

**City of Garden Grove**  
**WEEKLY CITY MANAGER'S MEMO**

**June 18, 2020**

TO: Honorable Mayor and City Council      FROM: Scott C. Stiles, City Manager  
Members

**I. DEPARTMENT ITEMS**

- A. LETTER OF SUPPORT FOR SB 1386 (MOORLACH)**  
A copy of the Mayor's letter of support for SB 1386 (Moorlach) is attached for your information.
- B. LETTER REGARDING MOSQUITO CONTROL AT JFTB**  
A copy of the letter requesting mosquito control efforts at the Joint Forces Training Base in Los Alamitos is included for your information.
- C. UPDATE ON PARK & FACILITIES CLOSURES AND RE-OPENING PLAN**  
The memo provides an update regarding playground closures and re-opening plan per Stage 3 of the State's Re-Opening Plan.
- D. PUBLIC WORKS CAPITAL IMPROVEMENT PROJECTS**  
Capital Improvement Project updates for the Public Works Engineering and Water Services divisions are included for your information.

**II. ITEMS FROM OTHER GOVERNMENTAL AGENCIES, OUTSIDE AGENCIES, BUSINESSES AND INDIVIDUALS**

- A.** Letter from the U.S. Department of Housing and Urban Development informing the City of Garden Grove of the second allocation of Emergency Solutions Grants Program funds under the Coronavirus Aid, Relief, and Economic Security Act.
- B.** Memorandum from Mr. Larry Dick and Mr. Bob McVicker of the Municipal Water District of Orange County (MWDOC) outlining monthly water usage data figures, an estimate of Tier 2 volume for MWDOC, and selected water supply information.
- C.** Notice of Evidentiary Hearings Regarding Southern California Edison Company's (U 338-E) 2021 General Rate Case Application No. 19-08-013.
- D.** COVID-19 Response Newsletter No. 4 from SoCalGas.

- E.** Press releases from the County of Orange.
  - a. June 15, 2020: Youth Sports Practices Re-Open in Orange County
  - b. June 16, 2020: County Appoints New Director of Orange County Public Works
  
- F.** Press releases from the Orange County Transportation Authority.
  - a. June 9, 2020: OCTA Adding More Bus Service Back Beginning June 14
  - b. June 10, 2020: OCTA Approves \$1.4 Billion Balanced Budget for FY 2020-21

- **OTHER ITEMS**

- SOCIAL MEDIA HIGHLIGHTS AND NEWSPAPER ARTICLES  
Copies of the week's social media posts and local newspaper articles are attached for your information.
  
- MISCELLANEOUS ITEMS  
Items of interest are included.

Scott C. Stiles  
City Manager

## CITY OF GARDEN GROVE

June 15, 2020

The Honorable John M. W. Moorlach  
State Capitol Building, Room 2048  
Sacramento, CA 95814

Subject: SB 1386 (Moorlach) Notice of Support

Dear Senator Moorlach:

The City of Garden Grove (City) is pleased to inform you of our support of SB 1386. This bill would protect fire hydrant system funding and ensure that the City and dozens of other public water suppliers statewide are able to operate sufficiently-sized and -pressurized water systems to supply water to their customers and to fight fires. This measure affirms that existing law allows water suppliers to include the costs of operating and maintaining these systems, as well as the costs associated with fire hydrants and the water served through them, in their property-related service charges. Because of lawsuits that threaten California water providers' ability to fund water services used in fire protection, this measure is critical to preventing these costs from being passed on to fire protection agencies.

The City is just one of the 81 local governments being sued to challenge the long-standing method of funding water service used in firefighting through property-related water service charges. The lawsuits allege that including these costs in our water rates is prohibited by Article XIII D of the California Constitution (i.e. "Proposition 218").

In the City's opinion, these lawsuits are without merit and threaten to force all of California's public retail water service providers to charge fire protection agencies directly for these costs. If that occurs, the ability of fire protection agencies to fund essential equipment and personnel would be greatly impacted. Our property-related service charges are legitimate under existing law, but in order to avoid lengthy and expensive legal battles with costs that will be passed on to our customers and to avoid additional burdens on fire protection agencies, the law needs to be affirmed by the Legislature.

Proposition 218 placed provisions into the California Constitution that limit local governments' authority to impose and increase taxes, fees, assessments, and charges. We faithfully abide by the requirements of Proposition 218 and are serious about our responsibility to provide services to our customers in an efficient and cost-effective manner. This includes the costs of operating and maintaining fire hydrant systems, as well as the costs associated with the water distribution system and the

Page 2

water that is needed to fight fires within property-related water service charges as appropriate under Proposition 218. Ensuring water rates cover these costs is critical for the safety of all of our customers.

SB 1386 reinforces water service agencies' authority under the law to use property-related service charges for funding water services related to fire protection. SB 1386 does this by amending Proposition 218's implementing statute to reflect a recent court case that confirmed that these costs are in fact a legitimate property-based service.

For these reasons, the City strongly supports your bill and urges your colleagues to vote "Aye" on SB 1386. Please do not hesitate to contact Garden Grove's Assistant City Manager, Maria Stipe at (714) 741-5106, or Garden Grove's City Attorney, Omar Sandoval at (714) 415-1049, if you have questions regarding this measure.

Sincerely,

A handwritten signature in black ink that reads "Steve Jones". The signature is written in a cursive, flowing style.

## CITY OF GARDEN GROVE

June 15, 2020

Brigadier General Michael Leeney, Commanding Officer  
Joint Forces Training Base Los Alamitos  
4522 Saratoga Avenue  
Los Alamitos, CA 90720

Re: Mosquito Control at JFTB

Dear Commanding Officer Leeney:

Around this time of year, the City of Garden Grove typically receives inquiries from residents regarding high numbers of mosquitos present in the areas immediately surrounding the Joint Forces Training Base. The City understands that the combination of recent warm weather and reduced control measures from the OC Mosquito and Vector Control District (OCMVCD), as a result of the COVID-19 pandemic, may have contributed to an increase in the mosquito population this year. The City also understands that a large mosquito population in this area is not new. With OCMVCD services returning to normal, the City of Garden Grove would like to request that the JFTB collaborate with OCMVCD to take proactive action to address this concern. The City is more than happy to work with the JFTB and OCMVCD to help facilitate this process. The City values its relationship with the JFTB and OCMVCD and looks forward to working together. Should you wish to partner with the City on any coordinated outreach efforts, please contact Shawn Park at [Shawnp@ggcity.org](mailto:Shawnp@ggcity.org).

Sincerely,

A handwritten signature in black ink that reads 'Steve Jones'.

Steve R. Jones  
Mayor

A handwritten signature in black ink that reads 'G S Brietigam'.

George S. Brietigam  
Council Member, District 1

Tom Tandoc, Base Environmental Officer, JFTB

**City of Garden Grove**

**INTER-DEPARTMENT MEMORANDUM**

To: Scott C. Stiles  
Dept.: City Manager  
Subject: UPDATE ON PARK & FACILITIES  
CLOSURES AND RE-OPENING PLAN

From: John Montanez  
Dept.: Community Services  
Date: June 18, 2020

**OBJECTIVE**

To provide City Council with the latest update regarding playground closures and re-opening plan with restrictions for parks and facilities per Stage 3 of the State's Re-Opening Plan.

**BACKGROUND**

On March 17 2020, City Manager Scott Stiles proclaimed a local emergency to ensure the safety of the community and help prevent the spread of COVID-19. As a result, the Community Services Department closed down all community centers/indoor sports facilities, park amenities, sports fields, in-person recreation programs/classes, pools, special events, and the dog park. Since March 17, 2020 the State has given direction to slowly re-open certain facilities and programs with a set of guidelines that adhere to social distancing and sanitization protocols. Each new stage of the State's Re-opening Plan has allowed for the public use of low to moderate risk facilities. In early May, one of the first park amenities to open were tennis courts with the restriction of singles play only. Tennis was considered a low risk sport and the facilities began to open with specific guidelines and restrictions. Other park amenities and facilities have remained closed until further notice from the State.

**DISCUSSION**

On June 13, 2020, Governor Gavin Newsom approved Stage 3 of the State's Re-Opening Plan. This stage will allow for small gatherings in community centers/facilities/theaters; youth sports for skills-training and drills; and pools for lessons, lap swimming and diving, all with social distancing restrictions.

The Community Services department will open the Community Meeting Center to groups of 50 people or less for non-social use (i.e; meetings, trainings, testing), as long as the required seating and room set-up allow for social distancing. More active/social events such as weddings, quinceañeras, and large group workshops will not be permitted until Stage 4, or when more specific guidelines are provided by the State or County.

Also opening by permit only, will be the sports fields for youth team practices for training and/or drills. Competitive games will not be permitted during this stage. All rental groups must provide a written plan on how they will maintain social distancing, as required by the State and County guidelines, which will be part of the permit approval process.

UPDATE ON PARK & FACILITIES  
CLOSURES AND RE-OPENING PLAN  
June 18, 2020  
Page 2

Pools will open for swim lessons by following guidelines of providing sufficient space for participants to social distance within the pools. Due to the small size of City pools, a maximum of eight (8) participants will be allowed inside the pools at one time for swim lessons. Due to the small amount of participants allowed inside the pool, and considering current budget constraints, recreational swim will not open to the public this summer. However, private pool rentals will be permitted during the weekend, with limited capacity, on a reservation basis.

Theaters (GEM/Garden Amp) may submit a re-opening plan for the City's consideration that will require attendance reductions, social distancing and sanitation protocols.

Both the Dog Park and Skate Spot have been re-opened with social distancing guidelines.

High touch park amenities, such as park playgrounds, Atlantis Play Center, picnic shelters and outdoor fitness equipment, will remain closed per Stage 3 of the State's Re-opening Plan. Outdoor basketball courts (due to high contact pick-up games) at city parks will also remain closed.

The City's indoor-sports gymnasium will also remain closed until further guidelines are established for indoor sports activities.

Due to the high-risk population the Senior Center serves, it will remain closed until Stage 4 of the State's Re-opening Plan. Virtual programming and meal distribution will continue.

Family Resource Centers remain closed to the public, but will continue its virtual programming, virtual counseling and meal distribution.

SUMMARY

The Community Services Department has moved into re-opening most recreational facilities with limited capacities and specific guidelines that adhere with the State and County. Remained closed until Stage 4 of the State's Re-Opening Plan, or until further guidance is provided are park playgrounds, outdoor fitness equipment, outdoor basketball courts, and indoor-sports gymnasium. Both Senior Center and Family Resource Centers remain closed, but will continue virtual programming and meal distribution. Staff will continue to monitor updated guidelines and adjust accordingly.

JOHN MONTANCHEZ  
Director

# PUBLIC WORKS CAPITAL IMPROVEMENT PROJECTS

## Project Status Report

June 15, 2020

### ENGINEERING DIVISION - CAPITAL PROJECTS

The following are capital construction and design projects under the administration of the Engineering Division and their present status. This covers approximately the next 6 months.

### CONSTRUCTION PROJECTS

#### **3245 – Orange County Streetcar**

(DAI)

OCTA is constructing an at-grade streetcar from the Santa Ana Regional Transportation Center (SARTC) to the NE corner of Harbor Blvd & Westminster Ave. Construction underway.

- Low Bidder: Walsh Construction Const. Amt: \$220.5M
- NTP: 3/4/19 Est. Project Completion: 2021
- Length: 4+miles

#### **7414 – Cannery-Imperial Storm Drain** from GG Blvd to Gilbert

(NICK)

Proposed storm drain from GG Blvd and Cannery to Imperial and Gilbert.

- Low Bidder: Vasilj Low Bid: \$3,578,650 Award Contract: June 25, 2019
- Construction status: **100%**
- Anticipated completion date: June 30, 2020

#### **7281 – Bike Trail in OCTA Railroad right-of-way** from Stanford to Brookhurst (MIKE S.)

Federal grant received thru OCTA and administered by Caltrans for proposed 3200' long, 20' wide bike and pedestrian path in the former railroad right-of-way

- Awarded: 11/12/19 Low Bid: \$1.904M Low Bidder: Los Angeles Engineering
- Construction start date: Feb 3, 2020
- Contractor is approximately **90%** complete overall
- Estimated Completion: July 2020

#### **7212 – Brookhurst Street Rehabilitation** – Lampson to Chapman L=2640 ft (NICK)

- Award: May 12, 2020 Low Bid = \$1.023M
- Construction will follow completion of Bike Trail project traffic signal pole installation
- Final striping will be done by Planning Dept
- Residential Streets: La Vaughn, Russell & Earle (Bid: \$103,550)

#### **7215 – Euclid Street Rehabilitation** – Lampson to Chapman L=2640 ft (NICK)

- Award: May 12, 2020 Low Bid = \$1.869M
- Includes relandscaping medians for lower water consumption & pavement protection
- Project will remove all median trees & plant new trees to match Euclid theme
- SCE is preparing plans for electrical service to Calsense controller
- Sanitary District construction project expected to be complete by mid-July

## Capital Projects - Project Status Report

June 15, 2020

Page 2 of 5

### **7292 – Magnolia Street Rehabilitation – Shelly to Katella L=3300 ft (NAVIN)**

Low Bid = \$718k

- Scope: Grind 2" of asphalt and replace with new asphalt & replacement of 2 grooved cross gutters.
- Construction start: June 10, 2020

### **7292 – Lampson Ave Rehabilitation – Brookhurst to Nelson L=3900 ft (NAVIN)**

Low Bid = \$1M

- Scope: Grind 2" of asphalt and replace with new asphalt
- Construction start: June 8, 2020
- Final striping will be done by On-Street Bike Trail Project by Planning Dept.

