum in Orange County is high, and in the past year with the amount of progress and participation, the narrative is shifting to a greater emphasis on contributions, investments and solutions that improve the quality of life for all in Orange County. The volunteer opportunity to join in the 2019 Point In Time Count process will provide key data to inform our efforts to reduce homelessness for our County.

The momentum and progress continues, and the County looks forward to 2019 being another productive year in our efforts to build an effective and responsive System of Care.

Employment and Housing: Solution Based Practices

Chrysalis Grand Opening

The County of Orange, City of Anaheim and Chrysalis have partnered to create a pathway to self-sufficiency for homeless and low-income individuals by providing the resources and support needed to find and retain employment. On October 16, 2018, the Orange County Board of Supervisors committed \$200,000 to the new Chrysalis Center Orange County located in Anaheim, which will provide client outreach and engagement, job readiness and barrier removal services, job search assistance and support, transitional employment opportunities and job retention support to the County's homeless populations and help drive ongoing regional coordination of resources to assist individuals and families experiencing homelessness in Orange County.

On Tuesday, November 13, 2018, the Chrysalis Center Orange County celebrated its grand opening with about 200 attendees. Supervisor Andrew Do, First District, presented a proclamation on behalf of the County and

representatives from the City of Anaheim, the County and various nonprofits were in attendance. Bringing Chrysalis to Orange County was a huge addition to the county and the partnership developed has created another option for those experiencing

homelessness to reach a path of self-sufficiency.

Chrysalis Orange County is located at 290 S. Anaheim Blvd., Anaheim, CA 92805. To learn more information about the organization and the programs they offer visit <https://changelives.org/>.

Placentia Veteran's Village Groundbreaking

Director of Care Coordination Susan Price, along with other representatives from the County of Orange, City of Placentia, Mercy Housing California and New Direction for Veterans celebrated the groundbreaking of the Placentia Veteran's Village on Thursday, November 1, 2018. The Placentia Veterans Village will include 50 furnished apartment homes designed to serve military veterans who are experiencing homeless or have a disabling condition. The County of Orange has committed \$2.754 million in funding and the use of 49 Project-Based Department of Housing and Urban Development Veterans Affairs Supportive Housing (HUD-VASH) to the development of the Placentia Veteran's Village. Once constructed, veterans will have access to comprehensive on-site supportive services including case management, physical and mental health services, employment services, life skills training and counseling.

For additional information on this project, please visit www.placentia.org/veteransvillage.

Expanding Initiatives to Address Homelessness

The County of Orange and Orange County United Way Partner to Launch Landlord Incentive Program

The County of Orange has partnered with Orange County United Way (OCUW) to launch a Landlord Incentive Program to engage landlords and secure affordable rental units for individuals and families transitioning from homelessness into permanent supportive housing. OCUW through its United to End Homelessness awareness campaign is developing private market landlord engagement as well as a marketing and incentive strategy to increase the number of landlords and number of available units accepting rental/housing choice vouchers to assist households in their search for housing. The Orange County Board of Supervisors committed \$250,000 to the Program at the November 6, 2018, Board of Supervisors meeting to provide security deposits for rent and utility assistance, credit report and application fee payments, contingency funds to make minor improvements or repairs, unit holding fee payments and other landlord incentives to overcome barriers to secure housing units.

The Program will transition a minimum of 40 households experiencing homelessness to permanent housing. The Program and partnership between the County and OCUW is a key part to the development of the County's System of Care. Increasing available housing units and educating landlords on this Program will provide additional housing opportunities to successfully transition individuals and families experiencing homelessness into permanent housing. The resources available through this Program will decrease the amount of time a household searches for housing units that accept rental/housing choice vouchers and improve the System of Care's response to homelessness.

Expansion of Restaurant Meals Program Countywide

On Tuesday, November 20, 2018, the Orange County Board of Supervisor's authorized the expansion of the CalFresh Restaurant Meals Program (RMP) from the pilot phase to countywide.

The Restaurant Meals Program enables elderly, disabled and homeless CalFresh recipients to purchase meals at participating restaurants using their Electronic Benefits Transfer cards. The restaurant Meals program is intended to increase food access for those who do not have a place to store or cook food, may not be able to prepare food or lack access to a grocery store. The development and implementation of the RMP aims to assist individuals experiencing homelessness in Orange County and connecting with necessary resources.

On December 13, 2016, the Board of Supervisors authorized the Social Services Agency (SSA) to implement the RMP in a pilot capacity in the cities of Anaheim and Santa Ana with the direction to return within one-year of implementation to provide an update on pilot program. On February 1, 2018, SSA went live with the RMP. Since then, the number of transactions and participating restaurants has increased over time, with 39 participating restaurants in the program as of October 2018.

Picture to left: Supervisor Andrew Do, First District, presents Orange County United Way President and Chief Executive Sue Parks with a check to support the Landlord Incentive Program.

Cold Weather Emergency Shelters Are Now Open

The Santa Ana Armory and Fullerton Armory, the County of Orange's Cold Weather Emergency Shelter, opened on the evening of December 3 and 17, 2018, respectively. The Armories operated by Mercy House at the National Guard Armory locations, provide shelter and supportive services for adults (age 18 and older) experiencing homelessness, including a warm meal, access to shower facilities and a safe place to sleep. This year, the cold weather emergency shelters do not accept walk-ins to the shelter location. Instead individuals seeking to utilize the shelter must arrive at one of the bus pick-up locations at the designated times, listed below:

Santa Ana Armory

- 6 p.m. Pick-up at Flower Street and Civic Center Drive, near 6th Street in Santa Ana
- 6:15 p.m. at 1901 W. Walnut St., Santa Ana, CA

Fullerton Armory

- 5:30 p.m. Route A
 - The Way Fellowship Church – 7142 Thomas St., Buena Park, CA 90621
 - La Habra Community Resource Care Center – 350 S. Hillcrest Ave., La Habra, CA 90631
 - Fullerton Transportation Center – Santa Fe Ave (between South Pomona Avenue and Lemon Street), Fullerton, CA 92832
- 5:30 p.m. Route B
 - Southeast corner of Batavia St. and W. Struck Ave. – 1091 Batavia St., Orange CA 92867
 - Placentia Presbyterian Church parking lot – 849 Bradford Ave., Placentia, CA 92870
 - City Hall Park – 401 S. Brea Blvd., CA 92821

Please note that weapons, drugs and alcohol will not be permitted in or around the shelter, and clients are required to exit the shelter each morning at 6 am, or leave by bus at 5:15 am.

For additional information or questions regarding the program, please contact Mercy House at 714-836-7188 ext. 170

Santa Ana's The Link is Now Open

The City of Santa Ana in partnership with Mercy House since November 2018 are operating The Link, an emergency shelter. The Link is a 24-hour 200 person shelter located in Santa Ana that serves, men, women, families with minor children, and adult couples. The Link's primary focus is assisting program participants with creating housing plan, making connections to housing resources and ending their homelessness as soon as possible. Mercy House Housing Navigators work with clients to help them increase their income and locate suitable permanent housing.

To find out how you can support The Link please reach out to Edwin Franco, Volunteer Associate, at EdwinF@mercyhouse.net or (714)836-7188 ext. 171.

Public Safety Seminars with Supervisor Michele Steel

Supervisor Michelle Steel, Second District, hosted two Public Safety Town Hall Meetings on Saturday, June 19, 2018, at Huntington Beach and Saturday, September 29, 2018 at Newport Beach. The Public Safety Town Hall meetings included updates from representatives of the Orange County Sheriff's Department, OC Public Works, and local law enforcement and Director of Care Coordination Susan Price, who provided an update on the County's efforts to address homelessness in Orange County.

Whole Person Care Connect New Technology to Coordinate Homeless Care

The County of Orange is launching a data-sharing tool for medical providers and agencies in Orange County to coordinate the myriad of homeless services.

As a critical component of the Whole Person Care (WPC) Pilot Program, the WPC Connect care coordination program, the first of its kind in the state, will electronically share information from emergency departments, hospitals, community clinics, shelters and other homeless-service providers to more easily coordinate services for homeless individuals and improve access to available County services.

Orange County Hospital Emergency Departments, Community Clinics, and Recuperative Care providers participate in WPC Connect as well as County agencies, including CalOptima and the OC Health Care Agency's Behavioral Health and Public Health divisions.

Orange County's \$31 Million Homeless Pilot Project

By the end of January 2019, the County anticipates the central information hub to be operational, coordinating care and services to Medical recipients who are homeless. The data-sharing program is currently receiving real-time emergency department data from St. Joseph Hospital, St. Jude Medical Center, and Mission Hospital.

Next month, Emergency Departments at Orange Coast Memorial and Saddleback Memorial Medical Centers are expected to join the data sharing collaborative – with University of California, Irvine Medical Center joining in March 2019.

The data-sharing initiative is just one part of the County's five-year, \$31 million pilot project designed to combat homelessness by coordinating physical, behavioral health and social services. The "Whole Person Care" program prioritizes recuperative care and wrap-around services that link Orange County's homeless to mental health care, substance abuse treatment and permanent supportive housing.

Homeless Data Sharing: How It Works

How will WPC Connect work? Take a common scenario of a homeless patient discharged from a hospital.

After an emergency department visit or hospitalization, a homeless patient may have special needs to prevent readmission. The data-sharing program allows medical providers to update relevant information into a patient's collaborative care plan and refer them to services if they are new to the WPC Program or alert other members of that patient's care team of the hospital visit if they are already enrolled. As other homeless-service agencies interact with the homeless patient, all necessary medical history, as well as linkages to community services and documentation for housing readiness, will be in one place. This cross sharing of information will ensure the right services are provided for each homeless patient and reduce duplication of efforts across providers.

Flu Vaccines Clinics

The Health Care Agency Comprehensive Health Assessment Team – Homeless (CHAT-H) conducted flu clinics at emergency shelters and service provider locations to vaccinate individuals experiencing homelessness. Flu shots were offered to those interested at:

- Courtyard Transitional Center
- ASL Laguna Beach
- Bridges at Kraemer Place
- Mary's Kitchen
- Someone Cares Soup Kitchen
- Isaiah House
- SAFE Place at WISE Place
- Mental Health Association Drop-In Center

CHAT-H will continue providing flu vaccines through the cold weather season for individuals who are interested.

Focus on Increased Housing Resources in Orange County

60 Voucher Family Unification Program Award

On November 21, 2018, the U.S. Department of Housing and Urban Development (HUD) awarded \$30 million to public housing authorities nationwide through the Family Unification Program to work closely with local public welfare agencies to provide rental assistance to families whose lack of adequate housing is the primary reason their children are in foster care. Former foster youth at-risk of homelessness are also eligible for the program. Through this award, the Orange County Housing Authority in partnership with the Social Services Agency received 60 vouchers to the existing allocation for 207 Family Unification Program vouchers, bringing the total to 267. The addition of Family Unification Program vouchers will provide the opportunity for families to reunify and prevent homelessness for an at-risk population.

No Place Like Home Addendum

The No Place Like Home Program was approved by the California Legislature to issue bonds against Mental Health Services Act (MHSA) funds for use to build and refurbish supportive housing units. Orange County is eligible to receive \$6,513,548 in noncompetitive funding and will compete against other large counties for the remaining \$1.8 billion statewide during four competitive rounds of funding for the No Place Like Home.

On Tuesday, October 30, 2018, the Orange County Board of Supervisor's received the No Place Like Home Addendum to the Housing Funding Strategy and authorized the Health Care Agency to provide a 20-year service commitment to the No Place Like Home units. The No Place Like Home Addendum to the Housing Funding Strategy align and support the use of No Place Like Home funds towards the developed of the 2,700 supportive housing units to end homelessness in Orange County.

To read the No Place Like Home Addendum visit:

http://cams.ocgov.com/Web_Publisher_Sam/Agenda10_30_2018_files/images/S23E-10302018_9852549.PDF.

Special Needs Housing Projects Assignment Agreement

On Tuesday, October 30, 2018, the Orange County Board of Supervisor's approved Assignment Agreement and distribution of \$25 million to California Housing Finance Agency for Special Needs Housing Program projects and approved three individual projects for funding to help the County develop additional permanent supportive housing for people who are experiencing homelessness.

