APPLICANT: Michael Pauwels

LOCATION: 12926 Main Street

DATE: September 27, 2012

REQUEST: To modify the Conditions of Approval of Conditional Use Permit No. CUP-326-11 for the Globe Restaurant, to extend the closing time of the restaurant from 11:30 p.m. to 1:30 a.m., Sunday through Thursday, with the business continuing to close at 2:00 a.m. on Fridays and Saturdays; to change the days allowed for the limited live entertainment from Thursday and Friday to seven days a week; and, to eliminate the condition that requires food to accompany all alcoholic beverages served at the eating counter. The site is in the CC-3 (Civic Center-Core) zone.

Staff report was read and recommended approval. The Zoning Administrator opened the public hearing.

Staff emphasized Condition No. 15 regarding administrative citations of up to \$1,000 for any code violations.

The applicant, Mr. Michael Pauwels, commented that he was happy the request was moving forward and hoped for continued success in the beautiful City.

Mr. Peter Katz asked staff to describe the calls for service on Main Street. Staff replied that one establishment, Seven Seas, has had several calls for service, however, the Globe and other establishments were doing a great job.

Mr. Katz added that if there was anything he could help with to let him know as the businesses want to help to make Main Street a successful entertainment zone.

Mr. Scott Wiemer thanked staff for their support of the applicant and added that the extra hours make a synergy on Friday and Saturday nights, which enhances the businesses on Main Street.

Mr. Charles Mitchell further added that Main Street needs more venues to draw people to the street as the street is a vital part of the City; and that support was needed to progress toward a better economy.

The Zoning Administrator asked if the applicant had read and agreed with the conditions of approval. He replied yes.

With no further comments or questions, the Zoning Administrator closed the public hearing and commented that with the later hours, Main Street was heading toward an entertainment district with the City changing the zoning; that the success would be due to good operators; and that the businesses were not to be night clubs, but good restaurants with incidental alcohol.

The Zoning Administrator then approved Conditional Use Permit No. CUP-326-11 (REV. 12), pursuant to the facts and reasons contained in Decision No. 1659-12.

CONDITIONAL USE PERMIT NO. CUP-357-12

APPLICANT: Abdel Alomar

LOCATION: 12141 Brookhurst Street, Suite 201B

DATE: September 27, 2012

REQUEST: To allow the operation of a 6,000 square foot adult trade school for Health, Science, and English, on the second floor of the existing building. This program is offered by the California School of Health Sciences and is accredited by ACCET (Accrediting Council for Continued Education and Training). The site is in the NMU (Neighborhood Mixed Use) zone.

Staff report was read and recommended approval. The Zoning Administrator opened the public hearing.

Staff pointed out that due to the business being an assembly building with more than 50 people, panic device hardware was required on the exit doors; and, that the interior hallway required exit lighting.

Mr. Rafat Qahoush clarified that the business began as one partnership, then the business separated, so now there were two separate schools at one location on the first floor.

Mr. Abdel Alomar, the applicant, added that the schools were splitting to become completely independent of each other; that the upstairs school would have international short-term students on extended stay, that arrive via van pools from area hotels; that the courses were one to three month classes on nursing with the students returning to their own country. Also, that the first floor has homeless people living in the hallway, however, the school would be good for the area and the economy with more than 400 students.

Staff stated that the homeless matter would be looked into.

The Zoning Administrator asked if the applicant had read and agreed with the conditions of approval. Mr. Alomar replied yes.

With no further comments or questions, the Zoning Administrator closed the public hearing and approved Conditional Use Permit No. CUP-357-12, pursuant to the facts and reasons contained in Decision No. 1660-12.