### **7292 – Brookhurst Microsurfacing – Westminster Ave to Trask L=2550 ft (NAVIN)**

Low Bid = \$233k

- Scope: Route and crack seal then microsurface with reinforcing fibers
- Caltrans Permit approved and received. Work hours for work near 22 freeway from 10pm Fri to 10am Sat
- Construction start: September 9, 2020

### **7150 - Trask and Roxey New Traffic Signal (JUAN & KEN)**

HSIP Grant \$310,000 Progress: Design Complete

- Advertise on 6/29/2020

### **7151 - Trask and Newland Traffic Signal Mod (JUAN & KEN)**

HSIP Grant \$310,000 Progress: Design Complete

- Advertise on 6/29/2020

### **7152 - Speed Radar Signs at Various School Locations (JUAN & KEN)**

HSIP Grant \$249,000 Progress: Design Complete

- Advertise on 6/29/2020

### **7220 – Local Streets Rehabilitation – SW of Katella & Brookhurst (KAMYAR)**

- Estimated construction cost: ~\$1.5 M - - Budgeted for construction FY 20/21
- Advertise for Bids: June 3, 2020 Open Bids: June 30, 2020
- Award: July 14, 2020

## Capital Projects - Project Status Report

June 15, 2020

Page 3 of 5

### DESIGN PROJECTS

#### **7287 – Euclid/Westminster Intersection Improvement – ROW Acquisition** (MIKE S.)

Proposed improvement: southbound right turn lane & EB right turn lane

- Granted **\$834,721** from OCTA in grant funding for construction. City will provide 25% match (\$278,240)
- Estimated Construction Cost: **\$1.1M**
- Edison submitted schedule to complete SCE work by 10/15/20. Other utilities until after New Year. =(

#### **72XX – Ward Street Rehabilitation – S'ly City Limits to Hazard L= 1.25 mi.** (NICK)

City boundary follows centerline of street

Budgetary Construction Estimate = \$2M

**City of Westminster is Lead Agency**

- Schedule: Go to construction late 2020 or early 2021
- Status: Soils Investigation underway
- Will include 7 grooved cross gutter replacements in the vicinity.

#### **XXX1 – Orangewood Ave Rehabilitation – Brookhurst to Euclid L= 1 mi.** (NAVIN)

Budgetary Estimate = \$3.7 M

- Schedule: Construction spring/summer 2021
- Status: Base drawings completed – Ready for proposed improvements
- Need soils investigation
- Rehab Type: TBD

#### **XXX2 – Lampson Ave Rehab – Dale to Magnolia L= 2600'** (NAVIN)

Budgetary Estimate = \$835k Rehab Type: 2" Mill & Fill

- Rehab Type: 2" Mill & Fill with digouts
- Schedule: Construction spring/summer 2021
- Status: Base drawings started

#### **XXX3 – Hazard Ave Rehab – Brookhurst to Ward L= 2600'** (NICK)

Budgetary Estimate = \$1.03M

- Rehab Type: 2" Mill & Fill with digouts
- Schedule: Construction spring/summer 2021
- Status: Started

#### **XXX4 – Garden Grove Blvd Rehab – Dale to Magnolia L= 2600'** (NICK)

Budgetary Estimate = \$865k

- Rehab Type: 2" Mill & Fill with digouts
- Schedule: Construction spring/summer 2022
- Status: Started

## Capital Projects - Project Status Report

June 15, 2020

Page 4 of 5

### 3240 – Pavement Condition Consultant

(MIKE S.)

Capital Projects has taken over the pavement condition analysis for all the streets in Garden Grove from PW/Streets Maintenance Division. NCE hired 5/23/17

- 2020 final report completed
- NCE will submit PMP report to OCTA before June 30, 2020.

### 7214 – Acacia Storm Drain

(MIKE S.)

Water ponds in several front yards in the area & streets are alligatored

- Boundary: GG Blvd, Magnolia Street, Lampson Ave & Dale Street
- Proposed Master Plan of Drainage, Line B-3
- Rough field survey completed. Hydrology study – 90% complete
- Survey and soils investigation started

### 7201 – Civic Center Drive – Median & Parking Modifications

(MIKE B.)

Modify CCD median island and install angled parking in NB lanes

- Survey info received.
- Concept plans started – Construction start

### VAR – Traffic Signal Synchronization Projects (Multijurisdictional)

(DAI, KEN, JUAN)

These projects will synchronize the traffic signals on 3 arterials and will upgrade the equipment at all the intersections listed below:

| <u>Location</u>     | <u>Status</u>              |             |
|---------------------|----------------------------|-------------|
| • Brookhurst Street | Timing implemented         | Const. 100% |
| • Magnolia Street   | Design complete            | Const. 30%  |
| • Katella Avenue    | Consultant awarded project | Design 0%   |

### 7141 – Garden Grove Blvd Traffic Signal Synchronization

(KEN)

Multi-jurisdictional signal timing project from Valley View to Bristol. Includes upgrades to all signal controllers, cabinets, video detection, preemption and Traffic Mgmt Center

- Consultant selected – Advantec Design: 90%
- Kick-off Meeting 10/16/19
- Completed Job Walk 5/6/20

### 7130 – Chapman at Lamplighter Traffic Signal

- Design status: Complete
- Project on hold due to funding issues

## Capital Projects - Project Status Report

June 15, 2020

Page 5 of 5

### **Magnolia Street – Utility Undergrounding – GG Blvd to Orangewood** (NICK & MARK)

- Cost for undergrounding has increased to \$550/lf: total = \$5.8M in 2020 dollars
- Edison:
  - has reduced the scope of work to accommodate the available budget
  - is revising and refining plans with new scope.
  - anticipate advertisement of the project in summer 2020. Construction fall 2020

### **7425 – Line B-5 Storm Drain**

(NICK)

Due to formidable challenges with various alignments, Capital Projects will take a closer look at those challenges and determine the best alignment for the proposed storm drain from its present end 150 feet N of Westminster Avenue on Newland Street

- Alignment study on hold pending completion of other storm drain projects

### **Euclid SB Right Turn Lane at Trask**

(MARK)

City acquired property from the Nazarene Church in fulfillment of a former grant from OCTA.

- Complete plan set complete. ROW acquisition complete.
- Construction cost estimate: \$400k

### **Grooved Cross Gutter Replacement**

(NICK)

There are currently 12 known grooved cross gutters at various locations around the city. These will be replaced with regular cross gutters and modifications to the existing streets to adjust surrounding grades.

- DESIGN COMPLETE. Construction will proceed as funding becomes available.
- The grooved cross gutter on Lampson at Groveview and Lampson at Nelson are proposed with the **Lampson Ave Rehabilitation** project in 2020.
- The grooved cross gutter on Katella & Homeway *and* Laurianne & Dewey are proposed with the **Magnolia St. Rehab** project in 2020.
- Designing grooved cross gutter on Chapman at Jasper St (W Garden Grove)
- Seven grooved cross gutters will be included in Ward Street Rehab project.

---

**PUBLIC WORKS CAPITAL IMPROVEMENT PROJECTS - STATUS REPORT**  
**June 15, 2020**  
**WATER SERVICES DIVISION**

**UNDER CONSTRUCTION**

**SANITARY SEWER**

- **Sewer Main Lining and Spot Repairs Projects 1&2- Project #7839** – This project consists of rehabilitating approximately 17,430 linear-feet of 8-inch sewer using UV-Cured Glass Reinforced Plastic cured-in-place liner. The project will be at various locations throughout the City. The project will also include 9 spot repairs, 421 sewer lateral reinstatements and 69 top hat sewer lateral seals.

Project Limit: Various Locations throughout the City  
Contractor: Insituform Technologies  
Contract Amount: \$1.1M  
NTP: January 6, 2019  
Working Days: 150

Status:

- Contractor will finished the top hat installation by the end of June.

- **Sewer Main Replacement Project 1- Project #7840** – The Sewer Rehabilitation Plan Phase 1, Sewer Main Replacement Project 1 (at Euclid Street, Pinehurst Court, Nelson Street, Pine Street, Pearl Street, Allen Drive, Stanford Avenue, Euclid Park, Trask Avenue, and Wilson Street) is one of many projects designed to address defective sewer pipe throughout the City. The sewer improvements consist of approximately 30 feet of 6-inch diameter, approximately 5,440 feet of 8-inch diameter and, 1,290 feet of 12-inch diameter extra strength Vitrified Clay Pipe (VCP). It also includes the construction of 27 new manholes, modification of 2 existing manholes and 124 sewer house reconnections.

Project Limit: Throughout the City  
Contractor: CHI Construction  
Contract Amount: \$2,705,830  
Working Days: 185

Status:

- Contractor completed approximately 50% of the Euclid and Lampson section. Estimated completion of this section will be in July and early August.

---

## UNDER DESIGN

### SANITARY SEWER

- **Partridge Lift Station Improvements Project** –The District has been experiencing frequent pump clogging caused by wet wipes from the tributary area. The District is considering to install a new grinder at the upstream of the lift station. Staff has hired AKM to provide a preliminary design of the grinder installation for the Partridge Lift Station.

Project Limit: Partridge Lift Station

Consultant: AKM

Status:

- Consultant submitted the 90% plans.

- **Sewer Main Replacement Project 2&3 - Project #78XX** –The Sewer Rehabilitation Plan Phase 1, Sewer Main Replacement Project 2 (at Galway Street, Gilbert Street, Kerry Street, Kellogg Way, Alley near Belfast Drive, Crosby Ave, Central Avenue, and Acacia Avenue) and Project 3 (Trask Avenue, Edgebrook Drive, Garden Grove Boulevard, and Sycamore Street) are two of many projects designed to address defective sewer pipe throughout the City. The sewer improvements will consist of approximately 4,400 feet of sewer pipes, includes both design and optional construction management/inspection services.

Project Limit: See Location Map

Status:

- Staff has selected a consultant for the project. Staff is seeking approval for the contract award at the June 23, 2020 GGSD Board Meeting.

- **Sewer Main Lining and Spot Repairs Projects 3&4- Project #78XX** –This project consists of rehabilitating approximately 22,813 linear-feet of 8-inch & 10-inch sewer using UV-Cured Glass Reinforced Plastic cured-in-place liner. The project will be at various locations throughout the City. The project will also include spot repairs, sewer lateral reinstatements and top hat sewer lateral seals. The project includes both design and optional construction management/inspection services.

Project Limit: See Location Map

Status:

- Staff is reviewing proposals.

- **CIP Project 92 (Donegal Drive Sewer - GGSD Project #7835)** – GGSD Board awarded a design contract to JIG Consultants on 1/26/2016. Kick-off meeting was held on 3/10/2016.

Project Limit: Donegal Drive (Medison Cir. to Bolsa Ave.)

Status:

- The consultant has completed approximately 60% of the design. Alternate alignment required due to the portion of the existing alignment being sandwich between block wall and houses.

---

**WATER**

- **Water Master Plan Update** –Staff has awarded a contract with West Yost Associates, Inc. for the Water Master Plan (WMP) update. The WMP update will reflect any changes that have occurred impacting the water system since the 2008 Water Master Plan. The WMP update will include an update to the hydraulic model and capital improvement plan.

Project Limit: N/A

Consultant: West Yost

Status:

- West Yost is finalizing the CIP list. Consultant will be submitting a draft CIP list at the end of June.

- **SCADA Implementation Project** – The SCADA Master Plan has recommended 22 projects to be implemented over a 5-year period. The City is seeking for Program Management Services to facilitate the detailed design and implementation of these recommendations.

Project Limit: At the various water distribution facilities

Status:

- Staff has sent out RFP to four consultants.
- A Pre-Proposal will be held on June 18, 2020

- **Magnolia Reservoir and Booster Pump Station Rehabilitation Project (GG Project #7402)** – The reservoir repairs consist of crack and joint repair, construction of seismic curb, roof waterproofing, rust spot repair, and the addition of a fall protection system. The repair work for the pump station consists of replacement of the existing engine and booster pump, replacement of the existing exhaust system, replacement of the existing catalytic converter, replacement of two 10-inch butterfly valves, replacement of the 10-inch check valve, refurbishment of the existing flow control valve, and replacement of the roof and existing removable dormer.