There are 259 Mental Health Services Act/Special Needs Housing Program units for projects currently in progress. The Board of Supervisor's approval created a pathways to permanent housing for individuals who are experiencing.

Are you in need of food assistance during the government shutdown?

You're not alone. 1 in 6 Orange County residents are too.

There are non-profits in your community that can help.

January 9, 2019

The Honorable Steven R. Jones
City of Garden Grove
City Hall, 11222 Acacia Parkway
Garden Grove, CA 92840

Dear Mayor Jones,

The U.S. Department of Housing and Urban Development (HUD) requires that each Continuum of Care (CoC) conduct a Point In Time (PIT) count of sheltered and unsheltered homeless persons biennially during the last 10 days of January. The Orange County CoC will conduct the 2019 PIT Count on Wednesday, January 23 and Thursday, January 24, 2019.

Data gathered will be integral to our efforts to build the System of Care that meets the needs of those experiencing homelessness in our community. This year, we will use new geographic survey technology to deepen our understanding of homelessness in each regional service planning area and each city. Count teams will utilize the geographical survey app, which records each survey and maps the location of where it was completed. Consistent with prior years, the Count will capture demographic information such as the number of single adults, families, veterans, domestic violence victims, disabled and youth who are experiencing homelessness.

This countywide effort is an opportunity for communities to come together and learn about the available resources, meet people that are currently experiencing homelessness, and participate in the efforts to solve homelessness.

The Consolidated Plan will be provided with city and regional service planning area results, as required by HUD for entitlement jurisdictions. We respectfully request your support in recruiting volunteers for this very important process in our community, which is needed in order to draw down federal funds for homeless services. We would be encouraged by your commitment to:

- Recruit for volunteer surveyors to join teams familiar with your City
- Commit city staff at the deployment centers or to lead count survey teams
- Market the volunteer recruitment materials to your community

Deployment Centers

BOS District	Location
1 st District	OC Community Resources – 1300 S. Grand Ave., Santa Ana, CA 92705
2 nd District	Colette’s Children’s Home – 7372 Prince Dr. Huntington Beach, CA 92647

3 rd District	South County Outreach – 7 Whatney, Irvine, CA 92618
4 th District	Magnolia Baptist Church – 720 S. Magnolia Ave., Anaheim, CA 92804
5 th District	Family Assistance Ministries – 1030 Calle Negocio, San Clemente, CA 92673

PIT Count Survey Volunteers are needed countywide for morning and evening shifts on January 23 and January 24 to complete surveys in hotspot areas.

Morning Shift	Evening Shift	Activity
4:30 am	7:00 pm	Field Volunteers to arrive to deployment centers.
5:00 am	7:30 pm	All teams to deploy to the streets to count.
9:00 am	11:30 am	Teams start returning to deployment center.
9:30 am	12:00 am	All teams have returned to deployment center to return materials.

For an entire list of volunteer opportunities and to register to volunteer, visit <https://www.everyonecountsoc.org/>.

Sincerely,

Lisa Bartlett
 Chairwoman, Orange County Board of Supervisors
 Supervisor, Fifth District

ORANGE COUNTY PROCUREMENT

Attachment 111
Mgrs. Memo 1/17/19

INFORMATION

Vendor Information Day

The County of Orange holds a Vendor Information Day on the first Thursday of each month (except holidays). These sessions are to provide vendors with information on how to do business with the County and to answer questions regarding the County of Orange purchasing process.

To attend, RSVP at <http://olb.ocgov.com/business/vid> or for more information, visit us at <http://olb.ocgov.com>.

TIME 9:00 A.M. TO 11:00 A.M

BOARD OF SUPERVISORS

- District 1 Andrew Do
- District 2 Michelle Steel
- District 3 Todd Spitzer
- District 4 Shawn Nelson
- District 5 Lisa Bartlett

DIRECT DEPOSIT PAYMENTS VIA EFT

The County of Orange offers vendors the option of receiving payment directly to their bank account via an Electronic Fund Transfer (EFT) process in lieu of a check payment. Payment made via EFT will also receive an Electronic Remittance Advice with the payment details via e-mail. An e-mail address will need to be provided to the County of Orange via an EFT Authorization Form. To request a form, please email us at Admin.Vendor@ac.ocgov.com.

CHILDSUPPORT ENFORCEMENT

All contracted vendors must comply with all federal, state, and local reporting requirements for Child Support Enforcement regarding its employees. To learn more about this mandate, visit the state website at www.childsup.ca.gov or call toll-free (866) 901-3212.

ENVIRONMENTALLY PREFERABLE PURCHASING

The County's Environmentally Preferable Purchasing (EPP) Policy is intended to assist

in the procurement of goods, services, and materials that have the lowest life cycle cost. The regulation provides the basis for securing environmentally friendly and sustainable

purchasing practices through the EPP Best Practices Guide. The EPP Policy and Guide are available to view at:
<http://olb.ocgov.com/green>

Environmentally Preferable Purchasing refers to the procurement of goods and services that have a lesser or reduced effect on human health and the environment when compared with competing goods or services that serve the same purpose. This comparison shall take into consideration such things as: raw materials acquisition, production, manufacturing, packaging, distribution, reuse, disposal, energy efficiency, performance, safety and cost.

SURPLUS PROPERTY AND DISPOSAL

Surplus is tangible property that is no longer of use to any County department. Surplus property may include anything from office supplies and furniture to vehicles and heavy equipment. The County Surplus Policy allows the allocation of surplus to county schools and non-profit organizations.

The County's Surplus School Donation Program allows surplus items to be donated to local schools operating under the Orange County Department of Education.

The County also donates surplus items to a pre-approved list of 501 (c) (3) non-profits serving the citizens of Orange County. All surplus items can be viewed at:
<http://www.govdeals.com>.

For more information regarding these County Surplus Programs and how to apply, please contact the Surplus Program Manager at (714) 567-7341 or at surplus@ocgov.com.

ORANGE COUNTY

PROCUREMENT

INFORMATION

Doing Business
 WITH THE
 County of Orange

COUNTY PURCHASING AGENT

LEGAL AUTHORITY

Title 3, Division 2, Part 2, Chapter 5, Article 7 (\$25500 et seq.) of the California Government Code authorizes the County Board of Supervisors to employ a County Purchasing Agent to perform certain duties on behalf of the County. These duties are defined in Government Code §25501 and the Codified Ordinances of the County of Orange, Title 1, Division 4, Article 2, §1-4-12 through 1-4-38

ABOUT COUNTY OF ORANGE PROCUREMENT

Thank you for your interest in doing business with the County of Orange. The County Procurement Office (CPO) is a division of the County Executive Office. The County's purchasing operations are decentralized, granting delegated authority to each County department. Each department is responsible for acquiring goods and services to meet their business and operational needs.

As the corporate office for procurement services, CPO maintains the Contract Policy Manual, issues County-wide master agreements known as Regional Cooperative Agreements (RCAs), implements and enforces Board policies and establishes procedures. CPO also provides oversight and consulting support services to all departments.

CPO is committed to ensuring a fair, ethical and competitive procurement process. We encourage vendors to register with our bid notification service provider, BidSync.

VENDOR REGISTRATION

All prospective vendors must first register with BidSync. Registration on BidSync is free of charge.

To register with BidSync, follow these steps:

1. Go to <https://www.periscopeholdings.com/bidsync/bidsync-links>. Click on "REGISTER FOR FREE", then complete the contact information form and create your own user name & password. At least one NIGP code (commodity or service) is required to be selected to complete the registration.
2. BidSync will send a confirmation e-mail of your activated account within 24 hours.
3. The email will contain a link to log-in and access your account.
4. Once logged in, select the "Tools" tab to edit your account profile, e.g. add NIGP codes; update company information.
5. BidSync will send email notifications when bids/solicitations match the NIGP codes selected in the profile.

Please contact BidSync's support staff at 1-800-990-9339 or via email at support@bidsync.com to address questions or concerns.

VENDOR INFORMATION DAY

The County of Orange hosts a Vendor Information Day each month to provide prospective vendors an opportunity to learn how to do business with the County and to provide a forum to answer questions regarding the County's procurement process. Vendors are required to RSVP to attend this event. RSVP at: <http://olb.ocgov.com/business/vid>

WHEN: First Thursday of each month
(Except holidays)

WHERE: County Procurement Office
1300 S. Grand Ave.
Bldg. A, 2nd Floor, Training Center
Santa Ana, CA 92705

TIME: 9:00 a.m. – 11:00 a.m.
(RSVP Required)

SUBMITTING YOUR INVOICE

Unless otherwise directed and authorized, invoices are to be submitted in arrears upon satisfactory completion and acceptance of commodity/service. Contractor shall reference contract number and Tax Identification Number (TIN) or Employer's Identification Number (EIN) on invoice. Payment will be paid within the negotiated terms of the contract after receipt of an acceptable invoice.

PAYMENTS

The County of Orange requires the following four steps to be met before payment can be issued:

1. The vendor must have a W-9 form on file. Out-of-state vendors may be required to submit a 587/590 Form.
2. The goods and services must be received and accepted by a County employee.
3. The vendor must submit a properly completed invoice to the address indicated on the contract/purchase order.
4. The receiving department must validate and approve the invoice before submitting to the Auditor-Controller's Office. Once the Auditor-Controller has processed the invoice, a payment will be generated and issued.

Note for out-of-state vendors: Failure to submit a completed FTB Form 587or 590 may result in back up withholding on payments per California Revenue and Taxation Code Section 18662.

Submit the appropriate form(s) to the Contract Administrator/Project Manager listed on the contract.

PAYMENT INQUIRIES

Any questions concerning the status of a payment should be directed to the department that received the goods or services.

#GGUSDPRIDE E-newsletter

The #GGUSDPRIDE E-newsletter features many of the great things happening in GGUSD. Send your photos to pio_department@ggusd.us to highlight your school or students in the e-newsletter.

Happy New Year! Let's Take a Look Back at 2018!

Celebrating Our Homegrown Employees

In January we rolled out our "GGUSD Homegrown" Social Media Campaign. Homegrown employees are those who attended schools in the district as students before returning to work in the district as employees. The "GGUSD Homegrown" campaign garnered interest from nearly 500 employees who shared their stories through an online form. Some of these stories were spotlighted on the district's Facebook, Twitter, and Instagram social media accounts. It all culminated in May with a GGUSD Homegrown Celebration as many of our #GGUSDHOMEGROWN employees came together to share their stories with one another.

Awarded for Success

In 2018 GGUSD was recognized at both the district and school level with the district being recognized as the first, and so far the only, California Exemplary School District in Orange County. Eleven GGUSD elementary schools were recognized as California Distinguished Schools, all seven comprehensive high schools were named to U.S. News and World Report's Best High Schools list, GGUSD and 40 of its schools were named to the California Honor Roll, and the district was recognized as a leader in dual language education. The district also holds the distinction of being the first and only district in Orange County to have three National AVID Demonstration schools.

Celebrating the Class of 2018

In June 2018, the Class of 2018 officially graduated but not before they were celebrated in a variety of ways. There was college signing day, a time for all students to come together at each school to celebrate their commitment to higher education, our #GGUSD18in18 social media campaign highlighting decorated seniors, and the installation of banners on street light poles and around district campuses highlighting various GGUSD scholars.

Our graduates left GGUSD well prepared to enter the next phase of their lives. 692 graduates earned the Seal of Biliteracy for fluency in two or more languages, an important skill needed for good-paying jobs in the 21st century, and 632 graduates earned the Golden State Seal Merit Diploma demonstrating mastery in at least six subject areas.

Dual Language Expansion

With the success of the Monroe Elementary Language Academy and the Vietnamese Dual Language Program at Murdy, GGUSD was proud to open up two more dual language programs for the start of the 2018-19 school year. The Russell Elementary Language Academy and the Heritage Computer Science Academy joined the line up. Heritage Computer Science Academy joins an elite network of schools that have partnered with Code to the Future, an organization that is known as a national leader in developing computer science magnet schools. Code to the Future provided coaching, professional development, lesson guides, and the framework to help Heritage infuse technology into classrooms across all content areas. The Russell Elementary Language academy offers the same Spanish program as Monroe, starting with kindergarteners learning in 90% Spanish and ending with a 50/50 Spanish and English split by the time they hit sixth grade.

