PLANNING SERVICES DIVISION
11222 ACACIA PARKWAY
GARDEN GROVE, CA 92840
TEL: (714) 741-5312 FAX: (714) 741-5578
www.ci.garden-grove.ca.us

IMPORTANT NOTICE:

Please contact the Planning Services Division at (714) 741-5312 to inquire about the zoning requirements that will apply to your project, and the discretionary review process. Please be advised that the project may also be subject to the requirements of other City Departments. The Planning Services Division highly encourages, prior to filling out and completing any entitlement application, that all applicants submit a **Preliminary Review Application** for all projects to verify zoning compliance and compliance with the requirements of other City Departments. Possible consequences for not performing a preliminary review may include delays to the project, redesigning of the project, and unexpected financial costs incurred by the applicant.

PRELIMINARY DEVELOPMENT REVIEW APPLICATION

SITE PLAN REQUIREMENTS

The Site Plan must be drawn to scale, and must include the following information:

1. Show property lines and dimensions.
2. Show proposed building locations, dimensions, setbacks, distance between buildings, etc.
3. Show and label proposed streets and drives, including any necessary dedications, and dimension to show widths and distance from street centerlines.
4. Show all proposed parking spaces and aisles, including dimensions.
5. Show all proposed signs including location and dimensions, with reference to the sign program.
6. Indicate proposed utility meter locations and electrical transformers.
7. Show all structures on contiguous properties within 30 feet of the subject property.
8. Show all proposed walls and fences, and label each as to type of dimensions on the subject property.
9. Show all landscaped areas and dimensions of each area.
10. Show the following in tabular form:
 - a. Net size of parcel(s)
 - b. Total square feet of parking areas, including areas used for ingress or egress, drives, aisles, stalls, and maneuvering
 - c. Total area of landscaping within parking area
 - d. Total landscaping area within parking area as a percent of the parking area
 - e. Building area, coverage, and height
 - f. Total number of parking spaces on the site and number of compact and handicap spaces, and percentages of each
 - g. Total square feet of landscaped area excluding setbacks
11. For residential projects, show the following information in tabular form:
 - a. Number of units
 - b. Total building coverage in square feet and as a percent of the site area
 - c. Total number of covered and guest parking spaces, both compact and regular-sized and percentages of each
 - d. Total square feet of all common recreation areas and average common area per unit
 - e. Show all common recreation areas and private patio areas and dimensions of each
 - f. Density as square feet per unit
 - g. Density as number of units per acre
 - h. Numbers of one, two, and three bedroom units, including the number of bathrooms, and square footage of each type of units
 - i. Building height
 - j. Total landscape area within parking area in square feet and a percent of the parking area
 - k. Total square feet of landscaped area, including setbacks and parking area, but excluding common and private recreation area