Project Limit: Within the existing facilities (No traffic impact).

Status:

- Finalized design document.

- **Public Works Yard Block Wall** – Civiltec Engineering has completed the design. Building Department reviewed and approved the plans.

Project Limit: Within the existing facility (No traffic impact).

Status:

- This project will be packaged with one of the water facility projects in the future.

### **SANITARY SEWER SHARED**

#### City of Anaheim

- Anaheim continues to resist updating 1986 Shared Sewer Agreement. The main stumbling block is that they do not want to lower the current d/D ratio of 0.75.

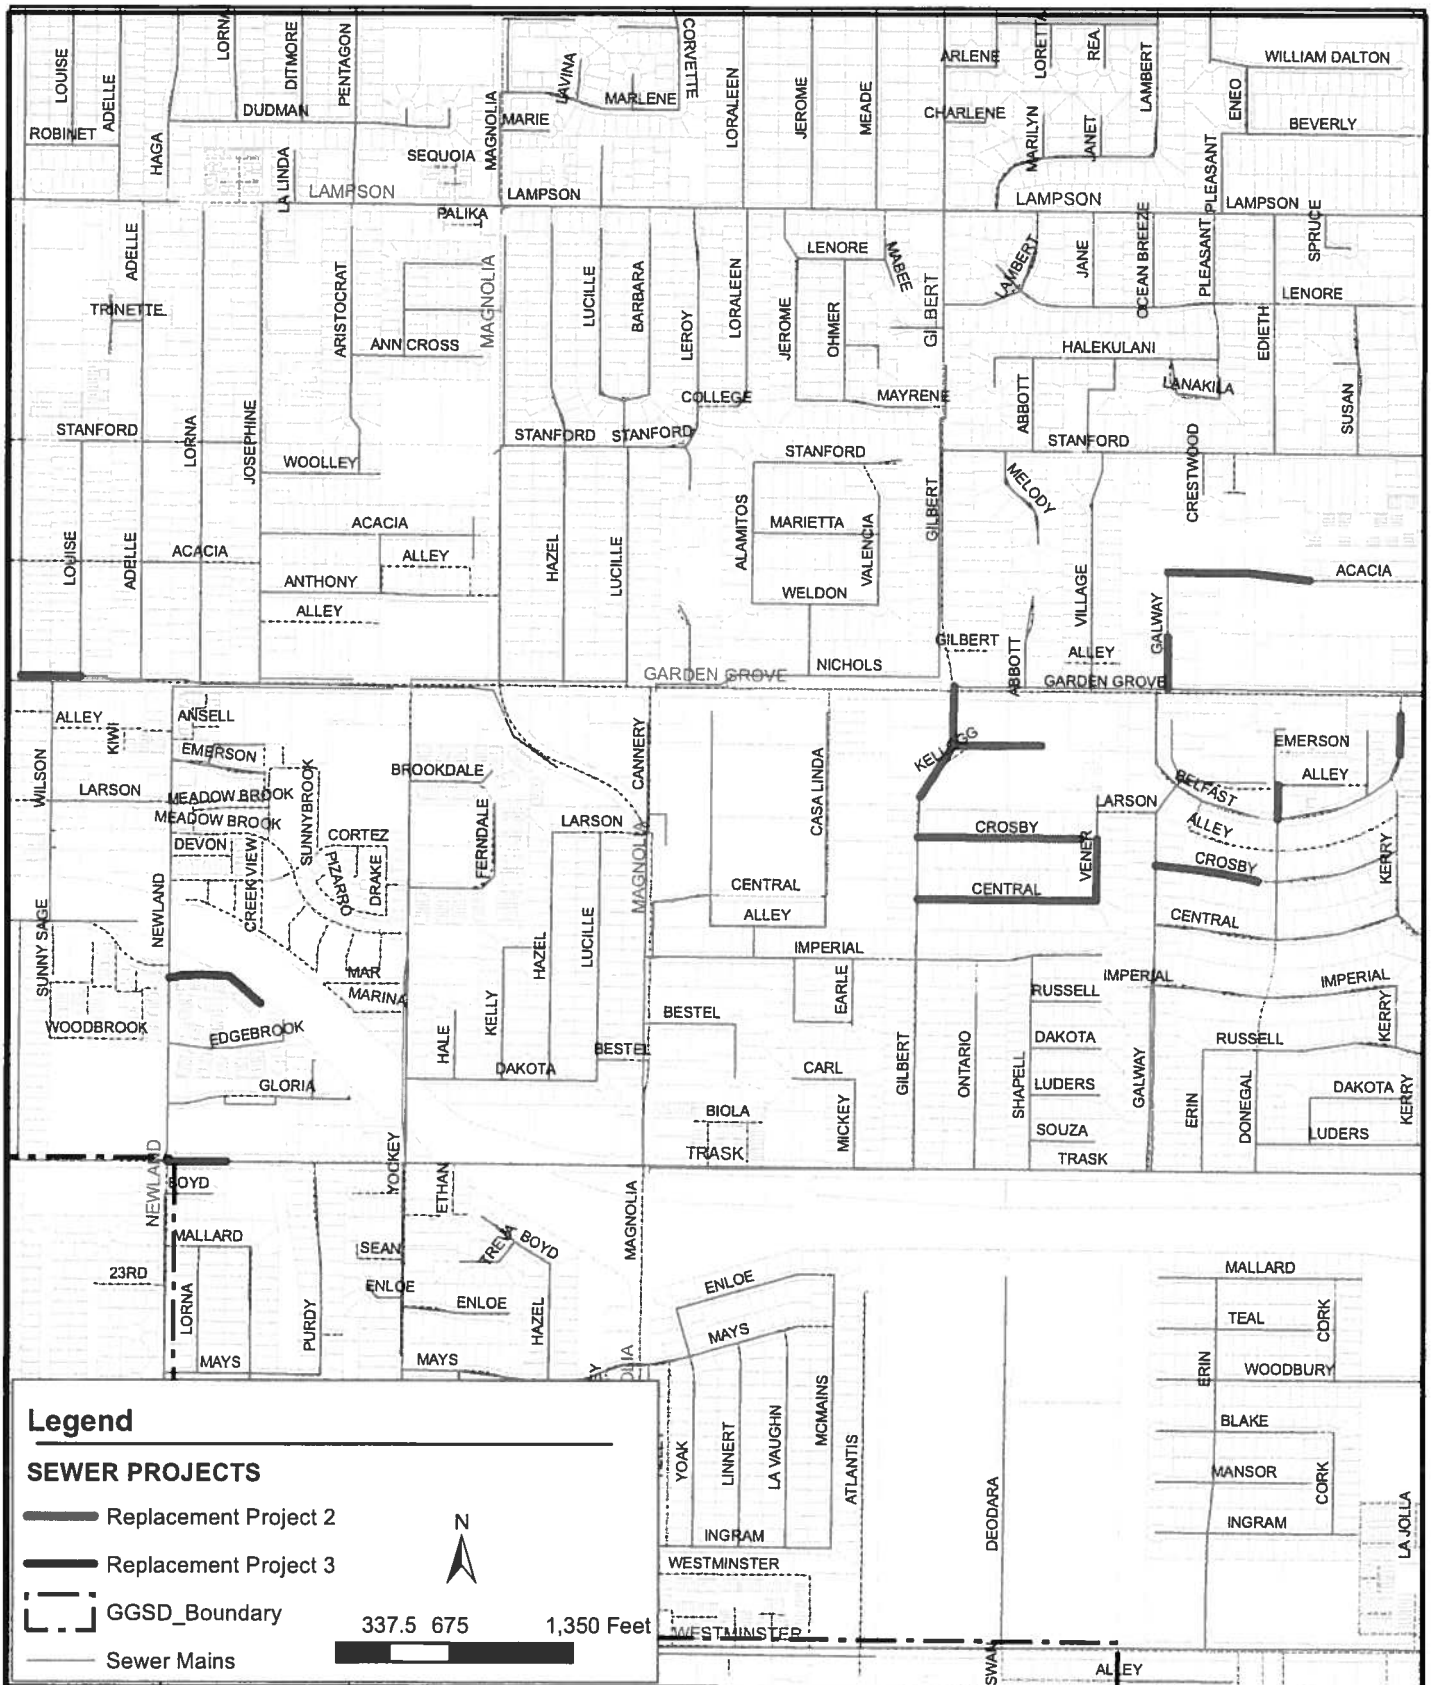

#### City of Santa Ana

- Santa Ana has agreed to include GGSD's portion of Westminster Sewer upgrade in their design and construction. Santa Ana City Council and GGSD Board have approved the reimbursement agreement between the City of Santa Ana and GGSD for this project.
- Santa Ana and GGSD staff agreed on the areas and contents of the shared sewer agreement. The final draft has been reviewed by attorneys. Santa Ana City Council approved the shared sewer agreement in August 2017. GGSD Board approved the agreement in October 2017.

#### City of Orange

- Water Services has initiated the conversation with City of Orange to draft a share sewer agreement. We have researched with the City Clerk to see if there is any existing share sewer agreement. The City Clerk did not find any.

June 9, 2020

The Honorable Steven R. Jones  
Mayor of Garden Grove  
11222 Acacia Parkway  
Garden Grove, CA 92840-5208

Dear Mayor Jones:

I am pleased to inform you of the second allocation of Emergency Solutions Grants (ESG) Program funds HUD is awarding to your jurisdiction in the amount of \$3,635,163, as authorized by the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), Public Law 116-136. These special ESG-CV funds are to be used to prevent, prepare for, and respond to the coronavirus pandemic (COVID-19) among individuals and families who are homeless or receiving homeless assistance; and to support additional homeless assistance and homelessness prevention activities to mitigate the impacts of COVID-19.

President Trump signed the CARES Act on March 27, 2020 to help the Nation respond to the coronavirus outbreak. The CARES Act made available an additional \$4 billion in ESG-CV funds to supplement the Fiscal Year (FY) 2020 ESG funding provided under the Further Consolidated Appropriations Act, 2020 (Public Law 116-94). Of this amount, the Department previously allocated \$1 billion for ESG-CV grants based on the FY 2020 ESG formula and set aside \$40 million for technical assistance.

An additional \$2.96 billion in funding for ESG-CV grants is now being allocated directly to States or units of local government by a separate formula developed by the Secretary. The formula approved by the Secretary includes variables that quantify the population currently experiencing and at risk of homelessness, including:

- Total Homeless Population
- Unsheltered Homeless Population
- Total Very Low Income (VLI) Renters
- VLI Renters that are Overcrowded or without a Kitchen or Plumbing

The variables were further weighted to adjust for fair market rents. HUD's formula methodology for this second allocation can be found at [https://www.hud.gov/sites/dfiles/CPD/documents/ESG\\_CARES\\_Act\\_Round\\_2\\_Allocation\\_Methodology\\_rev.pdf](https://www.hud.gov/sites/dfiles/CPD/documents/ESG_CARES_Act_Round_2_Allocation_Methodology_rev.pdf)

As with the first allocation, this second allocation of ESG-CV funds is subject to the following flexibilities and conditions provided by the CARES Act:

- The funds may be used to cover or reimburse allowable costs incurred by a State or locality before the award of funding (including prior to the signing of the CARES Act) to prevent, prepare for, and respond to COVID-19;
- The funds are not subject to the spending cap on emergency shelter and outreach under 24 CFR 576.100(b)(1);
- Up to 10 percent of funds may be used for administrative costs, as opposed to 7.5 percent as provided by 24 CFR 576.108(a);
- The funds are exempt from the ESG match requirements, including 24 CFR 576.201;
- The funds are not subject to the consultation and citizen participation requirements that otherwise apply to the Emergency Solutions Grants, however each recipient must publish how its allocation has and will be used, at a minimum, on the Internet at the appropriate Government web site or through other electronic media;
- The funds may be used to provide homelessness prevention assistance (as authorized under 24 CFR 576.103 or subsequent HUD notices) to any individual or family who does not have income higher than HUD's Very Low-Income Limit for the area and meets the criteria in paragraphs (1)(ii) and (1)(iii) of the "at risk of homelessness" definition in 24 CFR 576.3;
- That recipients may deviate from applicable procurement standards when using these funds to procure goods and services to prevent, prepare for, and respond to coronavirus, notwithstanding 24 CFR 576.407(f) and 2 CFR 200.317-200.326;
- While we encourage you to offer treatment and supportive services when necessary to assist vulnerable homeless populations, individuals and families experiencing homelessness must not be required to receive treatment or perform any other prerequisite activities as a condition for receiving shelter, housing, or other services for which these funds are used, notwithstanding 24 CFR 576.401(e).