Stunning Visual and Performing Arts

GGUSD visual and performing artists hit the stage many times throughout the year with parents and the community being treated to an assortment of amazing events; from the Alamitos and Los Amigos winter concerts, to the Jungle Book being acted out by Allen Elementary school students as part of the Disney Musicals in Schools programs, to our students taking home prizes at the annual First Impressions Art Show. Not to mention another successful year for our band programs who celebrated individual team success and put on an amazing show at the 16th Annual Showcase of Bands in November.

Athletics Shined Year Round

It was a fantastic year for many athletic programs in GGUSD. The year started off with success with the girls ruling supreme. Los Amigos had two programs make deep runs as girl's soccer and water polo both made the semi-finals in their sports. In girls soccer Pacifica was a runner up in division 3 and made the state regional semi-finals.

The boys came alive during the spring as our boy's volleyball programs made their presence felt. Rancho Alamitos made the semi-finals in their division while Garden Grove took the same route as the Pacifica girls soccer team, earning runner-up in their division and a state regional semi-final appearance. The Bolsa Grande boys tennis team also saw success as they made it to the CIF semi-finals. In softball Pacifica once again took care of business in the Empire League as they won their 9th consecutive league title and defeated county power Los Alamitos in what many saw an upset during the second round of the playoffs before losing in the quarter-finals. Pacifica also saw Sophia Hartwell jump her way into school history during the track and field season as she broke the school long jump record.

Fall sports closed out the year with some old faces in new places as the Garden Grove League saw Garden Grove High School leave for the Golden West League. In football it was, as usual, an Argo show as they posted a 9-1 regular season record and made it to the CIF-SS Division 9 semi-finals. Senior running back Mike Carrillo was a huge part of that success and was recognized as the Big 4 league MVP. He was also chosen as a first team offensive player on the O.C. Register's 2018 All-County football team. Rancho Alamitos defended the Garden Grove League as they emphatically took home the title by beating Loara 42-14 and ensuring the title stayed in GGUSD. The girl's made some noise as well during the fall as the Pacifica girls volleyball team made the CIF-SS quarterfinals in division 5. Garden Grove and Bolsa also each won a game in their respective divisions. La Quinta, Pacifica, Santiago, and Garden Grove all saw success in cross country and the Bolsa girls tennis team had playoff success as well.

A Special Thank You To Our Amazing Parents

GGUSD would like to thank the parents for another amazing year. We have the most dedicated and caring parents who help make the district the successful. Their unwavering support is part of what makes GGUSD the best district!

Huge Savings on ACT/SAT Prep Courses!

GGUSD juniors can take advantage of huge savings on ACT/SAT Prep Workshops which are proven to improve results on these rigorous college entrance exams. Classes are being offered at a steep discount and will only cost \$50! Workshops are offered at all GGUSD high schools. Call your school guidance counselor to sign up today.

Heritage Computer Science Academy is hosting Parent Information Meetings and Tours for parents interested in learning more about student enrollment opportunities at the school. The district's first-ever Computer Science Academy infuses cutting-edge technology into daily curriculum across all content areas. Students learn computer programming, coding, and robotics through innovative lessons powered by Code to the Future, the nation's leader in computer science schools. Parents will have an opportunity to tour classrooms and learn more about the benefits of computer science. Heritage students will have a competitive advantage in mastering the technology skills needed for success in high school, college, and 21st century careers that haven't even been created yet. Meetings will be offered in English on January 10 and January 17 from 10:00 a.m. to 11:00 a.m. They will also be offered in Spanish on January 10 and January 17 from 8:30 a.m. to 9:30 a.m. and in English, Spanish, and Vietnamese on January 17 from 6:00 to 7:00 p.m.

WEEKLY MEMO 1-17-19

NEWS ARTICLES

Order this Vietnamese porridge in Garden Grove

By Brad A. Johnson

bajohnson@scng.com

@bradajohnson on Twitter

With its glaring bright lights, cheap polyester tablecloths, long-outdated furniture and flashing menu boards, Tam's Restaurant and Sandwiches in Garden Grove isn't going to win any design awards.

The service at this recently opened Vietnamese cafe is frustratingly awful, too. That's OK because there's a silver lining: The kitchen is genuinely solid.

When it's cold outside and I'm craving a steaming-hot bowl of cháo (rice porridge), this odd little joint is my new favorite spot for takeout.

Cháo is Vietnam's answer to Chinese congee. It doesn't get enough respect. This

IF YOU GO

one's classically made with broken rice. Like a grandmother's embrace, it is thick and creamy and wonderfully fragrant straight from the pot. Although I prefer the chicken, it offers all sorts of optional toppings, from duck gizzards to frogs. The basic variation is topped very simply with fried shallots, coarse black pepper and cilantro. Before adding a spoonful of chili paste, beware: This innocent-looking housemade condiment is dangerously hot.

South Korean exchange students head to Garden Grove week after a wandering monk and his mules paid a visit

The Wave
January 17, 2019
1 of 2

Anyang is a city of about 600,000 people about 13 miles south of Seoul in South Korea. Its motto is "Livable City, Proud Citizens." Its mascot is Podongi, an anthropomorphic cluster of purple grapes with arms and legs.

Anyang is where the singers Jin — of the K-pop boy band BTS, which sold out four nights at Staples Center last year — and Jennie Kim — of the K-pop girl band Black Pink, which will play at Coachella this spring — are originally from.

Both Jennie and Jin probably know the song "Mary Had A Little Lamb" thanks to the fact that Anyang also has South Korea's only "singing road," the road having grooves cut into it that create vibrations and rumblings that "play" the tune of the well-known nursery rhyme.

Why are we sharing these nuggets? Because Anyang is also the sister city of Garden Grove, and on Saturday, a group of 10 high school

**Peter
Larsen**

students from Anyang will arrive in Garden Grove as part of the city's annual student exchange program.

The Sister City Association of Garden Grove will welcome the 10 teens for a 10-day visit, during which they'll stay with local host families. They'll have an official meeting with Mayor Steve Jones and the Garden Grove City Council on Tuesday as well as visit local high schools, take a day trip or two to see the sights in Los Angeles and, of course, hit Disneyland for a day, too.

And since the program is all about cultural exchange, 10 Garden Grove High School students will travel west to Anyang during spring break, which will start March 28.

Garden Grove had a different kind of visitor a week ago when John Sears and his mules sauntered through town.

Sears is somewhat internet famous for 3Mules.com, a website

that chronicles the nomadic life he and his mules have lived for more than three decades now, traveling the Western United States on foot and hoof, camping wherever they can find a shelter.

Sears, who prefers to be called Mule or Monk, according to the website, is currently down to one mule, Little Girl, who has been walking with him since 1993.

A second mule, named Frank E. Boy, just retired, the website reported Friday, the young feller having proven not quite the right temperament for travel through urban areas.

On his travels, Sears deliv-

ers his self-penned Declaration of Emergency to government offices and officials, advocating for the creation of an Interstate Trail System for pedestrians, cyclists and equestrians to travel through nature under their own steam and have the right to stop and rest outside at night.

The Garden Grove Police Department posted a photo of Sears with Little Girl and Frank E. Boy a few days before his retirement on Chapman Avenue near Haster Street, noting that the city gets a lot of visitors but “not many who have logged in as many miles as these three.”

Commenters on the Facebook post were nearly all positive toward Sears, his mules and the friendliness with which the Garden Grove Police Department treated his

travels through town.

“Thank you for being so receptive to the 3 Mules!” wrote Susan Frank Cooper on the Facebook post. “Too many (police departments) treat him like a criminal, and he is a true, FREE American!”

Added Elaine Miller: “He travels through many areas where he is treated poorly. So glad to see the Garden Grove Police Department aren’t limited in their thinking and know a welcome traveler when they see one.”

If you've got any burning questions, comments, story ideas you'd like Brainiac to check out in Westminster, Garden Grove, Stanton or Midway City, send us an email at plarsen@scng.com or a phone call at 714-796-7787.

City welcomes students from South Korea

OC News
January 16, 2019

**Sister City Association will give them
10-day tour that includes trip to Disneyland**

File photos

Students from South Korea toured Garden Grove, including City Hall, last year as part of the Student Exchange Program. South Korean students arrive in Garden Grove this year on Saturday, Jan. 19.

The Sister City Association of Garden Grove is pleased to welcome 10 high school students from Anyang, South Korea, Garden Grove's official sister city, as part of the annual Student Exchange Program.

The students arrive on Saturday, Jan. 19 to begin a 10-day stay in Garden Grove with local host families.

During their stay, the students will meet Garden Grove Mayor Steve Jones, the Garden Grove City Council, and other local officials; tour Garden Grove Unified School District high schools; visit areas of interest in Los Angeles; and enjoy a day at Disneyland.

On Tuesday, Jan. 22, during the Garden Grove City Council meeting, the students will be recognized with a Community Spotlight on behalf of the City of Garden Grove. The recognition begins at 6:30 p.m., in the Community Meeting Center's Council Chamber, 11300 Stanford Ave.

As part of the Sister City Student Exchange Program, 10 Garden Grove Unified School District high school students will visit Anyang, South Korea, dur-

Disneyland is a must-see for visiting students.

ing the spring recess, beginning on Thursday, March 28.

The Sister City Association of Garden Grove, a 501(c)(3) non-profit organization, is dedicated

to enhancing the cultural relationship between Garden Grove and Anyang, South Korea.

World War II veteran Duane Sherman is honored by the State Assembly.

One of our country's heroes'

Local rep honors World War II veteran

Earlier this week, Assemblywoman Sharon Quirk-Silva (who represents Stanton and Garden Grove) and the rest of the Assembly honored Orange County resident and WWII Navy veteran Duane Sherman, who earned a Purple Heart for a mission he survived in 1944.

Born on Dec. 30, 1922, Sherman enlisted in the U.S. Navy shortly after the infamous Dec. 7, 1941 attack on Pearl Harbor. Sherman was assigned as Chief Sonarman to the naval destroyer vessel USS Lamson.

In late 1944, Sherman participated in one of the Pacific Theater's most significant WWII engagements, the Battle of Leyte

Gulf in the Philippines. During this time, the USS Lamson fended off numerous suicide plane attacks before one flew into, and destroyed, the ship's superstructure. It was from this superstructure that Duane Sherman jumped into the fiery waters of the Pacific, where he was hit by hot shrapnel.

Sherman earned the Purple Heart for the wounds he sustained.

"It is a distinct privilege of mine to be able to recognize Orange County's own, Duane Sherman, one of our country's great heroes of the second World War. His remarkable service is a testament to the glories and great actions

of America's brave men and women," said Assemblywoman Quirk-Silva.

In the weeks leading up to his birthday on Dec. 30, 2018, Sherman hoped to receive a few birthday cards in the mail. Because many of his friends have passed away, however, the veteran was dismayed by the lack of letters in his mailbox. His daughter, Sue Morse, then took to social media with a request to the online community to brighten her father's day with a simple birthday card.

It worked. Sherman ended up receiving more than 50,000 cards and letters from friendly strangers across 50 states and 10 countries.

Tracy Ta and daughter Ella, 2, patiently wait for Garden Grove Police Community Service Officer Kris Backouris to make final safety adjustments to Ella's car-seat during car safety instruction last week at the Garden Grove Main Library.

Police teach preschoolers

Safety instruction is presented during storytime Tuesday

By Loreen Berlin

Every Tuesday, children at the Garden Grove Main Library get a visit from Garden Grove police.

Last week Community Service Officer Kris Backouris used dancing and hand movements to teach kids how to buckle their seatbelts.

Backouris also helped parents with car-seats, adjusting the seats for each family who brought their child's car-seat into the library; she even walked to the parking lot to help parents properly install their child's car-seat inside their own cars.

The morning concluded with kids receiving a "car craft" to color and a safety coloring book, along with getting a fire engine stamp put on their hand.

"Parents may make an appointment to receive help installing their child's car-seat by calling the Garden Grove police department, to have an officer check the safety of their car-seat," said Children's Librarian Kelly Anderson.

Storytime is popular at the library.

