Beginning July 14, the free Summer Concert Series kicks off each Thursday with the "The Voice of Garden Grove." Join us each week as local high school students compete to be the top vocalist. One winner from each week will move on to the finals on August 11, at 6:00 p.m., for a chance to win a \$500 scholarship and another \$500 towards his/her Garden Grove Unified School District school choir program. The Garden Grove Community Foundation supports education and the arts in the community and recognizes the degree of young talent within the city. The Voice of Garden Grove is one way the Foundation can provide performance and scholarship opportunities for local high school students, and support the arts in the community. For more information or eligibility, visit www.ggcf.com or call (714) 741-5280.