In addition, the Act authorizes the Secretary to grant waivers of and specify alternative requirements for statutes and regulations the Secretary administers in connection with the use of ESG funds (except for requirements related to fair housing, nondiscrimination, labor standards, and the environment). These waivers and alternative requirements can be issued when necessary to expedite and facilitate the use of funds to prevent, prepare for, and respond to coronavirus. HUD has made available the following waivers that are applicable to ESG-CV funding:

- CPD Memo: Availability of Additional Waivers for CPD Grant Programs to Prevent the Spread of COVID-19 and Mitigate Economic Impacts Caused by COVID-19 (5/22/2020)
  - **Waiver Applicability to ESG-CV** - Made all ESG waivers provided in 3/31/2020 memo applicable to ESG-CV

- **Housing Stability Case Management** – Original waiver (see below) is extended an additional 3 months beginning on the date of the memorandum (5/22/2020)
- CPD Memo: Availability of Waivers of CPD Grant Program and Consolidated Plan Requirements to Prevent the Spread of COVID-19 and Mitigate Economic Impacts Caused by COVID-19 for CoC, ESG, and HOPWA (3/31/2020)
  - **HMIS Lead Activities** - Allows any recipient to use ESG funds to pay costs of upgrading or enhancing its local HMIS to incorporate data on ESG Program participants and ESG activities related to COVID-19
  - **Re-evaluations for Homelessness Prevention Assistance** - For up to the 2-year period beginning on the date of the waiver memorandum (3/31/2020), the required frequency of re-evaluations for homelessness prevention assistance under section 576.401(b) is waived
  - **Housing Stability Case Management** - For the 2-month period beginning on the date of the waiver memorandum (3/31/2020), the required frequency of housing stability case management for homelessness prevention and rapid re-housing assistance is waived
  - **Restriction of Rental Assistance to Units At or Below FMR** - For the 6-month period beginning on the date of the waiver memorandum (3/31/2020), the FMR restriction is waived for any individual or family receiving Rapid Re-housing or Homelessness Prevention assistance who executes a lease for a unit

The Department is developing a notice that will further lay out the CARES Act provisions and other waivers and requirements to enable swift implementation of ESG-CV grants. This notice and any subsequent notices of waivers and alternative requirements will be made available on HUD's website and distributed to recipients. The Department will also support recipients with technical assistance.

As your jurisdiction continues to develop its plan to use these grant funds, HUD encourages approaches that prioritize the unique needs of persons experiencing homelessness and the development of partnerships between all levels of government and the private for-profit and non-profit sectors. Your jurisdiction should coordinate with State and local health authorities as you support state or local pandemic response. HUD encourages you to share successes that may help other recipients. Like other supplemental funding, ESG-CV grants are subject to oversight and tracking. We look forward to working with you to achieve the best possible outcomes for people experiencing and at risk of homelessness and to prevent fraud, waste, and abuse.

Importantly, proper reporting in the Integrated Disbursement and Information System (IDIS) and Homeless Management Information Systems (HMIS) is critical to ensuring recipients are complying with program requirements and policies, providing demographic and income information about the persons who benefit from funded activities, and allowing HUD to monitor recipients. Your jurisdiction's ongoing attention is essential to ensuring complete and accurate reporting of performance measurement data.

All ESG recipients must ensure they maintain active Dun and Bradstreet Numbering System (DUNS) numbers in the System for Award Management (SAM) system. Entities must have an active and unexpired DUNS before execution of grant agreements to avoid delays in the obligation of funds which will delay your ability to drawdown funds in IDIS. Recipients are required to maintain an active SAMs registration by re-activating their DUNS number annually in the SAM system for the entire drawdown period of their grants. DUNS numbers can be registered and renewed each year at the following website: <https://www.sam.gov/SAM/>.

HUD's Office of Community Planning and Development (CPD) is looking forward to working with your jurisdiction to successfully meet the urgent and complex challenges faced by our communities. If you or your staff have questions, please contact your local CPD Field Office Director or [CPDQuestionsAnswered@hud.gov](mailto:CPDQuestionsAnswered@hud.gov).

Sincerely,

John Gibbs  
Acting Assistant Secretary  
for Community Planning and Development  
U.S. Department of Housing and Urban Development

## Memorandum

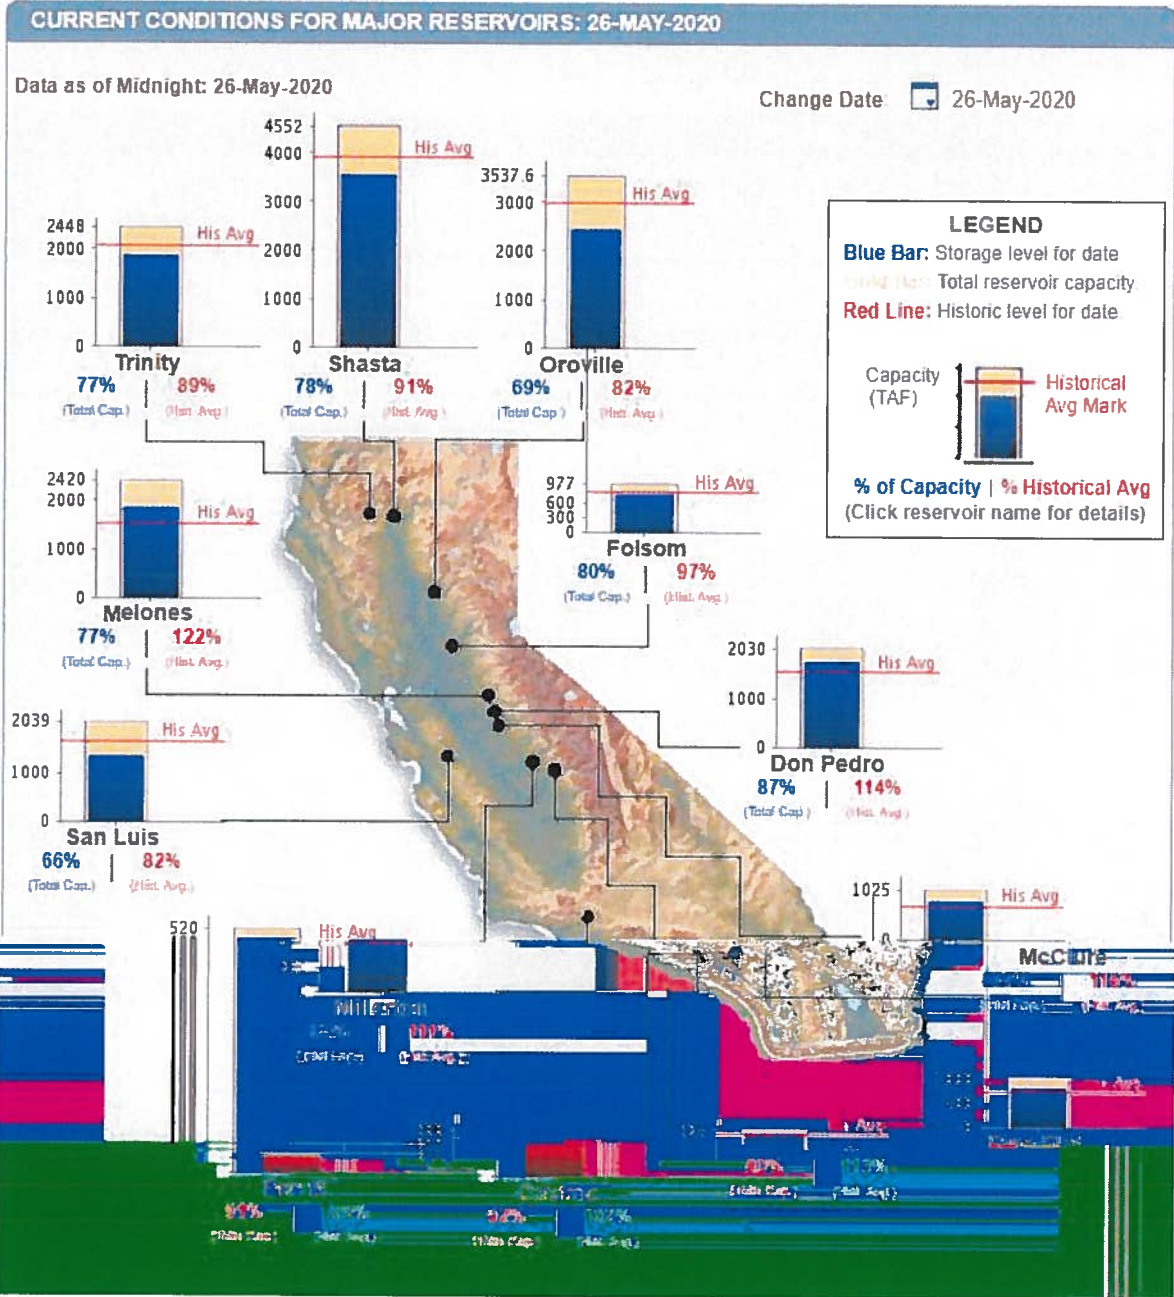

**DATE:** June 16, 2020  
**TO:** Member Agencies – MWDOC Divisions Two & Three  
**FROM:** Larry Dick, Director – Division Two  
Bob McVicker, Director – Division Three  
**SUBJECT:** Monthly Water Usage Data, Tier 2 Projection & Water Supply Information

---

The 2019-20 Water Year (2019-20 WY) officially started on October 1, 2019. Thus far, the Northern California accumulated precipitation (8-Station Index) is reporting **31.03 inches or 65% of normal** as of May 27th. For 2019-20 WY, the Northern Sierra Snow Water Equivalent is reporting **19.5 inches on April 8th**, which is **71% of normal** for that day. Due to a slight increase in precipitation/snowfall, the Department of Water Resources (DWR) has increased the State Water Project (SWP) . . . %. This allocation provides Metropolitan with approximately **382,300 AF in SWP deliveries this water year**. DWR's approval considered several factors including existing storage in SWP, conservation reservoirs, SWP operational regulatory constraints, and the 2020 contractor demands.

The Upper Colorado River Basin accumulated precipitation is reporting **19.2 inches or 82% of normal** as of May 26th. On the Colorado River system, snowpack is measured across four states in the Upper Colorado River Basin. The Upper Colorado River Basin Snow Water Equivalent was reporting **19.7 inches as of April 6th**, which is **100% of normal** for that day. Due to the above average precipitation/snowfall in 2018-19 WY, and due to average conditions in WY 2019-20, there is now a 0% chance of a shortage at Lake Mead in 2021 and an 9% chance of shortage in 2022.

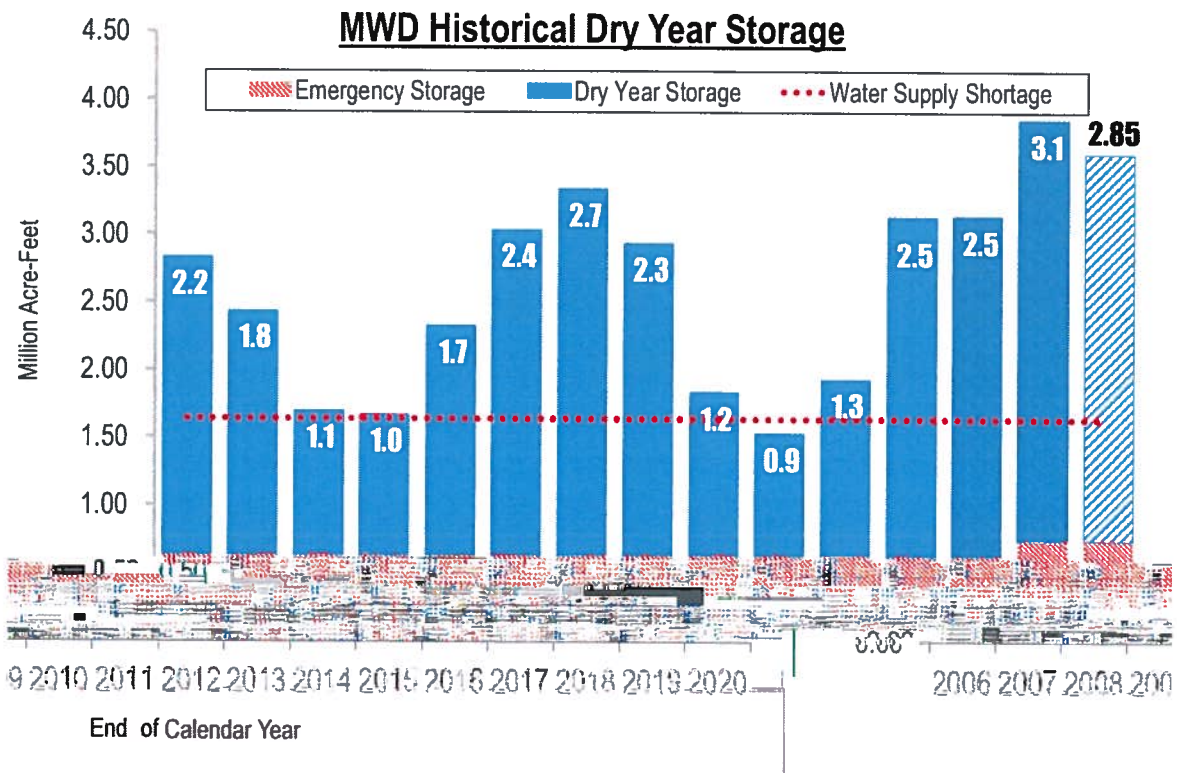

As of May 26th Lake Oroville storage is at **69% of total capacity and 82% of normal**. As of May 26th San Luis Reservoir has a current volume of **66% of the reservoir s total capacity and is 82% of normal**.