Storyteller Amber Zuniga offers constantly-changing activities that keep the 3-5 year olds busy and entertained. A short story

see **TEACH**, page 2

Khali, 4, shows off the car craft that was part of Garden Grove Community Service Officer Kris Backouris's car safety lesson at the Garden Grove Main Library.

TEACH:

Continued from page 1

was followed by activities including props such as a squishy ball to squeeze in their hands and scarves to toss in the air while

singing to music.

Preschool Storytime is held on Tuesdays at 11 a.m.

What's planned for future police visits? Instruction on bike and bike-helmet safety, pedestrian safety and a visit from Officer Friendly, among other activities.

Students' skills going to the dogs

Literacy program pairs kids with canines, and it's working

By Brady Rhoades

It was ruff times for students at Heritage Computer Science Academy recently.

The academy, part of the Garden Grove Unified School District, started Day 1 of the OCSPCA Canine Literacy and

Editor's Take

Kindness Kids Program.

As part of the program, pupils read to pooches brought to campus.

You might be asking why the academy and OSPCA are partnering kids with canines.

According to OCPSA: "Learning to read is important, but learning to enjoy reading is equally important. What better way to nurture the joy of reading than reading to a furry

see DOGS, page 2

DOGS:

Continued from page 1

friend!

"The goal of the OCSPCA Canine Literacy Program is to help reduce the anxiety students feel when reading aloud, to improve reading fluency and reading comprehension skills, to build self-esteem and confidence, and to make reading fun.

"In addition to the educational benefits, the students also learn to appreciate the powerful human-animal bond that they witness between the volunteer and dog.

"Reading aloud can be very stressful for many students.

"Studies have shown that petting a dog lowers both blood pressure and stress levels. This same response occurs in the reading session, helping children to reduce stress while reading aloud. Many students use one hand to pet the dog and the other hand to hold their book while reading to the dog. Reading aloud to a dog is less intimidating than reading aloud in the classroom. This unique experience is a wonderful way to motivate students. Not only is it helpful, but it is also fun. Dogs are great listeners. They do not tease, laugh, criticize, or judge the students.

The dogs offer a calm, accepting, non-judgmental atmosphere for students to practice and improve their reading skills.

"A Canine Literacy team consists of 6 to 8 volunteers /and their dogs. They visit a classroom once a week for six weeks. Each student /in the classroom is assigned to a volunteer/dog. The student/ reads to the same dog, one-on-one, for fifteen minutes each /week. At the end of the six-week session, the students are /presented with a certificate of participation and a bookmark/with photos of all the dogs."

Here's how it works.

"The volunteer acts as facilitator between the student and dog. All questions are asked and answered through the dog. For example, the volunteer may say, "Callie has never heard that word. Can you tell her what it means?" To improve the student's comprehension, the volunteer may ask the student to summarize what they've read to refresh the dog's memory. The student becomes the dog's teacher."

Pretty cool, huh?

Kids get to hone their reading skills in a comfortable, fun environment.

A real treat.

Time to unclutter!

Garden Grove Main Library is holding a De-Cluttering Workshop at 1 p.m. Sunday, Jan. 20 at the library.

Get organized! Unclutter your garage and storage space! Optimize home office space! Penny Lambright, expert organizer, will show you how. The workshop is free. No registration required.

The library is at 1200 Stanford Ave. in Garden Grove. For more information, call 714-530-0711.

City closures

In observance of the Martin Luther King Jr. Day holiday, Garden Grove City Hall and the H. Louis Lake Senior Center will be closed on Monday, Jan. 21.

Street sweeping services will not be provided on the holiday. Streets will be swept as scheduled on all other days. Trash pick-up will not be interrupted.

For more information on street sweeping, call the Public Works Department at 714-741-5375.

LEGAL NOTICE NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN THAT THE PLANNING COMMISSION OF THE CITY OF GARDEN GROVE WILL HOLD A PUBLIC HEARING IN THE COUNCIL CHAMBER OF THE COMMUNITY MEETING CENTER, 11300 STANFORD AVENUE, GARDEN GROVE, CALIFORNIA, ON THE DATE * INDICATED BELOW TO RECEIVE AND CONSIDER ALL EVIDENCE AND REPORTS RELATIVE TO THE APPLICATION(S) DESCRIBED BELOW:

• THURSDAY, 7:00 P.M., FEBRUARY 7, 2019

SITE PLAN NO. SP-062-2019 LOT LINE ADJUSTMENT NO. LLA-020-2019

A request for Site Plan approval to construct a 46-unit apartment complex with a 21.7% affordable housing density bonus on two parcels, along with a Lot Line Adjustment to consolidate the existing two parcels into one parcel for a total area of 66,000 square feet. The site is at 8218 and 8242 Garden Grove Boulevard in the R 3 (Multi-Family Residential) zone. In conjunction with the request, the Planning Commission will consider a determination that the project is categorically exempt from the California Environmental Quality Act (CEQA) pursuant to Section 15332 – In-Fill Development Projects.

SITE PLAN NO. SP-064-2019

A request for Site Plan approval to demolish an existing 800 square foot medical office building and an existing detached 400 square foot two-car garage, in order to construct a new 3,000 square foot two-story office building with associated site improvements on a lot located at 10152 Westminster Avenue (APN 099-162-38). The new office building will utilize a shared driveway with the abutting lot to the west at 10142 Westminster Avenue (APN 099-162-30), which is currently developed with an existing auto repair shop. The site is at 10152 Westminster Avenue in the C-1 (Neighborhood Commercial) zone. In conjunction with the request, the Planning Commission will also consider a determination that the project is categorically exempt from the California Environmental Quality Act (CEQA) pursuant to Section 15303(c) – New Construction or Conversion of Small Structures.

SITE PLAN NO. SP-065-2019 LOT LINE ADJUSTMENT NO. LLA-021-2019

A request for Site Plan approval to construct a new duplex consisting of two (2) two-story attached dwelling units on an 11,700 square foot vacant site, in addition to a Lot Line Adjustment approval to remove an existing lot line between the two (2) subject parcels, Assessor's Parcel Numbers 099-031-08 and 09, to consolidate the two lots into a single lot. The site is at 10052 Central Avenue in the R-2 (Limited Multiple-Family Residential) zone. In conjunction with the request, the Planning Commission will also consider a determination that the project is categorically exempt from the California Environmental Quality Act (CEQA) pursuant to Section 15303(b) – New Construction or Conversion of Small Structures.

CUP-148-2019

A request for Conditional Use Permit approval to operate a new TV studio within an existing 23,768 square foot building at 10531-10561 Garden Grove Boulevard (Assessor's Parcel Numbers 089-081-07 and 08). The site is in the A-R (Adaptive Reuse) zone. In conjunction with the request, the Planning Commission will also consider a determination that the project is categorically exempt from the California Environmental Quality Act (CEQA) pursuant to Section 15301 – Existing Facilities.

ALL INTERESTED PARTIES are invited to attend said Hearing and express opinions or submit evidence for or against the proposal as outlined above, on **February 7, 2019**. If you challenge the application in Court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered to the Planning Commission at, or prior to, the public hearing. Further information on the above may be obtained at the Planning Services Division, City Hall, 11222 Acacia Parkway, or by telephone at (714) 741 5312.

ORDINANCE NO. 2899

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF GARDEN GROVE APPROVING CODE AMENDMENT NO. A 024 2018, A ZONING TEXT AMENDMENT TO SECTIONS 9.16.020.020.A.4 AND 9.16.020.050.AJ OF THE GARDEN GROVE MUNICIPAL CODE MODIFYING THE DEVELOPMENT STANDARDS FOR HOTELS LOCATED IN THE C-3 (HEAVY COMMERCIAL) ZONE

City Attorney Summary

This Ordinance approves zoning text amendments to Sections 9.16.020.020.A.4 and 9.16.020.050.AJ of the Garden Grove Municipal Code modifying the development standards for hotels located in the C-3 (Heavy Commercial) zone. This Ordinance allows a Floor Area Ratio up to 1.0 for hotels and 0.55 for all other uses in the C-3 zone. This Ordinance also increases the maximum building height for hotels in the C-3 zone from four (4) stories and/or 55 feet to five (5) stories and/or 60 feet, and authorizes the City hearing body to permit up to a twenty percent (20%) reduction in the number of off-street parking spaces required pursuant to Garden Grove Municipal Code Section 9.16.040.050 for new hotels in the C-3 zone in conjunction with site plan and/or conditional use permit approval.

The foregoing Ordinance was passed by the City Council of the City of Garden Grove on the 8th day of January 2019.

ATTEST: /s/ STEVEN R. JONES
MAYOR
/s/ TERESA POMEROY, CMC

College courses deal OKd by GGUSD

BY OC TRIBUNE STAFF ON JANUARY 16, 2019 • (LEAVE A COMMENT)

SANTIAGO CANYON COLLEGE commencement (RSCCD photo).

An agreement between the Garden Grove Unified School District and the Rancho Santiago Community College District which could make it easier for students to advance their college careers was approved by the GGUSD Board of Education Tuesday night.

(<https://orangecountytribune.files.wordpress.com/2016/08/ggusdlogo.png>)The board voted 5-0 in favor of the “memorandum of understanding” with the RSCCD – which operates Santa Ana College and Santiago Canyon College in Orange – to allow students to take courses that will have college and high school credit.

Those students must be attending GGUSD high schools within the boundaries of the RSCCD.

New building in downtown proposed

BY OC TRIBUNE STAFF ON JANUARY 12, 2019 • (LEAVE A COMMENT)

A **DEVELOPER** is proposing to construct a two-story office and retail building in Garden Grove's downtown area.

Interest in construction in the downtown area continues, as the Garden Grove Planning Commission will take up a proposed two-story building when it meets on Thursday, Jan. 17.

(https://orangecountytribune.files.wordpress.com/2016/07/gg-logo_lg-e1446082015536.jpg) Darren Nguyen is seeking a site plan and tentative tract map to build a new 9,229-square foot building for professional offices, medical offices and retail on a 23,393-square foot lot at 10862 Garden Grove Blvd. (on the south side) between Century Boulevard and Euclid Street.

Also on the agenda will be a request for a conditional use permit for the installation and operation of a citywide small wireless telecommunications facility at an existing utility pole in the public right-of-way on the east side of Springdale Street between Lenore Avenue and Trinette Avenue.

The commission meets at 7 p.m. in the council chambers in the Community Meeting Center, 11300 Stanford Ave.

SPONSORS INVITED TO SUPPORT GARDEN GROVE COLLEGE GRADUATES

The City of Garden Grove invites businesses and local organizations to participate in the 7th annual Garden Grove College Graduates' Reception by becoming a sponsor. The private reception takes place in May and is hosted by Garden Grove Mayor Steve Jones and the Garden Grove City Council.

By sponsoring the event, businesses and organizations help promote higher education and a professional workforce in Garden Grove. Sponsors will also increase their exposure and enhance their customer base.

Sponsors can choose from three sponsorship levels: Master's Sponsorship of \$1,500+; Bachelor's Sponsorship of \$750+; and an Associate's Sponsorship of \$300+. In-kind donations are welcomed.

Benefits include an invitation to attend the Garden Grove College Graduates' Reception; and business name and logo displayed at the event and on marketing materials, website, and social media sites.

Deadline to become a sponsor is Monday, February 25, 2019. Contact the Office of Community Relations at (714) 741-5280 or email a sponsorship form to communityrelations@ggcity.org.

For forms and information, visit www.ggcity.org/grads. Photos from previous receptions can be found on the City's Facebook and Instagram @GardenGroveCityHall.

**PARKS SURVEY
DEADLINE APPROACHING SOON**

The deadline to participate in the City of Garden Grove's online survey to help develop a 15-year Parks, Recreation, and Facilities Master Plan is Friday, February 8, 2019. The Parks, Recreation, and Facilities Master Plan will help guide the City in the planning, maintenance, and development and/or rehabilitation of Garden Grove parks and recreation facilities.

To complete the online survey in English, Korean, Spanish, or Vietnamese, please visit ggcity.org/parksurvey. The survey is also available at the Garden Grove City Hall Recreation Counter, at 11222 Acacia Parkway, 1ST floor.

