MATTERS FROM COMMISSIONERS

Staff gave an update on the construction on Valley View Street.

Staff was requested to look at the crosswalk on Buaro at Hampton; it has faded or was not removed completely and is causing a dangerous situation.

It was noted that the median S/B Brookhurst at Trask is squared off and not rounded so that if a vehicle cuts it too close and hits a tire the tire gets shredded.

Commissioner Arbgast thanked PD for making the effort to make their presence aware at the different schools. It has helped with the speeding problems.

MATTERS FROM STAFF

Dan Candelaria was promoted to City Engineer and Tony Aquino is now Acting City Traffic Engineer and will be performing all duties as such.