With estimated total demands and losses of 1.63 million acre-feet (MAF) and with a 20% SWP Table A Allocation, Metropolitan is projecting that demands will exceed supply levels in Calendar Year (CY) 2020. Based on this, estimated total dry-year storage for Metropolitan at the end of **CY 2020 will go down to approximately 2.85 MAF.**

A projected dry-year storage supply of **2.85 MAF will be the second highest amount for Metropolitan.** A large factor in the increase in water storage is because **water demands regionally have been at approximately 36-year lows.**

#### 2019-20 CYCLIC IN-LIEU OPERATIONS

In regards to the 2019-20 Cyclic In-Lieu operations (a.k.a. MET Cyclic Cost Offset Program), as of December 2019 approximately **9,354.7 AF of imported water has been delivered into the OC Basin Cyclic Account via In-Lieu.**

Unfortunately, due to dry hydrology and a State Water Project allocation of 15 percent, Metropolitan has suspended all cyclic deliveries as of December 31, 2019, including Cyclic In-Lieu deliveries. Metropolitan will also begin reducing State Water Project deliveries to preserve flexibility in case the allocation remains low. Metropolitan will regularly revisit operational plans throughout early 2020, as the final SWP allocation for the calendar year will be unknown until the May/June timeframe.

**Fig. 1 OC Water Usage, Monthly by Supply with projection to end of fiscal year**

[1] Imported water for consumptive use. Includes "In-Lieu" deliveries and CUP water extraction. Excludes "Direct Replenishment" deliveries of spreading water and deliveries into Irvine Lake.

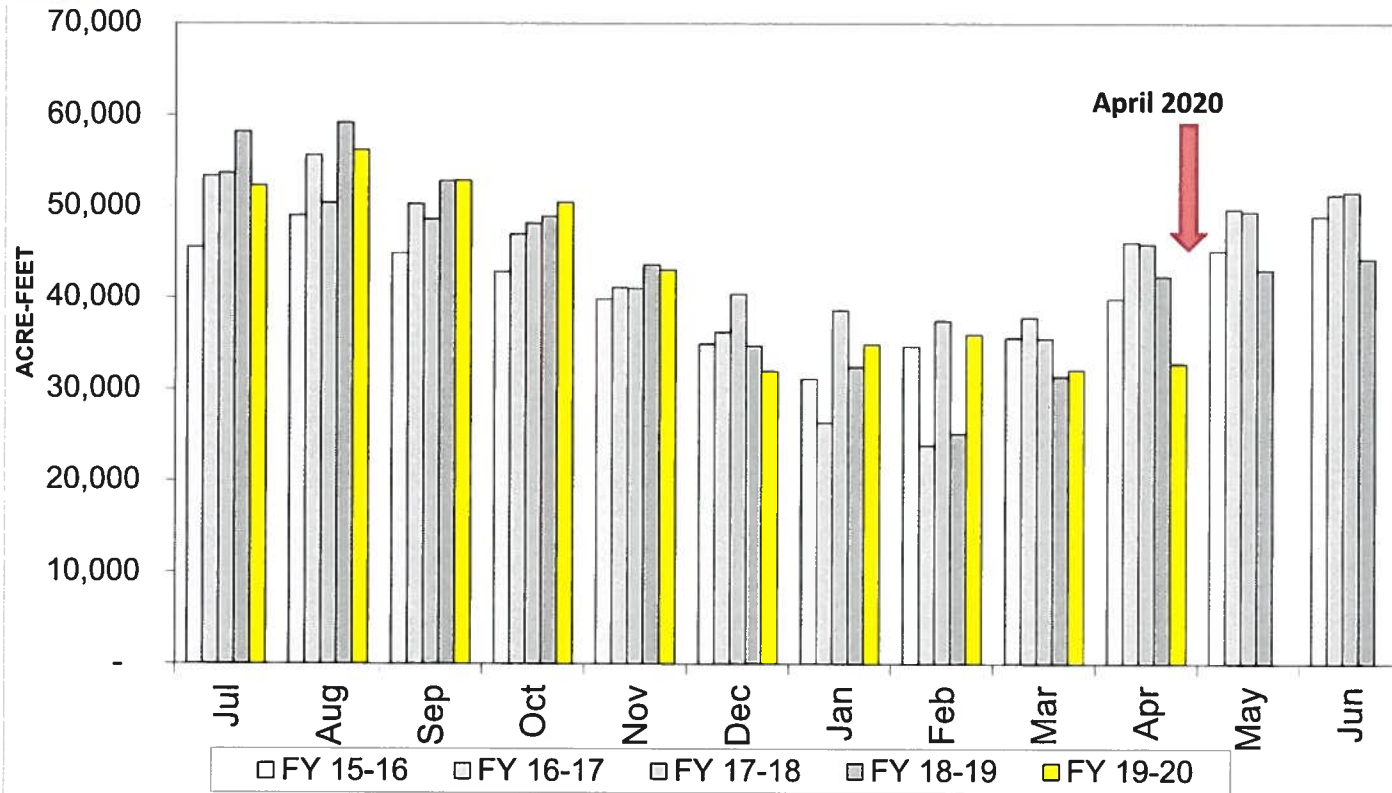

[2] GW for consumptive use only. Excludes In-Lieu water deliveries and CUP water extraction that are counted with Import. BPP in FY '19-20 is 77%.

[3] MWDOC's estimate of monthly demand is based on the projected 5 Year historical retail water demand and historical monthly demand patterns.

[4] Total water usage includes IRWD groundwater agricultural use and usage by non-retail water agencies.

**Fig. 2 OC Monthly Water Usage [1]: Comparison to Last 4 Fiscal Years**

**Partial Year Subtotals**

2 23  
23 3 4

[1] Sum of Imported water for consumptive use (includes "In-Lieu" deliveries; excludes "Direct Replenishment" and "Barrier Replenishment") and Local water for consumptive use (includes recycled and non-potable water and excludes GWRS production) Recent months numbers include some estimation.

Rosemead, CA 91770

**NOTICE OF EVIDENTIARY HEARINGS REGARDING  
SOUTHERN CALIFORNIA EDISON COMPANY'S (U 338-E)  
2021 GENERAL RATE CASE APPLICATION NO. 19-08-013**

The California Public Utilities Commission (CPUC) is holding Evidentiary Hearings (EHs) regarding Southern California Edison Company's (SCE) 2021 General Rate Case (GRC) Application No. 19-08-013. In its Application, SCE is requesting authority to increase its revenues for 2021 to 2023 as follows:

- 2021: \$1.319 billion (12.9% increase over total present rates)
- 2022: Additional \$385 million (3.4%)
- 2023: Additional \$538 million (4.7%)
- TOTAL: Cumulative \$2.242 billion (7.5%) revenue increase per year over 3 years<sup>1</sup>

| Date/Time   | Location/Remote Details  |
|---|--|
| July 6, 2020 – July 24, 2020<br>9:30 a.m. – 5p.m. | Please monitor the CPUC's daily calendar<br>(located at <a href="http://www.cpuc.ca.gov">www.cpuc.ca.gov</a> ) |

**Please note:** Due to the Governor's directive and CPUC's ongoing efforts to protect customers and community members during COVID-19, the CPUC may determine that there will be no in-person physical location for the EHs and may instead hold the EHs through other means such as via internet or via phone participation. Therefore, please monitor the CPUC's daily calendar (located at [www.cpuc.ca.gov](http://www.cpuc.ca.gov)) for any changes relating to the EHs and the manner in which they will be held.

**ABOUT SCE'S APPLICATION**

SCE filed its 2021 GRC application and amended GRC application on August 30, 2019, and November 7, 2019, respectively. In the GRC proceeding, the CPUC will set the rate that

<sup>1</sup> Per the April 17, 2020 Amended Scoping Memo and Ruling of Assigned Commissioner and Assigned Administrative Law Judges, the CPUC added a future track (Track 4) where the revenue requirement will be litigated to consider funding for a third attrition year covering 2024.

customers pay to fund SCE’s day-to-day operations, including maintenance for its equipment and electricity grid upgrades. The primary reasons for SCE’s requested revenue increases are to:

1. Reduce the risk from wildfires to keep the electric grid safe for the public and for SCE workers;
2. Reinforce grid reliability and grid resiliency in case of an emergency; and
3. Improve customer service and communication, integrate distributed energy resources, and offer customers more choices to meet their needs.

**WHAT THIS PROPOSED APPLICATION MEANS TO YOU**

The table below shows an estimate of proposed revenues and rate changes by customer group:

**Bundled service customers’ average rate impacts:**

| <b>Customer Group</b>             | <b>Current Average Rates as of July 2019 (cents/kWh)</b> | <b>Proposed Average Rates as of January 2021 (cents/kWh)</b> | <b>Total Change (cents/kWh)</b> | <b>Percentage Change (% Increase)</b> |
|-----------------------------------|--|--|---------------------------------|---------------------------------------|
| Residential                       | 18.1 cents/kWh   | 20.7 cents/kWh   | 2.6 cents/kWh                   | 14.4%                                 |
| Lighting — Small and Medium Power | 17.3 cents/kWh   | 19.2 cents/kWh   | 1.9 cents/kWh                   | 11.0%                                 |
| Large Power                       | 12.4 cents/kWh   | 13.5 cents/kWh   | 1.1 cents/kWh                   | 8.9%                                  |
| Agricultural                      | 13.7 cents/kWh   | 15.1 cents/kWh   | 1.4 cents/kWh                   | 10.2%                                 |
| Street Lighting                   | 25.5 cents/kWh   | 26.2 cents/kWh   | 0.7 cents/kWh                   | 2.7%                                  |
| Standby                           | 10.2 cents/kWh   | 10.8 cents/kWh   | 0.6 cents/kWh                   | 5.9%                                  |
| <b>Total</b>                      | <b>16.3 cents/kWh</b>                                    | <b>18.2 cents/kWh</b>  | <b>1.9 cents/kWh</b>            | <b>11.7%</b>                          |

Note: Total percentage system revenue increase including bundled and non-bundled service customers is 12.9%. The rates and percentages shown above are averages and are not the exact changes you may see in your bill. Changes in individual bills depend on how much energy each customer uses.

If SCE’s rate request is approved by the CPUC, the average residential monthly bill would increase by approximately \$14 in 2021, \$4 in 2022, and \$6 in 2023.

**CPUC PROCESS**

At the EHs, the assigned Administrative Law Judges (Judges) will receive the testimony of SCE, consumer advocacy groups, and all other parties to this proceeding. These EHs are open to the public but only those who are parties to the proceeding may present evidence, testimony, and are subject to cross-examination. The hearings and documents submitted during this proceeding will become part of the formal record that the Judges rely upon in writing a proposed decision to present to the Commissioners for their consideration.

After considering all proposals and evidence presented during the formal hearing process, the assigned Judges will issue a proposed decision which may adopt SCE’s application as proposed,

modify, or deny it. Any CPUC Commissioner may sponsor an alternate decision. The proposed decision, and any alternate decisions, will be discussed and voted upon at a scheduled CPUC Voting Meeting.

The Public Advocates Office has reviewed this application. The Public Advocates Office is the independent consumer advocate within the CPUC with a legislative mandate to represent investor-owned utility customers to obtain the lowest possible rate for service consistent with reliable and safe service levels. For more information about the Public Advocates Office, please call (415) 703-1584, e-mail [PublicAdvocatesOffice@cpuc.ca.gov](mailto:PublicAdvocatesOffice@cpuc.ca.gov) or visit their website at <http://www.publicadvocates.cpuc.ca.gov/>.

# SOCALGAS® STANDS WITH YOUR COMMUNITY DURING COVID-19

Over the last several months, we have worked diligently to promote the safety and well-being of our employees and customers and to keep the affordable energy you count on flowing under Governor Newsom's Safer at Home order.

Now, as Southern California begins its recovery many restaurants and businesses have started reopening after a months-long closure.

June is national safety month and safety is the foundation of everything we do at SoCalGas®. In this newsletter we offer safety tips for those businesses that are reopening, as well as important safety tips for homeowners who might be taking on a home improvement project.