Community meetings will be held on Saturday, February 9, 2019 at Hilton D. Bell Intermediate School, located at 12345 Springdale Street, at 11:00 a.m., in the Multipurpose Room; and on Thursday, February 21, 2019 at the Garden Grove Community Meeting Center, located at 11300 Stanford Avenue, at 6:00 p.m., in the B Room. Both meetings will be identical and Korean, Spanish, and Vietnamese translators will be available.

For questions, please contact Janet Pelayo, Community Services Department, at (714) 741-5200, or email at janetp@ggcity.org.

MAYOR JONES GIVES FIRST-OF-YEAR OFFICIAL ADDRESS AT STATE OF THE CITY EVENT

The new year brings a fresh start for Garden Grove as Mayor

Steven R. Jones delivers his official address at the State of the City luncheon on Wednesday, January 30, 2019. The event, hosted by the Garden Grove Chamber of Commerce, takes place from 11:00 a.m. to 1:00 p.m., at the Great Wolf Lodge, at 12681 Harbor Boulevard. Tickets are \$50 per person through Thursday, January 24, 2019.

Mayor Jones will discuss the City's recent accomplishments, as well as the vision for the coming year. Mayor Jones will address his goals relating to the role of local government, community engagement, business partnerships, and economic growth, among others. The Mayor will inform attendees of upcoming events, major developments, and other areas of progress in the city.

A complete transcript of the Mayor's speech will be available on the City of Garden Grove website at www.ggcity.org following the event.

For tickets and information, or for sponsorship opportunities, contact the Garden Grove Chamber of Commerce at (714) 638-7950, or visit www.gardengrovechamber.com.

WEST HAVEN PARK TO CLOSE FOR 8-MONTH RESERVOIRS PROJECT

West Haven reservoirs near West Haven Park, at 12252 West Street, are set to undergo rehabilitation beginning Monday, January 28, 2019 through August 2019. Park goers are advised that West Haven Park will be closed during the rehabilitation project. Temporary construction fencing will be installed.

The rehabilitation consists of two, 10 million gallon reservoirs, and includes various repairs, construction of seismic curb, roof waterproofing, and the addition of a fall protection system for the reservoirs. Site specific improvements include replacement of butterfly valves, flap gate, asphalt and concrete work, sump vault lids and hatches, installation of steel picket perimeter fence around West Haven Park, and other restoration tasks.

The \$4,464,635 project was awarded by the Garden Grove City Council on Tuesday, November 13, 2018 to Pacific Hydrotech Corporation. The project is funded by the Water Enterprise Fund.

For more information, contact Rebecca Li in the City's Public Works Department at (714) 741-5562.

Thành phố Garden Grove cần sự giúp đỡ hoàn chỉnh dự án 15 năm xây dựng công viên và các khu vực vui chơi giải trí. Thành phố kêu gọi cư dân Garden Grove và những người thường xuyên lui tới các công viên trong Thành phố tham gia cuộc khảo sát thăm dò ý kiến. Kế hoạch tổng thể về Công viên và các khu vực vui chơi giải trí giúp hướng dẫn Thành phố trong việc lập kế hoạch, bảo trì, phát triển và/hoặc sửa chữa các công viên tại Garden Grove.

Các bản khảo sát thăm dò ý kiến trực tuyến hiện có tại ggcity.org/parksurvey bằng tiếng Anh, Việt, tiếng Hàn, và Tây Ban Nha. Bản khảo sát cũng có sẵn tại Recreation Counter tại lầu 1 trong City Hall, địa chỉ là 11222 Acacia Parkway. Cuộc thăm dò ý kiến sẽ kéo dài cho đến Thứ Sáu, ngày 8 tháng Hai, 2019.

Thành phố sẽ tổ chức hai cuộc hội thảo cộng đồng để nhận thêm phản hồi từ người dân trong cộng đồng và người thường xuyên lui tới các công viên. Các cuộc họp sẽ được tổ chức vào Thứ Bảy, ngày 9 tháng Hai, 2019 tại Trường Hilton D. Bell, tọa lạc tại 12345 Springdale Street, lúc 11:00 giờ sáng, tại phòng Multipurpose Room; và vào Thứ Năm, ngày 21 tháng Hai, 2019 tại Garden Grove Community Meeting Center, tọa lạc tại 11300 Stanford Avenue, lúc 6:00 giờ chiều, tại Phòng B. Sẽ có nhân viên nói tiếng Việt để giúp trao đổi thông tin tại các buổi hội thảo cộng đồng.

CÔNG VIÊN WEST HAVEN PARK TẠM THỜI ĐÓNG CỬA 8 THÁNG ĐỂ SỬA SANG NÂNG CẤP

Các hồ chứa West Haven gần Công viên West Haven Park, tọa lạc tại 12252 West Street, sẽ đóng cửa để sửa sang, nâng cấp từ Thứ Hai, ngày 28 tháng Giêng, 2019 đến tháng Tám, 2019. Những ai thường xuyên sử dụng công viên được khuyến cáo không nên lui tới trong thời gian này, vì sẽ có hàng rào xây dựng tạm thời cài đặt.

Công trình sửa sang bao gồm hai hồ nước với sức chứa 10 triệu gallon, và bao gồm nhiều sửa chữa khác nhau, như xây dựng lề đường địa chấn, chống thấm mái nhà, và bổ sung hệ thống chống rơi cho các hồ chứa. Các cải tiến cụ thể của công trường bao gồm thay thế van bướm, cổng nắp, công việc bê tông, nắp hầm, lắp đặt hàng rào chu vi thép quanh công viên West Haven và các sửa sang khác.

Dự án hơn \$4,464,635 triệu đồng đã được thông qua bởi Hội đồng Thành phố vào ngày Thứ Ba, 13 tháng 11, 2018 cho công ty Pacific Hydrotech Corporation.

Dự án được tài trợ bởi Water Enterprise Fund.

GARDEN GROVE TÌM KIẾM MẠNH THƯỜNG QUÂN BẢO TRỢ CHO CHƯƠNG TRÌNH TUYÊN DƯƠNG NHỮNG SINH VIÊN ĐẠI HỌC TẠI THÀNH PHỐ

Thành phố Garden Grove tìm kiếm những mạnh thường quân, cơ sở thương mại để bảo trợ cho Chương trình 'Tuyên Dương Những Sinh Viên Đại Học năm 2019.' Đây là một chương trình biểu dương thành tích học tập của các sinh viên trong cộng đồng. Chương trình sẽ được tổ chức riêng biệt vào Tháng Năm, 2019. Các nhà tài trợ có thể chọn từ ba cấp tài trợ: Tài trợ "Master's Sponsorship" là \$1,500+; Tài trợ "Bachelor's Sponsorship" là \$750+; và Tài trợ "Associate Sponsorship" là \$300+. Hoặc cũng có thể chọn đóng góp bằng hiện vật hoặc hiện kim khác.

Khi tài trợ cho chương trình, các quyền lợi bao gồm thiệp mời tham dự buổi tiệc do Thành phố tổ chức; được quảng cáo tên công ty/cơ sở trong chiến dịch quảng cáo của Thành phố bao gồm trên mạng truyền thông xã hội và trang web; và tên doanh nghiệp, logo trên các thiệp mời và tờ đơn chương trình.

Khi tài trợ cho sự kiện này, các mạnh thường quân sẽ giúp ủng hộ thể hệ trẻ tại Garden Grove tiến xa hơn trong học vấn của mình. Ngoài ra, các nhà tài trợ sẽ có cơ hội để gặp gỡ giao lưu thêm những khách hàng khác. Thị Trưởng và những Nghị viên Thành phố sẽ cùng tham dự buổi tiệc.

Để ghi danh và biết thêm thông tin, xin coi tại www.ggcity.org/grads. Hoặc cũng có thể liên lạc qua số điện thoại (714) 741-5280 hoặc email về communityrelations@ggcity.org. Thông tin cũng được cập nhật trên Facebook tại Garden Grove City Hall.

Orange County Division Members,

The following is the League of California Cities' analysis on the State Budget that was unveiled yesterday by Governor Gavin Newsom. There are several threatening impacts to local government, especially the withholding of recently voter-approved transportation funding for local streets and roads.

Please distribute this report to your city elected officials and all interested city staff members. Should you wish to add anyone to my email distribution list, please reply to this email.

Let me know if you have any questions.

Governor Newsom Unveils Proposed FY 2019-20 Budget

Additional Funding for Housing and Homeless, Transportation Funds Threatened

Governor Gavin Newsom held a lengthy press conference this morning to unveil his first budget proposal, which includes \$144 billion in General Funding spending and — combined with proposed special fund and bond proceed allocations — totals \$209 billion.

While maintaining he was being fiscally prudent — increasing the Rainy Day Reserve to \$15.3 billion, paying down a total of \$4.1 billion state pension liabilities, allocating an additional \$700 million to a social safety net reserve and \$2.3 billion in general reserves — he also proposed major spending augmentations in various areas, including:

- Allocating \$500 million to expand childcare infrastructure;
- Increasing CalWORKs (welfare) payments by 25 percent;
- Spending a total of \$80.7 billion on K-12 and Community Colleges, including \$750 million to address barriers to full-day kindergarten;
- Augmenting funds to UC and CSU, and extending the free community college program to two years;
- Supplemental Cal Grants to assist college students with children;
- Doubling the state's Earned Income Tax Credit for low income households;

- Expanding Medical to serve undocumented youth between 19-25; and
- Providing six months of paid parental leave.

Many of the above expenditures reflect a troubling economic undercurrent in California, despite its position as the world's fifth largest economy. Demographic information reveals that since 2007, the median income for households with bachelor's degrees has stayed relatively flat at \$72,000, but average income for those with less education has declined from \$42,000 to \$35,000 in the same time period.

As he previewed in an announcement earlier this week, the Governor's budget includes \$415 million in funding for emergency preparedness and response. Of the \$415 million, the Governor indicated he will propose a historic investment of \$305 million in new emergency planning funding. The remaining \$110 million is expected to be carried over from last year, and one-time funding repeated from last year's appropriations.

Cities received additional housing-related investments, including \$500 million to build homeless shelters, \$500 million for affordable housing tax credits and \$500 million for moderate housing production.

When asked by reporters about restoring redevelopment, the Governor shied away from committing to reintroducing the tool, saying instead that affordable housing resources were being restored and that we should make Enhanced Infrastructure Finance Districts (EIFD) more useful by repealing the current 55 percent vote requirement associated with issuing debt, and pairing them with federal Opportunity Zone incentives.

Of paramount concern to cities is a policy proposal that would empower the Department of Housing and Community Development (HCD) with top-down authority to dictate local land use policies and penalize local communities if new state quotas are not met by stripping local transportation dollars and other vital revenue.

Detailed budget areas of importance to cities are outlined below.

Housing, Community and Economic Development

This budget is a mixed bag for local government in regards to housing. While historic levels of new funding are proposed to help address homelessness and affordable housing needs, the budget also includes possible statutory changes that would undermine local land use authority, limit the ability to impose impact fees and jeopardize local transportation revenues.

RHNA Reforms, Production and Enforcement/Link to Transportation Funding

The budget proposes to increase housing production long-term by "revamping" the Regional Housing Needs Assessment (RHNA) process. As part of this new process, HCD will use its new authority under Chapter 370, Statutes of 2017 (AB 72) and Chapter 958, Statutes of 2018 (686) to more actively oversee housing element implementation and take enforcement action on local governments as needed.

Additionally, the Governor wants to explore the possibility of linking housing production to transportation funds and other applicable sources of funding (see transportation section for greater detail).

Capping Local Impact Fees

While the budget does not contain a direct proposal to limit or restrict local planning or impact fees, it does declare that these fees contribute substantially to the cost of development. Additionally, during

the Governor's press conference, he stated that impact fees are "out of control" and he is forming an impact fee task force. The Governor also said that he is considering "going to the ballot" to address the problem.

Short-Term Planning and Performance Incentive Grants

\$750 million in one-time funding is proposed to increase housing production and provide technical assistance to local governments. HCD is directed to establish new higher short-term housing production goals at each income level for all jurisdictions. These include:

- \$250 million (SB 2 funds) for technical assistance for local governments to develop plans that include but are not limited to: streamline housing approvals, complete California Environmental Quality Act (CEQA), improve permitting or rezone to increase density; and
- \$500 million for grants to local governments that can be used for general purposes if they achieve unspecified milestones associated with enhanced planning and increased housing production.