PRELIMINARY DEVELOPMENT REVIEW APPLICATION

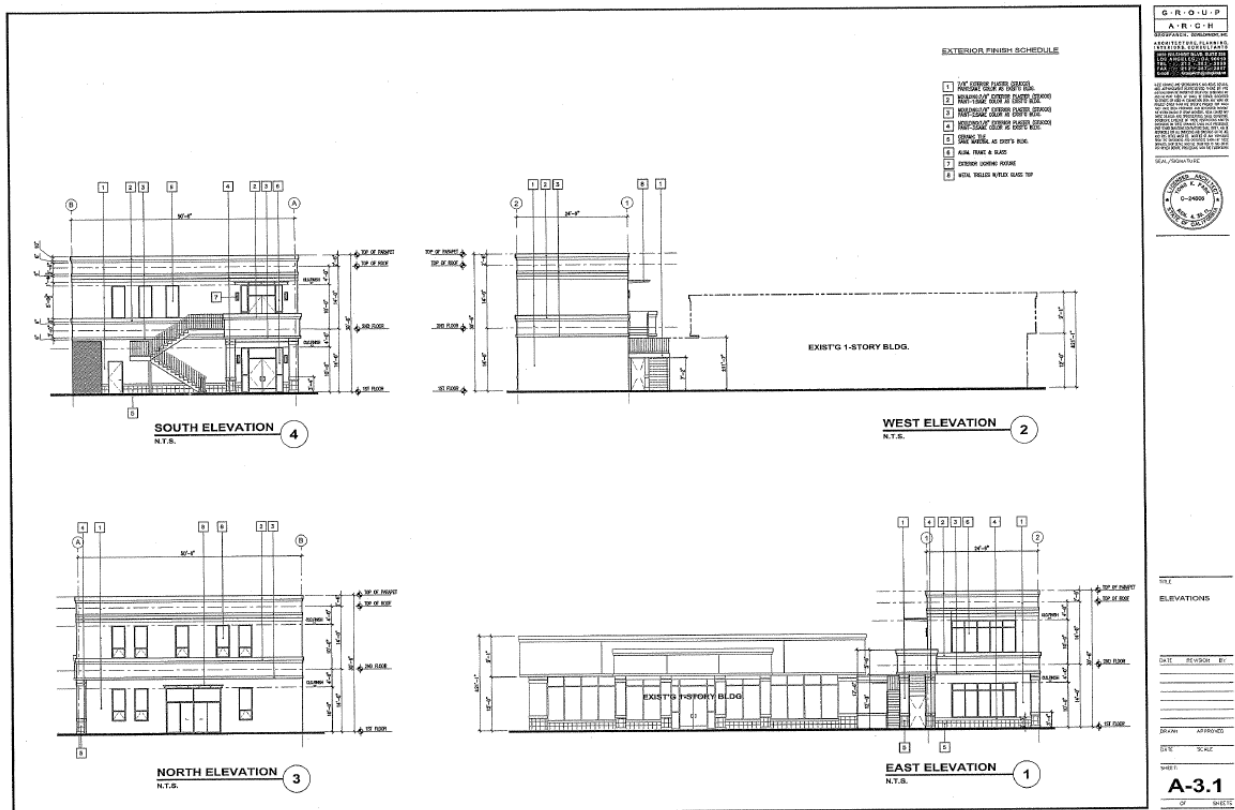

ELEVATION PLAN REQUIREMENTS

The Elevation Plan must be fully dimensioned and drawn to a scale, and include the following information:

1. Elevations shall include all sides of each building type proposed for the site.
2. Scale: Not less than $1/8" = 1'-0"$
3. All exterior building materials and colors shall be labeled and identified.
4. All roof, window, and door heights shall be dimensioned.
5. Title block.

***Note:** All portions of the elevations shall be plainly visible, unobstructed by conceptual landscaping items (trees, shrubs, etc.) or other opaque features. However, supplemental plans may be submitted showing building elevations with landscaping, signs or other architectural features added or an artist's rendering of the proposed project.

Example of Elevations

PRELIMINARY DEVELOPMENT REVIEW APPLICATION

PRELIMINARY WATER QUALITY MANAGEMENT PLAN (WQMP) OR NON-PRIORITY PROJECT WATER QUALITY PLAN (WQP)

The City of Garden Grove requires a Preliminary WQMP for new developments and significant redevelopment projects called "Priority Projects." To determine if your project is considered a "Priority Project," please refer to page 7.11 1-5 of the 2011 Model WQMP, Table 7.11-2: Priority Projects Categories for North County Permit Area.

"Non-Priority Projects" are projects that do not fall under one of the "Priority Project" categories as defined in the 2011 Model WQMP, but meet one of the conditions listed on page 7.11 1-7 of the 2011 Model WQMP. The City of Garden Grove requires a Non-Priority Project Water Quality Plan for private new development and significant redevelopment projects that qualify as "Non-Priority Projects."

Either the Preliminary WQMP or the Non-Priority Project Water Quality Plan are required as part of the discretionary approval process. The City's Engineering Division reviews and approves the Preliminary WQMP or the Non-Priority Project Water Quality Plan **prior** to official submittal of the development plans to the Planning Services Division for Public Hearing review. The Engineering Division will review and evaluate the Preliminary WQMP or the Non-Priority Project Water Quality Plan for preliminary approval. In addition, the Engineering Division will offer guidance toward plan elements necessary for approval of the full Project WQMP or the Non-Priority Water Quality Plan.

For additional information about the Preliminary WQMP or Non-Priority Water Quality Plan, please visit the Public Works Engineering Division webpage at:

<http://www.ci.garden-grove.ca.us/?q=pw/engineering>

Refer to the Environmental Section, and select the appropriate link on the webpage as shown in the example menu below to access the appropriate document(s):