We also highlight the ongoing availability of several customer service programs, and a recent construction project that will help SoCalGas continue to bring reliable and affordable natural gas service to our customers.

We hope you find this edition useful, and we will continue to keep you updated on the important information you need.

Andy Carrasco  
Vice President, Strategy and Engagement,  
and Chief Environmental Officer

## KEEPING OUR CUSTOMERS SAFE

Restaurant and business owners are eager to reopen and welcome back customers. In many cases, the natural gas equipment at these businesses has been idle for months. We encourage you to reach out to SoCalGas to have your equipment inspected for leaks to promote safe operation prior to opening. As a reminder, SoCalGas continues to make essential service appointments for things like suspected natural gas leaks, carbon monoxide checks, gas meter turn-ons, natural gas outage and pilot re-lights. Business customers can schedule an appointment by calling 1-800-427-2000.

We also want to provide our residential customers with some safety tips. Many people are taking advantage of the nice weather to start home improvement projects. Don't forget to contact **811** at least two business days before breaking ground, whether it's a landscaping project or you're starting construction on an addition to your home. National Safety month is also a good time to remind everyone to always be aware of signs of a natural gas leak. Some of these signs include a dry patch of grass, a hissing or whistling sound and the distinctive odor of natural gas. Remember to "look, listen or smell." In the event you suspect a gas leak, immediately evacuate the area and from a safe location call SoCalGas at 800-427-2200 or 911. More safety information can be found at [socalgas.com/Safety](https://www.socalgas.com/Safety)

## CONTRACTORS RESUMING WORK FOR CUSTOMERS

Energy Savings Assistance (ESA) and Energy Efficiency (EE) contractor work restarted in-person activities on June 1 after being suspended due to COVID-19. Customers who are interested in making their home or business more energy efficient by installing things like attic insulation, low-flow showerheads, weather stripping or replacing older appliances with more efficient equipment are now able to have an in-person energy audit completed. Additionally, customers who had already begun this process can now have these upgrades completed. Rest assured, ESA and EE contractors are following proper Centers for Disease Control and Prevention (CDC) guidelines for social distancing, face coverings and any other necessary protective measures.

Read here for more information on [commercial](#) and [residential](#) customers.

## GAS ASSISTANCE FUND EXTENDED

We know that this has been a difficult time for many and that finances are stretched. SoCalGas would like to remind our customers that there are resources available to help pay their natural gas bill. United Way and SoCalGas' Gas Assistance Fund program usually closes in April, but the fund has now been extended into the fall months. The one-time grant awards have also been doubled from \$100 to \$200. More information, including how to apply, is available at [socalgas.com/Gaf](https://socalgas.com/Gaf)

As a reminder, SoCalGas has suspended service disconnections until further notice. This means no residential or small business customer will have their natural gas service turned off due to non-payment.

## MAJOR CONSTRUCTION COMPLETE

SoCalGas continues to perform essential work to upgrade our natural gas system to support the safe and reliable delivery of natural gas to our customers. After three years of planning and engineering, SoCalGas recently completed work on relocating a large segment of a natural gas pipeline in Chino. The Benson Bridge work was part of Caltrans' "60 Swarm" project, which included the replacement of three bridges in the County of San Bernardino and the SR 60 pavement project between the 15 and 215 freeways. We are proud to announce that this construction was completed ahead of schedule!

Please visit our COVID-19 support and response page at [socalgas.com/Coronavirus](https://socalgas.com/Coronavirus) for the latest information.

## Youth Sports Practices Re-Open in Orange County

**Santa Ana, Calif.** (June 15, 2020) – The County of Orange will allow the re-opening of practices for youth sports under [COVID-19 Industry Guidance: Day Camps](#).

"Youth sports are a fantastic way for children to enjoy the outdoors and get some much needed sunshine," said Chairwoman Michelle Steel, Second District. "I greatly look forward to seeing youth sports start in Orange County and encourage all sports leagues to maintain social distancing and follow safety protocols."

The County of Orange will require all youth sports practices to follow state guidance of physical distancing and safety protocols for small and stable groups without spectators.

"After many weeks away from their teams and teammates, children across Orange County can once again be able to do what all children should be encouraged to do which is to play, work on their physical, as well as mental, strength and learn valuable life lessons about collaboration and uniting for a common goal," said Vice Chairman Andrew Do, First District.

At this time, youth sports activities will allow for practices only. There is no set time in which the state will re-open sporting events and games with spectators.

"The State's guidance is the next big step in bringing OC back to normal. I advocated for a safe return to youth activities because playing sports is a fantastic way to build character, in addition to burning off the past months' pent-up energy," said Supervisor Don Wagner. "The Day Camp guidance also gives youth leaders clarity on how to safely conduct business. Our families have been wanting healthy outlets for their children and I am beyond thrilled to see young people now able get out and play once again."

Youth sports leagues must ensure that they meet the proper safety protocols as outlined in the [COVID-19 Industry Guidance: Day Camps](#) which include proper cleaning, disinfection, limits on the number of participants, and physical distancing.

"The need for children to be active while practicing safe social distancing at sports practices is important," said Supervisor Doug Chaffee, Fourth District. "We understand that people want to have their lives return to as normal as possible, but it's important to stay vigilant and follow state guidelines on how to do so."

Youth sports league staff will be required to train all staff and families on how to follow safety actions, including screening practices and enhanced sanitation practices.

# COUNTY OF ORANGE

P R E S S R E L E A S E

WWW.OCGOV.COM

"Orange County residents understand the severe impacts that COVID-19 has on our residents but these issues can be mitigated by following state guidelines," said Supervisor Lisa Bartlett, Fifth District. "By allowing youth sports practices to resume in a safe manner, it allows Orange County children to enjoy time with their peers and have a little bit of normalcy at this time."

For more information about the COVID-19 Industry Guidance: Day Camps, please visit <https://covid19.ca.gov/pdf/guidance-daycamps.pdf>.

## County Appoints New Director of Orange County Public Works

**Santa Ana, Calif.** (June 16, 2020) – The County of Orange has appointed James “Jim” Treadaway as the new Director of Orange County Public Works (OCPW) effective Friday, June 19.

Orange County Public Works supports and enriches the community through efficient delivery and maintenance of public works infrastructure, planning, and development services.

Mr. Treadaway started his career with the County of Orange in 2016 as the Deputy Director of OC Facilities – Design and Construction within OCPW. His responsibilities included oversight of a \$500 million dollar capital projects portfolio amongst other duties.

Before joining the County of Orange, Mr. Treadaway was employed with the City of Los Angeles for over thirty years in the Public Works Bureau of Engineering, serving as the Lead Bridge Engineer and Lead Construction Manager. Previously, he served as Lieutenant Commander in the United States Navy with the Construction Battalion/Seabees.

“I look forward to working with Jim as we continue to move the County forward by completing critical infrastructure and maintenance projects,” said Frank Kim, County Executive Officer.

Along with a Bachelor of Science in Engineering from University of California, Los Angeles, he earned his Master of Public Administration from California State University, Northridge. Mr. Treadaway is also a Registered Civil Engineer (PE) and a Registered Structural Engineer (SE) in the State of California.

## **OCTA Adding More Bus Service Back Beginning June 14**

*Bus service will increase to modified Saturday levels on most routes, about 60 percent of regular service, with safety measures as Orange County gradually reopens*

ORANGE – The Orange County Transportation Authority on Sunday, June 14 will implement changes that increase daily OC Bus service to Saturday service levels on most routes Monday through Saturday, add bus trips on the busiest routes to help allow for social distancing, and restore regular weekday service on 14 routes.

The change to modified Saturday service reflects about 60 percent of the regular service that was offered before the start of the coronavirus (COVID-19) pandemic.

Sunday bus service will continue at regular Sunday service levels. And OC ACCESS paratransit, for eligible riders with physical or cognitive limitations, will remain operating at full service levels.

Saturday service levels will be implemented on 37 bus routes in all, and additional OC Bus trips will be added on weekdays to 15 more heavily traveled routes to continue allowing for social distancing. More information on bus routes and schedules is available online at [www.ocbus.com](http://www.ocbus.com).

“OCTA remains committed to keeping the health and safety of our customers and OCTA employees as the No. 1 priority while continuing to provide essential transit services,” said OCTA Chairman Steve Jones, also the Mayor of Garden Grove. “As our county begins to gradually and responsibly reopen, the OC Bus system will be there to help our residents safely get where they need to go.”

OCTA continues to follow health guidance from federal, state and local agencies. Since the public health crisis began, OCTA has implemented several safety measures, which continue. That includes hand sanitizer available to riders on every OC Bus, enhanced nightly cleaning of buses with extra focus on surfaces frequently touched and temporary rear-door boardings.

OC Bus riders are also asked to wear face coverings on board and follow social-distancing recommendations while on the bus. When possible, OCTA will limit the number of passengers onboard to allow for social distancing.

On March 23, OCTA reduced OC Bus service levels to Sunday service levels – about 40 percent of regular service – on all days of the week.

That temporary reduction in service was implemented to protect coach operators and the community from the spread of COVID-19. It was also in response to a sharp decline in ridership as Orange County followed the state's stay-at-home orders, and OC Bus continued to operate for essential workers and those who relied on public transportation for essential trips.

As Orange County has started to reopen under the state's guidance, ridership has also seen corresponding increases. Before the coronavirus pandemic, the OC Bus system saw an average of nearly 125,000 riders per day. That number dropped in March and April to approximately 33,000 daily riders, but in recent weeks has picked up again to approximately 47,000 daily riders.

The modified Saturday service schedule is listed by route on the [www.OCBus.com](http://www.OCBus.com) website. Bilingual signs notifying bus riders of the June 14 changes are being placed at all OCTA bus stops and printed brochures will be mailed to customers who call in requesting the information.

Riders will also be notified through onboard announcements, social media, and email blasts, and in multiple languages, including Spanish and Vietnamese.

OCTA is continuing to monitor the evolving situation and will adapt as needed for the health and safety of the public. OC Bus riders are encouraged to periodically check the OC Bus website and look for updates.

###

*About OCTA: The Orange County Transportation Authority is the county transportation planning commission, responsible for funding and implementing transit and capital projects for a balanced and sustainable transportation system that reflects the diverse travel needs of the county's 34 cities and 3.2 million residents. With the mission of keeping Orange County moving, this includes freeways and express lanes, bus and rail transit, rideshare, commuter rail and active transportation.*

## OC Bus June Service Change

# JUNE 14 SERVICE CHANGE

RIDE SMART. STAY SAFE!

OCTA is modifying OC Bus service while helping to protect your safety. Effective June 14, we will operate on the Saturday schedule (Monday through Saturday), while also increasing service on several routes to accommodate social distancing, and adding more local routes. OCTA's top priority is the health and safety of our riders and employees. We continue to follow guidance from federal, state and local health agencies to help stop the spread of COVID-19.

## **MONDAY-SATURDAY:**

OC Bus will operate modified Saturday service on the following routes: **1, 25, 26, 29, 30, 33, 35, 37, 38, 42, 43, 46, 47, 50, 53, 54, 55, 56, 57, 59, 60, 64, 66, 70, 71, 72, 79, 83, 89, 90, 91, 129, 143, 153, 177, 543, 862.**

*(The **highlighted routes** will operate with additional trips to allow for social distancing)*

## **WEEKDAYS ONLY**

OC Bus will operate weekday service

on the following routes: 76, 82, 85, 86, 87, 123, 167, 177, 178, 453, 463, 472, 473, 480.

## **SUNDAYS**

OC Bus will operate regular Sunday service.

## **TEMPORARILY DISCONTINUED ROUTES**

53X, 57X, 64X, 150, 206, 213, 529, 560, 701, 721, 794 and iShuttle.

## **RIDE SMART. STAY SAFE.**

OCTA safeguards the health of OC Bus riders with enhanced cleaning of buses in operation, applying anti-viral disinfectant to every bus daily and taking extra time to clean surfaces touched most frequently. Additional safety measures have been taken to protect the safety of our customers and employees. Please follow the important safety guidelines below when riding OC Bus to protect yourself and others.

## [VIEW SAFETY GUIDELINES](#)

Plan ahead before you ride. All adjusted routes and schedules can be found on OCTA.net or by calling 714-636-RIDE.

## **OCTA Approves \$1.4 Billion Balanced Budget for FY 2020-21**

*Budget was revised with lower anticipated spending due to effects of COVID-19 pandemic but keeps advancing transportation improvements for Orange County*

ORANGE – The Orange County Transportation Authority has approved a budget of more than \$1.4 billion for the upcoming fiscal year – a balanced budget that makes conservative assumptions due to the financial effects of the COVID-19 pandemic while keeping important transportation improvements moving forward.

The OCTA board on Monday OK'd the balanced budget, down more than \$98 million compared to last year's OCTA budget, for the 2020-21 fiscal year that begins July 1.