Funding for Housing Tax Credits and Moderate-Income Housing Production

- \$500 million General Fund one-time funding for the development of moderate-income housing. The California Housing Finance Agency will expand the existing Mixed-Income Loan Program that provides a lower subsidy than traditional state housing programs.
- \$500 million, and up to \$500 million annually thereafter, upon appropriation, for affordable housing tax credits as follows:
 - \$300 million to the existing housing tax credit program that targets new construction projects that pair with the underutilized 4 percent federal tax credit program.
 - \$200 million to a new program targeting housing projects for households earning between 60 and 80 percent of area median income.

Accelerating Housing Bond Allocations

The budget proposes to accelerate awards to qualifying projects from the \$4 billion Veterans and Affordable Housing Bond Act of 2018.

Building on Excess State Property/No Local Approvals

The budget proposes to allow affordable housing developers to build demonstration projects on excess state property, which does not require local approvals, and use creative and streamlined construction processes. Developers, selected through a competitive process, will receive low-cost, long-term ground leases.

Changes to Enhanced Infrastructure Finance Districts

The budget proposes to expand Enhanced Infrastructure Financing Districts (EIFDs) authority by removing the 55 percent voter approval threshold to issue debt. The Governor believes that more cities and counties will form EIFDs if they have greater ability to raise capital. Additionally, the budget proposes to pair EIFDs with federal Opportunity Zones.

The state will also conform to federal law and allow for deferred and reduced taxes on capital gains in Opportunity Zones for investments in green technology or affordable housing, and for exclusion of gains on such investments in Opportunity Zones held for 10 years or more.

Homelessness

\$500 Million General Fund One-Time Funding for Homelessness

Last year \$500 million in one-time funding was allocated to local jurisdictions to address emergency homelessness needs. This year's proposed budget once again allocates \$500 million in one-time funding for jurisdictions that site and build emergency shelters, navigation centers or supportive housing.

The proposed allocation of these funds is similar to the formula from last year's budget:

- \$200 million will be distributed by the Business, Consumer Services and Housing Agency (BCSH) through Continuums of Care to jurisdictions that establish joint regional plans. In order to receive the money, cities and counties must work together and collaborate to site and build emergency shelters, navigation centers or supportive housing;
- \$100 million will be allocated to the 11 most populous cities in the state; and
- \$200 million will be made available to jurisdictions that show progress in permitting new supportive housing units or constructing emergency shelters and navigation centers.

CEQA Streamlining for Homeless Shelters

The Administration will seek legislation to grant homeless shelters, navigation centers, and new supportive housing units the same streamlined environmental review recently given to sports stadiums. The expedited CEQA review will accelerate judicial review of challenges to an Environmental Impact Report.

Department of Transportation (Caltrans) Airspace for Emergency Shelters

The budget includes the development of a statewide policy for the use of Caltrans airspace, or land located in the state's highway right-of-way, for emergency shelters, expanding on 2018 legislation that allowed for such spaces on up to 30 parcels in Oakland, San Jose, Los Angeles, San Diego, and Stockton.

Assisting Homeless Individuals to Qualify for Federal Disability

The budget proposes an annual appropriation of \$25 million General Fund beginning in 2019-20 to continue the Housing and Disability Advocacy Program to assist homeless, disabled individuals with applying for the federal Supplemental Security Income disability benefit programs. Participating counties are required to match any state funds on a dollar-for-dollar basis.

Whole Person Care Pilot Programs

\$100 million General Fund (one-time with multi-year spending authority) is allocated for Whole Person Care Pilot programs that provide housing services. These programs coordinate health, behavioral health (including mental health and substance use disorder services), and social services.

This funding will be used to match county investments in health and housing services with a focus on the homeless mentally ill population.

Accelerating Allocation of No Place Like Home Funds

The budget proposes to accelerate awards to qualifying projects authorized by Proposition 2, authorizing a \$2 billion bond to construct housing for the homeless mentally ill.

Mental Health Workforce Investment

\$50 million General Fund is proposed for training opportunities for mental health practitioners.

Job Creation

- \$27 million in Greenhouse Gas Reduction Funds (GGRF) is proposed to increase job training and apprenticeship opportunities focused on disadvantaged communities.

- Pre-Apprenticeship Construction Partnerships — \$10 million annually for 5 years to place approximately 3,000 disadvantaged workers in apprenticeships for a career in the trades by doubling the training capacity for each of the existing 14 regional hubs;
- Training Partnerships — \$10 million annually for five years to place 2,000 disadvantaged workers into entry-level jobs and develop skills in climate and technology-related occupations through the expansion of existing partnerships;
- Worker Transition Fund — \$5 million annually for five years to provide income replacement in conjunction with retraining for approximately 1,500 displaced workers resulting from climate policies or automation; and
- Technical Assistance and Program Administration — \$2 million for 11 positions and contract resources at the California Workforce Development Board to support these programs.

Transportation and Infrastructure

- While the Administration plans to release a five-year infrastructure plan later this year, the Governor's proposed January budget includes \$4.8 billion for transportation generated by SB 1 (Beall, Chapter 5, Statutes of 2017) in FY 2019–20, with funding distributed from the Road Maintenance and Rehabilitation Account to the following state and local programs:

Local Allocations:

- \$1.2 billion for local streets and roads, including \$600 million for cities and \$600 million for counties;
- \$458 million for local transit operations;
- \$386 million for transit, commuter, and intercity rail;
- \$200 million for the State-Local Partnership Program;
- \$100 million for the Active Transportation Program;
- \$36 million for Commuter Rail and Intercity Rail; and
- \$25 million for Local Planning Grants.

State Allocations:

- \$1.2 billion for maintenance of the state highway system known as the State Highway Operation and Protection Program;
- \$400 million for bridges and culverts;
- \$307 million for trade corridor enhancements; and
- \$250 million for commuter corridors.

In addition to these allocations, the budget includes \$2.4 billion to pay off the state's budgetary debts, including the elimination of all outstanding loans from special funds and transportation accounts for the first time in over a decade.

It is important to note that the SB 1 allocations above do not represent all of the transportation tax revenue cities will receive. In fact, omitted from this summary are the existing revenue streams from the Highway Users Tax Account (HUTA), which are similar in amount to the SB 1 revenues. For the latest city transportation funding estimates, please visit www.californiacityfinance.com in the coming weeks.

New Threat to SB 1 Funding

Over the last two years, the passage and defense of SB 1 (Beall), the largest transportation infrastructure investment in state history, which dedicates all of the new revenue to transportation projects in every community across the state, required every resource available to the League and a coalition of transportation stakeholders in partnership with the Legislature and Administration.

The voters rejected Proposition 6 and sent a strong signal that fixing potholes and making roads safer in their communities is a top priority. Therefore, it is very concerning to be faced just a couple of months later with a proposal that threatens promises made to the voters.

The Governor's January budget states:

“Going forward, the state will strongly encourage jurisdictions to contribute to their fair share of the state's housing supply by linking housing production to certain transportation funds and other applicable sources, if any. The Administration will convene discussions with stakeholders, including local governments, to assess the most equitable path forward in linking transportation funding and other potential local government economic development tools to make progress toward required production goals.”

The \$54 billion transportation investment in SB 1 is a major accomplishment for state and local governments, and while this investment will make significant improvements to transportation across the state, it does not represent a windfall for state or local agencies.

In fact, for the last 10 years, state and local governments have consistently identified massive backlogs and funding shortfalls for the state and local transportation networks exceeding \$50 and \$70 billion over 10 years, respectively.

As a result of SB 1, however, the unmet funding need for local streets and roads shrinks by approximately \$18 billion, while two-thirds of the network moves into a state of good repair. Absent such investment, such shortfalls would have grown by \$20 billion and over half of all roads would have fallen into a state of disrepair.

SB 1 will stabilize road conditions across the state in the aggregate, while seeing significant improvement where such investments can be maximized. Preserving these investments and the commitment made to the voters will continue to be a top priority for the League.

Addressing State Infrastructure Maintenance

The budget includes one-time funds to address backlog of deferred state maintenance needs to the following departments:

- \$112 million — Department of Corrections and Rehabilitation;
- \$45 million — Department of Parks and Recreation;
- \$40 million — Judicial Branch;
- \$35 million — Department of State Hospitals;
- \$16 million — Department of General Services;
- \$10 million — Department of Fish and Wildlife;
- \$7 million — Network of California Fairs;
- \$6 million — Department of Forestry and Fire Protection;
- \$5 million — Department of Developmental Services;
- \$5 million — California Military Department;

- \$5 million — California Highway Patrol;
- \$5 million — Department of Veterans' Affairs;
- \$5 million — State Special Schools;
- \$3 million — Department of Motor Vehicles
- \$3 million — Exposition Park;
- \$3 million — Department of Food and Agriculture;
- \$3 million — Housing and Community Development;
- \$2 million — Employment Development Department;
- \$2 million — Office of Emergency Services;
- \$1 million — California Conservation Corps;
- \$1 million — Hastings College of the Law;
- \$1 million — Tahoe Conservancy;

Emergency Preparedness and Response

The Governor prioritized emergency preparedness and response in his brief tenure, as evidenced by his early focus on the issues. In a press conference held early this week in Colfax, the Governor unveiled two executive orders and \$415 million in funding for emergency preparedness and response. [Watch](#) the 45-minute press conference and [read](#) the Governor's press release for full coverage.

The January budget proposal lays out funding proposals for emergency preparedness and response as follows:

Support for Affected Communities

The budget proposes the following allocations for local communities affected by the devastating disasters in recent months:

- Property tax backfill — \$31.3 million to backfill property tax losses for cities, counties and special districts:
 - \$11.5 million to backfill entities in Butte, Lake, Los Angeles, Orange, Riverside, Shasta and Siskiyou counties for losses estimated to be incurred in 2019-20 as a result of the 2018 wildfires;
 - \$16.1 million to backfill entities in Butte County for losses estimated to be incurred in 2020-21 and 2021-22 due to the 2018 Camp Fire; and
 - \$3.6 million to backfill entities in Lake County for losses estimated to be incurred in 2019-20, 2020-21, and 2021-22 resulting from the wildfires in 2015, 2016, and 2017.
- Debris removal — \$155.2 million for waiving local county share of costs for debris removal. This is an estimate, as the budget assumes a \$2.5 billion estimate for debris removal costs for the Camp, Woolsey, and Hill fires and the federal government is expected to cover 75 percent of those costs; and
- Backfill affected schools Prop. 98 funding.

Department of Forestry and Fire Protection (CAL FIRE)

The Governor's budget includes a total of \$2.6 billion and 7,645.6 positions for CAL FIRE. Earlier this week, the Governor detailed the \$415 million in appropriations specifically for emergency preparedness and response. Proposed appropriations are as follows:

- Fire Prevention — \$213.6 million for fuel reduction projects through prescribed fire crews and grants for forest health projects, implementation of the recently enacted wildfire prevention and recovery legislative package, which streamlines regulatory barriers for fuel reduction projects, and disposal of illegal and dangerous fireworks. Of this, \$200 million was agreed to as part of last year's SB 901 compromise to appropriate \$1 billion over five years;

- Enhancing Aviation Resources — \$120.8 million General Fund to add aircraft with increased tactical capabilities to CAL FIRE’s aviation fleet to meet the challenges associated with more severe wildfire activity. This includes:
 - \$11.4 million for the first year of operating C-130 air tankers that will be transferred from the U.S. Air Force; and
 - \$109.4 million to continue replacement of CAL FIRE's helicopters with new Blackhawk helicopters.
- Expanding Firefighting Surge Capacity — \$64.4 million General Fund for fire protection capabilities to:
 - Add new 13 year-round fire engines to be located in the highest fire risk areas;
 - Expand staffing for bulldozer operations during emergency wildfire events;
 - Accelerate replacement of fire engines and mobile equipment as a result of wear and tear from the longer fire season; and
 - Add five CAL FIRE/California Conservation Corps fire crews at Los Padres, Camarillo and Butte fire centers.
- Emergency Responder Services — \$6.6 million to expand CAL FIRE’s health and wellness program and to provide medical and psychological services and peer support to firefighters; and
- Technology — \$9.7 million to support incident commanders with data gathered via remote sensing technology, situational awareness software and satellite imagery, and 100 additional fire detection cameras that will be linked into the existing command centers to provide additional data on conditions.

Office of Emergency Services

California’s Office of Emergency Services (Cal OES) coordinates emergency readiness and response activities. This budget proposes an additional \$172.3 million for the following activities:

- Mutual Aid — An additional \$25 million in ongoing General Fund funding has been proposed for mutual aid to support existing Cal OES and local government prepositioning;
- 9-1-1 advancements — \$60 million in one-time funding (\$10 million in 2018-19 and \$50 million in 2019-20) to upgrade the 9-1-1 system from analog to digital. This budget also assumes a 9-1-1 fee structure will take effect in 2020 to generate about \$170 million annually. Imposing a fee would require a two-thirds vote of the Legislature;
- Broadband Communication and 9-1-1 — \$1 million for emergency communications coordination and First Responder Network Authority broadband services;
- California Earthquake Early Warning — \$16.3 million in one-time funding to complete a statewide earthquake early warning system;
- Public Education — \$50 million for one-time to begin a comprehensive statewide education campaign on disaster preparedness and safety in high-risk areas and for local grants; and
- California Disaster Assistance Act (CDAA) — \$20 million in one-time funding to repair or replace public real property damaged or destroyed by a disaster, and to reimburse local government for unspecified emergency activities in response to a state of emergency. Total CDAA funding is proposed to be \$82.6 million in 2019-20.

Additional Proposals

- Public Safety Radios — Updates to radio systems used by first responders who often operate on different systems and relay messages through dispatchers:
 - \$59.9 million over five years for a new California Interoperable Public Safety Radio System for Cal OES;

- \$2.9 million to the Department of Justice to replace radios;
 - \$1.6 million to the Department of Fish and Wildlife to replace vehicle-mounted and handheld radios; and
 - \$62.4 million to the California Highway Patrol (CHP) to replace radio systems in vehicles, \$18 million to replace laptops and hand-held citation devices, and \$9.5 million to replace information technology infrastructure.
- Implement Wildfire Prevention and Recovery Legislation (SB 901, Dodd, 2018)—\$20.5 million for the following purposes:
 - \$9.2 million to the California Public Utilities Commission for wildfire cost recovery proceedings, wildfire mitigation plans, and oversight of utility compliance;
 - \$7.9 million to the State Water Resources Control Board (SWRCB) and Department of Fish and Wildlife to review timber harvest plan exemptions and inspections, permits, and enforcement to improve forest health and vegetation management; and
 - \$3.4 million from the Greenhouse Gas Reduction Fund to the Air Resources Board for air quality and smoke monitoring and modeling, as well as air district public education efforts on prescribed burns and other fuel reduction activities (see additional allocations in Cap and Trade section).

Related Activities and Executive Orders

The Governor also signed two executive orders earlier this week, the second and third of his short tenure.

- [Executive Order N-05-19](#) requires CAL FIRE, in coordination with other state agencies, to report to the Governor within 45 days with recommendations to prevent and mitigate wildfires, including deploying personnel and resources, policy changes for rapid fuels management, and a methodology to assess at-risk communities. When determining which communities are at greatest risk, this executive order requires CAL FIRE to consult with local stakeholders and to consider “socioeconomic factors and vulnerable populations that exacerbate the human toll of wildfires.” Further, the executive order announces the new \$50 million public education campaign described in the Cal OES section above; and
- [Executive Order N-04-19](#) requires the state to develop a new approach to procurement with the goal of deploying new innovative solutions to the state’s wildfire crisis by spring 2020. This executive order is intended to speed up the use of new technology for fire detection by the next fire season.

Earlier this week, the Governor signed a joint letter to President Trump, along with Washington Gov. Jay Inslee and Oregon Gov. Kate Brown, requesting partnership between state and federal governments on forest management.

Environmental Quality

Cap-and-Trade

Over the life of the Cap-and-Trade program, approximately \$9.3 billion of revenues have been appropriated to numerous programs. This budget proposes a \$956 million expenditure plan, which the Governor noted is approximately \$400 million less than the previous fiscal year. The expenditure plan is outlined in the figure below.

2019-20 Cap and Trade Expenditure Plan
(Dollars in Millions)

Investment Category	Department	Program	Amount
Air Toxic and Criteria Air Pollutants	Air Resources Board	AB 617 - Community Air Protection	\$200
		AB 617 - Local Air District Implementation (\$50 million total, including other funds)	\$20
		Technical Assistance to Community Groups	\$10
Low Carbon Transportation	Air Resources Board	Clean Vehicle Rebate Project	\$200
		Clean Trucks, Buses, & Off-Road Freight Equipment	\$132
		Enhanced Fleet Modernization Program, School Buses & Transportation Equity Projects	\$50
		Agricultural Diesel Engine Replacement & Upgrades	\$25
Healthy Forests	CAL FIRE	Healthy & Resilient Forests	\$165
		Prescribed Fire & Fuel Reduction	\$35
Climate Smart Agriculture	Department of Food & Agriculture	Healthy Soils	\$18
		Methane Reduction	\$25
Short-Lived Climate Pollutants	CalRecycle	Waste Diversion	\$25
Integrated Climate Action: Mitigation & Resilience	Strategic Growth Council	Transformative Climate Communities	\$40
	Coastal Commission & SF Bay Conservation and Development Commission	Coastal Resilience	\$3
	Community Services & Development	Low-Income Weatherization	\$10
	California Conservation Corps	Energy Corps	\$6
Workforce Training	Workforce Development Board	Apprenticeships for a Green Economy	\$27
Climate and Clean Energy Research	Strategic Growth Council	Climate Change Research	\$10
Total			\$1,001

Drinking Water

Because many of the small water systems in the state are unable to supply clean drinking water, the Governor proposes the following allocations for safe drinking water projects:

- Safe Drinking Water Projects — \$168.5 million in Prop. 68 funds for SWRCB for technical assistance, grants and loans to public water systems in disadvantaged communities for infrastructure improvements to meet safe and affordable drinking water standards, including drinking water and wastewater treatment projects;
- Emergency Water Supplies — \$10 million General Fund for SWRCB to address safe drinking water emergencies in disadvantaged communities, including interim alternate water supplies (bottled or hauled water) and emergency improvements or repairs to existing water systems, such as well rehabilitation or replacement, extension of service, consolidation projects, or treatment systems;
- Technical Assistance — \$10 million General Fund for SWRCB to contract with, or provide grants to, provide services to a designated water system to achieve compliance with current drinking water standards. Technical assistance could also include the development of a community-based needs assessment and preparation of grant applications for capital projects; and
- Safe and Affordable Drinking Water Fund — Establish a new special fund, with a dedicated funding source from new water, fertilizer and dairy fees, to enable SWRCB to provide

communities, especially disadvantaged communities, access to safe and affordable drinking water. This proposal is consistent with SB 623 (Monning, 2017), which failed to pass the Legislature. Proposed funding of \$4.9 million General Fund on a one-time basis for SWRCB and the Department of Food and Agriculture to begin implementation, including for fee collection systems, an annual implementation plan and a map of high-risk aquifers used as drinking water sources.

Additional Allocations

- Exide Lead Acid Battery Facility — \$50 million is allocated on a one-time basis to accelerate cleanup of properties within a 1.7 mile radius of the Exide lead acid battery facility that operated in Vernon.

Community Services

The Governor proposed major new investments to provide support for children and families from cradle to career. Among his proposals are universal preschool for low-income four year olds, trauma screenings for children enrolled in Medi-Cal and additional measures to address poverty.

Child Care and Early Learning

\$1.2 billion is proposed to increase child care and early education provider rates and increase the number of children served. Major proposals include:

- Universal Full-Day Kindergarten — \$750 million General Fund to eligible school districts to construct or retrofit facilities and reduce barriers to providing full-day kindergarten;
- Universal Preschool — \$124.9 million General Fund (with additional funding expected for the next two fiscal years) to fund 200,000 slots by 2021-22;
- Subsidized Child Care — \$500 million in one-time General Fund to expand subsidized child care facilities and provide education to the child care workforce; and
- CalWORKs — \$347.6 million to increase grants by 13.1 percent effective Oct. 1, 2019 to 50 percent of the federal poverty level. The maximum grant level for an assistance unit of three would increase from \$785 to \$888 per month.

Working Families Tax Credit

The Governor proposes to rename California's version of the Earned Income Tax Credit the Working Families Tax Credit and double the size to \$1 billion. It is proposed to provide a \$500 tax credit for low-income families with children under the age of six, and expand to 400,000 additional full-time workers who earn \$15 per hour.

Funding for this tax credit is proposed to come from a "revenue neutral tax conformity package that will bring components of the state's tax policies in line with the new federal law and remove burdens for small businesses."

Child Savings Accounts

\$50 million is proposed to establish new child savings account pilot projects funded by a one-time General Fund appropriation. The funding would support pilot projects to develop model programs and partnerships with First 5 California, local First 5 Commissions, local government and philanthropy. Eligible uses of the accounts would be for college or vocational school tuition, room and board, books, supplies and equipment and mandatory fees.

California Arts Council

\$10 million is allocated to the California Arts Council to expand grant programs for public access to the arts, arts education and cultural infrastructure. The budget also anticipates matching funds.

Public Safety

The budget provides and augments funding for several programs of interest to local agencies:

- \$14.9 million General Fund to restore Commission on Peace Officer and Standards and Training to its historical budget level prior to the decline in fine and fee revenues;
- \$20 million General Fund to make permanent a one-time augmentation included in the 2018 Budget Act for training on use of force and de-escalation and engaging with individuals experiencing a mental health crisis;
- \$10 million ongoing General Fund for Cal OES to continue funding for the Human Trafficking Victim Assistance Program;
- \$4.2 million General Fund to establish two regional task forces within the Department of Justice (DOJ) to address the statewide human trafficking epidemic by focusing on the worst sexual predators who are involved in human trafficking;
- \$5.8 million in General Fund dollars on a limited-term basis for CHP to coordinate with DOJ in the creation of regional task forces aimed at reducing organized retail theft activities;
- \$16.9 million for the administration of the Armed Prohibited Persons System (APPS), including:
 - \$11.3 million to shift the existing APPS program from the Dealers' Record of Sale Account to the General Fund; and
 - \$5.6 million in General Fund to support increased APPS workload.
- \$6.9 million to the Bureau of Firearms for Dealers' Record of Sale Account to address increasing workload related to firearm sales.

Corrections Realignment

The Department of Finance estimates net General Fund savings of \$78.5 million from Prop. 47 when comparing 2018-19 to 2013-14, an increase of \$13.8 million over the estimated savings in 2017-18. The following amounts are provided for county realignment programs:

- \$116.4 million to continue incentivizing counties to reduce the number of felony probationers sent to state prison; and
- \$11.8 million for county probation departments to supervise the temporary increase in the average daily population of offenders on Post-Release Community Supervision.

California Penal Code Review

The California Penal Code has dramatically increased in size from about 234,000 words in 1965 to 1.2 million words in 2018. The budget includes \$576,000 to begin an effort under the California Law Revision Commission to simplify and rationalize criminal law and criminal procedures included in the Penal Code.

Department of Corrections and Rehabilitation (CDCR)

The budget proposes total funding of \$12.6 billion (\$12.3 billion in General Fund and \$303 million in other funds) for CDCR in 2019-20.

While the average daily adult inmate population for 2018-19 is now projected to increase from 126,890 to 128,334 (a 1.1 percent increase from Spring 2018 projections), current projections show a year-over-year downward trend by approximately 1,360 offenders between 2018-19 and 2019-20. Prop. 57, the

Public Safety and Rehabilitation Act of 2016, is currently estimated to reduce the average daily adult inmate population by approximately 6,300 in 2019-20, growing to an inmate reduction of approximately 10,500 in 2021-22.