Major initiatives for the budget include advancing capital improvement projects, including the I-405 Improvement Project, I-5 projects in South County and Central County, the OC Streetcar, improving local streets and continuing to serve Orange County's transit needs, while keeping health and safety as the top priority.

The budget underwent several revisions in recent months based on revenue estimates that show sharp declines in funding from both Measure M, the county's half-cent sales tax for transportation and state sales-tax funding, in the wake of the ongoing public health crisis. No plans for new hiring or salary increases for administrative and professional staff are included in the budget.

"We clearly had to make some difficult decisions because of the effects of the COVID-19 pandemic, but this budget demonstrates OCTA's ongoing commitment to improving the lives of residents through transportation," said OCTA Chairman Steve Jones, also the Mayor of Garden Grove. "We're happy to continue on the path to delivering a balanced and sustainable transportation system for Orange County."

The FY 2020-21 budget encompasses all services, projects and programs that are administered by OCTA. The budget reflects a significant investment in capital projects.

Measure M, also known as OC Go, will continue to fund improvements to freeways and streets throughout Orange County, along with multiple transit programs. Included in the budget is \$418 million to help fund freeway improvements and \$32 million for the OC Streetcar now under construction, which will be the county's first modern electric streetcar in Santa Ana and Garden Grove.

Additionally, approximately \$146 million will go toward improving streets and roads, including more than \$56 million to provide more traffic capacity and \$36 million for traffic-signal synchronization.

The budget also included funding that would keep OC Bus fixed-route service at up to the same levels as before the pandemic, with 1.6 million revenue hours made possible with additional funding from the federal Coronavirus Aid, Relief, and Economic Security (CARES) Act.

Actual OC Bus service levels will be added back as demand increases and with the health and safety of the public and employees as the top priority.

The 2020-21 budget is a result of OCTA's mission to deliver innovative, long-term sustainable transportation solutions for the residents of Orange County.

## **INCREASED PATROLS, WARNINGS FOR JULY 4**

The City, in collaboration with the Garden Grove Police Department and Orange County Fire Authority, is raising the public's awareness to safety and increased police presence during the upcoming July 4 holiday. Police patrols will be identifying violators of the City's municipal code on fireworks. Using or possessing illegal fireworks, including misusing or tampering with legal ones, carries a \$1,000 fine.

Only safe and sane fireworks bearing the California State Fire Marshal seal may be discharged in Garden Grove on July 4, from 10:00 a.m. to 10:00 p.m., on private property only.

As in previous years, on July 4, the Garden Grove Police Department will deploy additional officers to identify violators of the City's code on fireworks. Patrols will focus on areas of high-activity illegal fireworks use.

In addition, Garden Grove Animal Care Services will have an Animal Control Officer on-duty on July 4. If a pet goes missing, call (714) 741-5565; press 1 for Field Services; and leave a detailed voice message. The on-duty Animal Control Officer will automatically be notified of call/voice messages.

-more-

Increased Patrols, Warnings for July 4  
2-2-2

All city parks will close by 5:00 p.m. on July 4, including tennis and handball courts, with park sprinklers activated.

Garden Grove firework sales take place from July 1 through July 4. Hours are: 10:00 a.m. to 10:00 p.m., July 1 through July 3; and 10:00 a.m. to 9:00 p.m. on July 4.

Due to the current COVID-19 crisis, Fourth of July block parties will not take place in the city of Garden Grove.

To report illegal fireworks, call the Garden Grove Police Department's non-emergency number at (714) 741-5704. Be prepared to provide the address where the illegal firework(s) were lit and a description of the individual(s) involved.

Call 9-1-1 for emergencies only.

In 2019, the Garden Grove Police Department issued 75, \$1,000 citations, a 5.6% increase from 2018. The Garden Grove Police Department received 218 firework-related service calls on July 4; and 284 firework-related calls from July 1 through July 5, 2019.

For more information, call the Garden Grove Fireworks Hotline at (714) 741-5270 or visit the July 4 Safety Tips and Regulations webpage at [ggcity.org/july-4-safety-tips-regulations](http://ggcity.org/july-4-safety-tips-regulations).

Sở Cảnh sát Thành phố

Thứ Năm, 18 tháng Sáu, 2020

**TĂNG CƯỜNG TUẦN TRA, PHẠT NHỮNG AI ĐỐT PHÁO LẬU VÀO NGÀY LỄ ĐỘC LẬP**

Trong dịp Lễ Độc Lập (July 4) sắp tới đây, Sở Cảnh sát và Sở cứu hỏa Orange County Fire Authority sẽ làm việc chặt chẽ để hạn chế tình trạng đốt pháo lậu. Những ai đốt pháo lậu hoặc sở hữu pháo lậu sẽ bị phạt lên đến \$1,000. Vì vậy, Thành phố kêu gọi sự hợp tác của cộng đồng để giảm số lượng biên phạt.

Chỉ các loại pháo bông an toàn có đóng dấu của Tiểu bang California (California State Fire Marshal) được phép sử dụng vào ngày 4 tháng Bảy, từ 10:00 giờ sáng đến 10:00 giờ tối. Theo quy định về việc đốt pháo bông của Bộ luật Thành phố Garden Grove, chỉ được phép xài pháo bông an toàn tại những địa điểm tư gia cá nhân. Năm nay vì dịch COVID-19, nên những 'block party' sẽ không được phép tổ chức.

Vào ngày 4 tháng Bảy, Sở cứu hỏa sẽ sắp xếp thêm nhân viên cứu hỏa và điều tra hỏa hoạn, gia tăng cảnh sát đi tuần để giữ an toàn trong cộng đồng.

Dịch vụ Chăm sóc Động vật (Animal Care Services) của Garden Grove cũng sẽ có một nhân viên trực điện thoại vào Thứ Năm, 4 tháng Bảy. Nếu các thú nuôi trong nhà bị mất tích, hãy gọi (714) 741-5565 và bấm số 1.

Để tránh tình trạng đốt pháo lậu tại những nơi công cộng, một số công viên trong Thành phố sẽ đóng cửa lúc 5:00 giờ chiều ngày 4 Tháng Bảy, 2020. Các sân quần vợt và sân banh cũng sẽ đóng cửa và các hệ thống tưới nước tự động sẽ khởi động lúc 5:00 giờ.

Pháo bông an toàn "safe and sane" được bán trong những sạp (booth) dựng quanh trong khu vực Garden Grove từ ngày 1 tháng Bảy đến ngày 4 tháng Bảy.

Để báo cáo những vụ đốt pháo lậu/ bất hợp pháp, hãy gọi cho số không khẩn cấp của Sở Cảnh sát Garden Grove theo số (714) 741-5704. Hãy chuẩn bị để cung cấp địa chỉ nơi pháo lậu được đốt và gọi 9-1-1 cho trường hợp khẩn cấp.

Để biết thêm thông tin, xin vui lòng gọi số Hotline Garden Grove tại (714) 741-5270, hoặc ghé thăm trang web của thành phố ở [ggcity.org/july-4-safety-tips-regulations](http://ggcity.org/july-4-safety-tips-regulations), hoặc có thể theo dõi trên mạng xã hội Facebook tại City of Garden Grove, Garden Grove Police Department.

###

## Cảnh Sát Garden Grove Tăng Cường Tuần Tra, Phạt Những Ai Đốt Pháo Lậu Vào Ngày Lễ Độc Lập

18/08/2020 10:28 00

Trong dịp Lễ Độc Lập (July 4) sắp tới đây, Sở Cảnh sát và Sở cứu hỏa Orange County Fire Authority sẽ làm việc chặt chẽ để hạn chế tình trạng đốt pháo lậu. Những ai đốt pháo lậu hoặc sở hữu pháo lậu sẽ bị phạt lên đến \$1,000. Vì vậy, Thành phố kêu gọi sự hợp tác của cộng đồng để giảm số lượng vi phạm. Chỉ các loại pháo bông an toàn có đóng dấu của Tiểu bang California (California State Fire Marshal) được phép sử dụng vào ngày 4 tháng Bảy, từ 10:00 giờ sáng đến 10:00 giờ tối. Theo quy định về việc đốt pháo bông của Bộ luật Thành phố Garden Grove, chỉ được phép xài pháo bông an toàn tại những địa điểm tư gia cá nhân. Năm nay vì dịch COVID-19, nên những 'block party' sẽ không được phép tổ chức.

Vào ngày 4 tháng Bảy, Sở cứu hỏa sẽ sắp xếp thêm nhân viên cứu hỏa và điều tra hỏa hoạn, gia tăng cảnh sát đi tuần để giữ an toàn trong cộng đồng. Dịch vụ Chăm sóc Động vật (Animal Care Services) của Garden Grove cũng sẽ có một nhân viên trực điện thoại vào Thứ Năm, 4 tháng Bảy. Nếu các thú nuôi trong nhà bị mất tích, hãy gọi (714) 741-5565 và bấm số 1.

Để tránh tình trạng đốt pháo lậu tại những nơi công cộng, một số công viên trong Thành phố sẽ đóng cửa lúc 5:00 giờ chiều ngày 4 Tháng Bảy, 2020. Các sân quần vợt và sân banh cũng sẽ đóng cửa và các hệ thống tưới nước tự động sẽ khởi động lúc 5:00 giờ.

Pháo bông an toàn "safe and sane" được bán trong những sạp (booth) dựng quanh trong khu vực Garden Grove từ ngày 1 tháng Bảy đến ngày 4 tháng Bảy. Để báo cáo những vụ đốt pháo lậu bất hợp pháp, hãy gọi cho số không khẩn cấp của Sở Cảnh sát Garden Grove theo số (714) 741-5704. Hãy chuẩn bị để cung cấp địa chỉ nơi pháo lậu được đốt và gọi 9-1-1 cho trường hợp khẩn cấp. Để biết thêm thông tin, xin vui lòng gọi số Hotline Garden Grove tại (714) 741-5270, hoặc ghé thăm trang web của thành phố ở [ggcity.org/july-4-safety-tips-regulations](http://ggcity.org/july-4-safety-tips-regulations), hoặc có thể theo dõi trên mạng xã hội Facebook tại City of Garden Grove, Garden Grove Police Department.

The Regular Meeting of the  
Garden Grove Zoning Administrator  
scheduled for June 25, 2020  
has been cancelled.

JUDITH MOORE  
SECRETARY

# League of California Cities Provides California State Legislature Budget Highlights

*June 15, 2020*

Today, the Senate and the Assembly passed the Legislature's compromise FY 2020-21 State Budget and sent it to Gov. Gavin Newsom.

June 15 is the constitutional deadline for the Legislature to pass a budget and send it to the Governor. The Legislature's budget largely rejects the Governor's proposed cuts from the May Revision budget and instead relies on federal assistance, accounting maneuvers, and additional reserves.

The Legislature acknowledged additional work on the budget is needed, which will be carried out in the coming days and weeks. Numerous budget trailers bills will be considered to implement the budget or make cuts to existing programs if federal assistance is not forthcoming.

Negotiations between the Governor and Legislature on additional budgetary items continue this week. It is anticipated that an August revision to the budget will occur once tax receipts are received in July. The League will continue to fight for resources that cities need to address revenue loss related to the COVID-19 pandemic response and recovery.

Read League Executive Director Carolyn Coleman's response to the FY 2020-21 State Budget [here](#), and read below for highlights that are of interest to cities:

## **Trigger Cuts**

If California does not receive the anticipated \$14 billion in additional federal assistance by Sept. 1, the following "trigger solutions" may occur:

- \$2.7 billion more from the rainy day fund and Safety Net Reserve.
- \$1.3 billion one-time benefit from reinstatement of a longstanding deferral of state payments to CalPERS, including from state special funds.
- \$5.9 billion of increased deferrals to Proposition 98 (K-14 education) funding.
- \$600 million reduction to the county realignment backfill in this budget plan (leaving \$400 million of county backfill remaining).
- \$770 million of university reductions (\$370 million for University of California and \$400 million for California State University systems).
- \$100 million of reductions to the judicial branch budget.
- At least \$1.5 billion in state employee compensation reductions to be achieved, for represented employees, through the collective bargaining process.

- Potentially another \$1.6 billion from reinstatement of the one-day June payroll deferral that was instituted during the last recession (this change would be optional at the direction of the Director of the Department of Finance).

### **CARES Act Funding**

The Legislature's budget allocates \$500 million to cities for homelessness, public health, public safety, and other services to combat COVID-19 pandemic as follows:

- \$225 million directly to cities with a population greater than 300,000 that did not receive a direct allocation from the Federal CARES Act. Allocation based on the city's population.
- \$275 million to cities with a population less than 300,000. Allocation based on the city's population. No city shall receive less than \$50,000.

The Legislature's budget allocates \$550 million through the Department of Housing and Community Development for acquisition or acquisition and rehabilitation of motels, hotels, or hostels; master leasing of properties; acquisition of other sites and assets; conversion of units from nonresidential to residential in a structure with a certificate of occupancy as a motel, hotel, or hostel; purchase of affordability covenants and restrictions for units; and the relocation costs for individuals who are being displaced as a result of rehabilitation of existing units. The budget also adopts a placeholder trailer bill to implement Project Roomkey.