Rehabilitation & Reentry

\$475.3 million General Fund is allocated to the Division of Rehabilitative Programs, and includes:

- \$5.5 million for a package of programs specifically aimed at improving literacy rates among the offender population, including:
 - Diagnostic remedial reading program;
 - Computer-based learning;
 - English as a Second Language;
 - Teacher mentor program;
 - Literacy Coaches; and
 - Literacy Mentor Program.
- \$2.5 million for an expanded tattoo removal program for the adult offender population. Based on the existing Prison Industry Authority program model, this funding could allow tattoos to be removed from approximately 4,400 additional offenders per year.

Inmate Medical Care and Mental Health Services

The budget dedicates \$3.3 billion in General Fund to health care services programs, which provide access to mental health, medical and dental care for inmates.

Juvenile Justice

The Division of Juvenile Justice is projected to have a population of 759 young offenders in 2019-20 and focuses on providing rehabilitative programming designed for young offenders. The budget proposes to move youth correctional facilities from CDCR to a new department within the Health and Human Services Agency.

\$2 million is included in the budget to provide matching funds for a California Volunteers/AmeriCorps federal grant, which will support 40 half-time AmeriCorps members in organizations assisting youth released from the Division of Juvenile Justice.

Statewide Issues and Various Departments

California Public Employee Retirement System (CalPERS) and Retiree Healthcare (OPEB)

The state's total unfunded CalPERS liability is \$58.7 billion of an approximant \$153 billion unfunded liability. The Governor's budget proposal includes:

- \$3 billion in additional payments to CalPERS, in addition to the minimum required contribution of \$6.8 billion (\$3.9 billion General Fund) required by statute. Unlike the \$6 billion supplemental payment approved in FY 2017-18 (which by in large was a loan from the state's Surplus Money Investment Fund), this \$3 billion allocation is directly from the state's General Fund — making it the largest direct pre-payment in California history. This payment is projected to save the state approximately \$7.2 billion over 30 years.
- \$390 million in Prop. 2 debt funding is proposed to pay down the General Fund's share of the aforementioned FY 2017-18 \$6 billion supplemental payment; and
- \$2.3 billion for state retiree healthcare benefits representing a 1.7 percent of the total General Fund.

Proposed Paid Family Leave Expansion and Taskforce

Although no specific plan or proposed funding is allocated, the Administration announced its intention to expanding the Paid Family Leave Program from three months to six months.

The existing program allows workers to take up to six weeks of paid leave annually to care for a seriously ill family member or to bond with a newborn or newly adopted child, with wage replacement of up to 70 percent of salary based on income level. Each parent may take up to six weeks of paid family leave and, under California's Disability Insurance Program, a birth mother may take an additional six weeks of leave to recover from childbirth.

A taskforce will be convened to consider different options to phase-in and expand the program to accommodate single parent households by allowing a close relative to be designated. The Administration will also consider changes as needed to expand existing worker protections and non-retaliation protections to incentivize workers to access these benefits.

2020 Census

The Administration is proposing an additional \$50 million for census activities bringing the total to \$140.3 million. A majority of this allocation will be distributed to counties who have the highest hard-to-count population, minority population outreach, public private partnerships and the creation of complete count committees across the state.

The 2020 Census is critical to California. Data collected is directly linked to representation in the U.S. House of Representatives as well federal dollars received for a wide array of state and local programs.

Furthermore, California has the highest amount of hard-to-count population. Additionally, the budget includes \$4 million for the California Housing and Population Sample Enumeration — a statewide survey that will identify barriers to a complete count and identify successful approaches in an effort to develop recommendations for the 2030 Census.

Office of Digital Innovation

The Governor announced the creation of the Office of Digital Innovation, which would be housed under the Government Operations Agency. The agency will have the authority to develop and enforce requirements for state departments to assess their service delivery models and underlying business processes. Initial start-up costs are projected at \$36.2 million (\$33.7 million General Fund) with \$14.6 million (\$9.6 million General Fund) in ongoing costs.

Next Steps

Following the release of the Governor's budget, an analysis by the Legislative Analyst's Office is expected shortly. The League will continue to examine the details of this budget proposal and provide addition information to cities as warranted.

UTILITIES

PG&E to file for bankruptcy as wildfire costs rise -- PG&E Corp. said it will file for bankruptcy after the cost of California wildfires left it with potential liabilities of \$30 billion or more. The San Francisco-based company said it will file a Chapter 11 bankruptcy by Jan. 29, according to a filing at the Securities and Exchange Commission. [Los Angeles Times](#)

PG&E Chief Is Out as Utility Faces California Fire Liability -- Pacific Gas and Electric Company announced the departure of its chief executive Sunday as it remained besieged by a financial crisis related to California's historic wildfires. [Wall Street Journal](#)

Why SDG&E wants to get out of the business of buying electricity -- With California's grid going through dramatic changes, San Diego Gas & Electric has approached the Legislature in Sacramento with a proposal that, at least at first blush, sounds pretty radical — it wants to get out of the business of buying and selling electricity. [San Diego Union-Tribune](#)

CAPITOL POLITICS

With all Gov. Gavin Newsom has going for him, there's little excuse for failure -- No California governor in modern times has entered office with more wind at his back and fewer obstacles lying ahead. [Los Angeles Times](#)

Gov. Gavin Newsom embraces an untested idea on how California's rainy-day fund should work -- Four years after California voters embraced an effort to strengthen state government rules for cash reserves, a new kind of conventional wisdom is taking root in Sacramento about how that system works. Not all dollars, it turns out, may be equal. [Los Angeles Times](#)

We pay through the nose to live in California -- Gov. Gavin Newsom's inaugural address was a bit too long and somewhat disjointed, but he did make some cogent points, including this one: [Calmatters](#)

Gavin Goes Long and Strong on the Budget -- I double checked. Gov. Gavin Newsom's budget press conference has now finally ended. OK, it took less than two hours, which isn't that long when you consider the size of California and the complexity of state government. But Newsom's extremely detailed presentation of his budget was a departure from the short and elliptical budget sessions of Jerry Brown, who believed that less is more. [Fox & Hounds](#)

Newsom's Budget is a Roadmap – with a Vision and the Right Next Steps -- Governor Newsom's first budget is not only an early indicator of how he will govern, but Exhibit A in how California can be governed. In a week when the nation's capital is shrouded in hopeless rancor, Newsom's budget proposes a responsible path forward. [Fox & Hounds](#)

California's Budget Surplus Ignores Crushing Debt Burden -- California's new governor, Gavin Newsom, delivered an inaugural address earlier this week that accurately reflected the mentality of his supporters. Triumphant, defiant, and filled with grand plans. But are these plans grand, or grandiose? [Fox & Hounds](#)

Hueso and other lawmakers went to Maui with utilities while wildfires burned -- Sen. Ben Hueso, chairman of the state Senate's Energy, Utilities and Communications Committee, was one of a dozen California lawmakers to join 60 utility executives and other paid sponsors at the Fairmont Kea Lani resort in Hawaii last November. [San Diego Union-Tribune](#)

LOCAL GOVERNMENT

Junk, blight and problem businesses: South L.A. residents fume over code enforcement -- For more than a decade, complaints have rolled into the Department of Building and Safety about broken cars cluttering the street around an auto repair shop on West Adams Boulevard. [Los Angeles Times](#)

PUBLIC SAFETY

Candlelight vigil for slain Davis officer draws more than a thousand -- Well over 1,000 mourners turned out at a candlelight vigil Saturday night for Davis police Officer Natalie Corona, who was gunned down two days earlier after responding to a traffic collision. [Sacramento Bee](#)

PENSION REFORM

It didn't fix the L.A. teacher strike, but Newsom's pension idea would help schools, anyway -- Gov. Gavin Newsom's \$3 billion plan to pay down California public schools' pension obligations may not have been enough to prevent teachers in Los Angeles from striking. But it's not nothing, school officials across California say. [Calmatters](#)

Governor Newsom Statement on PG&E Announcing Intention to File Bankruptcy

SACRAMENTO -- California Governor Gavin Newsom issued the following statement after the Pacific Gas and Electric Company (PG&E) announced its intention to file for bankruptcy:

"PG&E provides gas and electric service to 16 million Californians. From the moment I was elected, I have been closely monitoring the impact of PG&E's existing and potential future liability for the deadly wildfires on the victims of the fires and the consumers who rely on PG&E for their electric and gas service.

"When I took office one week ago today, I immediately instructed my team to meet with the California Public Utilities Commission, CAISO, PG&E, and labor unions representing the workers who work for PG&E. My staff and I have been in constant contact throughout the week and over the weekend with these stakeholders and regulators. Everyone's immediate focus is, rightfully, on ensuring Californians have continuous, reliable and safe electric and gas service.

"While PG&E announced its intent to file bankruptcy today, the company should continue to honor promises made to energy suppliers and to our community. Throughout the months ahead, I will be working with the Legislature and all stakeholders on a solution that ensures consumers have access to safe, affordable and reliable service, fire victims are treated fairly, and California can continue to make progress toward our climate goals."

Governor Newsom Unveils Proposals to Tackle Housing Affordability Crisis

Governor Newsom signs executive order to build affordable housing on excess state lands

Last week, Governor Newsom's budget proposed an unprecedented \$1.75 billion to spur housing production

Surrounded by San Jose families, Governor Newsom also shared his commitment to working with the Legislature to protect renters

SAN JOSE — In San Jose, a community acutely experiencing California's housing crisis, Governor Gavin Newsom today announced a series of proposals to tackle housing affordability. Surrounded by area families who are considering leaving the state due to the high cost of housing, the Governor signed an executive order and laid out a number of proposals to spur housing production and help families.

Governor Newsom's housing proposals are a central pillar of his broader "California for All" agenda. Californians spend more of their income on housing costs than residents of almost any other place in America, and those huge costs are driving middle-class workers and their families further away from their jobs, and often out of the state. Meanwhile, a number of recent studies have warned that the state's tight housing market will constrain future economic growth and deepen economic inequality.

At the event today, Governor Newsom laid out components of his plan to tackle the housing affordability crisis for families:

- An executive order, signed today, to spur affordable housing development on state land;
- \$1.75 billion in new housing production dollars, laid out in his budget, to help incentivize housing production; and
- Asking the Legislature to work collaboratively on efforts to help renters and protect families from out-of-control rent increases.

During the roundtable discussion, San Jose residents shared their stories dealing with the high cost of housing and rent. Shavell Crawford, a working professional, explained how she and her fiancé were doubtful that they could afford to live in an apartment without roommates once they were married. Nuemi Guzman, a legal assistant, told of how she had to commute two hours each way to work because she couldn't afford to live any closer, meaning she could only see her two children just before they went to bed each night.

"The California Dream is in peril if we don't act to address this housing crisis," said Governor Newsom. "The cost of housing -- both for homeowners and renters -- is the defining quality-of-life concern for people across this state. Housing costs threaten to erode our state's long-term prosperity and are driving hardworking Californians to look for opportunities elsewhere. That's why I'm proposing a series of unprecedented actions to tackle this crisis head-on, and I look forward to working with the Legislature, cities, and counties to solve these urgent challenges."

As part of his California for All housing plan, the Governor proposes:

An unprecedented and historic effort to incentivize housing production: To address California's housing affordability crisis, the Governor's budget proposal includes \$1.75 billion to spur housing development and promote economic growth. The budget allocates \$500 million for incentives for localities that create new housing and \$250 million to provide technical assistance to cities and localities to responsibly ramp up zoning and permitting processes. The budget also invests in housing solutions for the missing middle class that too often cannot find affordable housing near their jobs. This includes \$500 million for tax credits and \$500 million for home construction.

Developing affordable housing on state lands: Governor Newsom signed an executive order to develop affordable housing on excess state lands. The executive order directs the Department of General Services (DGS) to take an inventory of all state-owned lands for potential development no later than April 30, 2019. The Department of Housing and Community Development and Housing Finance Agency will be directed to develop new screening tools to evaluate state lands and, where appropriate, state agencies can consider exchanging excess state land with local governments for other parcels, for affordable housing development. DGS, in consultation with the Department of Housing and Community Development, can issue Requests for Proposals on individual parcels and accept proposals from developers of

affordable housing interested in entering into low-cost, long-term ground leases of parcels on the priority map.

Working with the Legislature to address the rising cost of rent: The Governor is committed to increasing protections and relief for renters. He looks forward to working with the Legislature to find common ground on efforts to prevent rent spikes and create stability for renters.