### **Homelessness Funding**

The Legislature's budget includes additional funding to support existing homelessness programs. The budget directs \$350 million to the Homeless Coordinating and Financing Council, however, it is unclear how these funds will be allocated. A budget trailer bill is likely needed to provide direction to the Homeless Coordinating and Financing Council.

### **Transportation Funding**

The Legislature's budget rejects the Governor's May Revision proposal to transfer \$130.5 million in interest earnings from the State Highway Account (SHA) to the General Fund.

### **Broadband**

The Legislature will adopt budget trailer bill language to better enable telecommunications providers to compete for federal funding with the intent of improving access to broadband Internet in California.

### **California Office of Emergency Services**

The Legislature's budget allocates \$50 million one-time General Fund for Community Power Resiliency to support additional preparedness measures that bolster community resiliency and includes budget bill language reflecting the Legislature's priorities in this area.

The Legislature's budget allocates \$2 million General Fund for the Wildfire Forecast and Threat

Intelligence Integration Center, consistent with Chapter 405, Statutes of 2019 (SB 209), reducing the proposal by \$6.8 million General Fund across various departments.

### **Department of Parks and Recreation**

The Legislature's budget rejects the \$30 million General Fund ongoing baseline cut to the Department of Parks and Recreation scheduled to begin 2021-22.

### **Department of Water Resources**

The Legislature's budget approves \$18 million General Fund and \$10 million Proposition 68 for the New River Project.

The Legislature's budget approves the withdrawal of \$35 million General Fund for the Tijuana River Project.

### **Minor Revenue Increases**

The Legislature will adopt budget trailer bill language for used car dealer sales tax. This trailer bill language would require used car dealers to remit the sales tax from a vehicle sale to the Department of Motor Vehicles with the registration fee. This change is projected to increase by millions state and local revenues from these transactions.

**White House Update: President Trump Signs Executive Order on Safe Policing for Safe Communities**

---

**From :** Tony Cardenas <tcardenas@cacities.org>

Wed, Jun 17, 2020 11:46 AM

**Subject :** White House Update: President Trump Signs Executive Order on Safe Policing for Safe Communities

📎 4 attachments

**To :** Tony Cardenas <tcardenas@cacities.org>

State and Local Leaders –

Today, June 16, President Donald J. Trump took **historic action** and signed an **Executive Order on Safe Policing for Safe Communities** ([remarks](#); [video](#)). Prior to the signing, the President met with families who have lost loved ones to violence – many involving deadly interactions with police – and reiterated and the Administration’s commitment to deliver safety and security for Americans of every race and background. The **Executive Order** is the product of close collaboration with law enforcement professionals, community leaders, and impacted families and demonstrates the President’s commitment to decisively advance common sense reforms that improve accountability, increase transparency, and invest more resources in police training, recruiting, and community engagement. “Americans can achieve anything when we work together as one national family,” President Trump stated in remarks prior to the Executive Order signing. “To go forward, we must seek cooperation, not confrontation; we must build upon our heritage, not tear it down; and we must cherish the principles of America’s founding as we strive to deliver safe, beautiful, elegant justice and liberty for all.”

🐦 **The White House:** President @realDonaldTrump announces "historic action to deliver a future of safety and security for Americans of every race, religion, color, and creed."

🐦 **The White House:** "Reducing crime and raising standards are not opposite goals. They are not mutually exclusive. They work together."

🐦 **The White House:** "In order to make real progress on public safety, we have to break old patterns of failure. Many of the same politicians now presenting themselves as the solution are the same ones who have failed for decades on schools, jobs, justice, and crime."

President Trump strongly believes in the rule of law, and through the Executive Order, has directed his Administration to seek reforms that improve the relationship between law enforcement and all communities. Importantly, the Executive Order represents a commitment by the President and the Administration to support – not defund – the brave men and women of law enforcement by providing them with necessary resources to implement best practices and protect the communities they serve. Key provisions include:

- **Certification:** The Justice Department will now allocate certain funding only to law enforcement agencies that meet high standards for use-of-force and de-escalation, as credentialed by reputable independent bodies. As part of this new credentialing, chokeholds will be banned except if an officer's life is at risk.
- **Information Sharing:** The Attorney General will create a database for federal, state, and local law enforcement to track terminations, criminal convictions, and civil judgments against law enforcement officers for excessive use-of-force.
- **Mental Health:** To protect both officers and our most vulnerable populations, the Administration will prioritize training for police and social workers who respond to incidents involving the mentally ill, addicted, and homeless.

- **Legislative Action:** The Administration will develop and propose new legislation to Congress to build on these policies and boost community engagement.

Below, find a helpful **Fact Sheet** and **Statements of Support** from various stakeholders. We welcome your feedback – please flag any statements for our office. And as always, please do not hesitate to reach out if we can be helpful. The Office of Intergovernmental Affairs is the primary liaison between the White House and State and local elected officials. We appreciate your partnership.

### **President Donald J. Trump Is Taking Unprecedented Steps to Strengthen Relations Between Law Enforcement and Their Communities**

*“We must invest more energy and resources in police training and recruiting and community engagement.” – President Donald J. Trump*

#### **IMPLEMENTING BEST PRACTICES: President Donald J. Trump is taking historic action to increase the adoption of best practices in law enforcement and support a safe and secure America.**

- President Trump is issuing a new Executive Order that will encourage law enforcement agencies to implement best practices and protect the communities they serve.
  - Our law enforcement officers provide critical protection to all Americans, and we need to work collectively to strengthen relationships across our country.
- Under the Order, the Attorney General will allocate certain grant funding to only those law enforcement agencies that meet high standards, including around use-of-force and de-escalation, as credentialed by reputable independent bodies.
- The Order provides incentives for law enforcement agencies to use a nationwide database to track terminations, criminal convictions, and civil judgments against law enforcement officers for excessive use-of-force, which will create accountability between agencies.
- The Administration will prioritize training and other programs for police and social workers responding to incidents involving the mentally ill, addicted, and homeless.
- President Trump is directing his Administration to develop and propose new legislation to Congress to further the policies of the Order and build community engagement.

#### **UNITING AMERICAN COMMUNITIES: President Trump is taking action to unite our Nation and ensure safer communities for all Americans.**

- Every day, law enforcement officers make great sacrifices to keep our citizens safe.
  - Last year alone, 89 law enforcement officers were killed in the line of duty.
- In 2018, our police arrested nearly 12,000 people for murder and manslaughter, 25,000 people for rape, and nearly 1.5 million for assault.
- The overwhelming majority of the law enforcement community bravely perform their duties with integrity and honor.
- Close ties between law enforcement and their communities are important in all communities.
- President Trump's Order seeks to redouble our efforts as a Nation to engage directly with our neighbors and secure lasting relationships across all communities.

**KEEPING AMERICANS SAFE: President Trump is improving fairness and equality in our criminal justice system, while keeping our communities safe.**

- President Trump has led the way on groundbreaking criminal justice reform, taking a smart-on-crime approach to make our communities safer.
  - The President brought together a broad coalition including law enforcement, faith groups, community organizations, and more to support the First Step Act.
- The President established the Presidential Commission on Law Enforcement and the Administration of Justice, examining how to improve community relations between the public and law enforcement.
- President Trump revitalized Project Safe Neighborhoods to help reduce violent crime in communities all around the country.
- Thanks to the President's efforts, both the violent crime rate and murder rate in America have fallen for two consecutive years.

---

**What They Are Saying | Support for President Trump's Action to Promote Safe Policing and Safe Communities**

---

**Fraternal Order of Police National President Patrick Yoes:** We have reviewed the language of President Trump's Executive Order and support its goals and methodology. It strikes a great balance between the vital need for public and officer safety, and the equally vital need for lasting, meaningful, and enforceable police reform.

**Fraternal Order of Police National Vice President Joe Gamaldi:** I think we're going to embrace these reforms ... We heard America. We heard Americans. We were listening. We understood that reforms needed to happen. That commonsense solutions to these problems needed to be presented. And I think that's what you saw here today.

**National Sheriffs' Association Incoming President Dave Mahoney:** We look forward to assisting the administration and Congress to implement these orders for the betterment of

law enforcement and our nation.

**Major County Sheriffs of America:** The Major County Sheriffs of America (MCSA) appreciates the President's action to advance law enforcement accountability and preserve public safety through his Executive Order. ([tweet](#) and full statement)

**Former D.C. Police Chief Charles Ramsey:** This is a good start, and you know, the acknowledgement that you need to have some kind of national database, de-escalation training, having, you know, teams of people respond to some of these calls instead of just police officers, that have the expertise to be able to, you know, de-escalate and deal with people in a mental health crisis...these are things that I think are very positive, moves in a right direction.

**Brennan Center for Justice Senior Fellow Theodore Johnson:** "I think the biggest thing is information sharing between federal agencies, the states, and the federal government is a good thing. The more those entities talk, which is difficult, the better it will be for those departments, as well as for the citizens that they serve."

**Governor Bill Lee (TN):** Proud of Director [@rauschtbj](#) for representing our state so well on the Presidential Commission on Law Enforcement. Thank you [@POTUS](#) for jumpstarting public safety reforms. ([tweet](#))

**Attorney General Ashley Moody (FL):** Honored to join [@realDonaldTrump](#) and U.S. Attorney General William Barr, as the President signs an executive order to strengthen the trust between law enforcement and the communities they have sworn an oath to protect. ([tweet](#))

**Attorney General Chris Carr (GA):** Today, [@POTUS](#) signed an #ExecutiveOrder with substantive and innovative solutions aimed at building #TRUST between law enforcement the communities they serve. We commend these actions, and we look forward to doing our part here in Georgia. ([tweet](#))

**Attorney General Daniel Cameron (KY):** I applaud [@POTUS](#)/[@realDonaldTrump](#)'s executive order today, which flatly rejects the radical notion of defunding the police in favor of reasonable, commonsense measures that will encourage safe policing and strengthen the relationship between law enforcement and our communities. ([tweet](#))

**Attorney General Alan Wilson (SC):** The President's exec. order on Safe Policing brings needed improvements that will mean safer communities. Grant \$ only to agencies that meet high standards, incl. improved use-of-force and de-escalation policies and training, credentialed by independent bodies.

**Attorney General Sean Reyes (UT):** The [@WhiteHouse](#) executive order on Safe Policing and Standards for De-escalation Training signed by [@POTUS](#) today directs grants to support peace officers in constructive community engagement and provides more resources for co-responders. ... These federal resources for peace officers and co-responders are a powerful step forward for law enforcement & the communities they selflessly serve each day. ([tweet](#))

**House Minority Leader Kevin McCarthy (CA):** Today's action by President Trump marks the first step in helping our cops serve their communities better. • Better training • More transparency • New accountability.

**House Minority Whip Steve Scalise (LA):** @realDonaldTrump just signed a bold executive order on police reform. We must do all three: – Ensure equal justice – Support police officers who uphold their oath – Introduce better training and accountability ‘Defund the police’ is not a serious solution.

**Sen. Tim Scott (SC):** Very emotional meeting at the White House this morning with families of those killed by police in recent years. So grateful they are willing to share their powerful stories, and pleased to hear the President and AG commit to helping find answers and solutions.

**Sen. Kelly Loeffler (GA):** Thank you, @POTUS @realDonaldTrump, for your leadership in addressing police reforms. The solution isn't to 'defund the police,' it is to provide more support and accountability. With today's executive order, we're taking a strong step to enhanced training and communication.

**Sen. Martha McSally (AZ):** The executive order announced by @POTUS is a big step in the right direction & we are working in the Senate on further reforms.

**Sen. Joni Ernst (IA):** Thank you @POTUS for taking action to help ensure our communities, and ALL Americans, are safe.

**Sen. Thom Tillis (NC):** “President @realDonaldTrump’s executive order is an important first step in police reform and accountability.”

**Sen. Todd Young (IN):** Today, @POTUS took a first step toward meaningful police reform and pledged to work with Congress on additional measures. I look forward to working with my colleagues and the President on these important reforms.

**Sen. Mike Braun (IN):** With this executive order, President @realDonaldTrump is taking a strong lead on progress toward more safe policing for all Americans.

**Mayor Betsy Price (Fort Worth, TX):** The President’s executive order is a step in the right direction, as we work to build safe communities that promote not only public safety, but also accountability for our first responders. Furthermore, it is critical we provide our police officers the necessary resources...” ([tweet](#))

**Sheriff Thomas Hodgson (Bristol County, MA):** I was proud to stand shoulder-to-shoulder with fellow Sheriffs and others in law enforcement to support President @realDonaldTrump's executive order on policing today at the @WhiteHouse. ([tweet](#))
